

**MANIPAL
UNIVERSITY**

Deemed-to-be-University under Section 3 of the UGC Act, 1956

Annual Report 2016

Dr T M A Pai, Padmashree awardee
1898-1979

*A key in constant use remains smooth and shining.
Similarly, if we keep ourselves constantly active our body retains its poise and harmony.*

*Drops of water make the mighty ocean.
Things individually beyond the reach of accomplishment
become miraculously easy with collective effort.*

*Light dispels darkness.
So too education helps to remove the ills of society.*

*Educated and enlightened children are an asset
not only to the family but to the whole nation.*

For and on behalf of the Board of Management

Dr H S Ballal
Pro Chancellor

27-31 Dec 2016	
Dr Vijay Panchal, Professor and Head, Civil Engineering Department Dr Zafar Azeem, Assistant Professor	Charotar University of Science and Technology (CHARUSAT), Changa, Gujarat

II Overview

Message

Manipal University's march towards excellence witnessed many developmental programs aimed at providing more updated academic facilities to the students. It has been the continuous efforts of the Management and the faculty members in improving the standard of teaching that have enabled the University impart education of a high standard to make the beneficiaries face the challenges of their future with confidence. The University feels proud in presenting the saga of its growth through this Annual report 2016.

A handwritten signature in blue ink, which appears to read 'Dr. Ramdas M. Pai'.

Dr Ramdas M Pai
President and Chancellor

Message

It has been the earnest effort of the Management and faculty members of Manipal University to impart education of a high standard to enable their students to equip themselves with the knowledge which will energize them with confidence to pursue higher studies, or join the professional streams of their choice. This Annual Report 2016 of Manipal University, will be able to give a comprehensive picture of the developmental activities taking place in its various constituent units. My best wishes to all those have been striving hard to maintain the University's excellent standard of education.

A handwritten signature in blue ink, appearing to read "H S Ballal". The signature is written in a cursive style with some flourishes.

Best wishes
Dr H S Ballal
Pro Chancellor

Message

Manipal University's aspiration to be one of the world's best, received a big boost when National Accreditation and Assessment Council (NAAC) awarded the highest grade of "A" following the visitation in May. The NAAC accreditation followed the National Institutional Ranking Framework (NIRF) which placed Manipal College of Pharmaceutical Sciences in Number 1 position in the country.

Rather than being self congratulatory, it is important for us to look at the larger tasks ahead. Featuring in the list of top 200 universities continues to be our medium-term goal even as we attempt to nudge our way into the subject-wise rankings.

Relative positions of universities of the world will be determined by quality and making it to the league tables has become an inescapable necessity and not merely a fleeting fancy.

We at Manipal are optimistic of pacing our growth balanced with maintenance of highest standards in everything we do.

Dr H Vinod Bhat
Vice Chancellor

Message

An annual report of a university reflects the academic and non-academic activities of its constituent institutions/colleges. I am glad that editorial team of Manipal University is releasing annual report of 2016, compiling all the activities of the University. Some of the institutions have performed extremely well in national ranking announced by various agencies including National Institutional ranking framework (NIRF). This is the first time that Manipal University featured in world ranking. As per Times Higher Education World Ranking, Manipal University is placed 801+ ranking among the top 980 universities in the world. Apart from world ranking, the University stands 200th rank amongst Asian Universities and also bagged ASSOCHAM award for best university promoting research. I thank Dr N Sreekumaran Nair and the editorial team for their unflinching effort in collating and presenting all the activities of various institutions/colleges.

Narayana Sabhahit

Registrar

Mission, Vision, Objectives, Powers and Functions of Manipal University

MISSION

Be the most preferred choice of students, faculty and industry
Be in the top 10 in every discipline of education, health sciences,
engineering and management

VISION

Global leadership in human development, excellence in education and health care

Objectives

- To support, promote and undertake the advancement of University Education, leading up to and including undergraduate, postgraduate, doctoral and postdoctoral courses in arts, science, commerce, medicine, dental, nursing, pharmacy, allied health sciences, life sciences, regenerative medicine, biostatistics, jewellery management, management, communication, hotel administration, geopolitics, information sciences, engineering, applied sciences and such other subjects as the trustees may deem fit.
- To provide for research and for the advancement of and dissemination of knowledge through extension and community service
- To promote Konkani language and the culture of the Konkani speaking people in general, and that of the students speaking Konkani in the aforesaid institutions in particular
- To do all other acts and things as may be necessary or desirable to further the objectives of the institute

Knowledge Potential

- To establish courses of study and research and to provide instruction in such branches of study as the University deems appropriate for the new faculty fraternities on existing campuses at Manipal, Mangalore, Bangalore, Dubai and Malaysia
- To confer degrees and to grant diplomas and/or certificates to persons who have satisfactorily completed the approved courses of study and/or research as may be prescribed and shall have passed the prescribed examinations
- To institute and award visitorships, fellowships, prizes, medals, stipends and scholarships

Convocation 2016

22nd Convocation

Chief Guest: Mr Niall Dickson Chief executive General Medical Council (GMC), London, United Kingdom
Date: Saturday, 21 May 2016, **Venue:** Dr TMA Pai International Convention Centre, MG Road, Mangalore

23rd Convocation

Program Day 1

Chief Guest: Prof Anil Dattatraya Sahasrabudha, the chairman of All India Council for Technical Education (AICTE)
Date: Saturday, 19 Nov 2016, **Venue:** KMC Greens, Manipal

Program Day 2

Chief Guest: Mr Rajiv Suri President and CEO, Nokia
Date: Sunday, 20 Nov 2016 **Venue:** KMC Greens, Manipal

Program Day 3

Chief Guest: Mr Praveen P Kadle Founding Managing Director and CEO, TATA Capital
Date: Saturday, 26 Nov 2016 **Venue:** KMC Greens, Manipal

III

Glimpses of the University

Admissions

Indian admissions:

Manipal University is a global knowledge destination celebrating its sixth decade in education, educating more than 33,000 students from 47 countries. Here, the students have the largest number of courses to choose from. There are over 328 courses offered in 20 diverse disciplines, being taught across 16 Institutions and 15 University teaching departments. Admissions for all these courses are centralized and admission office carries out the function of enrolling the students to the entire constituent institutions/ departments. Manipal University takes pride in stating that we follow “admission by merit only” policy. Counselling for admission was conducted for various courses where the prospective students appeared in the counselling as per their rank and took admission to various courses.

The future that is firmly rooted begins with admissions office, with full of possibilities and embraces opportunities. A total of 1,40,199 applications were sold in 2016. Admission office handled over 68,90,949 emails, over 2,91,124 calls and sent over 7,97,424 SMSs in the year 2016.

New initiatives in 2016:

- Webinar series conducted for the applicants and leads of various UG and PG programs.
- Periodic meetings with the Hols for the review of the applications and discuss the way ahead for improving the same.
- Participation of the faculty members in the “Teenovators” regional events held in six cities in India.

» Exclusive Manipal University Edu Fest

- Participation of the entire constituent institutions/ departments of Manipal University at the exclusive MU Edu Fest.
- To bring awareness of all programs of MU to the local population.
- Plans for implementation in South Indian states over the next two years.

With an objective of encouraging meritorious students and academic excellence, Manipal University offers “Freeship,” “Merit cum Means” scholarship and other scholarships. Listed below is the information on this as well as other scholarships offered in 2016.

Freeship: A total of three students admitted to MBBS course having rank within the first 1000 in the merit list in NEET 2016 and one student admitted to BPharm having rank within the first 100 of the merit list in MUOET 2016 were offered 100 percent freeship.

Merit cum Means Scholarship: A total of 63 students were given scholarship and the percentage of scholarship offered is determined based on the parents’ annual income and rank in MBBS, BTech and BPharm and Nursing merit lists.

AICTE Scholarship: A total of 89 students were given scholarship as per the AICTE scheme on tuition fee waiver for economically backward meritorious students of BTech course.

Scholarship for academy of General Education Students (SAGES):

A total of 187 students were given scholarship as per their parent’s income, rank in MUOET and percentage of marks in the qualifying examination.

Konkani speaking students and students from Academy of General Education (AGE) colleges were provided 25 percent tuition fee waiver for Allied Health Sciences and Nursing undergraduate courses and 10 percent tuition fee waiver for other courses.

Online entrance test: 1,12,358 candidates had booked the test schedule of their choice for first attempt and 16,092 booked for second attempt and 2,119 for the third attempt in the online test booking system (OTBS). The user-friendly online test booking system was revamped to facilitate the booking of second attempt. The tests were conducted in 45 centres all over India and one centre abroad. The online entrance tests have been successfully conducted for the 10 consecutive years with zero errors.

Counselling: Counselling for various courses was conducted successfully and over 27,000 candidates reported for counselling/admissions in the year 2016.

New courses introduced in 2016:

- P G Diploma in Drug Analysis
- MSc (Perfusion Technology)
- ME (Automotive Embedded Systems)
- ME (Big Data and Data Analytics)
- BPharm (Practice)
- MTech (Automobile Engineering)
- MPhil (Natural Sciences)
- MCom (Professional)
- MCom (Banking Technology)
- MA (Fashion Management)
- BSc (Exercise and Sport Sciences)
- An eight-week evening certificate course in Gandhian and Peace Studies

International admissions:

Manipal University is home to the largest international population in India for the last six decades. With its reputation for providing high quality education through its world-renowned faculty members, state-of-the-art infrastructure, world-class facilities and global standard curriculum, Manipal is an ideal educational centre for international students. The University has international academic collaborations for twinning programs in medical, dental, engineering and journalism with universities in the United States, Australia, United Kingdom and other countries.

Fifteen percent of the total seats are offered under foreign/NRI category to various postgraduate and under-graduate courses that include foreign citizens, PIO Card Holders, OCI (Overseas Citizens of India), Non-Resident Indians and NRI sponsored students (sponsored by NRI parents, parents' direct brother/sister and candidate's direct brother/sister). NRI sponsored seats sponsored by parents' direct brother/sister or candidate's direct brother/sister are not applicable for MBBS, BDS and BArch courses.

In the year 2016-17, we received a total of 2,665 applications and 376 students were admitted. At present we have 2,925 students from over 67 countries (1,674 foreign citizens (including OCI and PIO), 884 Non-Resident Indians and 367 NRI sponsored students) on rolls, pursuing their higher education in the various colleges/schools of Manipal University.

International Admissions Office at Manipal University handles the admission of foreign and NRI students with

admission and other formalities. The department helps the foreign students to obtain the student visa from various Indian embassy/consulates abroad as well as to register with the Foreigners Registration Office at Manipal and Mangalore within 14 days of entry to India to obtain registration certificate and registration permit. The department also forwards the list of students admitted along with their required documents to Ministry of External Affairs, Ministry of Human Resource Development, Ministry of Health and Family Welfare and Government of India to obtain the "No Objection Certificates" for foreign students to pursue their higher education at our University.

The International Admissions Office has promotional activities like education shows/fairs in Bahrain, Saudi Arabia, Kuwait, Sultanate of Oman, Sri Lanka, Indonesia, Thailand, Abu Dhabi, Ras Al Khaimah, Sharjah and UAE.

The consistent emphasis on quality has seen its degrees being recognized worldwide. Manipal University has an active alumnus across the world. One in five doctors in Malaysia is a Manipal Alumni and has over 4000 plus doctors from Manipal practicing in the United States of America and United Kingdom. Similarly, students from Manipal are working in different parts of the world.

Admissions for MBBS and BDS courses under foreign/NRI category was based on the marks/grades in the qualifying examination and the valid score in the All India overall rank obtained in the National Eligibility cum Entrance Test (NEET). Admissions for other courses were on first come basis as per the mark/grades obtained by the candidates in the qualifying examination.

University hostels, Manipal

1. General:

There is sufficient hostel accommodation for both male and female students. The accommodation is of two types i.e., air conditioned and non air conditioned. All rooms are suitably furnished with a cot, mattress, a study table, a chair and a cupboard for each occupant. Every hostel has uninterrupted electricity and water supply. Solar heated water is available during specific timings in the mornings

and evenings.

2. Hostels:

- a) Boys – New Bachelor Quarters (NBQ), Khorana (Boys), Raman, Nehru, Tagore, are all non AC hostels. New international hostels (B block), Amartya Sen and Charaka, are AC hostels.
- b) Girls – Sharada, Khorana (Ladies), Old Sarojini (OSB), New Sarojini (NSB), Rajaji, Kamaraj, Indira, Sonia, Nursing Training School (NTS) and Post

Graduate (PG), Nehru Ladies, are all non AC hostels. Old S Chandrashekar is a centrally air conditioned hostel with single and double AC rooms and New S Chandrashekar and New International are also centrally air conditioned hostels with single AC rooms only. Nehru Ladies AC Hostel is an AC Hostel with single and double rooms fitted with window ACs. In addition, Sharada, Indira and Sonia hostels also have separate AC blocks with single AC rooms.

- c) In all there are a total of 32 blocks having 5534 seats in single/double rooms with attached/common bathrooms. First year students are accommodated in separate designated hostels to ensure no scope for ragging which, in any case, is minimal. KMC medical students are housed in separate hostels (Nehru hostel for boys and Indira hostel for girls) to meet MCI regulations.

3. Common facilities:

There are common reading rooms, TV rooms, indoor games and water coolers with Aquaguard.

4. Food court:

To cater to popular demand, a centrally air conditioned Food Court is located in the campus where a student mess is also functioning. Fast food is also available on demand. Around 1500 persons (i.e., regular dining in members and guests) can have food at one time. Food Court is centrally located in the campus at Manipal Health Sciences campus and is run by "Chef on Wheels."

5. Management of hostels:

Hostel Management Committee manage the hostels under the benign chairpersonship of Madam Vasanthi R Pai. Day to day management is looked after by a full time Chief Warden, assisted by separate hostel wardens from the teaching faculty. Chief Warden reports to the Registrar. There is an efficient redressal system in place to attend to any complaints from the students.

Engineering and Management Hostels

Message from Chairperson

Manipal has grown into an international hub of academic excellence with a very large number of international and Indian student residents.

A very large number of students (approximately 8,000) belonging to Engineering, Management, Architecture, Communication and Department of Commerce

reside in the engineering and management hostels at MIT campus. A happy mix of AC and non-AC single and double rooms to suit the individual requirements of all students is available. There is a dedicated team of officials and workers to make the stay of students comfortable and providing an ambience of "home away from home."

We follow the dictum of "Pursuit of Excellence" in managing our hostels to make the stay of our students memorable.

General Information

- Institutions catered: 8
- MIT, FOA, SOC, SOM, SOIS, DOC, ICAS, DOS
- Hostel capacity: 7690 (Boys: 5605; Girls: 2085)
(However, with a heavy over-subscription in 2016, approximately 200 seats have been taken from the medical hostels on a temporary basis).
- Chief warden: Col CMS Kalakoti
- Wardens: 38 (Boys: 23 Girls: 15)
- Number of Blocks: 25 (Boys: 14 Girls: 11)
- Number of messes: 6, Boys: 2, Girls: 3, and Food Court

Hostel Facilities

The following facilities are available in MIT Hostels:

- The hostel provides a cot, a mattress, a study table, a chair and a cupboard for each student.

Engineering and management hostels at a glance:

MIT Hostel – Food Court

MIT Hostel – Messes

MIT Girls Hostel Block XIII – Inner View

- Every hostel has 24-hour electricity and water supply, solar heated water facility, water cooler with aqua guard filters, common telephone, common TV room, washing machine (ladies blocks only) etc.
- Excellent mess facilities (being provided by Chef on Wheels) are available for all students in different messes, i.e., Food Court/Annapoorna/Aditya/Ashraya/Aradhana/Ananya mess. Students can choose to be a member of any one of these messes.

Membership in any one of these messes is compulsory for all first-year students in hostels. Seniors can choose any mess for availing these facilities.

Sports facilities at MIT campus:

Facilities – Sports

Facilities: Gym

MIT Swimming pool

MIT Boys Hostel Facilities

Gym facilities at MIT hostels

Additions/developments during the year:
MIT Playground

Addition:

1) New international hostel "C" block (400 seats) with inbuilt food court for ICAS Students has been added.

2) ACs: 221 ACs have been added the following hostels:

- 8 Block (Girls): 36 Nos
- 13 Block (Girls): 41 Nos
- 19 Block (Boys): 48 Nos
- 20 Block (Boys): 48 Nos
- 21 Block (Girls): 48 Nos

3) Playground:

- 2 x handball courts in front of 10 block (with night lights);
- Relaying and turfing of 2 x tennis courts under process;
- 1 x basketball court in front of 19 block under progress;
- Night lights for Football Ground under process.

Deletion:

- 1) K block (96 Seats) has been demolished for construction of new ladies AC block (500 Seats).

Planned for future (2017):

- 1 x Food Court planned.
- ACs and refurbishing of hostel block 9.

Mu hostels, Mangalore

our hostels house and provide “Home away from home” to well over 2330 students and are managed very well by Chief Warden, Col P K Shetty, assisted by wardens of the respective hostels.

All hostels have independent mess facilities managed by “Chef on Wheels,” a subsidiary company of Manipal University. All the hostel offices have been provided with computers and laser printers. Wi-Fi Internet connection has been provided to all the hostel rooms. Mangalore hostels have single seater AC rooms/double seater AC rooms/double and triple seater non-AC rooms for both boys and girls in separate blocks. Sturrock Hostel has single seater AC rooms, whereas Attavar, Bejai, Nandagiri, Lalbagh, Kaprigudda Annex “B” and “C” hostels have been partially converted into double seater and single seater AC rooms.

In the academic year 2016–17, 38 MBBS foreign/NRI students have been accommodated in AC rooms in Bejai new hostel.

Segregation of hostels has been made for MBBS students. Kaprigudda main block boy’s hostel and Kaprigudda annex “C” block boy’s hostel has been earmarked for MBBS boy students. Nandagiri ladies’ hostel has been earmarked for MBBS girl students. Falnir hostel first and second floors have been earmarked as interns ladies hostel and Kaprigudda “B” block has been earmarked for interns - boys. Falnir hostel third floor has been earmarked as the PG girl’s hostel and Kaprigudda main block third and fourth floor have been earmarked as the PG men’s hostel.

Bejai old B block has been re-designated as the new Allied Health Sciences girls Hostel and Dr Akshatha Nayak, Assistant Professor of Department of Physiotherapy has been appointed as warden from 19 Sep 2016.

Office of the registrar-evaluation

Examinations at a Glance:

- Examinations are conducted for 77 undergraduate courses, 253 postgraduate courses including super specialty, 51 other courses (includes Diploma, Certificate and Premedical) and PhD programs.
- Online entrance examinations are conducted for the admission to various postgraduate and undergraduate courses.
- Examinations of branch campus are conducted.
- Question banks are generated in each subject and question papers are selected from the Question bank on the same day of examination and delivered to the Manipal University constituent institution 30 min prior to the commencement of examinations.
- Central valuation is done by double valuation (external and internal) through “On Screen Marking”, after scanning the answer scripts and uploading in the software (candidate’s identification masked to the evaluators).
- Third valuation is done if there is a difference of more than 15 percent of marks between the double valuations.
- The results are published within 10 to 30 days after the last examinations.

- The students are allowed to see their answer scripts during personal paper seeing.
- E-pad (paperless) examinations have been introduced across all the institutions.

Objectives of the department:

Conduction of examinations as per the annual schedule of examinations

Declaration of results as per the calendar

I. Total number of days on which the examinations have been conducted: 245 days

Month	Days	Month	Days
Jan	20	Jul	24
Feb	23	Aug	18
Mar	14	Sep	23
Apr	16	Oct	05
May	27	Nov	23
Jun	26	Dec	26

II. No of candidates appeared for examination during the year: 25,104

III. Programs for which the examinations have been conducted, and the number of candidates appeared for examination in the final year

Alumni Relations

Right from 1953, when the first lot of students came to study medicine in Manipal till date, over a lac students have graduated and left the portals of this great University. Memories of the good old days in Manipal are strongly etched in the minds of the alumni. For those who have seen Dr TMA Pai, the founder, nurture and shape this education hub in the beginning, for those who have been associated with different institutions under Manipal Academy of Higher Education (MAHE) and affiliated to different universities, and for those others who have studied and left after MAHE became Manipal University in 1993, the years spent on this campus is an unforgettable experience.

Manipal's alumni are all over the globe. And they are not just from medicine and engineering fields, but from other institutions of the University, which today has over 33,000 students from 59 countries. With off-campus in Mangalore and Bangalore, and offshore campuses in Dubai (UAE) and Melaka (Malaysia) the alumni base is drawn from a wider community and student body. There are over 5000 doctors from Manipal practicing in the United States and United Kingdom. One in four doctors in Malaysia is a Manipal alumni. Similarly, students from Manipal are working in different parts of the world.

It is the endeavour of the Alumni Relations of Manipal University to bring all our Alumni on one platform to create a global group of Manipalites. We at Manipal are working towards creating opportunities to network, share nostalgic moments, help your juniors and partner in the growth of your alma mater. The alma mater conducts an alumni meet wherein many alumni are likely to participate.

The institutions invite the distinguished alumni to present a lecture or for an interaction with the students as an epitome for the fresher's. The office of Alumni Relations keeps updating the records of the alumni regarding the changes in their profile.

Our new alumni portal has many features which will ensure that alumni can register themselves and keep appraising of various activities with frequent interaction. Their active participation and support in the activities of the University Alumni Association and the alumni portal will help us work together to take Manipal University forward in the years to come. We also look forward to feedback and suggestions from alumni on the portal to carry forward this initiative. It is just a small step to bringing the alumni closer to their old acquaintances.

It is the endeavour of the Alumni Relations Department of Manipal University to bring together every single ex-student, no matter which continent he or she may be in, on one platform for a truly global group of Manipalites. To think of the alumni from the very early batches, or for that matter from the recent ones coming face to face with say the Microsoft boss Satya Nadella, or the Nokia head Rajeev Suri at some alumni meet may sound fanciful. But it is not improbable. Alumni Relations is working towards that goal and hence this website. It has been created exclusively for the alumni. New users are to register and continue and those already enrolled, should start using the many options out there for interaction with each other. Keep it alive, keep it going and have fun.

University Alumni Meet 2016

Manipal University has organized an Alumni Reunion Day i.e., "Alumni Meet- 2016" on 18 Dec 2016 at Manipal. This was the ninth alumni meet organized by the University covering its entire constituent institutions including Mangalore and Bangalore campuses. About 500 dignitaries had participated from all over India and abroad. There was a special crowd from MIT batch of 1987 to 91, MCOBS batch of 1991 to 95, KMC Manipal/Mangalore MBBS batch of 1986-91, different batches from School of Nursing and College of Nursing etc.

All heads of the constituent institutions, faculty alumni, University officials, MU volunteers, nominated students and co-ordinators of the Alumni Relations attended the function held at Hotel Fortune Inn Valley View, Manipal. Dr Ramnarayan welcomed all the dignitaries and proud alumni of our different institutions.

Many MITians had shared their professional experience as well as solemn moments and memories of the Manipal life and MIT in particular. They also applauded the Institute for the excellent knowledge that they gained during their time here, and pointed out that the stay at MIT was the best part of their life and that it moulded them to be successful. Health Science alumni recalled their golden memories, nostalgia and festive merriment of Manipal. They also cherished being alumni of Manipal University and attributed their success to their alma mater.

Mr Prasanna R Kailaje, Director, Alumni Relations, Manipal proposed vote of thanks. The dinner was served during the melodious instrumental music program conducted by Mr Prakash Devadiga, Karkala, at the Valley View Lawns. Many senior alumni from different institutions attended and enjoyed this wonderful evening.

Global Manipal Alumni Convention 2016

Global Manipal Alumni Convention 2016 was held on 16 and 17 Dec. The objective of the Global Manipal Alumni Convention is to bring together Alumni members from across all streams of Manipal University, so that they can recreate their days at Manipal and network with each other. The event objective was to foster positive connections with Manipal University community and alumni for the betterment of the community. The event was facilitated by the KMC Alumni Association, Bangalore.

Global Manipal Alumni Convention was a signature alumni weekend, featuring an engaging mix of casual and formal events from networking and learning opportunities through academic sessions, presence of keynote speakers to entertainment. Alumni members from across the globe attended this convention. The vast and in-depth knowledge of invited keynote speakers, Mr Nandan Nilekani and Dr Abraham Verghese indeed added great value to one and all, present at the Convention.

The event was a grand success and we look forward to the next Global Manipal Alumni Convention, which is tentatively scheduled in 2018.

Alumni Reunions

KMC, Manipal

1) Department of Ophthalmology:

- a. OEU Alumni Reunion at Manipal was conducted by the Department of Ophthalmology, KMC Manipal on 2 and 3 Jul 2016.
- b. OEU Alumni CME was conducted at Country Inn and Suites, Manipal, on 3 Jul 2016.

2) Department of Radiodiagnosis and Imaging:

Department of Radiodiagnosis and Imaging, Manipal, for the first time conducted an Alumni Meet and CME on Imaging Update on 27 Dec 2015. The meet has been found a great success with 40 eminent alumni radiologists from various states. It included alumni from 1998 to 2012 batches. Many of the alumni radiologists delivered a speech and enlightened with their expertise. It was a great get together and a platform to memorise and cherish golden memories of Kasturba Medical College, Manipal University.

3) Department of Orthopaedics:

Alumni meet was conducted on 2–3 Jan 2016 at Manipal by the Department of Orthopaedics. It consisted of series of lectures, paper presentations from alumni and group discussions. 96 alumni attended this event from India and abroad.

- KMC 1969 batch alumni reunion was held in Hotel Citrus, Goa on 18–21 Feb 2016. This event was co-ordinated by Dr Ganesh Pai, Aveloor, Manipal. About 120 alumni were gathered from all over the globe.

- The South Africa Chapter Alumni Meet was held on 6 Aug 2016. 80 alumni from different parts of the globe participated in this reunion. The alumni reminisced their student days. They returned with fond memories of the event and lots of good wishes for their alma mater and whole group of Manipal as well.
- Alumni get together “KMC – Sangamam” was held in Puducherry, Kerala on 13-14 Dec 2016. Dr Cherian, Senior alumna of Kasturba Medical College co-ordinated this event for two days. More than 100 alumni were gathered for this two day event.
- 1982-87 KMC alumni were gathered in Manipal on 13-14 Dec 2016. Dr Unnikrishnan Karunakara, International President - Medicines sans Frontiers, co-ordinated this event. 32 alumni participated from all over the world.
- Batch of 1985-90 KMC, Manipal, alumni gathered in Manipal on 14-15 Dec 2016. This event was organized

by Dr Sandeep Shenoy, Ophthalmologist. More than 100 alumni gathered from India and abroad.

- 1986-91 KMC alumni meet was held in Manipal on 18-21 Dec 2016. The event was co-ordinated by Dr Anand Venugopal, KMC, Mangalore. Total participants of this event was 96.

KMC, Mangalore

1) Coordinated KMC, Mangalore, senior and city alumni at the NAAC interactive sessions on 24 May 2016. Participants: 40.

2) Facilitated Class of 1993, KMC, Manipal, Alumni reunion at KMC, Manipal, 15 Aug 2016. Participants: 80.

3) Facilitated KMC, Mangalore, Department of Anaesthesia Golden jubilee alumni reunion on 21 Oct 2016. Coordinator – Dr T V Shenoy and Dr Madhusudhan Upadhy. Participants: 150.

4) Facilitated class of 1980, KMC, Mangalore, reunion at Bolgatty Palace, Cochin on 18 Nov 2016. Coordinator – Dr G G Laxman Prabhu. Participants: 40.

5) Facilitated Class of 1991, KMC Mangalore reunion at Langkawi on 10-11 Dec 2016. Coordinator – Dr Priya Ballal. Participants: 75.

6) KMC 1996 batch alumni reunion was held in KMC, Mangalore on 23–24 Jan 2016.

7) Formation of alumni coordinators subcommittee at Manipal College of Dental sciences, Mangalore at ARMCODS at MCODES Mangalore on 15 Dec 2016. Coordinator – Dr Arathi Rao.

8) Created awareness of the Global Manipal Alumni convention (GMAC 2016). Dr Santosh Rai, associate director Alumni Relations and Dr Anand Venugopal, former Associate director attended the II Global Manipal Alumni convention held at Clarks Exotica Resorts, Bangalore on 16–17 Dec 2016.

9) Supported class of 1991 MCODES Mangalore reunion on 17 Dec 2016. Coordinator – Dr Arathi Rao. Participants: 80.

MIT, Manipal

Manipal Old Boys (MOB); Alleppy meet held on 13 Nov 2016:

The meeting was arranged at Ramada Resort in Alleppy, Kerala. Dr Vinod V Thomas (Registrar, Evaluation, MU), Mr Sam Mathew Chacko (1962), Mr Eapen (1957) and Dr M Vijaya Kini were invited on to the dais. The participants were informed them of the upcoming diamond jubilee in Jan 2017 and was given the dates of the inaugural function. The alumni was also urged to register on the portal alumni portal. Dr Vinod V Thomas reminisced about his time as a student and also spoke about the changes that have happened at Manipal since then. Mr Sam Mathew and Mr Eapen reminisced about their time at Manipal and paid tribute to our Founder Dr TMA Pai. One-minute silence was observed in memory of the alumni who passed away.

Nagpur alumni meet held on 21–24 Dec 2016:

The alumni meet of the 1965–1970 batch of MIT alumni held its annual meet at Nagpur from 21–24 Dec 2016. Dr M Vijaya Kini attended the meet on the invitation from Mr Ranjeet Deshmukh, alumni batch of the 1965–70. The meet was hosted by Mr Ranjeet Deshmukh (Mechanical batch 1971) and his family and co-hosted by Mr Anupam

Rai (Civil 1970 batch) who is also an Alumnus of MIT. About 75 people attended the meet (45 alumni with their family). A few of them were from abroad. On 21 Dec 2016 all the alumni gathered at the PG Hostel of NKPSIMS and RC, Digidoh. Mr Anupam Rai hosted a dinner in the evening at his residence for all. All the guests used this opportunity to socialise.

On 22 Dec 2016 a trip was organized to the forest surrounding Nagpur, which are notified by the government as tiger reserve (Pench Tiger Reserve). Buses were arranged to take us to the "Tiger Safari" in open jeeps. Later in the evening, Mr T Ranga Pai held a violin concert after which dinner was served.

On 23 Dec 2016 we started our return journey to Nagpur. On the way we were taken to Ramtek Lake. All the guests enjoyed boating in the lake. During the lunch at Ramtek, Mr M G George Muthoot, Chairman of the Muthoot Group joined us. We continued our journey to Nagpur after lunch and arrived back at the PG hostel for high tea, hosted by Mr Ranjeet Deshmukh. Around 7 pm, Mr T Ashok Pai and Mr M G George Muthoot inaugurated the newly built amphitheatre in the medical campus. Mr Ashish Deshmukh (Younger son of Mr Ranjeet Deshmukh and member of the legislative assembly, Govt of Maharashtra) hosted the dinner. During the dinner Mr Muthoot announced that he would host the alumni meet of the 1965-91 batch at Kochi. He invited all present to attend the meet at Kochi. The dates of alumni meet were tentatively fixed as 13-15 Dec 2017.

Alumni meet held in Manipal on 18-20 Dec 2016:

On 19 Dec 2016, the alumni (1987-1991 batch) who visited Manipal for the alumni meet registered for the meet. Later they were taken around the campus on a tour of Manipal University.

A meeting with Dr Balasubramanyam S Madhanabharatam, alumni of Chemical Engineering was arranged in the afternoon of 18 Dec 2016 with Dr Satish Shenoy, HOD, Aeronautical and Automobile Engineering, Dr K Jagannath, HOD, Mechanical and Manufacturing Engineering, Dr Harish Kumar, HOD Chemical Engineering and Dr MP

Yashoda, HOD Department of Chemistry. The agenda was to explore possibilities of Dr Bala helping our students in the form of lectures and the possibility of appointing Dr Bala as an adjunct faculty member. Dr Bala accepted our offer to address our students whenever he was in India. Dr Satish Shenoy is exploring the possibility of appointing Dr Bala as an adjunct faculty in the department of Aeronautical and Automobile Engineering. Dr Balasubramanyam S Madhanabharatam is currently based in USA and is a consultant to NASA for their Mars mission. The Alumni Meet of the 1987-1991 graduated batch of MIT Manipal was held in the library auditorium on 20 Dec 2016.

About 190 alumni from all over the world attended the alumni meet. Dr Vinod V Thomas, Registrar - Evaluation, MU, Dr Srikanth Rao, Director Admissions, MU, Dr Gicy Koor, Associate Director (Academics) and in-charge Director, 7 retired professors and 12 current faculty members were present.

The meet began with floral tributes to our founder Dr TMA Pai by the alumni, retired professors, and current faculty members. In his welcome address, Dr M V Kini informed the alumni about the growth of the alumni relations at MIT and its purpose over the years.

In his address Dr G K Prabhu, Director MIT, gave an overview of the developments that have taken place at MIT, he also spoke on the several ways in which alumni can help the Institute in its growth to be the topmost institute in the country. Prof K J Kamath, Prof Department of Mechanical and Manufacturing mentioned that the fulfilment of teachers wishes lies in the success of his/her students. He also gave an outline of the facilities at MIT and wished that a large number of alumni would participate in the diamond jubilee celebrations in 2017.

Prof B N Reddy, retired professor, Department of Chemical Engineering, recalled his time as teacher at MIT and wished all the alumni the very best in their career. The alumni felicitated all the retired professors with a memento and current faculty members who were present. Alumni were then asked to move to the dais for a department photo and reminisce about their life at MIT.

Mr Prasanna Kailaje demonstrated the use and purpose of the alumni portal. In addition, he also gave details of the new Manipal alumni app. He also requested that all the alumni of Manipal University to come together as "One Manipal". Prof Vishal Shenoy, Assistant Professor, Department of Mechanical and Manufacturing Engineering proposed the vote of thanks.

MCODS, Manipal

Golden Jubilee Alumni Meet – 2016:

To celebrate the successful completion of 50 years, the college organized golden jubilee alumni meet, "Reminiscence 2016" from 25 to 27 Mar 2016. Over 350 alumni from different parts of the world, congregated at Manipal to celebrate the 50 golden year of their alma mater.

Day 1 witnessed the beach get together of the alumni at the Manipal University at Beach House, Thottam beach.

Day 2 included the Campus and College visit and felicitation and award ceremony.

Day 3 was dedicated to the scientific session, followed by Dental Students Association Cultural program and Dental Ball.

Batch 1987, MCOCS Manipal:

Fifty alumni from the bath of 1987 visited Manipal for their reunion in the month of Jul 2016. Their two-day visit included Campus and College visit and fun activities

Batch 1983, MCOODS Manipal:

Thirty alumni from the batch of 1983 visited Manipal for their reunion in the month of Nov 2016.

Batch 1991, MCOODS Manipal:

The silver reunion of the batch of 1991 was held on 27–29 Dec 2016. Twenty-one alumni from different parts of the globe participated in the reunion. The alumni honoured their teachers, went around the campus and reminisced about their student days.

MCOODS, Mangalore

Inauguration of ARMCODS, Mangalore:

Alumni relations of MCOODS, Mangalore, (ARMCODS), with a tag line of “Reaching out to our alumni” was inaugurated. The objective of ARMCODS is to increase alumni registrations on alumni portal, to increase alumni activity in the institutions, to capture the placements or enrolment to PG studies, to felicitate achievements by alumni etc. The ARMCODS Mangalore team is headed by dean, Dr Dilip Naik as the Chairperson, Dr Arathi Rao, 1988 batch alumni as the alumni coordinator, Dr Nidhin Philip, 2002 batch alumni as joint coordinator and Dr Karen Boaz, 1989 batch alumni, Dr Nandita KP, 1992 batch alumni and Dr Nanditha Sujir, 2003 batch alumni as members. The other members of ARMCODS are the student representatives. Dr Venkatraya Prabhu, Dean of KMC, Mangalore, was the chief guest and Dr Santosh Rai, Associate Director of alumni relations MU was the guest of honour. Other dignitaries who attended the program were Dr Ramnarayan K, Vice President of alumni relations,

MU, Dr Dilip Naik, Dean, MCOODS Mangalore, Dr Mohan Baliga and Dr Ashita Uppoor, Associate Deans, Heads of various departments and alumni faculty members. Interns, post-graduate students and alumni faculty members attended the program.

Silver jubilee reunion of MCODES, Mangalore, batch of 1991:

The 1991 batch celebrated their silver jubilee reunion on 17–18 Dec 2016 at Mangalore. Total of 61 alumni had attended the program. Dr Vivek Amin and Dr Lavanya Manoj Verma who belonged to 1990 batch and presently faculty members at Yenepoya Dental College and Srinivas Institute of Dental Sciences, Mangalore, respectively coordinated with the batch and the institution. Alumni who attended the program were from USA, Australia, Middle East and India

The two-day program was as follows:

17 Dec 2016

There were registration counters managed by the students council, student delegates of MUSRF and Interns. All the alumni were informed about the upcoming students conference in February arranged by MUSRF. The alumni were made to register online in the alumni portal. The batch representatives expressed their gratitude to the institution by handing over a memento, which was received by Dr Baliga. The hospitality by the institution was well appreciated by all the alumni. They then visited Marena and TMA Pai Convention Centre. The group had a photo shoot at the convention centre.

Evening program was arranged by the alumni. All the teachers were also invited. Dr Mathais, Dr Chatra, Dr Sandeep Hedge and Dr Arvind Shenoy were the faculty members who made it to the evening program along with associated deans, alumni coordinator, Dr Sudha P, Dr Kundabala M and Dr Ravindra Kotian. Dr Surendra Shetty, Pro Vice Chancellor, could make it to the evening program and this made all the alumni extremely happy. Dr Anand Shenoy, Alumni of batch 91' raised the toast to the institution and faculty members. A band had been arranged for live music from Mumbai.

18 Dec 2016 - Private party at RiverRoost:

On both the days, they also visited all the places of eatery, beaches, malls, etc., to savour the old memories. Most of the alumni left Mangalore on 19 Dec 2016 with beautiful memories.

Reunion and workshop - Post graduate alumni of the department of Orthodontics and Dentofacial Orthopaedics, MCODES, Mangalore:

The Department of Orthodontics and Dentofacial Orthopaedics in association with the Centre for Advanced Dental Education organized a two day workshop, Orthognathic like Orthodontics, on 14–15 Oct 2016. All the three resource persons for the workshop were alumni of the department. The speakers for the course were Dr Vijay Baswa, Consultant Orthodontist, Kuwait, Dr Rajaganesh Gautam, Professor, Rangoonwala Dental College and Dr Abhisek Ghosh, Director, Great Lakes Orthodontics, Kolkata. A highlight of the program was the presence of an all alumni panel of speakers. Several alumni attended the event from across India and abroad. A total of 19 alumni from various batches met and attended the event, which was held at the MARENA sports complex in Mangalore. The alumni members held a get together dinner at the Village Restaurant, Mangalore.

MCOPS, Manipal

MCOPS Alumni Meet 2016:

The first annual alumni meet was held in the afternoon of 12 Feb 2016. The chief guest of this program was our alumnus Dr T Ravikumar, Associate Director of Wockhardt, Aurangabad. He recalled his days in Manipal as a young pharmacy student. Other alumni introduced themselves and reminisced the old days in Manipal. They marvelled at the splendid growth of Manipal and its various institutions. In the end, they promised to meet again on another occasion.

About 20 proud alumni of batch 1987-1991 gathered at MCOPS during 2-3 Dec 2016 to celebrate the reunion. The annual alumni meet was held on 3 Dec 2016. The alumni of batch 1987-1991, students and faculty members of MCOPS witnessed this meet. Dr N Udupa, Professor (former principal), Department of Pharmacy Management,

welcomed the gathering and interacted with the alumni. Alumni introduced themselves and recollected the days in Manipal. Many spoke about their journey from Manipal to the current position. They thanked MCOPS, their alma mater for shaping their future. This meet was full of joy and fun as the alumni shared and cherished their old memories. Dr C Mallikarjuna Rao, Principal, MCOPS was present during the meeting. Dr G Gautham Shenoy, Professor and Head, Department of Pharmaceutical Chemistry coordinated the program.

Manipal College of Pharmaceutical Sciences organized another alumni meet during the 68th Indian Pharmaceutical Congress (IPC) held at Visakhapatnam, Andhra Pradesh, on 16 Dec 2016. About 20 alumni attended this meet and senior professionals shared their Manipal life with fellow young alumni and encouraged them. The alumni meet was witnessed by the presence of eminent alumni like Dr Kaushik Desai, Dr T K Ravi, Dr Sreedhara R K Pai, Dr Ramkumar, Dr Nagaraju and Dr KVSRG Prasad. Dr N Udupa, Research Director (Health Sciences) Manipal University coordinated the meet.

WGSHA, Manipal

On 23 Apr 2016 an alumni get-together of the Eighth course was organized. Mr Anoop Pande and Ms Sherin Mathew of the Seventeenth course were invited as speakers for our Hospitality Conclave in the month of Feb 2016.

SOM, Manipal

A get-together of School of Management alumni in “Cool Joint Square”, Bangalore was held on 5 Mar 2016. All alumni individually shared their life experiences from

their Manipal days and their professional experience. The objective of the meet, to provide the alumnus with a platform for building their network was well served.

SOC, Manipal

SOC celebrates Alumni Meet-2016

School of Communication hosted its annual alumni meet on the 19 Nov. The event marked a beginning to the 20 year celebration of the college to be held in 2017. The program brought together around 90 fresh graduates from the 2016 batch, in addition to alumni from older batches, for a day filled with nostalgia and reminiscence. The chief guest for the event was Ms Snehapriya Nayak, an illustrious alumnus, who did her masters at SOC and is currently the assistant Vice President at Axis Bank, Bangalore.

Dr Nandini Lakshmikantha, Director SOC, addressed the gathering to give her best wishes to the graduating batch of 2016. She also shared with the audience, her vision to see SOC as one of the best colleges in the country and her belief that the contribution from the alumni played a vital role in building and improving perceptions.

Ms Nayak in her address, urged everyone to break free and try new things. She shared with the alumni how her

ability to communicate set her apart in her career. She emphasised on the importance of networking in order to grow personally and professionally in life.

Dr Padma Rani, Assistant Director SOC, told the audience how alumni meets provide the alumni with a chance to reconnect with their alma mater and how their support is important to the college throughout. The program ended with giving away of souvenirs to all alumni and lunch. Ms Shruthi V Shetty, Alumni Coordinator, SOC coordinated the event. This year various chapters of alumni meet were organized in Bangalore, Mumbai and Pune to strengthen the alumni network of SOC.

Faculty of Architecture, Manipal

Batch 1986-91 of Faculty of Architecture gathered in their campus on 24 Dec 2016. About 30 alumni gathered and enjoyed their time Manipal.

Department of Public Health, Manipal

Alumni - MSW Program:

The Department of Public Health organized the alumni meet on 20 Nov 2016 and on 12 Feb 2017.

Alumni Awards and Achievements

KMC, Manipal

Street named after Indian-American Dr Sampat Shivangi in **Mississippi:**

A street in Mississippi, USA, was named after an alumni of KMC, Manipal. "Dr Sampat Shivangi Lane" was formally named yesterday in recognition of Shivangi, an eminent Street named after Indian-American Dr Sampat Shivangi in Mississippi. He graduated from Kasturba Medical College, Manipal in 1965.

"Dr Sampat Shivangi Lane" was formally named yesterday in recognition of Shivangi, an eminent Republican from the state. State governor Phil Bryant this week also reappointed him for a second seven-year term to the Board of Mississippi's department of Mental Health. "We are thankful to Governor Phil Bryant for his confidence in me in bringing several changes in the department of Mental Health in the state since I took over several years ago," Shivangi said in a media release.

The department of Mental Health is the second-largest Mississippi state agency. It plays major part in caring for mentally ill, intellectual developmental disability and drug and alcohol addiction. In 2014, Shivangi was appointed as the Chairman of the Mississippi department of Mental Health, making him the first Asian to occupy the top health post in the southern American state. From 2005-2008, Shivangi served as the Advisor to the US Secretary of Health and Human Services. He is the founding president of the American Association of Physicians of Indian-origin in Mississippi and is the past president and chair of the India Association of Mississippi.

MCON E newsletter was released during annual day, which has got one page exclusive for alumni news.

MCOPS, Manipal

Guest Lectures delivered by our alumni during 2016:

Dr Ajay G Pise, Managing Director, Lifon Healthcare, Nagpur delivered guest lecture on “Entrepreneurship” organized by Entrepreneurship Development Cell and Department of Pharmacy Management on 1 Jun 2016.

Mr Anirban Roy Chowdhury, Senior Director - Global Clinical Trial Operations, MSD Pharmaceutical Pvt Ltd, delivered a lecture on 9 Jun 2016, which was followed by a brain storming interactive session on different aspects of clinical trial and academic collaboration of pharma industry by the enthusiastic students of the department and exchange students from University of Findlay, USA. Mr Anirban who is also an alumnus of the college, shared his memories to delight the students. Department of Pharmacy Practice organized this guest lecture on the role of Industry-Academia integration for Pharmaceutical innovation.

Dr Rajesh Nayak, Director of Graduate Studies in Pharmacy Administration, St John’s University, Jamaica, USA delivered guest lecture on “Newer and evolving models of pharmacy practice in America” organized by Department of Pharmacy Practice on 13 Aug 2016. Dr Rajesh Nayak, an alumnus of Manipal College of Pharmaceutical Sciences, Manipal is currently Associate Professor and Director of Grad studies in Pharmacy Administration at St John’s University, New York, USA. He received his PhD in Pharmaceutical Outcomes and Policy from University of Florida, USA.

In his lecture, Dr Rajesh spoke about different aspects of Pharmaceutical Care and the expanding scope of practice in USA. In particular, he dwelt with emphasis on two emerging models of patient care viz. Collaborative Drug Therapy Management (CDTM) and Medication Therapy Management (MTM). Quoting from many real life examples, he dwelt at length on how pharmacists’ activities evolved from older models of dispensing to newer models such as pharmaceutical care. Most importantly, Dr

Rajesh provided an insightful analysis of how legislative hurdles and legal definitions become critical determinants in classifying and delimiting the professional duties and responsibilities of pharmacists engaged in many aspects of pharmaceutical care. In a thoroughly interactive and engaging manner, he won the hearts of many students and teachers by leading a spirited discussion that stretched beyond the lecture hours.

Dr G Subramanian, Senior Scientist, DMPK Division, Novartis Healthcare Pvt Ltd, Hyderabad delivered guest lecture on “Continuous Automated Manufacturing processes (CAMP): Industry Relevance” organized by Department of Pharmaceutics on 3 Sep 2016.

Dr Subramanian spoke on advantages of CAMP and FDA perspectives, by giving the example of melt extrusion technology, he encompassed the importance of continuous manufacturing. He quoted the example of the MIT, Boston, USA who has pioneered in CAMP research. He emphasised that using “Simulation Plus” module of Gastro Plus software one can predict the outcome expected in the phase I to III clinical trials without conducting the trials in humans. FDA accepted this in the recent past.

Students expressed that they were enlightened by the advanced technologies followed by the industries.

Dr Amit Agarwal, Research Scientist and Head, Department of Molecular Biology, Chest Research Foundation, Pune delivered guest lectures. The lecture was organized by Department of Pharmaceutical Quality Assurance on 24

Sep 2016. Department has organized two guest lectures by Dr Amit Agarwal on:

1. Research as a career option
2. Academic culture in United States of America

In the first topic, he talked about observation, open mindedness and ability to ask questions and find answers to them as the major trail of a researcher. This he elaborated with many examples like Mr Mirchandani, a high school student, Dunlop - a trained veterinary surgeon developing rubber tyres, Alexander Flemming, a renowned scientist etc. He also listed the qualities required to be a good researchers and the job opportunities for a research scientist.

In his second talk, Dr Amit beautifully differentiated the academic structure at United States of America and India. He went on to describe in detail about the course structure, the mode of delivery, learning techniques, evaluation system, grading, etc. along with practical tips to excel in academic levels. Prior to this, he also explained the method to select a university, application procedures, and pre requisites along with some tips on the same. Dr Amit also talked at length about life style, funding the education, peer interactions etc. This talk was well received by the students and the students enthusiastically participated in the discussions that followed with lot of questions and queries.

SOAHS, Manipal

Distinguished Alumni Award, School of allied Health Science-2016:

Dr Sanjivan Gautam Alumni of Medical Laboratory Technology, SOAHS received distinguished alumnus award 2016 during annual day of SOAHS on 12 Feb 2016. He is the student of BSc Medical Laboratory technology 2007 Batch. He recently received the prestigious Nepal Vidyabushan presidential gold medal for outstanding achievement in foreign university. Based on his academic credentials he

is awarded with best scholarship by Government of India to perceive Masters in biotechnology in Jawaharlal Nehru University New Delhi in the year 2007. He completed his PhD at University of Freiburg in the year 2013. Presently he is researcher in National Cancer Institute (NCI) Bethesda.

Dr Jaya Shanker Tedla, King Khalid University, Saudi Arabia, Alumni of SOAHS Manipal and Mangalore Visited Manipal and conducted guest lecture for Postgraduates of Physiotherapy on 16 and 17 Jul 2016. Forty postgraduates and six faculty members attended this program.

Dr Ashokan Arumugam, alumni of SOAHS and PhD awardee from Otago University New Zealand, currently Post-doctoral fellow in Sweden, conducted guest lecture on "Neurodynamic solutions" for Post graduates of Physiotherapy On 1 and 2 Oct 2016. He also conducted a guiding session on "PhD Program in Otago University."

Mr Sivalanka Sumansh, alumni of SOAHS, Manipal and a Physiotherapist at Gopichand Badminton Academy Hyderabad, conducted guest lecture for Post Graduates on 9 Sep 2016. Twenty Post graduates got benefited by the guest lecture to improve their knowledge and skill.

SOIS, Manipal

About the guest lecture – A two-day guest lecture on Visualisation was conducted. The steps involved in data visualisation, the theory behind it was discussed. Topics like web scraping for data, cleansing the data and visualisation it using Python was done in a practically oriented aspect.

Students and faculty members of Manipal University participated in the two-day guest lecture. Students and faculty members appreciated the guest lecture, as it dealt many practical aspects with hands-on approach, which they were able to apply to the project work.

Resource Person was Mr Nikhil Kabbin, Gramener India.

Nikhil is a Data Scientist by profession, Data Ambassador at DataKind Bangalore Chapter. He works as Data Specialist at Gramener, a data visualisation company where he gets the chance to consult, advice and build data solutions for corporate companies, media and Government Institutions. He holds a Masters in Wireless Technology from Manipal

University and has deep interest in Internet of Things and Sensor Networks.

A workshop on Introduction to HL7 -Interoperability Standard in Healthcare on 7–8 Oct 2016

A two-day workshop on Visualisation was conducted on "Introduction to HL7 - Interoperability Standard in Healthcare" for the benefits of our Medical Software students, MIRS interns, CSD and ISD employees. Medical Software students, MIRS interns, CSD and ISD employees participated in the two-day workshop.

Mr Ravikiran C R, Senior Technical Specialist in HL7CC team, Philips India Pvt Ltd, Bengaluru was the Resource Person.

Mr Ravikiran C R is working as Senior Technical Specialist in HL7CC team, Philips India Pvt Ltd, Bengaluru. He visited SOIS Manipal during the month of Oct 2016 and was the resource person for the workshop on "Introduction to HL7 - Interoperability Standard in Healthcare."

SOM, Manipal

Guest talk by alumni of School of Management in the year 2016:

D M Arvind Mallik, Assistant Professor, PESITM:

- Awarded “Adarsh Vidya Saraswati – National Award of Excellence 2016” from Global Management Council. Gujarat.

A guest lecture on Data Analytics and Visualisation on 21 and 22 Oct 2016

- Dr Bolar Kartikeya Pramoda, Associate Professor, TAPMI, delivered a talk on “Integer Linear Programming and Applications” on 14 Nov 2016.
- Mr Sachin Chandra, MSNM Besant Institute of PG Studies, delivered a talk on Location on 5 Dec 2016.
- Mr Raghavendra K, Unit Head Operations, Future Group, delivered a talk on “Value for Money Segmentation in India” on 13 Dec 2016.
- Mr Yeshwanth Krishna, Executive Operations, Manipal Health Enterprises Pvt Ltd, KH, Manipal, delivered a talk on “Purchase Process and Vendor Selection” on 22 Jul 2016.
- Ms Preethi Shetty, Operations Executive, MHEPL, KH, Manipal, delivered a talk on “Healthcare Operations” on 9 Sep 2016.

Department of Statistics

Alumni of the department are regularly conducting SAS training program (Basic data analysis, Macros, SQL, Report generation using SAS statistical Software, etc.) for MSc Biostatistics students. They started this program from 2010 and continued till date. They had designed the curriculum for the program and conduct the training program in second and third semester students. In 2016, the program was conducted by following alumni.

- Ms Ashwini Shenoy (Associate Statistician GSK Pharmaceutical Ltd. Bangalore), 3 – 4 Sep 2016.
- Ms Neha Shrikant Pakhle (Biostatistician, Sciformix, Pune), 3 – 4 Sep 2016.
- Ms Sheril Thomas – Efficacy, Bangalore, 1 – 2 Oct 2016.
- Mr Manjunath Halemane – GE India Exports Pvt Ltd, Bangalore, 1 – 2 Oct 2016.

Department of Public Health, Manipal:

Alumni – MPH Program:

- a) Dr Bhumika gave a talk on “Systematic Review” on 31 Oct 2014 in the Research Workshop in Manipal.
- b) Dr Basavaraj Katarki, Regional Coordinator, NACO, Karnataka gave a talk on “Health System Research” on 16

Jul 2016 at Department of Public Health, MU.

Alumni - MSW Program:

On 23 Jul 2016, Mr Praveen Nayak, HR Business Associate Manipal Technology delivered a talk on the topic “Importance and the intricacies in Talent Acquisition.”

Manipal Centre for Philosophy and Humanities (MCPH), Manipal

The following alumni activity is hereby reported from Manipal Centre for Philosophy and Humanities (MCPH) for the period referred to:

Sheetala Bhatt, MA English student of 2014-16 worked on her MA thesis towards publication with Manipal University

Press, titled Acting Woman: Performing Self/Performing Gender in Indian Theatre.

Sheetala Bhatt also worked as the coordinator of the conference held at MCPH titled “Literature and the Making of a Vernacular Nation” on 12 Nov 2016.

Department of European Studies

Seminar on Importance of studying abroad (Student mobility): information and experience sharing by Pranjali Kirloskar, Alumna of MA European Studies and Research

Scholar at Department of European Studies on 17 Aug 2016

Human Resources Department

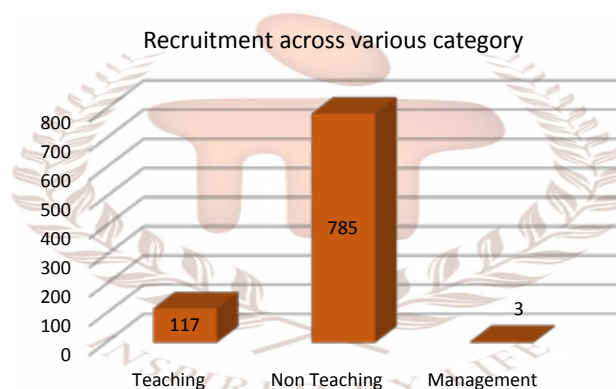

The real sources of competitive leverage are the culture and capabilities of the organization that is derived from how we manage our human resources. Human Resource Department plays an instrumental role in creating an environment where employees can thrive and are enabled to deliver sustainable organizational performance.

It aims to apply its human capital expertise more assertively to support the University functions in order to deliver results, to strengthen its role as a control function for the University for Human Capital Risks and to build the capabilities of employees. HR has concentrated on anchoring the values and beliefs in all people processes from recruitment to performance management, talent development, promotions and remuneration. Thus, by constantly encouraging employees to align their development objectives with the University’s strategic goals, the department has been ensuring that all developments are in sync with the mission and vision of the University.

This report provides transparency on the Universities employee metrics and how we are translating our strategic priorities into action. It gives examples of what we achieved in 2016 in organizational culture, diversity and inclusion, talent and development, talent acquisition, compensation and benefits, etc.

An approach to talent acquisition:

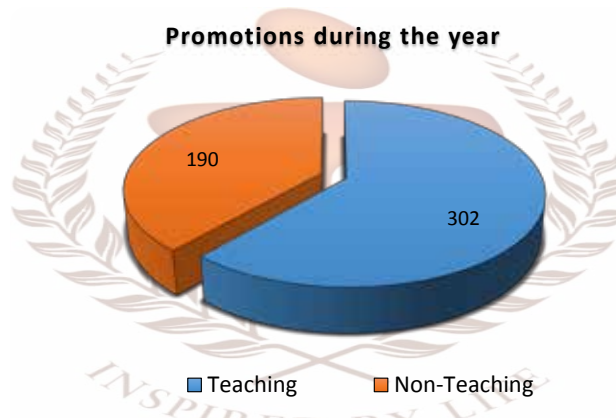

HR aims to attract, select and appoint the best talent through effective and fair recruitment and selection practices in consistence and aligned with the University’s primary goals. A well-defined policy has been formulated to provide the operational framework to be used for merit based recruitment, selection and hiring processes that result in a talented, effective workforce. This in-turn reflects the University’s commitment to the principles of the equal employment opportunity, non- discrimination and cultural diversity. There has also been a greater focus on cost management and control related to recruitment, with the aim of increasing the efficiency and quality of HR processes. A proficient workforce of 905 personnel was infused into the organization in the year 2016.

Fostering an environment that supports sustainable performance:

The University is transitioning all performance management and career development processes into one fully integrated approach, which aims to increase performance of employees. The talent review process has been improved to identify employees’ strengths and areas for development. Continuous learning and development are seen as vital to ensuring employees have the skills, knowledge and abilities for their current roles and are prepared for new challenges.

Acknowledging a person’s individual performance and development as well as their personal contribution. 492 employees was promoted to a higher cadre during the year.

Aligning the reward system to evolving requirements:

Manipal University provides its staff with a wide range of benefits to support their personal and professional

development. Overall, the University offers around 25 benefit programs focused on physical, mental and financial wellbeing as well as a healthy work-life balance. This is a key factor in attracting and retaining skilled employees.

University provides Group Term Life Insurance (GTLI) coverage of 50 lac applicable to teaching staff and Rs 10 lac to the non-teaching staff. HR department has processed five such claims to the family members of deceased non-teaching staff 2016. An ESI team within the HR department was formed to handle the entire ESI related work. It has been instrumental to provide medical benefits, sickness benefits, maternity benefits, disablement benefits, dependent benefits and funeral expenses through ESIC. It also provides medical benefits to employees and their spouse after retirement at a nominal premium.

University encourages its faculty members in upgrading their qualifications through various programs. Faculty members are deputed to premier institutes in the country for pursuing doctoral programs with payment of salary during the study leave.

University in view of providing platform for higher studies has reimbursed 50 percent of the tuition fees of employees, who enrolled to degree programs offered by Sikkim Manipal University in the years 2016. It has also contributed towards the higher education of the spouses and children of the non-teaching staff members, as a part of the welfare measure for the employees. University has also reimbursed children's educational expenses with a view to support basic education of employees' children.

Sustainable retirement planning:

The University realizing its responsibility to contribute to its employees' pension needs has rolled out National Pension System (NPS) to its employees during April 2016. This aims to drive retirement savings amongst the employees to enjoy regular income in the form of pension and lump sum withdrawal of post-retirement. The University contributes monthly 10 percent of the basic pay during active service of an employee. 7347 employees have been enrolled to NPS.

Promoting professional and personal development:

Training and development is described as "an educational process, which involves the sharpening of skills, concepts, changing of attitude and gaining more knowledge to enhance the performance of employees." In this view, technical and soft-skill trainings were held during the year.

SMILE – 2.0:

As a measure of sustained approach to faculty empowerment and succession planning, the University had initiated a nine-month leadership development program Synergic Manipal Integrated Leadership Engagement – 1.0 (SMILE) Program in the year 2015 to nurture future academic leaders. This is program aimed at developing a pool of leaders to exhibit critical leadership positions across the organisation in future. Continuing its effort to this effect, the University conducted second batch SMILE – 2.0 in the year 2016 in partnership with the Global HR Consulting Firm - People Business, and ran until the end of October 2015. The program was initiated and sponsored by Manipal University.

In response to this initiative of the University, 79 self-nominations from faculty members of Manipal University, who are willing and keen to take on leadership responsibilities, were received out of which 71 eligible candidates attended the preliminary orientation organized on 8 Feb 2016. Followed by the orientation, the 68 candidates re-confirmed their interest to attend the selection process. Out of which 30 candidates were finally selected keeping in mind the different institutions and disciplines of the University.

Fire Safety Training:

Fire Safety Training was conducted to raise awareness of fire hazards in the workplace and how to act safely in the event of an emergency fire situation including usages a fire extinguisher. 302 staffs were trained in three batches, giving them a ready to act knowledge during a fire breakout.

Client service improvement workshop:

Training on client service was conducted for non-teaching employees of various institutions with the objective to have greater understanding to the staff on the impact their

role has on the organization. The program focused on improving communication, listening, problem-solving and organizational skills. It also aimed at increasing their ability to resolve issues and decrease the number of return calls by enabling them to address the concern at the first point of contact, which greatly increases the client satisfaction.

Gender Sensitization:

As a continuation to the series of gender sensitization training held during 2015, the department organized the “Gender Sensitisation” training program vide 10 batches covering 626 employees during the year.

Microsoft Saksham:

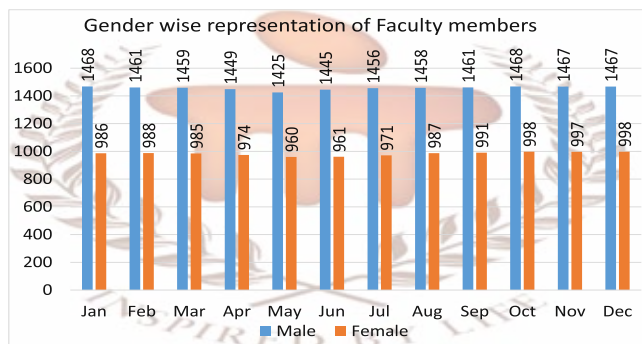

Manipal University in association with Microsoft and NIIT organized a skill development program – Microsoft Saksham during 11–16 Apr 2016. Saksham training program featured the usage of Educator Tools for improving teaching learning experience. This was designed for the faculty members of the universities and educational institutions to drive adoption of ICT in day to day teaching to build engaged learning environment and yield better learning outcomes. 23 faculty members attended the same.

MS-Office 2013:

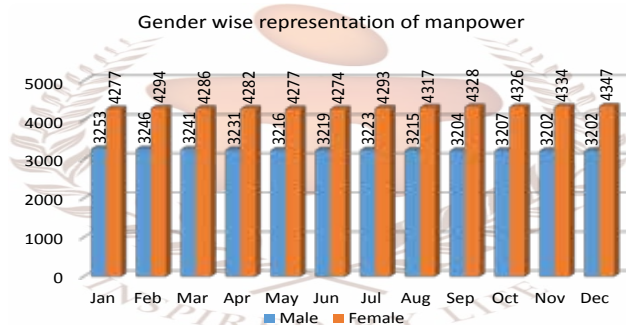

To enable its employees, acquire essential skills for producing professional work with the Microsoft Office suite including Word, Excel, PowerPoint, and Access, the

University organised MS-Office 2013 training during the year in eight batches covering 192 employees.

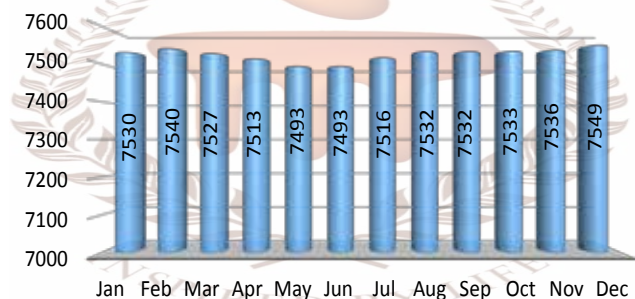

National and international conferences:

To promote professional development of its staff, the University provides financial assistance for attending/presenting papers in national/international professional conferences, to meet the cost of publication of research papers, filing patents, etc. 1689 faculty members have attended national/international conferences and workshops to update their knowledge on the specialized field in the year 2016.

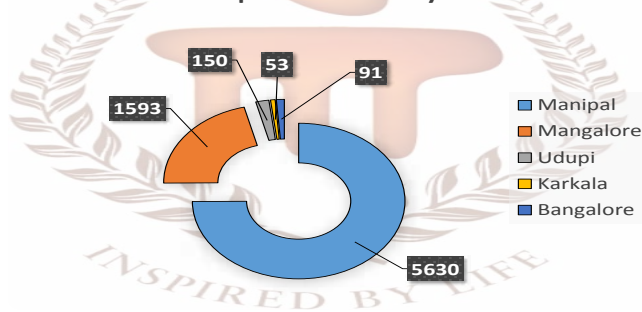

Facts and Figures

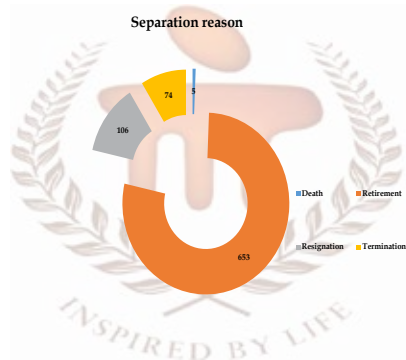

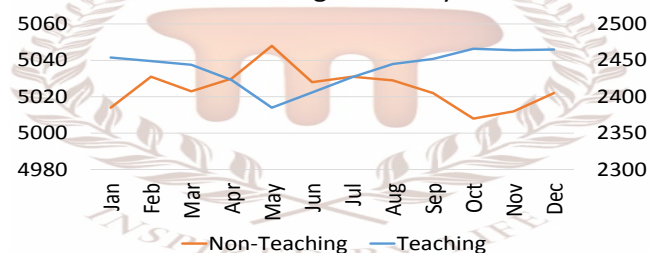

Manpower distribution

Region wise average distribution of manpower over the year

Manpower distribution of teaching and non teaching over the year

Separation details:

Department of Quality and Compliance, Manipal University

Quality and Compliance department, Manipal University is working with the following objectives:

1) Quality:

- Implementation of Integrated Management System (IMS) in a phased manner in all the institutions of Manipal University with a focus on its mission and vision. IMS shall comprise to implement relevant standards, accreditations and practicing business excellence models like Vision 2020 and also to develop integrated quality model to encompass all relevant standards.
- To take necessary steps towards sensitizing, training and maintaining the auditors' pool for Manipal University and its constituent units and to arrange cross audits at various constituent units and associate hospitals.
- To create an atmosphere to nurture quality/environment responsiveness as a culture.

- To facilitate the sharing of best practices across institutions of excellence at national and global levels and to get a deep insight into the working of our own institutions to understand our strengths and weaknesses, the Quality Dept processes and compiles applications for national and international awards and accreditations by various statutory and regulatory bodies.

2) Compliance:

- To assist the constituent units to comply with requirements of Statutory/Regulatory/Govt bodies;
- To organize academic audits at constituent units;
- To assist the constituent units in starting new programs and renewal of existing programs; and
- To assist University in preparing applications for starting new units/departments/programs.

3) Quality and Environment Management:

3.1) Status of ISO certification of Manipal University and its constituent institutions and associated teaching hospitals

Sl no	Name of the institute	Date when first certified for ISO 9001 QMS	Date when first certified for ISO 140001 EMS	Present status
1	Manipal University, Manipal	27 Dec 2004	23 Jan 2009	Both ISO 9001:2004 and 14001:2004 were integrated as Integrated Management System (IMS), effective from 26 Apr 2011 and valid upto 5 Apr 2014. Recertified and certificate validity is till 2017
2	Manipal College of Nursing, Manipal	8 Apr 2005	23 Jan 2009	Both the systems integrated with University as above and recertified
3	Manipal College of Pharmaceutical Sciences, Manipal	5 Jun 2005	23 Jan 2009	-do-
4	Manipal Institute of Technology, Manipal	7 Apr 2007	23 Jan 2009	-do-
5	Manipal College of Dental Sciences, Manipal	28 Aug 2006	23 Jan 2009	-do-
6	Welcomgroup Graduate School of Hotel Management, Manipal	29 Aug 2006	23 Jan 2009	-do-
7	School of Communication, Manipal	4 Jul 2007	23 Jan 2009	-do-
8	School of Allied Health Sciences, Manipal	29 Aug 2006	23 Jan 2009	-do-
9	School of Management Manipal	7 Jan 2004	23 Jan 2009	-do-
10	Kasturba Hospital, Manipal.	10 Jun 2004	23 Jan 2009	Both the system integrated with University during 2012 and recertified in 2014. Present certificate validity is till 2017.
11	Melaka Manipal Medical College (Manipal Campus)	26 Jun 2012	23 Jan 2009	Implemented QMS and integrated with University during 2012 and recertified in 2014. Present certificate validity is till 2017.
12	School of Information Sciences, Manipal	26 Jun 2012	23 Jan 2009	-do-
13	School of Life Science, Manipal	26 Jun 2012	23 Jan 2009	-do-
14	Faculty of Architecture	26 Jun 2012	15 Aug 2012	Implemented IMS during 2012 and recertified in 2014. Present certificate validity is till 2017.
15	Dr TMA Pai Hospital Udupi	26 Jun 2012	15 Aug 2012	-do-
16	Dr TMA Pai Rotary Hospital Karkala	26 Jun 2012	15 Aug 2012	-do-
17	Manipal College of Dental Sciences, M'lore	28 Aug 2006	10 Apr 2014	Implemented EMS and integrated with University during 2014. Present certificate validity is till 2017.
18	Kasturba Medical College Hospital M'lore	10 Jun 2004	10 Apr 2014	-do-
19	Kasturba Medical College, Manipal	11 Apr 2014	23 Jan 2009	Implemented QMS and integrated with University during 2014. Present certificate validity is till 2017.
20	Kasturba Medical College, Mangalore	1 Apr 2014	10 Apr 2014	Implemented IMS during 2014 and the present certificate validity is till 2017.
21	School of Regenerative Medicine, Bangalore	--	--	Decision for inclusion in IMS will be taken in 2017

4) Other activities:

4.1) NAAC and NBA Assessment and Accreditation Process workshop:

First ever workshop in Manipal on “NAAC and NBA Assessment and Accreditation Process” was organized by Dept of Quality and Compliance on Jan 27 and 28 2016. 35 participants from our constituent units from Manipal, Mangaluru, Bengaluru, Dubai and Melaka and from our sister Universities from Sikkim and Jaipur attended this workshop. Dr H Vinod Bhat, Vice Chancellor, Manipal University inaugurated the workshop.

Following were resource persons:

- Prof (Dr) B S Sonde, Former VC, University of Goa
- Prof (Dr) Shiban Kishen Kak, Former VC, MTU Noida
- Prof Savitha Kini, MIT Manipal
- Prof S N Bhat, MIT Manipal
- Prof Ciji Pearl Kurian, MIT Manipal
- Dr Pradeep Kumar G, Director, Quality and Compliance, MU

Vice Chancellor, Dr H Vinod Bhat inaugurating the Workshop along with resource persons – Prof B S Sonde, Former VC, Goa University and Prof (Dr) Shiban Kishen Kak, Former VC, MTU Noida

Prof B S Sonde conducting the session

4.2) Training

1) Three batches of internal auditors training program integrating both ISO 9001:2015 and ISO 14001:2015 Revised Standards were conducted as per the following details:

- Two batches of 97 participants were trained with the help of Mr Ananth and Mr Sridhar Moro leads auditor from M/s TUV Rheinland Pvt Ltd Bangalore from 27–29 Jul 2016 and 8-10 Sep 2016 respectively at Manipal campus. All the participants were qualified as internal auditors through these trainings.
- One more batch of 25 participants was trained with the help of Mr Sridhar Moro, a lead auditor from M/s TUV Rheinland Pvt Ltd B’lore from 7-9 Nov 2016 at Mangaluru campus. All the participants were qualified through this training.

Thus, added 122 new internal auditors to the pool of empanelled University Quality & Environment auditors.

2) ISO 9001:2015 & 14001:2015 – Awareness sessions

- 4 Oct 2016 – Awareness session on ISO revised standards – 2 batches
- 19 -20 Oct 2016 – Existing Internal auditors up gradation training – 1 batch
- 9-10 Nov 2016 - Existing Internal auditors up gradation training – 2 batches

3) Refresher course: Dr Sandeep Shenoy, Director Q & C attended a refresher course to qualify as an examiner for the 2016 cycle of IMC RBNQ Award. He evaluated an award application from the service industry.

5) Environmental Management at Manipal University Manipal University, Manipal is an ISO 9001 and 14001 certified campus, following a series of voluntary ISO standards on Quality and Environmental Management Systems (Q & EMS). The EMS certification came in 2008, following a clearly-articulated EMS. The Environment and Energy Policy is our guiding document that enables the University to achieve continual improvement over time.

Environment, Energy Policy:

Manipal University (MU) endeavours to promote community welfare, environmental protection and efficient energy use to a level of performance that moves “beyond compliance.” Striving to set a benchmark on a National and International level for education, healthcare, environment and energy management. MU is committed to cleaner and greener campus. To realize this vision, the University commits to:

Institutionalize best practices, comply with applicable laws, regulations, and other recognized requirements related to environment and energy use and where practicable exceed them.

Preventing pollution by continually monitoring and improving its environmental and energy performance by provision of resources to achieve set objectives and targets.

Establish and maintain management systems to improve energy performance and to minimize harmful effects on environment, human health and safety.

Promote use of clean, safe and energy efficient technologies in order to utilize natural resources efficiently.

Encourage transparency and communication of its commitment to sustainable development, simultaneously increasing awareness amongst its stakeholders as well as the community at large.

Foster education, research and information exchange on energy and environmental development to move toward global sustainability.

Environmental best practices within MU campus:

We work within the framework of the Energy and Environment Policy and consider the environment as a “living” entity that we sustain and protect even as we go about our daily activities.

Key focus areas:

- Waste management
- Water management
- Energy management
- Air quality and Green cover

Solid waste management:

- Domestic waste: This is collected from homes, hostels and residential facilities on the campus.
- Garden waste: This includes trimmed away branches, dried leaves, and all manner of garden waste – used in gardens.
- Food waste: Used in piggeries.
- Vegetable waste: From cafeterias and eating joints is composted.
- Paper, metals, plastics and glass are recycled by giving them to approved scrap vendors.
- Biomedical waste: This is generated in the hospital and nursing facilities within the campus and is handled as per the Biomedical Waste Rules.
- Hazardous waste: The major component in this category is generated out of the maintenance activity of vehicles and DG Sets – disposed to authorized recyclers.
- E-waste: Including desktop computers and accessories, compact fluorescent lights, printer cartridges are

collected through separate waste streams and disposed to authorized recyclers.

- Construction debris: Designated landfill on campus.

Biomedical waste is segregated at source in a strictly-implemented regimen, using color coded bins. Individual units send their biomedical waste to a central unit from where authorized agencies pick it up at regular intervals. They ensure the waste is treated and disposed of in a safe manner. Education and training form an important part of the effective implementation of disposal processes and also a critical indicator, not only from the environmental point of view but also from the standpoint of employee and patient safety. Hazardous and e-waste similarly are segregated at source and recycled by authorized agencies.

Waste water management:

For management of our water resources, we scrupulously adhere to the 3 R's; Reduce, Recycle, Reuse. Three sewage plants set up and maintained by MU treat the waste water generated in the campus. These have a combined capacity to treat 5,500 cubic meters per day. In order to further improve efficiency and increase capacity, augmentation of the above plants is in progress. Treated water from these plants are fully utilized for gardening and arboriculture. In addition, sullage treatment plant of 200 cubic meters per day capacity, treats grey water from the treatment plant which is re-circulated to the flush system in few hostel blocks.

Rainwater harvesting:

We harvest rainwater in two ways:

- From rooftops of buildings which is used for domestic purposes after proper filtering.
- By diverting storm water to abandoned bore wells to rejuvenate and improve the water table.

Rainwater collected from roof tops is connected to existing down-takes leading to a common header, flows through a filter. The filtered water is then led to a nearby sump and then piped for domestic use. Chlorination is done as required. This scheme adopted covers a catchment area of 27, 250 square meters. For recharging dry bore wells, a pit is excavated around the bore well and a filter medium is filled into the pit. Storm water drains and roof top rainwater pipes are diverted into this pit. The water gets filtered and recharges the bore well. This has been adopted in 11 locations around the campus leading to increase in water table and self-sufficiency during water stressed periods.

Air quality monitoring:

The air we breathe in the campus is clear and that is the way we like it. This is how we do it; we ensure the emissions from diesel generators and are further tested at regular intervals to ensure conformity to environmental limits.

To control vehicle emissions on our campus, a government-recognized Emission Testing Centre has been established. Services are offered at subsidized rates, so that self-compliance to vehicle emission norms is not an expensive rule to comply with.

Trees and shrubs are the “environmental lungs” of the campus. These lungs soak up harmful carbon dioxide and convert it to oxygen. All efforts are made to develop available open spaces into green zones through arboriculture and tree planting.

Energy conservation:

Energy conservation is an ever-present theme in the planning and developing of all our campus facilities. We are also increasing our energy procurement mix with an increase in renewable sources like solar energy.

A few of the measures taken by us to make the Manipal campus energy efficient

Upgrade of the air-conditioning systems. This is achieved by replacement of dated air-conditioning units with power-efficient units. Central air conditioning systems adopting state of the art water cooled screw chillers, and unitary air-conditioner controls with automation system for buildings with sensors for efficient cooling and automatic switching on and off depending on occupancy and fixed time schedule are installed replacing old systems.

Energy efficiency measures. Few measures undertaken are: reduce maximum load, and introduction of measures to improve quality of power by exchanging energy efficient transformers, pumps, detuned filters for capacitor banks, CFL/LED lighting and auto synchronization panels for load optimization and energy efficient power equipment as certified by Bureau of Energy Efficiency (BEE).

Solar water heaters:

Manipal, on coastal Karnataka, has an abundance of sunny day’s right through the year, except during the monsoons. Thus, solar powered heaters are exclusively used for heating requirements. Currently, the total installed capacity of solar heaters is four lakh liters per day thus reducing conventional energy use for heating.

Solar roof top PV systems:

MU has recognized this aspect as an important facet of its operation and has adopted an energy policy supplementing the existing environment policy. In line with this, MU has partially shifted from conventional energy use to renewable energy use and sourcing. This is being achieved by installing solar PV rooftop systems on four buildings in the first phase with a capacity of 525 kilowatts peak (kWp) in Sep 2015 connected to grid for self-use. Phase II initiated the addition of 275 kWp further adding to the existing capacity. These rooftop systems are however limited by the availability of shadow free area on existing buildings as ascertained in the initial survey conducted during proposal stage. This, in addition to already occupied roof tops for solar water heating systems leaves us with a comparatively smaller area that could be retrofitted with roof top PV systems. Recognizing this, to further boost MUs energy mix, green power procurement was put in place in Aug 2015. This substantially reduces MUs dependence on conventional energy sources thus mitigating carbon emissions as well as a shift towards sustainable energy use. Adoption of the above initiatives has led to 50 percent of the University’s power consumption being generated from a renewable source in 2016.

Awards and recognitions:

Our ongoing efforts have been recognized by the following awards. This recognition helps us to benchmark ourselves against global environmental standards.

1999–2000	District Award for Environment – First Prize
2002–2003	District Award for Environment – First Prize
2004–2005	Rajiv Gandhi Parisara State Award
2008–2009	First certification by TUV Rheinland under ISO 14001: 2004 EMS
2010–2011	Ranked Number 2 in India and 78th in the world@
2011–2012	Golden Peacock Environment Management Award 2012
	Ranked Number 1 in India and 35th in the world@
2012–2013	Golden Peacock Environment Management Award 2013 - Ranked Number 1 in India and 27th in the world@
2013–2014	Golden Peacock Environment Management Award 2014
	Ranked Number 1 in India and 35th in the world@
2014–2015	Ranked Number 2 in India and 42nd in the world@
2015–2016	Ranked Number 2 in India and 67th in the world@

@ Under suburban category in the UI Green Metric World University Ranking of respective years.

6) Achievements:

6.1) NAAC Accreditation

In May 2016, NAAC Peer team consisting of 17 academicians including Vice chancellors, Pro Vice Chancellors, Directors and Professors of the top most universities and colleges of the country visited the campuses of MU at Manipal, Mangalore and Bangalore from 23 to 26 May 2016. The accreditation covered eight constituent colleges including the teaching hospitals, six schools and two centers of excellence. NAAC Peer team had an opportunity to visit all the unique facilities of the university namely Marena, Manipal Anatomy and Pathology Museum, Destination Manipal, etc.

Prof G N Kazi, Chairman, Peer team and members with Vice chancellor and others at the NAAC Peer team visit Exit meet.

Prof G N Kazi, Chairman, Peer team and members with Vice chancellor and others at the NAAC Peer team visit Exit meet.

As an outcome, University is accredited with the highest grade, i.e., "A" and with a CGPA of 3.3. According to NAAC, only institutions which get a minimum CGPA of 3.01 on a 4 point maximum scale are given "A" and declares such an institution with a high level of academic accomplishment as "very good." CGPA in the range 2.01 to 3.00 gets a "B" grade meaning "good." CGPA of 1.51 to 2.00 gets a "C" grade meaning "satisfactory." CGPA less than 1.50 gets a "D" grade meaning "unsatisfactory."

6.2) QS University Rankings: ASIA

MU is ranked 17 in India and 200 in Asia among the top Asian Universities.

6.3) QS University Rankings: BRICS

MU was placed in 101-110th position in the international rankings among the top universities in BRICS countries

6.4) Times Higher Education BRICS & Emerging Economies Ranking

MU was placed in 250-300th position in the international rankings among the top universities in BRICS & Emerging Economies countries

6.5) Times Higher Education World University Ranking 2016

For the first time, MU got ranked 801+ in the THE WUR and secured a place in World University Rankings

6.6) MU ranked 2nd in India and 67th globally in UI Green Metric Ranking 2016 (suburban category).

Globally ranked 213th in the Overall category among 516 Universities from 71 countries.

7) Other Awards and Rankings

Ranked no 32 in All India University Ranking survey conducted by National Institutional Ranking Framework (NIRF), MHRD, Govt of India and No 6 among private universities.

Ranked no 1 among Top Private Universities in India and rated AAAA+ grade under Top Private Multi-Disciplinary University by Careers360 University Ranking 2016.

Ranked 2nd by Careers360 University Ranking 2016, among top 30 Best Universities under private ownership.

9th ASSOCHAM Higher Education Summit and National Excellence Awards - 2016 - Won best university promoting research.

Top private university in India by Education World Ranking Survey May 2016.

Ranked no 1 among non-government (private and deemed) multidisciplinary universities in India by The Week – Hansa Research Best Universities Survey 2016.

Ranked no 20 among all the Multidisciplinary Universities in India by The Week – Hansa Research Best Universities Survey 2016.

Ranked no. 10 among all the multidisciplinary universities in South Zone by The Week – Hansa Research Best Universities Survey 2016.

Won "Excellence in Internationalization" award at FICCI Higher Education Summit 2016 held at New Delhi on 10 Nov 2016.

Compliance:

Assisting University and constituent units in complying with the requirements of following statutory and regulatory bodies:

1. Govt of India, New Delhi
2. Govt of Karnataka, Bangalore
3. University Grants Commission, New Delhi
4. Medical Council of India, New Delhi
5. Dental Council of India, New Delhi
6. All India Council for Technical Education, New Delhi
7. Council of Architecture, New Delhi
8. Pharmacy Council of India
9. Indian Nursing Council and Karnataka State Nursing Council
10. Karnataka State Pollution Control Board

Office of International Affairs and Collaborations

Established in 2013 with a view to providing a comprehensive service across the University in the international arena, the Office of International Affairs and Collaborations (OIAC) is headed by a team of dedicated staff and supported by the advisory council, a group of faculty and administrators representing each of the University's 17 colleges, plus other key academic units.

The office located in the third floor of the EDU building is set up to primarily serve as:

- The Office of International Partnerships and Agreements;
- The Office of International Programs, which facilitates study abroad opportunities for students of Manipal University as well as for incoming international students
- The liaison office for both outbound and inbound international students.

This office provides a comprehensive and unified framework within which all work in the international arena can seamlessly be achieved.

Primarily responsible for providing direction, assistance and synchronising all of the University's international work, this office liaises with overseas institutions and governments. While providing this leadership role, the office does recognise the importance of individual initiatives, needs and innovativeness of faculty and students across the University. Thus, its primary role is to coordinate the individual activities through a central location, within the context of a well thought out international strategic plan and to facilitate the interrelated and concomitant activities.

The key focus of the office is to provide a centralized location for helping the faculty staff and students, affording the needed assistance for all of their international work. Individual decentralized colleges and schools will still continue to pursue their individual interests although they will be required to coordinate their work through this

central location. In short, while the goal of the OIAC is to provide harmony, the idea is to encourage academic associations through creative partnerships and the central role of the departments in this process thus assumes an added dimension.

The office will also help align international opportunities within each college's curriculum by:

- Enabling student mobility across institutions';
- Enrolling transnational students for both short and long term; and
- Facilitating institutional grants and contracts to pursue value-creating projects for the University in general.

This office however does not deal with academic affairs of the respective departments, which will be the predominant domain of the concerned institutions. In addition, all full-time admissions are divested to a separate international admissions office headed by a team of academic counsellors and administrative staffs working under the guidance of the director admissions.

Faculty resource centre:

It also serves as the primary liaison and resource centre for the university's vital international linkages, by supporting the development of all memorandums of agreements and partnerships with overseas universities, foreign governments and international organizations abroad. It will help promote the involvement of Manipal's faculty members, staff and students in international research and development projects, facilitate access to international funding opportunities and in general enrich Manipal University's engagement with global cultures, by sharing our physical and intellectual resources with other societies across the world. In its effort to bolster awareness of globalization across campus, this office has been active in facilitating faculty exchanges to overseas partners. These visits, primarily short term, are designed to increase the

cultural awareness, discerning of the differences in the competencies between institutions and adoption of better practices across the board. The following chart illustrates the activity in this regard for the year 2016.

Enhance overseas academic opportunities for faculty members (Outgoing)	
Particulars (compiled data from all institutions/departments)	Number
Visit to universities to discuss prospective cooperation/research collaborations	4
Visit for Project meeting	2
Visit for International conference	55
Visit for fellowships/scholarships	11
Attend workshops/seminars	2
Visit as research interns/observers	1
Deputation to off-shore campuses	2

While the above chart illustrates our efforts at facilitating external movement of faculty overseas, one of the primary goals as a part of our vision 2020 is to encourage foreign faculty to visit our campus for varying lengths of time, for the purposes of research and teaching. This activity also serves as a mentorship method for our young and aspiring faculty members seeking to be on the cutting edge of research as well as to adopt better teaching practices. The following chart illustrates our efforts in this regard.

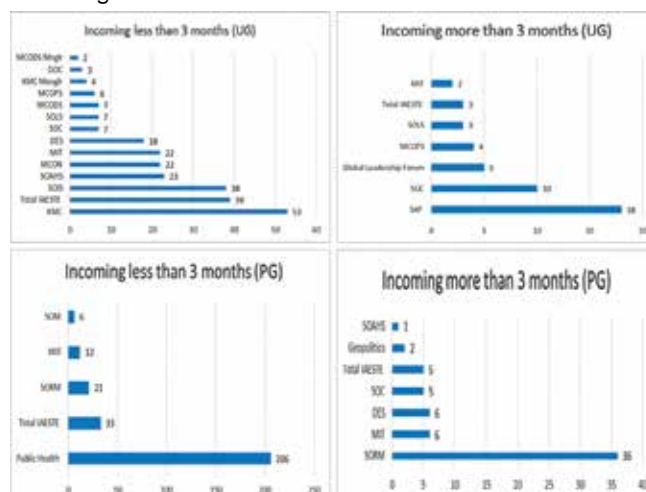

Foreign faculty on-board on a regular basis (Incoming)	
Particulars (compiled data from all institutions/departments)	Number
Visit to discuss potential partnerships and review existing	76
Visit to deliver guest lectures/attend conference	56
Visit to attend workshops/seminars	6
Visit as research interns/observers	2
Deputation from off-shore campuses	—

Resource centre for international education:

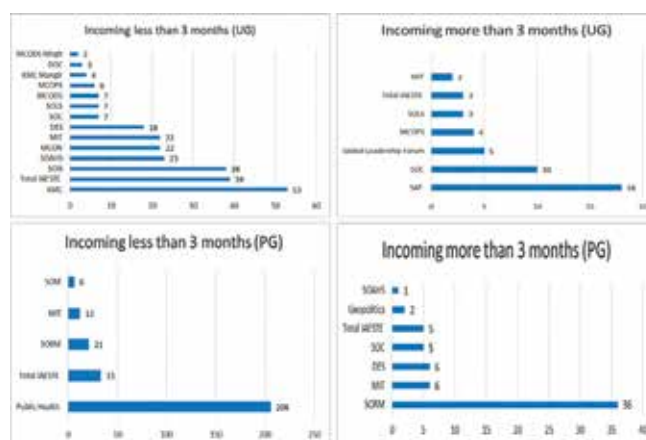

It is not uncommon these days for students to traverse the globe to spend a few weeks or a semester engaging themselves in studying, co-opting or interning, conducting research or partaking in other academic pursuits, in countries around the world. These experiences advance and impact positively their attitudes, skill sets and knowledge base, which will be of immense benefit to the students and enable to be competitive and resourceful in the future. Thus, OIAC will be the University’s comprehensive resource for study abroad, research abroad, intern abroad and other educational experiences worldwide. The pivotal goal is to help students and faculty stretch across borders, perhaps farther than they thought possible. By promoting intercultural competence, meticulous erudition and acquisition of

foreign languages, OIAC should provide opportunities for academically sound international experiences. It will also administer student exchange programs with partner institutions around the globe, in conjunction with other bodies on campus.

Since its establishment, this office has been providing critical services to the student body in facilitating exchange programs with partner institutions around the globe. In the year 2016 alone 645 graduate and undergraduate students were on campus from different countries across the world studying in fields ranging from the natural to the social sciences. The time spent by these individuals range from a week to more than a semester as reflected in the following chart.

Similarly, our students seeking international experience and exposure have been increasing steadily, and last year we had facilitated the movement of about 300 students to overseas destinations. The period of their stay ranged from a few weeks to a semester and a detailed breakdown institution wise is provided below.

As a part of our on going exercise to promote ourselves

as a foreign destination to overseas students, the university offers short term immersion and semester wide study abroad programs. These programs are tailored to the needs of the incoming students and is a mixture of in class and experiential learning designed to provide a wholesome experience to the students. This program is primarily conducted by the Department of European Studies and Department of Geopolitics and the following chart summarises the activity for the year, both home institution and overseas institution wise.

Summer school/study abroad program – outgoing

Institution at MU	Semester at partner university	No. of students
SOC	Audencia Nantes, Hanze University of Applied Sciences, HU Utrecht, HS Bremen, Erasmus Rotterdam	15
MIT	Aarhus University, Joseph Fourier Grenoble, EPITECH, Leibniz Hannover	14
DOC	HU Utrecht	2
DES	Metropolitan University Prague	1

IAESTE	Semester exchanges	90
AIIESEC	Semester exchanges	7

Summer school/study abroad program – incoming

University (From)	No. of students
Lancaster University (DES)	12
Volda University (SOC)	7
Global Health Symposium (DPH) (Maastricht and McMaster University)	168
Robert Gordon University (SOAHS)	14
Global Leadership Forum (SAP)	5
University of Maryland (DPH)	12
Alliance Francaise (SAP)	10
MSH Institute of Health Professionals (MCON)	7
University of Ohio (DPH)	18
MIDST (MCOOS Manipal)	5
University of Findlay (MCOPS)	5
University of Miami (MCON)	17
University of Groningen (PHESA)	10

Foreign language instructions:

With a view to promoting awareness of languages, under the stewardship of the Department of European Studies, the OIAC is happy to announce that several languages such as French, German, Spanish, Italian and Polish languages are offered for our students after the regular working hours of the university. We are happy to state that currently there are approximately 500 students who are undergoing these language courses at various levels of instruction. Such proficiency would enable our students to be highly competitive while perusing their higher studies or semester exchange programs in France, Germany, Italy, Spain and other Scandinavian/European countries.

Provision of ancillary student services:

OIAC continues provide the necessary expertise in the advising of various aspects of settling in on campus and compliance with immigration requirements for all international students, international faculty and staff and short-term exchange visitors. Similar assistance is extended to Manipal students aspiring to travel overseas to facilitate a safe and pleasant experience.

In addition, the OIAC ensures the university compliance with the myriad of evolving regulations both statutory and otherwise, in conjunction with the office of quality and compliance, support the University by managing global student and scholar interactions, and facilitate in general, the well-being of all international students, faculty, and staff. Some of the regulatory and compliance issue, which our office has now centralized are:

- Act as a central office for receipt and disbursement of all potential applications for student exchanges;
- Generation of invitation letters for visa purposes and interaction with consulates;
- Arranging accommodation and logistics on arrival/ departure;
- FRRO Compliance with respect to both entry and exit as well as fulfilling the requirements of the following statutory forms of the department of immigration
 - » Form C
 - » Form S; and

Actively review financial matters in consultation with Finance/HR department with respect to grants, fees, etc.

Memorandum of agreements:

One of the primary roles being the facilitation of collaborative arrangements with overseas institutions, the OIAC actively participates and oversees the drafting of general and specific agreements in accordance with the varying needs of the respective departments. While the concerned institutions finalize the academic activity and the details of the same, the OIAC assists in bringing this process to fruition. In this process, it works extensively with the office of legal affairs as well as the office of quality and compliance to ensure consistency and operation within a regulated framework. In the year 2016 a total of 51 MoUs from various departments were signed with institutions from all continents of the globe. The following table illustrates the same.

MoUs Signed in 2016	51
Total active MoUs	210
Revenue generated for the current year (Approx 10 percent increase)	INR 2,44,97,778.00

Manipal University Student Exchange Program (MUSEP):

MUSEP (Manipal University Student Exchange Program) is an initiative of Office of International Affairs and Collaborations under Manipal University. Started last year, this exchange program provides opportunities for students to work with faculty at Manipal University on a variety of research topics of interest to faculty and the corporate world alike. These topics range from a wide gamut of disciplines ranging from physical to health sciences and from literature to fine arts. This activity enables the students to acquire knowledge beyond their academics and gain experience by means of an internship (not restricted to technical experience), funded fully by the university. The instruction provided is both traditional and experiential with emphasis on originality and individual creativity. In addition, it provides a valuable experience in terms of

- Independence of thought and professional development in a foreign environment;
- Cross-cultural skills and sensitivity; and
- International Networking.

Acquirement of new skill sets, language etc. MUSEP services are available in two types

- Reciprocity: This exchange program includes exchange on purely reciprocal terms with an overseas institution, where the host university receives and takes care of the living expenses and accommodation of the student applying for the internship.
- Fee based training: Students interested in these types of offers will be charged the college tuition fees prevailing at that point in time and can apply directly to the OIAC for further information.

MUSEP being a central repository of projects available in Manipal University will be shared with partners/IAESTE/AIESEC/etc. To check on going offers/projects one may visit www.musep.manipal.edu. For any further communications contact musep@manipal.edu. Starting from a modest beginning of about 40 proposals last year, the current number of opportunities for overseas students is well in excess of 700 for this year.

IAESTE/AIESEC:

IAESTE is the flagship student exchange program of Manipal University. IAESTE India and its local chapter (LC) IAESTE Manipal are fully supported student run organizations by Manipal University and its constituent colleges. These organizations by the students, for the students and of the students, having a membership of over 2000, provide a

plethora of opportunities for students to enhance their careers by pursuing technical internships abroad.

For details contact chairperson@iaeste.in.

AIESEC, on the other hand, is a global volunteer organization for inbound and outbound exchange students, involving primarily projects of social importance and which have deep impact on the society at large. For details visit <https://opportunities.aiesec.org/>.

International day:

To bring all international students under one roof and showcase the cultural diversity of Manipal University, the Student International Day was celebrated on Sunday, 13 Aug 2016. With more than 1000 participants from 60 countries, the event truly reflected the celebration of the multiculturalism of the international students on campus with various activities such as yoga, classical dances, a variety of musical events and food fiesta depicting the cuisine of various countries. The event came to a successful conclusion with a classical fashion show reflecting the diversity of the cultures from different countries.

Cultural Coordination Committee, Manipal University

Report for the year 2016

The Cultural Coordination Committee (CCC) of Manipal University conducts various cultural activities, covering a large spectrum of events. CCC works in association with all constituent institutions of Manipal University and caters to a wide audience, beginning from our students, faculty members to art lovers from nearby areas of Manipal.

The year 2016 saw a large number of cultural activities organized by CCC. In all the activities spanning through the year, a large number of audience, primarily students, witnessed some fine performances by scores of artists. Despite the academic rigour, the enthusiasm of students in both helping conduct the events and as audience has been exemplary. The biggest annual event of CCC, UTSAV, an intercollegiate competition of Manipal University was a resounding success with hundreds of students competing and thousands of students witnessing. The various events organized by CCC are broadly categorized under SPIC MACAY activities, Gunjan activities, Student affair activities and other cultural activities.

Year 2016 saw the maximum number of events by CCC in an academic year.

SPIC MACAY – Society for Promotion of Indian Classical Music and Culture amongst Youth – a national level student movement with its headquarters at New Delhi, is actively functioning at Manipal University under the aegis of CCC as a sub chapter of SPIC MACAY Mangalore chapter, operating from NITK Surathkal. Year 2016 particularly was an eventful year for SPIC MACAY events. The hallmark was the visit of founder of SPIC MACAY, Padmashree awardee Dr Kiran Seth and the Chairperson Mr Arun Sahay. Following are the programs organized during 2016 under SPIC MACAY banner at Manipal:

Visit of Prof Kiran Seth and Mr Arun Sahay, Current National Chairperson, SPIC MACAY, 6-Feb-16

Odissi Dance by Guru Sangeeta Dash and team, 18 Aug 2016

Carnatic Veena recital by Ved D Balakrishna, 24 Oct 2016

Mohiniattam by Manjula Murthy, 27 Jan 16

SPIC MACAY Bihu dance: Held at
 1) MGM College, 2) MU Manipal, 3) Mahaveera M'bidri, 4) Bhuvanendra, Karkal, 5) KMC M'lore, 6) Mukunda Kripa, 7) Bhandarkar, K'pur, 8) Madhav Kripa, 15-18 Aug 2016

GUNJAN—A forum of art lovers and artists operating under Manipal University Cultural Coordination Committee:

This forum basically functions with the aim to support local budding artists (including students, staff members and children of staff members) by providing them an opportunity to perform in a chamber concert. A large number of events were held under this category and many of them were initiated for the first time. Following programs were organized during 2016 under this forum:

Magic and music program -Hind Vocal by Pt Ravikiran Manipal and Magic show by Mr Thejaswi (Jr Shankar) Udupi at MMMC Melaka, 29 Feb 2016

Hind Cal Vocal by Pt Prasad Khaparde, 1 Feb 2016

Music festival in association with Ranjani Memorial Trust 9-12 Sep, 2016

Music programs in association with Ragadhana Udupi, 5-7 Feb 2016

Hind CI Vocal by Mr Milind Chittal, Dubai, 29 Sep 2016

Bharatanatyam by Ms Aranyani and team, Vyuti Dance Co B'lore, in association with MCPH, 28 Oct 2016

Vadiraja Kanakadasa Music festival, 9-11 Dec 2016

Santoor concert by Pt Bhajan Sopori, New Delhi, 10 Dec 2016

Student Affairs:

The following cultural events and extracurricular competitions were organized for the students of Manipal University in coordination with the Student affairs department.

Keeping in tradition with the biggest cultural competition in town, Utsav 2016 was as big as it could get. A total number of 218 staff members participated in Staff Utsav and a huge 1284 students participated in Student Utsav held from 05-09 Apr 2016. Students from 10 different nationalities took part. While females comprised 54 percent of last year's participants and 46 percent were male. A total number of 24 states were represented by students in Utsav 2016 showing its true pan India nature. For the first time, an Utsav App was launched which saw nearly 700 downloads. Utsav 2016 was also marked by the presence of Michelin star celebrity Chef and a WGSMA alumnus Chef Vikas Khanna.

MUFILPE Program:

Awards/recognitions:

Sl no	Activity	Particulars
1	International Symposium on Interprofessional Education and Interprofessional Practice	Dr TMA Pai Hall, 2nd floor, KMC, Manipal, 7 May 2016
2	National Consultation on Interprofessional Education	Dr TMA Pai Hall, 2nd floor, KMC, Manipal, 9 May 2016
3	SYNERGY: A Leadership Workshop for Collaborative Practice	MCPD and Manipal University, Manipal, 13 and 14 Jun 2016
4	Teaching and Assessing Professionalism	MCPD and Manipal University, Manipal, 14 Jun 2016
5	Framework for Action on Interprofessional Education and Practice	MCPD and Manipal University, Manipal, 30 Nov 2016

a) Dr K Ramnarayan, Dr Sudhakar Nayak and Dr Ciraj A M, the faculty members of MCPD were honoured by Indian Society of Periodontology (ISP) for their significant contributions by conducting faculty training programs for the members of the ISP. MCPD has conducted 10 workshops in the last five years, training almost 500 dental teachers of ISP. These workshops were conducted at the following centres:

Udaipur, Mumbai, Manipal, Kottayam, Vijayawada, Hyderabad, Chennai, Lucknow, Vadodara and Bangalore.

b) Following universities and other educational institutions invited MCPD to conduct faculty development programs for their teachers from various disciplines

- Dharmsinh Desai University, Nadiad, Gujarath, 26-28 Feb 2016
- Shri Vishnu Educational Society, Hyderabad, 7-9 Mar 2016
- Manubhai Patel Dental College, Vadodara, 17-19 Mar 2016
- MAHSA University, Kuala Lumpur, Malaysia, 19-21 Sep 2016

- Sumandeep Vidyapeeth Deemed University, Vadodara, 23-24 Nov 2016
- PSI Institute of Medical Sciences and Research Foundation, Vijayawada, 7-9 Dec 2016

c) Dr Ciraj A M, Deputy Director, MCPD, received the International Fellowship in Medical Education (IFME) and completed three years Masters in Health Professions Education (MHPE) program with a distinction from Keele University (United Kingdom) specializing in assessment and accreditation.

d) Dr Ciraj A M was nominated as the Executive Member of the Academy of Health Professions Educators, official body of health professions educators of India.

e) Dr Ciraj A M was nominated to the Board of Management, Medical education, Pramukhswami Medical College, Karamsad, Gujarat.

f) Dr Ciraj A M was invited faculty to conduct sessions on conflict management at the FAIMER regional institute, CMC, Ludhaina.

g) Dr Ciraj A M was invited faculty to give talks on inter-professional education at the:

- MEDUCON symposium – “The Future of Health Professions Education in India” 2016 organized by department of Medical Education, JIPMER Pondicherry.
- METCON 2017, Hyderabad

h) Dr Ciraj A M Conducted workshops in:

- Yenepoya University on “Formative Assessment”;
- “Problem based learning” at PIMS Hyderabad;
- Pedagogy at KVG Dental College, Sullia;
- “Faculty development for professionalism” at pre-conference workshop, NCHPE, 2016; and
- Academic scholarship at national conference in health professions education at national conference for health professions educators, Gujarat, 2016.

i) MCPD conducted an advanced Medical Education Program for the faculty members of Regional MCI Centre, Swami Rama Himalayan University, Dehradun.

j) Dr Sudhakar Nayak conducted Medical Humanities workshop at University of West Indies, Trinidad and Tobago. He also interacted with the department of Medical Education to develop the curriculum in Medical Humanities.

k) MCPD conducted a faculty empowerment program for the members of Indian Society of Prosthodontics at King George’s Medical University, Lucknow in Aug 2016.

l) The centre also regularly conducted the FDPs at Manipal Group of Institutions at Jaipur, Sikkim, Nepal, Malaysia and Bangalore.

Details of guest visit (lectures, collaboration, visitors on campus):

Guest lectures:

Sl no	Visitor	Name of the University	Institution	Purpose of visit	Date of visit
1	Dr John Gilbert	University of British Columbia, Canada	Canadian Inter Professional Health Collaborative	To conduct MUFILPE Residential sessions (Adjunct Faculty)	1-11 May 2016
2	Dr William Burdick	Drexel University, USA	FAIMER Philadelphia	To conduct MUFILPE Residential sessions (Adjunct Faculty)	1-11 May 2016
3	Prof James Portwood	Temple University, USA	FAIMER Philadelphia	To conduct MUFILPE Residential sessions	1-11 May 2016
4	Prof Janet Grant	CenMEDIC, UK	FAIMER Philadelphia	Resource Person for “Synergy” (Adjunct Faculty)	13 and 14 Jun 2016
5	Ralf Graves		FAIMER Philadelphia	Resource Person for “Synergy”	13 and 14 Jun 2016
6	Dr Himanshu Pandya	Pramukhswami Medical College, Gujarath	MCI Regional Centre for Faculty Development	Resource Person for “Synergy” (Faculty, MUFILPE)	13 and 14 Jun 2016
7	Dr Melissa Fischer	University of Massachusetts Medical School, USA		Resource Person for “Framework for Action in Interprofessional Education and Practice”	30 Nov 2016
8	Dr Tejinder Singh	Christian Medical College, Ludhiana	FAIMER Regional Centre	To conduct MUFILPE Residential sessions	3 and 4 May 2016
9	Dr Avinash Supe	KEM Hospital, Mumbai	FAIMER Regional Centre	To conduct MUFILPE Residential sessions (Faculty, MUFILPE)	9 May 2016
10	Dr Anja Krumeich	University of Maastricht, Netherlands		Resource Person for “Blended Learning in PBL”	23 Sep 2016

Research Activities

Poster Presentations by Phd Candidates at the Manipal University Research Colloquium

The PhD students' poster presentations were held as part of the research colloquium on 5 Apr 2016. Professor Satyajit Mayor, Director, National Centre for Biological Sciences, was the Chief Guest for the research colloquium. One hundred thirty four students presented their posters. Nine

eminent speakers from Manipal University affiliated research centres delivered lectures at the colloquium. The posters were grouped in various streams and the best posters were awarded cash prizes on Founders Day, 30 Apr 2016.

Cash awards

Health Sciences:

1. Basic Sciences – Mr Abhishek Kumar, CDFD, Hyderabad, Mr Shinde Swapnil Rohildas Anupama, CDFD, Hyderabad
2. Translational – Mr Raju Kumar, CDFD, Hyderabad
3. Applied Science – Mr Suran R Nambiasan, IBAB, Bangalore
4. Humanities and Social Science - Mr Stephen Rajan Samuel, SOAHS, Manipal
5. Others - Mr Manish Kumar, IOB, Bangalore

Technical and Management:

1. Technical – 1 Engineering - Mr Sanoop, Research Scholar, Dept of I and CT, MIT, Manipal
2. Technical – 2 Engineering - Mr Sachidananda H K, Research Scholar, Dept of Mechatronics, MIT, Manipal
3. Science - Mr Manjunathan P, Research Scholar, PPISR, Bengaluru
4. Management, Social Science and Humanities - Ms Soundarya Iyer, Research Scholar, NIAS, Bengaluru

Certificate of appreciation

Health Sciences:

1. Basic Sciences - Mr Amit Mahendra Karole, CDFD, Hyderabad
2. Applied Science - Ms Mugdha Singh, CDFD, Hyderabad

Technical and Management:

1. Science - Ms Akshatha, Research Scholar Dept of Physics, MIT, Manipal
2. Technical 1- Engineering - Mr Muralikrishna S N, Research Scholar, Dept of Computer Application, MU, Manipal
3. Technical - 1 Engineering - Mr Anjan Gudugar, Research Scholar, Dept of I and CE, MIT, Manipal
4. Technical – 2 Engineering - Mr Ravishanker Baliga B, Research Scholar, Dept of Aero and Auto Engg, MIT, Manipal
5. Management, Social Science and Humanities - Mr Vikram Aditya M, Research Scholar, ATREE, Bengaluru

Title : Development Of a Predictive Labour Progress Model for Low Resource Setting

Research gaps

- Personalized labour progress monitoring methods are missing
- Predictive labour progress models are lacking
- Gap in understanding the contractility patterns of uterine muscles

Methodology

Duration : 3 years (2016-2018)

PHILIPS

Clinical Research and Validation Studies

Feasibility study of 3D ultrasound visualization of anatomical structures and applicator in brachytherapy for cervical cancer treatment
 – Pallavi Vajinepalli (PIC-Research) PI – Dr Vidyasagar (KMC–Oncology) Dr Rajgopal (KMC-Radiology) Sep 2016 – Apr 2017

- To assess the feasibility of visualizing applicator, tumor and relevant organs (uterus, cervix, parametrium, bladder and rectum, sigmoid, etc.) in patients with cervical cancer with intracavitary HDR brachytherapy in 3D ultrasound images using a trans-abdominal probe.
- To compare the 3D US images acquired by Radiologist with clinical examination provided by the Radiation Oncologist.
- To develop algorithms from the acquired data for volumetric analysis and further evaluation of the developed algorithms through a validation study

Efficacy ECG100 Hub and Spoke Project: KMC, Manipal

- Dr Shankara Reddy, Jagadeesh, Ankur (Philips) PI- Dr Ranjan Shetty Sep 2015 – Mar 2016
Purpose: KMC, Manipal and Philips will partner to link clinics/nursing homes with a team of specialists at KMC for remote reading of ECGs. This tele-cardiology setup will allow the clinics/nursing homes access to better care and be a funnel for potential cardiac patients for KMC. The intention is early screening of cardiac conditions to improve patient outcomes.

Philips #Hackabout 2016 –Sept 02-12 at MIT Manipal

Winning team: Shikhar Srivastava and Reuben John of MIT and Sidharth R and Siddharth Pratap Nene of KMC I Prize: Rs 1,00,000
 Abhishek Karan, Elvis Louis D'Souza, Shreyas Hebbur, Malvika Sandhu and Raghav Chawla II Prize: Rs 75,000

Successful completion of Philips Hackabout 2016

There were 190 students, 49 registered teams, 32 teams at the end, and the competition was fierce.

A total of 16 proposals are shortlisted for further processing towards publications, patents and projects.

PHILIPS

Clinical Research and Validation Studies

NPI - Garuda ECS – Chandan Misra (BIU-US) PI - Dr Rajgopal (KMC-Radiology) – Dr Parvathi Bhat (KMC-OBG)

Purpose: To evaluate the image quality and workflow expectation for the NPI (ClearVue Derivatives) Ultrasound in a hospital environment as compared to the similar examination performed on commercially available systems at the clinical site. (April 2014-Sept 2016)

Cathlab IX Central Project – Scott Reid (BU- PCMS-CCS) PI - Dr Ashwal (KMC- Cardiology), Mr Umesh Pai (KMC- Cardiology)

Purpose: User preference testing of the central in combination with the monitors. This will include use of the central station and completion of surveys about the central station use (Jul–Nov 2016)

5 CRB India PHILIPS

Data Analytics Session of KMC Research Team – 13 May 2016

- 1 Early Prediction of occurrence of artherosclerosis in coronary arteries in Indian population
- 2 Data Analytics for subcutaneous mycoses – mycetoma
- 3 Bioinformatics analyses and pipelines for better analyses of whole genome sequencing data to better define the underlying genetic players and molecular players responsible for genetic disorders. This is vital to be able to identify candidate genes for therapeutics.
- 4 To develop - criteria for a particular infectious disease (e.g. typhus) and validate in further
- 5 Head and Neck Cancer staging and management for patient monitoring
- 6 Hb1Ac Trend
- 7 Generate Cut-off Blood glucose level for Indian population
- 8 Compliance with treatment, relapse and response to treatment in IBD
- 9 Early detection of ventilator associated events

PHILIPS

Hackabout 2016

Mission: The goal of the competition is to design and prototype a solution that enables to solve the identified problem using the data provided by Kasturba Medical College (KMC) Manipal to enable better-informed clinical decisions, more personalized care and improve/benefit healthcare services in India ("solutions").

Received 49 proposals , following proposals considered for publications

- Predict length of stay of patients admitted for acute myocardial infarction and factors that determine it
- Analysis of Congestive Heart Failure re-admission rate
- Role of metabolic obesity and BMI in patients with Coronary Artery Disease (CAD)
- "Assessment of factors associated with major adverse cardiac events (MACE) after coronary angioplasty"
- IP and S team evaluated and shortlisted Team 19 proposal for ID development

Manipal Advanced Research Group (MARG)

Third Floor, Manipal Edu Building, Phone Number: 0820 2922800, Email: marg@manipal.edu

Convener: Dr M Gupta

Chairperson: Dr H S Ballal

Vice Chair: Prof M D Nalapat

Executive Director: Dr H Vinod Bhat

Established: 2006

About department:

MARG was established in 2006 to initiate and incubate fundamental research in the physical sciences. Among other initiatives, the Manipal Centre for Natural Sciences was launched under MARG in 2012 until it became a Centre of Excellence under Manipal University.

Grant received during the year:

Received the sum of 2,500 euros in Dec 2016 through a grant of 5,000 euros sanctioned in late 2015 to Ms Dhanasree Jayaram, Project Associate. The grant was provided by Adelphi research gemeinnützige GmbH, Caspar-Thyß-Straße 14a, 14193 Berlin for the project entitled "Climate Diplomacy 2015-2016."

Current activities:

The website STSfor (<http://stsfor.org/>) is maintained and regularly updated. Project engineer Mr Abhinav Sarvari was appointed in Jun 2016 under the STSfor project. Dr Monish Tourangbam and Dr Nanda Kishore have been appointed visiting faculty members to MARG and serve as editors on the website. A themed event on "Climate Diplomacy" was conducted at Manipal through grant funding received by Ms Jayaram. Several prominent personalities gave invited talks at this event.

1) Event conducted during the year: A thematic seminar series on "Environmental Security"

4 Nov 2016: Video-conference with Shri Suresh Prabhu and keynote address by Prof M D Nalapat, Vice Chair MARG.

11 Nov 2016: Panel on "Impact of Climate and Environmental Change on Human Health: Implications for India" with Dr Joy Elamon, CEO and Head (Climate Change and Environment Domain), Inter-cooperation,

Secunderabad – Climate Change and Health: Mitigation, Adaptation and Co-benefits; Dr Suma Nair, Associate Professor, Department of Community Medicine, Manipal University – Environmental Change and Non-Communicable Diseases; Dr G Arun Kumar, Professor and Head of Department, Department of Virus Research, Manipal University – Environmental Change and Infectious Diseases

14 Nov 2016: Panel on "Role of Science and Technology in Addressing Environmental Security-Related Challenges in India" with Dr A R Shivakumar, Senior Fellow, Karnataka State Council for Science and Technology, Bengaluru – Rainwater Harvesting and Groundwater Recharge; Dr N Balu, Independent Expert, Bengaluru – Solar Energy in India – Present and Future; Dr Veena Srinivasan, Fellow, Ashoka Trust for Research in Ecology and the Environment, Bengaluru – Role of S and T in Resolving Water Security Challenges in South Asia; Mr Sachin Sathyarajan, Project Coordinator, United Nations University Regional Centre of Expertise (UNU RCE), Trivandrum – Role of Bioprospecting in Protecting Biodiversity

15 Nov 2016: Panel on "India's Perspectives on Environmental Security, Diplomacy and Governance" with Dr Sujatha Byravan, Principal Research Scientist, Centre for Study of Science, Technology and Policy – The Need for Advanced Preparation in Tackling Climate Change Impacts in South Asia; Colonel P K Gautam (Retd), Research Fellow, Institute for Defence Studies and Analyses – Military Diplomacy through Environmental and Ecological Themes; Dr Vikrom Mathur, Fellow, Observer Research Foundation – Building Trust in a Polycentric Climate Regime; Ms Dhanasree Jayaram, Project Associate, Manipal Advanced Research Group, Manipal University – Environmental Security Narratives: Indian Perspectives on "Conflict versus Cooperation."

- 1) Adjunct Faculty: Mr Bhaskar Roy
- 2) Project Associate: Ms Dhanasree Jayaram
- 3) Project Engineer: Mr Abhinav Sarvari

Fulfilling Social Responsibilities

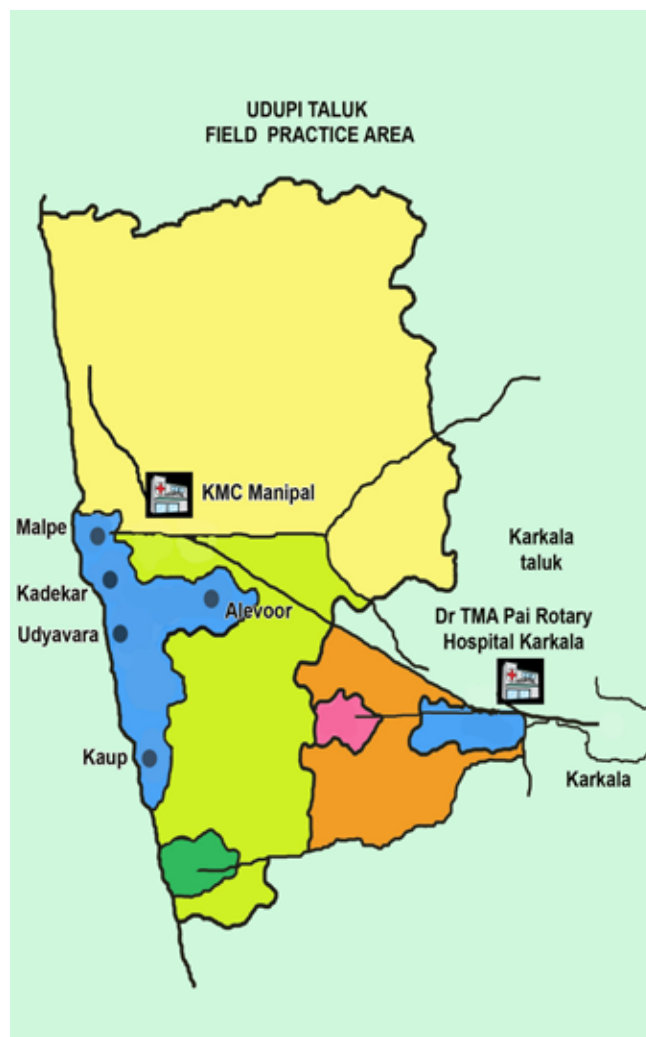

Rural Maternity and Child Welfare Home

These centres were established by Late Dr TMA Pai, the founder of Kasturba Medical College Manipal, one of the constituent colleges of Manipal University, with active participation of the local community, at a time when the transport and communication network in the Taluk was rudimentary.

The area covers a population of 40,000, spread out in 14 villages in the coastal area of Udupi Taluk. A network of five Rural Maternity and Child Welfare Homes (RMCW homes) located at Alevoor, Kaup, Malpe, Udyavara and Kadekar villages, provide maternal and child health services as well as takes care of minor ailments in the community. The Malpe centre has initiated a Community Cancer Screening Clinic in the year 2012. Besides Malpe, all the other centres provide screening facility for non-communicable disease. The centre also carries out interdisciplinary activities with the department of Physiotherapy, Psychiatry and college of Dentistry. These centres are under the direct administrative control of the Department of Community Medicine in Kasturba Medical College, Manipal.

Each centre is staffed with two Auxiliary Nurse Midwives (ANM), one ayah and a sanitary worker.

The FPA population is covered under an insurance scheme provided by the Manipal University wherein every family is assured treatment for all ailments at concessional rates at Manipal up to a ceiling of Rs 50,000 per year for the family.

Performance in the field Practice area:

Rates	CBR	CDR	IMR	ANC coverage (%)	Institutional deliveries (%)	Immunisation coverage (%)
Project area	11.5/1000 population	6.6/1000 population	2.2/1000 Live Births	100	100	100
Karnataka	18.3/1000 population	7/1000 population	28/1000 live births	70.3	94.3	62.6

Total Population		39955
Inpatients		NA
Deliveries		NA
Normal deliveries		NA
Referred to Kasturba Hospital		109
IUCD		10

Dr TMA Pai Rotary Hospital, Karkala

(Rural Health Training Centre, Department of Community Medicine, KMC, Manipal)
Associate Hospital of the Manipal University - Manipal

Dr TMA Pai Rotary Hospital, an 80-bedded hospital, has been providing quality health care to the people at Karkala taluk. Karkala is one of the three taluk of Udupi district in coastal Karnataka and has a population of about 3,00,000 spread over the town and the surrounding villages numbering around 75.

In view of the demand and need of the people, especially from rural areas, for affordable and quality medical care, Rotary Club of Karkala and Manipal Group took the initiative to set up a Health care facility at Karkala. In 1985, Kasturba Hospital, Manipal, in association with Rotary Club started weekly outreach camps at Karkala. The overwhelming response to camps led to the formation of a Mother and Child Health Hospital in this town in 1987 with 10 beds. The hospital was expanded in several phases over the years. In 2003 Ophthalmology unit was started in association with Rotary club, which received a Rotary foundation grant and generous contributions from Philanthropists. People belonging to almost all the villages of the Taluk utilize the services of the hospital. At present the hospital provides much needed health care in Obstetrics, Gynaecology, Paediatrics, General Medicine and Ophthalmology. This project is a classic model of how private organizations like Manipal University and NGOs

like a Rotary Club and the community itself can come together to provide quality health care to the needy people at an affordable cost.

Currently the hospital provides 24-hour patient service in Obstetrics and Gynaecology, Paediatrics, General Medicine and Ophthalmology. This includes facilities like fully equipped operation theatres and Labour rooms, Basic Neonatal Intensive Care unit, contact lens clinic, 3D Ultrasound, Laboratory, X ray, ECG, etc. The hospital provides weekly OPD services in Psychiatry, Clinical Psychology, Speech and Hearing, Occupational Therapy, ENT and Dermatology. A community cardiology centre is being established in association with Rotary Club to take up non-invasive cardiac screening using Echocardiography, ECG, TMT and Holter monitor. The digitalization of patient billing and X-ray and upgradation of laboratory services has been completed. The hospital gets about 45,000 out patients and 3,500 in-patients annually. The hospital is certified with ISO 9001:14001. The hospital is attached to Community Medicine Department, KMC Manipal as Rural Health Training Centre, and imparts training to medical under-graduate students, interns and post-graduate students.

Manipal Arogya Suraksha

The enhancement of limit from Rs 30,000 to Rs 50,000, a part of our Chancellor's birthday treat, has come in as a big boon to the members, and this move has brought in cheers to many needy patients undergoing critical and terminal illness.

The total membership base for the year 2016 stood at 1,18,913 families comprising of 4,20,831 lives. A significant increase indeed, in spite of going slow on the enrolments to ensure that large numbers do not choke the

hospitals in extending the required medical facilities to the members of Manipal Arogya Suraksha.

During the year, 13,252 number of members availed in-patient services. The total benefits extended for these many IPs' is close to Rs 22.21 Cr. In addition to this about Rs 3.50 Cr of OP facilities were also provided to the members of Manipal Arogya Suraksha.

MU is actively perusing other scheme in the interest of the general public at large as its CSR measure and the same shall be rolled out in the near future.

Volunteer Services Organisation

Yuva Varsham – 2016

A team of 12 VSO volunteers participated in International Youth Summit “Yuva Varsham” organized by Kerala State Youth Welfare Board (KSYWB) and Rajiv Gandhi National Institute of Youth Development (RGNIYD) from 27–29 Jan 2016 at Thiruvananthapuram, Kerala. The summit was a three-day long program with interactive and informative sessions on the condition of youth in various parts of the world and the challenges faced in youth development as well as the needs, concerns and priorities of the current youth. VSO volunteers spoke about the policies and youth development initiatives taken by their respective home country like Kuwait, West Indies, Jamaica, UAE and various states in India.

Yuva Varsham at Kerala

Tarang 2016 - A kite flying festival

Tarang, an annual kite flying festival was organized by VSO, Manipal University, for the fourth consecutive year at End point, Manipal on 7 Feb 2016. The event saw enthusiastic children from orphanages, special home and slums flying kites and enjoying themselves. A sum of rupees one lakh raised through this event was donated to Neonatal Poor Patient Fund of Kasturba Hospital, Manipal.

Tarang Kite festival

Yuva Varsham at Kerala SPARSH 2016 - a cultural extravaganza

SPARSH 2016, the fifth edition of VSO’s cultural extravaganza was organised on 2 Apr 2016 at Fortune Inn Valley View, Manipal to support future rural development

projects of VSO. In presence of more than 2000 audiences from Manipal and Mangalore, Dr H Vinod Bhat, Vice Chancellor, Manipal University inaugurated the event. The show kicked off with performances by children of Sri Krishna Balaniketan, Udupi. The crowd witnessed a prodigy between them in Mr Raghavendra who left the crowd spell bound by his brilliant sand art. Mr Sudhir, India’s first flute beat boxer took the crowd on their toes with his stunning performance. This was followed by the crowd grooving and spinning with the dance performance by students from various colleges of Manipal University. An amount of around rupees four-lacs raised through this event was contributed to VSO corpus fund for rural development projects.

Sparsh cultural event

Daan Utsav - National Volunteer Meet

A group of about 50 volunteers met in Mumbai from the 20–22 May 2016 for the National Meet to discuss and plan for the upcoming festival during October. Implementation of ideas at different verticals (Corporates, NGOs, Apartments, Schools and Colleges, etc.) was explored. Volunteers ranged from doctors, social workers and HR managers to students from universities. Industry experts from media and marketing were also amongst the speakers who shared valuable inputs regarding the usage of social media platforms effectively for promotion of Daan Utsav. Shreyas Pai and Varun Keri, VSO student ambassadors represented Manipal University in the National Volunteer Meet.

Daan Utsav

Daan Utsav at Manipal

VSO, Manipal University, organized Daan Utsav from 2–8 Oct for the fourth consecutive year. Around 53 projects were held to spread smiles by touching the life of others. The constituent colleges of Manipal University hosted various projects. The projects range from collection of clothes to adoption of government schools. VSO has also collaborated with various other clubs of Manipal University for the projects like study abroad program, Department of Geopolitics – Namaste India, Sports Council – Sports for Special Children and Saluting Men of Glory, The Rural India Project – Letters of Love, The Photography Club – Yaadein, MIT Cycling Club – Tour De Manipal, National Cadet Corps (NCC) – Clean Manipal Campaign, RedX – Seva Sandwich and Rotaract Club – Cloth Collection. VSO also operated a “Daan Rath” to propagate the idea of giving during the week. Dr H Vinod Bhat, Vice Chancellor, inaugurated the rath. Dr HS Ballal, Pro Chancellor, launched Daan Utsav at Manipal University by flagging off Tour De Manipal of Manipal Institute of Technology. The MIT students and faculty aims to connect Manipal group campuses through cycling. NCC cadets participated in the “Swachh Bharat Abhiyan.” RedX and Rotaract Club of Manipal University organised a mass blood donation camp in which about 250 people donated blood. “Aarogyarpan” was an event by the students from Manipal College of Nursing. They visited a slum in Indrali area and donated sanitary kits along with ration to families. The families were also given basic education on hygiene and sanitation. The Ecological Conservation and Habitat Restoration Organisation (ECHO Manipal) conducted a plantation drive by planting 15 saplings on MIT campus to spread awareness on the importance of greenery.

Weekly Projects

VSO also organized its regular weekend projects like Aarambh – visits to Sri Krishna Balaniketan, Jyothi – visit to Asare, home for special children, Sanjeevani – visits to Paediatric wards of Kasturba Hospital, Muskaan – Slum visits, Blood donation camp on Sundays and Clean Manipal Campaign. In addition to these two new projects like visit to Asha – Old age homes and Gardeners Clinic were added. Also, two sessions (10 hour each) of spoken kannada classes were also conducted. From Jan 2016 onwards, the following regular projects has been scheduled.

Sl no	Project Name	Number of Visits
1	Sanjeevani – visit to Paediatric Ward	34
2	Jyothi – visit to Asare	28
3	Aarambh – visit to Balaniketan	06
4	Muskaan – visit to Slum	19
5	Clean Manipal Campaign	26
6	Asha – visit to Old age homes	13
7	Gardeners Clinic	04

Oldage home visit

Sports with Special children

VSO - Mangalore Campus

VSO, MU, Mangalore Campus celebrated Daan Utsav – The Joy of Giving Week, in the beginning of Oct 2016. We started out by welcoming the Tour de Manipal group – 12 cyclists riding all the way from Manipal to Mangalore, led by Mr Shameem Shaikh, on 2 Oct 2016.

On the same afternoon, Dr MV Prabhu, Dean of KMC Mangalore inaugurated the “Gyaan Daan Saptaha” – an initiative of the Forensic Medicine Department to bring awareness about legal issues to the school-going children. Children of various ages were given a tour, throughout the week, around the commendable Forensic Museum and taught about the different aspects of forensic medicine and even toxicology.

The “Rice Bucket Challenge” began the next morning, 3 Oct 2016. Chef on Wheels, caterers of the mess services of KMC Hostels, set aside a register, giving the students a chance to donate as minimal an amount of Rs 5, which was later, charged from their mess bill. The total amount collected at the end of week would be used to buy rice for families and to donate orphanages. We are immensely delighted to announce that this was a grand success. We were able to collect enough funds to buy more than 1000 kilograms of rice!

Another weeklong project, the “Act of Kindness Challenge”, started the same day. Students were encouraged to do a random act of kindness of their choice followed by posting a selfie on social media with the Happy Dot. Along with the post, they were instructed to challenge another friend to an act of his/her liking. This created a chain reaction; students had their fun on social media and somebody else was benefitted from it at the same time. Something as small as feeding a cow to even as tremendous as blood donation performed various acts.

We ended the week by doing a project named “Care Kits Distribution” by donating a HUL Pureit Water Purifier along with packs of adult diapers and oral hygiene kits to the destitute wards in Government Wenlock Hospital in the presence of Dr H R Rajeshwari Devi, District medical officer and superintendent of Government Wenlock Hospital.

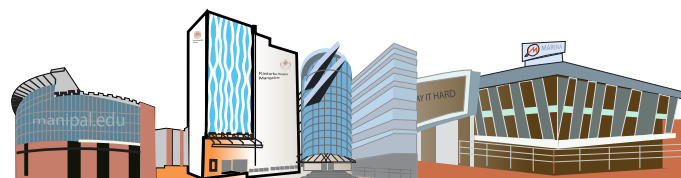

The same afternoon, we visited a local Government Higher Primary School in Kapikad, Bejai for the project namely “Step to Help” where we have spent time with the children and distributed footwear to all the 73 children studying there.

Daan Utsav was a great way to get the student body involved. It was tremendous watching people come up with ideas to do something for somebody. The greatest moment of gratification was realizing that people were participating with their own will, out of pure intention. Charity drives were not held, instead we encouraged the people to go donate it to someone themselves and truly experience the actual satisfaction and joy of giving.

Manipal Campus

KASTURBA MEDICAL COLLEGE

Madhava Nagar, Manipal – 576 104

Phone Number: 0820 – 2922552/2922325/2922367

Email-Office: office.kmc@manipal.edu HoD: dean.kmc@manipal.edu

Name of Dean: Dr Poonima Baliga B

Established: 1953

Programs:

- Undergraduate - 1, Post Graduate - 49, Others - 2, PhD

Courses:

- MBBS Bachelor of Medicine and Bachelor of Surgery
 - MD (General Medicine)
 - MS (General Surgery)
 - MS (Obstetrics and Gynaecology)
 - DGO (Obstetrics and Gynaecology)
 - MD (Paediatrics)
 - DCH (Paediatrics)
 - MS (Orthopaedics)
 - DOrtho (Orthopaedics)
 - MS (Ophthalmology)
 - DO (Ophthalmology)
 - MS (Oto-Rhino-Laryngology)
 - DLO (Oto-Rhino-Laryngology)
 - MD (Anaesthesiology)
 - DA (Anaesthesiology)
 - MD (Dermatology, Venereology and Leprosy)
 - DDVL (Dermatology, Venereology and Leprosy)
 - MD (Radiotherapy)
 - MD (Radio Diagnosis)
 - DMRD (Radio Diagnosis)
 - MD (Psychiatry)
 - DPM (Psychiatry)
 - MD (Hospital Administration)
 - MD (Respiratory Medicine)
 - MD (Immunohematology and Blood Transfusion)
 - MD (Biochemistry)
 - MD (Community Medicine)
 - MD (Forensic Medicine)
 - MD (Microbiology)
 - MD (Anatomy)
 - MD (Pathology)
 - DCP (Clinical Pathology)
 - MD (Pharmacology)
 - MD (Physiology)
 - MCh (Urology)
 - MCh (Cardio Thoracic and Vascular Surgery)
 - DM (Neurology)
 - MCh (Paediatric Surgery)
 - DM (Cardiology)
 - DM (Gastroenterology)
 - MCh (Neuro Surgery)
 - DM (Nephrology)
 - MSc (Anatomy)
 - MSc (Physiology)
 - MSc (Biochemistry)
 - MSc (Microbiology)
 - MSc (Pharmacology)
 - MSc (Clinical Embryology)
 - MPhil (Psychiatric Social Work)
 - MSc Genetic Counselling
- Advanced Course in Medical Genetics
- Advanced Course in Diabetics
- PhD

About institution/school:

Kasturba Medical College (KMC), Manipal was established in 1953 as the first self-financing medical college in the private and the 33rd medical college in India. It is spread over a campus area of 140 acres.

The college has been consistently ranked among the top 10 medical colleges in the country. Students not only from India, but also abroad graduate from the college every year and its degrees are recognized worldwide.

KMC has one of the finest learning environments in South Asia with infrastructure and faculty that support students to hone their skills to become outstanding medical

professionals. KMC is recognized by the Medical Council of India and the General Medical Council of Great Britain, the Malaysian Medical Council and Australian Medical Council.

The institute has strong linkages with national and international universities. Students from UK, Ireland, USA, New Zealand, Kenya, Netherlands and Malaysia have opted for elective postings in Kasturba Medical College, Manipal. Students from KMC, Manipal are pursuing electives in several top universities of USA.

Institutional activities/curricular activities:**New initiatives:**

Sl no	Activity	Particulars
Department of Biochemistry		
1	Industry Collaboration Department of Biochemistry in collaboration with Roche diagnostics is planning to conduct a study on "Establishing the thyroid reference ranges for Indian population."	This project is sponsored by Roche diagnostics. Grant amount is 50 lacs. The population groups include adults, pregnant women and children and separately are planning to establish the reference ranges for TSH, T4, T3, free T4, free T3 and anti TPO.
Department of Immunohematology and Blood Transfusion		
2	J G Jolly PG training program cum workshop for Post Graduates	IHBT is a new branch so it is an initiative to bring all PGs from different colleges and expose them to the curriculum and uniformity in teaching pattern to benefit them in academic career.
3	Regular blood donation motivational talks	Regular motivational talks in schools and colleges by transfusion medicine postgraduates promoting voluntary blood donation.
4	Collaboration with other universities for MD Curriculum (Training in Immunohematology and apheresis for 15 days)	Students (PG Trainees of Transfusion medicine from other universities come to our department for training in Immunohematology and Apheresis program)
Department of Microbiology		
5	Endotoxin assay for dialysis water	Presence of endotoxins in haemodialysis water can have serious effects on patient's health as they act as stimulants for inflammatory response. Therefore, it is very essential to evaluate the water treatment process. Endotoxin assay is intended as an in vitro end-product endotoxin test for Water used in haemodialysis. The Limulus Amebocyte Lysate (LAL) test is a qualitative test for Gram-negative bacterial endotoxin. LAL as supplied is to be reconstituted with LAL Reagent Water and then mixed in equal parts with the solution being tested. After incubation, and in the presence of endotoxin, gelation occurs; in the absence of endotoxin, gelation does not occur.
6	Candida mannan and Anti-mannan assay	Candida infections rank as the first cause of nosocomial fungal infections. Candida mannan and anti-mannan ELISAs are two immunoenzymatic microplate assays, which are used to detect circulating mannan Candida antigen and antibodies to mannan antigen.
7	Beta-2 glycoprotein IgM and IgG	This ELISA test provides a semi-quantitative or quantitative in vitro assay for human IgM and IgG classn antibodies against Beta-2 glycoprotein 1 (B2-GP1) in serum or plasma. These are associated with the clinical picture of antiphospholipid syndrome (APS).

Sl no	Activity	Particulars
Department of Forensic Medicine		
8	Clinical Forensic Medicine Unit (CFMU)	Clinical Forensic Medicine (CFMU) was started on 3 Oct 2017 to facilitate the medico legal work of Kasturba Hospital, Manipal. This unit cases the work of clinicians, so that they can concentrate more on management aspect of medico-legal cases. Clinical Forensic Medicine Unit will handle the documenting part of the same.
Department of Medicine		
9	Young diabetes registry	As a part of ICMR registry Manipal registry has been initiated
10	Manipal McGill Centre for Infectious Diseases	Coordinator Department
Department of Dermatology, Venereology and Leprosy		
11	Selected as two Centres for IADVL Observership in Photodermatology and Immunofluorescence	Selection made by Indian Association of Dermatologist, Venereologist and Leprologist.
Department of Psychiatry		
12	Kandlur Telepsychiatry	A telepsychiatry team of a psychiatry resident/consultant and an allied mental health trainee/consultant will travel in a college vehicle and reach Kandlur PHC and report to the Medical Officer there. The team will be carrying equipment to set up a telepsychiatry system in a suitable room of the PHC, provided by the MO of the PHC. The MO of the PHC will also provide internet access for the team and refer potential psychiatric patients to them. The team will hook up with the tele-psychiatry consultant in the Department of Psychiatry, KMC, Manipal by internet. It will evaluate the patients at Kandlur online. The tele-psychiatry consultant at Manipal will observe the evaluation online and suggest further evaluation/investigation/treatment as per the diagnosis reached. The team will enter the information regarding the patient in a file (which will be maintained at the PHC) and a register, and prescribe appropriate treatment/counselling and suggest further action such as review visits/referral to other consultants/referral to a higher centre etc.
13	Memory clinic	Once weekly on Wednesday afternoon in association with department of Neurology and Clinical Psychology. One faculty and one postgraduate student are posted for the clinic.
Department of Respiratory Medicine		
14	Outreach Medical Screening Camp	The department of Pulmonary Medicine is providing regular outreach camps on monthly basis for the benefit of poor patients in rural areas of Udupi district.
15	Dr TMA Pai Hospital – Udupi – Speciality outpatient service – Every Monday and Thursday	Department of Pulmonary Medicine is providing speciality outpatient services in Dr TMA Pai Hospital Udupi since 2015. We have involved in delivering effective patient care in OP and IP consultant services also.
Department of Plastic Surgery		
16	Submitted proposal for skin bank	
17	Started Microvascular Surgery	

Sl no	Activity	Particulars
Department of Anaesthesiology		
18	Manipal Trauma Life Support Course (MTLS) 26-27 Feb 2016 3-4 Jun 2016	The Department of Anaesthesiology, Orthopaedic Surgery and General Surgery jointly organized a workshop cum CME. This is an on-going program, conducted every three months. There is a need for all doctors involved in trauma care to be trained in Trauma Life Support. The knowledge and skills required to deal with trauma must be made more accessible to all. The "Manipal Trauma Life Support Course" is designed along the lines of Advanced Trauma Life Support Course (ATLS) conducted by American College of Surgeons for the benefit of students, staff and patients. The course is open only to doctors, including interns. We hope that this knowledge will translate to better care in our own trauma centre as well as make an impact wherever these doctors practice medicine in the future.
19	CME on Advanced Mechanical Ventilation 15-5-16	The Departments of Anaesthesiology and Medicine, Kasturba Medical College Manipal, and Department of Respiratory Therapy, School of Allied Health Sciences, Manipal University jointly organized a CME cum workshop on Advanced mechanical ventilation program on 15 May 2016. This advanced mechanical ventilation CME is a blended program suitable for postgraduates and faculty of Anaesthesiology, Medicine and students of Respiratory Therapy, Physiotherapy, nurses as well as interested practicing anaesthesiologists and physicians interested in intensive care.
Department of Radiodiagnosis		
20	Shirdi MRI UNIT	24 hours service is started in Shirdi MRI.
Department of Radiotherapy		
21		Installed ELEKTA VERSA HD DIGITAL LINEAR ACCELERATOR WITH VMAT, IMRT, IGRT, SRS, SRT CAPABILITY + MONACO TREATMENT PLANNING SYSTEM, Jul 2016.
Department of Cardiology		
22	Lecture by Adjunct Faculties	
Department of Neurology		
23	Neurosciences Quiz – 2016	Department of Neurology in association with Department of Neurosurgery, conducted Neurosciences Quiz Competition on 30 Sep 2016 for undergraduates of Kasturba Medical College, Manipal and Mangalore.
24	Walkathon	Department of Neurology organized Walkathon to raise awareness on stroke prevention in conjunction with World Stroke Day on the 21 Oct from End Point to KMC Greens. The event started at 5 pm from End Point where the participants walked towards KMC Greens followed by a street play performed by KMC Students at 6.30 pm, then closing speech by the Head of Department, Neurology.
25	Epilepsy Camp	On the occasion of World Epilepsy day, Department of Neurology, Kasturba Hospital, Manipal conducted Epilepsy Screening Camp on Sunday 27 Nov 2017 from 10 am to 1 pm at Dr T MmA Pai Hospital Udupi and Dr TMA Pai Rotary Hospital, Karkala. Senior Consultants including the HOD from the Department of Neurology participated in camp with portable EEG machine and the respective technical staff.
26	Community outreach program	Department of Neurology started weekly sub super speciality clinics at Dr TMA Pai Hospital, Udupi and Dr TMA Pai Rotary Hospital, Karkala.

Sl no	Activity	Particulars
Department of Hospital Administration		
27	RASTHA	RASTHA is a forum to discuss, debate and disseminate knowledge in the field of hospital administration. It is a unique initiative by the Department of Hospital Administration, KMC Manipal. The academic feast will include a variety of events in the form of seminars, guest lectures, workshops, training programs and conferences in association with apex bodies. RASTHA aims to serve as an industry academia interface wherein industry experts interact with students and delegates. It will feature eminent speakers from the healthcare and management fields.
Department Clinical Embryology		
28	Fertility Preservation Centre	Established a new Centre for Fertility Preservation (CFP) under Manipal University Manipal. It specially aims to help childhood cancer survivors and reproductive – age men women who are about to undergo cancer treatment to have children.
Department of Medical Education		
29	Shibboleths in Faculty Development	Dr K Ramnarayan, Vice President Faculty Development and Alumni Relations, MU
30	Computerised Image Analysis – A Hands on Workshop	Dr Keerthana Prasad, School of Information Sciences, MU
31	Diagnostic and Reasoning: A workshop on Integrated Clinical Pathophysiology and Therapeutics	Dr Scott Stern, Professor of Medicine, Pritzker School of Medicine, University of Chicago
32	ALIGN – A hands on workshop to develop and align Competencies and Objectives with Assessment using MCQs	Dr Vinay Kumar, Alice Hogge and Arthur Baer Distinguished Service Professor and Chairman of the Department of Pathology, University of Chicago And Dr Tamkin Rabbani, Professor of OBG, Jawaharlal Nehru Medical College, Aligarh Muslim University, UP
33	Encounter or Engagement - Intercultural competence building at the workplace	Praveen Shetty, Assistant Professor, MIT. Rahul Putty, Assistant Professor, Department of European Studies
34	Assessment strategies in Medical Education	Dr Manoj Chakravarty, Associate Professor, College of Medicine and Medical Sciences, Arabian Gulf University, Bahrain And Dr Sanjay Singh, Department of Information and Communication Technology, MIT, Manipal
35	3D Bio-Printing	Mr Arun Chandru, Cofounder, Pendorum Technologies
36	Disease to Diagnosis	Dr Scott Stern, Professor of Medicine, Pritzker School of Medicine, University of Chicago And Dr Sandeep Gurbaxani, Associate Professor Director, Hematopathology Fellowship, Department of Pathology – The University of Chicago
37	Developing Undergraduate Medical Curriculum	Dr Melissa Fischer, Associate Dean of Medical Education, University of Massachusetts Medical School
38	Outcome Based Learning	Professor Nagesh Pai, Foundation Professor of Psychiatry, Graduate School of Medicine, Faculty of Science, Health and Medicine, and University of Wollongong, Australia
39	Teaching and Assessment of Professionalism	Professor Nagesh Pai, Foundation Professor of Psychiatry, Graduate School of Medicine, Faculty of Science, Health and Medicine, and University of Wollongong, Australia
40	Revised Basic Medical Education Technologies Workshop	24–26 Oct 2016

All other activities in the department relating to the program/course:

Sl no	Activity	Particulars
Department of Physiology		
1	Curriculum development I MBBS – Introduction of digital spirometry	Computerised spirometry demonstration with case discussion of respiratory diseases was conducted for first year MBBS students
2	Academic club KLASS Quiz for first year MBBS using clickers	Quiz in Physiology, Anatomy and Biochemistry of KMC, Manipal
Department of Biochemistry		
3	Guest lecture: Opportunities for higher education and Research in Germany Speaker: Dr Partha Dabke Intern Young Ambassador, DAAD (German Academic Exchange Service) KMC, Manipal. Date: 12 Jan 2016	Dr Partha Dabke, an intern at Kasturba Medical College, Manipal University, Karnataka, with keen interest in “Inborn Errors of Metabolism” was awarded the short-term studentship from the Indian Council of Medical Research for three consecutive years. Based on his interest, he was selected for the program “German Academic Exchange Service” (DAAD). During this he attended the Nobel Laureate meeting in Germany in 2014 through fellowships awarded by the DST and DFG. He also had an opportunity of working in Hannover Medical School and LMU, Munich for one month and three months respectively. He interacted with all PG students of Biochemistry department and shared his experience and gave some guidance and opportunities for student can have for working in Germany. More than 50 postgraduate students participated and benefited from this program.
4	Guest Lecture: Quality Control and Quality Assurance Speaker: Dr B Shivananda Nayak Head, Department of Preclinical Sciences, The University of the West Indies Trinidad and Tobago on 14 Jan 2016	The biochemical tests results of the laboratory play an important role in the diagnosis and treatment of the disease. Any error with the test values results in wrong diagnosis and unnecessary treatment and prolonged hospitalisation. Hence the quality of such values must be controlled. High quality of the tests results can be achieved through adopting high quality standard and quality control programs in the laboratory. It is must nowadays to release the tests results after complete review. It is must for the Laboratory in charge to check day to day error always to take necessary steps to minimise those errors.
5	Approach to research article series Speaker: Dr Krishnananda Prabhu R V Professor and Head Department of Biochemistry Lecture – 1 on 16 Feb 2016 Lecture – 2 on 23 Feb 2016 Lecture – 3 on 17 May 2016	Lecture 1: Title and Its Attributes Lecture 2: Writing Proper Abstract Lecture 3: Writing Introduction
6	CME on “Epigenetics – from genome to epigenome”	Organized by department of Biochemistry KMC Manipal on 19 Oct 2016. Dr H Vinod Bhat, Vice chancellor Manipal University was the chief guest and Dr Poornima Baliga B, Dean KMC Manipal was the guest of honour. There were around 80 participants from KMC, MMMC, MCOPS Manipal and Medical colleges of Mangalore. The speakers were Dr Pragna Rao, Dr Priyanka Upadhyai, KMC Manipal. Dr Krishnapal Karmodiya, Indian Institute of Science Education and Research (IISER), Pune and Dr Kshitish Acharya, Institute of Bioinformatics and Applied Biotechnology (IBAB), Bengaluru. They discussed the concept of epigenetics, its role in health and disease, techniques in molecular biology and scope for research in epigenetics. Karnataka Medical Council had awarded two credit hours. CME concluded with distribution of certificate to delegates.
7	Guest Lecture: CRISPR – gene editing tool	Gene editing is a powerful tool allowing the discussion of complex biological processes in a physiological context. Over the years gene editing in Drosophila has evolved from ends out and ends in gene targeting and their modifications to CRISPR/Cas9 based editing.

Sl no	Activity	Particulars
	Speaker: Dr Priyanka Upadyayi, Assistant Professor Department of Medical Genetics Kasturba Medical College Manipal on 26 Apr 2016	Here, Dr Upadyayi briefly described the use of a modified form of ends out gene targeting to evaluate the activity of a transcriptional repressor, Brinker that functions in the Dpp/BMP pathway in Drosophila. This will be followed by an overview of how CRISPR and MS2 – MCP bacteriophage system was used to evaluate the spatiotemporal dynamics of transcription from Dpp responsive loci in the early Drosophila embryo. Thus, Drosophila with its enormous range of molecular and genetic tools and high degree of genome conservation has emerged as among the front-line model systems for investigating a broad range of human diseases.
8	Guest Lecture: "Craft of scientific writing - focus on possibilities, create opportunities" Speaker: Dr Vasudev Ballal, Professor of Conservative Dentistry and Endodontic MCODS on 17 Oct 2016	Dr Ballal delivered a talk on "Craft of scientific writing – focus on possibilities, create opportunities" at Biochemistry department KMC, Manipal. He very diligently explained key aspects, Do's and Don'ts of scientific paper writing. He also elaborated on basics of writing protocol especially with respect to ethical issues and how to address them. Around 40 postgraduates and faculty members of Biochemistry department attended and benefited from the same.
9	Soft skill workshop at Biochemistry Speaker: Radha Srivastava, Head of HR, Roche diagnostics on 22 Nov 2016	Radha Srivastava spoke on building an appropriate resume, managing interviews and managing social media. She began this "Workshop like" interaction by first giving the students the current economic scenario. This served as a reality check for all the students as she explained how it was important to acquire right skills in today's competitive job market. She briefed how to use one's resume as a marketing tool and to build one's own brand. She even gave the students some insider tricks on how they can ensure to nail interviews and impress the recruiter. These differentiating factors stated by her were an eye opener for students. Dr Prasanna Kailaje, director of industry liaison and placement was also present during this program.
10	Guest Lecture: Bridging the gap between the doctor and the laboratory of "wrong" Biochemical reports. Speaker: Dr Biswajit Saha, (Joint Director -Medical and Health services, DSP), HoD Biochemistry, Steel Plant Hospital, Durgapur, West Bengal on 16 Dec 2016	Dr Biswajit Saha gave an insight into all types of discrepancies that can occur while reporting Biochemistry reports and how to handle them. His talk was highly informative and more than 30 faculty members and students attended and benefited from the same.
Department of Immunohematology and Blood Transfusion		
11	Donor awareness program (27 Jan 2016)	Dr Shamee (Students of MGM college, Udupi)
12	Donor awareness program (5 Feb 2016)	Dr Pruthvi (Saint Mary's College Shirva, Manchekkal)
13	Donor awareness program (13 Aug 2016)	Dr Karishma (SMS college Brahmavar)
14	Donor awareness program (7 Sep 2016)	Dr Dhivya (MGM College, Udupi)
15	Rational use of Blood components (16 Sep 2016)	Dr Manish (IMA Kundapura)
Department of Forensic Medicine		
17	Compos mentis 2016	Department of Forensic Medicine and Toxicology conducted a National Level Forensic Medicine Quiz competition "Compos Mentis 2016" on 15 Sep 2016. A total number of 100 students from 27 Medical Colleges across India participated in the event.
18	An awareness program on POCSO Act 2012	An awareness program on POCSO Act 2012 was organized by the department of Forensic Medicine and Toxicology, KMC, Manipal, Karnataka Police, Udupi district and Dr TMA Pai Ratary Hospital, Karkala on 13 May 2016.

Sl no	Activity	Particulars
Department of Community Medicine		
19	30 Jan 2016, Women and Risk of Cancer, Manipal Technologies Ltd Manipal, Ms Asha	A session on "Women and Risk of Cancer was conducted at Manipal Technologies Ltd Manipal to the women employees. What is cancer; most common cancers among women (breast cancer, cervical cancer, oral cancer) and its symptoms, screening, self-examination methods were explained. Total 50 women employees participated in the program.
20	23 Jan 2016, Awareness Program: Women and Cancer Risk, Koppalangi, Kaup Dr Sneha and Ms Asha	Awareness Program was conducted at Koppalangi, a field practice area of Kaup RMCWH. Total number of beneficiaries 31 Women aged between 35 to 55 years. Kaup RMCWH ANMs Mrs Susheela, Mrs Kavitha and Anganvadi teacher were present.
21	19 Mar 2016, College Day and Awards ceremony, KMC, Manipal. Dr Avinash Shetty and Dr Chythra R Rao	Awarded Excellence in teaching 2015-16
22	24 Mar 2016, Geriatric Wellness centre, Alevoor RMCW Home Dr Chythra R Rao, Dr Swati, Mr Ashok and Mrs Neelavathi	Organized informative session on legal aspects, social security measures available for elderly by Mr Dinesh Naik, Advocate, Udupi Sessions Court and Mr Srikanth Nayak, Panchayat President, Alevoor
23	16 Aug 2016, Guest lecture by Dr Umesh Prabhu, KMC, Manipal, Faculty members and PGs from Department of Community Medicine	Patient safety and Professionalism by Dr Umesh Prabhu, Medical director of Wrightington Wigan and Leigh Foundation trust in UK
24	8-9 Jul 2016, Screening camp for transport employees of MU, KMC, Manipal. Dr Chythra R Rao, Dr Swati, Dr Sravan Reddy, Dr Vanditha, Dr Surabhi and Dr Aparna	Screening done for non-communicable diseases for 98 employees
25	11 Jul 2016, Guest lecture by Dr Chandrika Raghavendra Rao (MSF Volunteer), KMC, Manipal, all faculty members and PGs	Awareness Raising Session – On Volunteering with Médecins Sans Frontières/Doctors Without Borders
26	15 Jul 2016, Geriatric Wellness centre – Distribution of Spectacles for eye camp beneficiaries, Alevoor RMCW Home Dr Chythra R Rao, Dr Swati Guha, Dr Vanditha and Mrs Neelavathi	Dr Chandan Shettigar and Mr Rakesh, from Essilor Mangalore distributed free Spectacles for 66 eye camp (held in Jun 2016) beneficiaries.
27	30 Jul 2016, Health education on nutrition, Shantinikethan School, Alevoor Dr Chythra R Rao, Dr Swati Guha, Dr Vanditha, Mrs Neelavathi and Ms Asha	Nutrition education for parents of malnourished children identified during growth monitoring in the school.
28	17 Nov 2016, Geriatric Wellness centre – Tobacco cessation sensitisation program, Alevoor RMCW Home Dr Chythra R Rao, Dr Swati, Dr Vanditha, Ms Asha and Mrs Clera	Ms Asha, Mrs Clera discussed about the ill effects of tobacco usage, reasons for addiction and measures to help in quitting.
29	3 Apr 2016, Diabetes Awareness and Screening camp, Mount Rosary English Medium School, Santhekatte, Kallianpur on Sunday, 7 am to 12 pm Dr Chythra R Rao, Dr Vibha, Dr Vanditha, Dr Sravan Reddy and Dr Mahathi	Organized diabetes awareness and screening camp in association with Catholic Sabha and Health Commission, Mount Rosary Church, Santhekatte, Kallianpur, Rotary Club Manipal Town, Rotary Club Kallianpur and Lions Club, Kallianpur Participating departments – Department of Community Medicine, Department of Dermatology and Department of Physiotherapy.

Sl no	Activity	Particulars
30	7 May 2016, International Symposium on Interprofessional Education (IPE) and Interprofessional Practice (IPP), KMC, Manipal. Dr Chythra R Rao and Dr Muralidhar Kulkarni	International Symposium jointly organized by Dr TMA Pai Endowment Chair in IPE and IPP, MUFILPE and Manipal Centre for Professional and Personal Development, Manipal University, Manipal
31	19 May 2016, Geriatric Wellness centre, Alevoor RMCW Home. Dr Swati Guha, Mr Ashok and Mrs Neelavathi	Organized Activities for Elderly and health education. Sensitised about social schemes for elderly by Mr Harish Sherigar, Member of Alevoor Panchayat.
32	24 Nov 2016, Diabetes – Educational session on self-care in diabetes; screening for diabetic foot and diabetic retinopathy JCI Hall, Kaup Faculty members, Dr Sneha, MSW, Ms Asha, PG's, Dr Vibha, Dr Saranya and Dr Jaun	Diabetes Awareness and Screening Program was organized jointly with RMCWH Kaup and JCI Kaup on 24 Nov 2016. Inauguration session presided by Dr Sneha, Associate Professor, Department of Community Medicine. Chief Guests: Mrs Sowmya Rakesh, President, JCI Kaup, Mr Praveen Kumar Gurme, North JCI Zone Kaup and Mr Sandeep Shetty, JCI Kaup, Megha, Optometry Department, School of Allied Health Science Manipal. Awareness talk on Diabetes and Health by Ms Asha, MSW, Department of Community Medicine. Vote of thanks by Mrs Neelavathi. Regular health check-up followed by foot care screening and retinal examination was done for diabetic patients. Total foot screenings: 26; Total optometry screenings: 26
33	22 Jul 2016, Awareness Program on Thyroid and Cholesterol, Malpe, Dr Saranya, Dr Vibha, Mrs Chithra	13 women participants in centre
Department of Medicine		
34	MD Program	Orientation program for new batch of 20 students in Jun 2015
35	PG Teaching program	Interdisciplinary exposure through rotation in various departments such as anaesthesia, microbiology, statistics, radiology and dermatology in addition to existing regular teaching program.
36	Co-curricular activity	Participation of PGs in quizzes competitions at other universities and professional conferences.
Department of Nephrology		
37	Seminars	On Paediatric Kidney disease was well attended and had guest faculty
38	Mock exams, CME, Interdepartmental meetings, Postings to other institutions	Mock exams were conducted for the benefits of DM Nephrology registrars and outside examiners namely Dr Ravishankar Bonu, HoD Nephrology, Manipal Hospital, Bangalore Dr Gurudev K, HoD Nephrology, M S Ramaiah, Hospital, Bangalore Dr Anupama Y J, Nephrologist, Shivamogga, conducted the exam
Department of Dermatology, Venereology and Leprosy		
39	LUMENIS – LIGHT SHEER ET DIODE LASER Installed	For LASER hair reduction
40	FRAXIS DUO — SKINNOVATION: fractional CO2 LASER along with microneedle radiofrequency - Installed	For acne scars, striae etc.
41	Alumni of the department were invited to give lectures and for workshops for the benefit of students	Dr Apratim Goyal, Dr Abhishek De and Dr Nirmal B were the three alumni who have been doing distinguished work in the fields of Aesthetics, Cosmetology and Dermatoscopy respectively.
Department of Respiratory Medicine		
42	Integrated Class for MBBS Students	Clinical update in Respiratory System – MBBS Students as a part of integrated module - more than 150 students participated.
43	Integrated Class for BPT final year students SCOAHs	BPT Final year students SCOAHs as a part of integrated module - more than 50 students participated.

Sl no	Activity	Particulars
Department of Plastic Surgery		
44	Started doing free flaps	Free tissue transfer for tissue defects
Department of Ophthalmology		
45	Eye Camps Conducted: 61	Total outpatient screened: 5,802 Selected for surgery: 204 Surgery done: 72
46	Diabetic Screening Camps: 09	Diabetic retinopathy screened: 278 Referred: 11
Department of ENT		
47	Otology workshop with Hands on Temporal bone dissection course	Otology workshop with Hands on Temporal bone dissection course – 5–6 Mar 2016.
48	CME	CME – 9 Apr 2016 (Saturday) at 7.30 pm. “Management of Vertigo” by Dr Mohan Kameshwaran, Chennai.
49	SYMPOSIUM	The Department of ENT – Head and Neck Surgery, Kasturba Medical College and Hospital, Manipal is organising a symposia on “Allergic airways diseases” live from Bangalore by Dr Ignacio J Ansotegui, Head of Department of Allergy and Immunology, Hospital Quionsalud, Bilbo, Spain and Prof Ruby Pawankar, Professor of Allergy, Department of Paediatrics, Nippon Medical School, Tokyo, Japan on 27 Jun 2016
50	CME – LIVE Web cast	Live surgical web cast – By Dr Deepak Haldipur, Bangalore 19–20 Aug 2016
Department of Anaesthesiology		
51	Teaching Program – 2016	The Department of Anaesthesiology conducted a teaching program four days in a week from 7:45 am to 8:45 am. The Program consisted of lectures, case discussions, Topical Review, Staff symposium, Clancon, BLS and ACLS Training Program. And also conducted MCQ Test once in three months for all postgraduates.
Department of Radiodiagnosis		
52	Neuro-Radiology meet	Second and Fourth Saturday of Month
53	Uro-Radiology Meet/Mortality meet	Monthly
54	Medicine Radiology meet/Film reading session	Once in two weeks Tuesday
55	Surgico-radiology meet	Once in two weeks Wednesday
56	Seminar	Thursday
57	Film reading session/Thesis presentation	Friday
58	Seminar (Journal club/ Anatomy / Imaging Protocol)	Saturday
59	GUT club meeting	Last Saturday in Two months
60	Thesis Updates and presentation	Last month of every six months
Department of Radiotherapy		
61	Dr H Y Prahlad:	Faculty member in charge for the SPANDAN Sports Fest in the KMC (Men and Women) sports contingent from 22 to 27 Aug 2016
62	Dr Anshul Singh and Dr Anusha Reddy	Participated in the ESTRO Teaching course on “Clinical Practice and Implementation of Image-Guided Stereotactic Body Radiotherapy,” held at Athens-GREECE (Accreditations: 25 ECMEC’s (European CME Credits) 5–9 Jun 2016
63	Mr Srinidhi G C Ms B Ramya	MONACO Treatment Planning System training at ELEKTA Training Centre, Chennai from 25 to 29 Jan 2016
64	Mr Srinidhi G C	Underwent training at Manheim University Clinic, Manheim, Germany on new Linear Accelerator Unit, 11–17 Sep 2016

Sl no	Activity	Particulars
Department of Neurology		
65	Teaching	The academic schedule for the Neurology Registrars, Medicine and Psychiatry residents who are posted in the department has been modelled according to the program followed in AIIMS, New Delhi and Research and Referral Hospital, New Delhi, both of which are pioneering institutes in India in Neurology training.
66	Seminars	Seminars will be held every Thursday from 8 am to 9 am. The assigned resident needs to discuss the topic with the consultant in charge (moderator) before making the final presentation.
67	Clinical Demonstrations	Clinical Case discussion will be held on Tuesdays from 8 am to 9 am. Residents will be assigned the schedule well in advance.
68	EEG/ENMG	EEG/ENMG will be conducted every Friday from 8 am to 9 am. The assigned resident needs to get the articles approved by the Head of the Department well in advance.
69	Journal Clubs	Journal club will be conducted every Monday from 8 am to 9 am. The assigned resident needs to get the articles approved by the Head of the Department well in advance.
70	Neuroradiology meets	Held every first and third Saturday from 8 am to 9 am. The cases for discussion will be decided by Thursday evening. The senior resident concerned should discuss the case in detail with a neuroradiology consultant before presenting the same on Saturday. Brevity and clarity in presentation will be expected.
71	EBM Sessions	Research Methodology for clinicians by clinicians; monthly programs on first Thursdays to discuss topics both Medicine PGs and Neurology Registrars to take part.
72	Continuum in Neurology	Monthly programs on last Mondays to discuss topics both Medicine PGs and Neurology Registrars to take part.
73	Paper Presentation	Departmental thesis committee meetings held every three-month will evaluate the progress of the thesis of the candidate. Each candidate will have his turn for thesis presentation by rotation as per schedule. The candidate will be required to get the Institute ethics committee approval wherever required. Descriptive data collection/Quantitative data analysis should be done as per standard statistical methods and should be guided by a statistician. Presentation of the full project as thesis and also in publishable form, complete with statistical analysis, discussion, study limitations, conclusion, and bibliography. Between 30-34 months, the project should be sent for publication to peer reviewed journals. Presentation of the project work as scientific presentation at national level and at state level mandatory.
74	Memory Clinic	Department of Neurology in association with Department of Psychiatry and Psychology started conducting a Memory Clinic every Wednesday.
Department of Neurosurgery		
75	Clinical Case discussion	All Tuesday morning 8 am to 9 am
76	Preoperative discussion	Monday, Wednesday and Thursday
77	Seminars	Every month second and fourth Saturday, 8 am to 9 am (total 23 seminars in 2016)
78	Medical care review meeting	Our department presented three cases in the combined medical care review meeting in 2016
79	Neuro radiology	Every month first and third Saturday, 8 am to 9 am (total 20 sessions)
80	Journal Club	Every month Second and fourth Friday 8 am to 9 am (total 23 sessions)
81	JNOM Meeting	Once every month, 3 pm to 4 pm

Sl no	Activity	Particulars
Department of Hospital Administration		
82	Audit related activity	Faculty members in the Department are involved in audit activities of hospital like NABH/ISO Audit.
83	MOD	PGs Of Department are involved in medical record audit and MOD rounds.
84	Hospital Projects	PGs undertake non-funded hospital projects towards improving any hospital bottlenecks/problems under the guidance of the faculty member.
85	Block rounds of the hospital	PGs are posted in rotation to various hospital blocks that keep to study functioning and maintenance of the block.

1444	Sheila Unger	Master of Clinical Education and Research, Division of Genetic Medicine, Centre Hospitalier Universitaire Vaudois (CHUV) 1011 Lausanne, Switzerland		Conference	1–2 Dec 2016
Department of Clinical Embryology					
145	Dr Stefan Schlatt	University of Munster, Germany	Centre of Reproductive Medicine and Andrology	Adjunct faculty (Teaching and research)	18–20 Mar 2016
146	Dr Marcos Meseguer	Científico FIV – DGM Laboratorio FIV	IVI Valencia, Spain	Participated in hands on workshop	18–20 Mar 2016
147	Dr Riccardo Talevi	University of Naples Federico II Naples, Italy	Centre of Reproductive Medicine and Andrology	Adjunct faculty (teaching and research)	18–20 Mar 2016
148	Dr Friederike Macke	University Hospital Muenster, Germany	Centre of Reproductive Medicine and Andrology	Guest	18–20 Mar 2016
149	Dr Katharina Schulte	University of Muenster, Germany	Centre of Reproductive Medicine and Andrology	Guest	18–20 Mar 2016
150	Dr H Ingolf Nielsen	Aalborg University, Denmark		Guest	18–20 Mar 2016
151	Dr Jens Erik Dietrich	Heidelberg University Hospital, Germany	Centre of Reproductive Medicine and Andrology	Guest	18–20 Mar 2016
152	Dr Judith Menezes	Karolinska Institute, Stockholm, Sweden	Kerolinska Institute, Stockholm Sweden	Research collaboration/Teaching	25–27 Apr 2016
153	George Korula	Bangalore Baptist Hospital, Bangalore		Faculty, Indo-German conference	18–20 Mar 2016
154	Dr Sadhana Desai	Bombay Hospital Institute of Medical Sciences,		Faculty, Indo-German conference	18–20 Mar 2016
Department of Medical Education					
155	Dr Vinay Kumar,	University of Chicago		Collaboration	18 Mar 2016
156	Dr Tamkin Rabbani,	Aligarh Muslim University, UP	Jawaharlal Nehru Medical College	Collaboration	18 Mar 2016
157	Dr Scott Stern,	University of Chicago	Pritzker School of Medicine	Collaboration	20 Mar 2016
158	Dr Manoj Chakravarty	Arabian Gulf University, Bahrain	College of Medicine and Medical Sciences	Visitor on Campus	19 May 2016

Sl no	Visitor	Name of the University	Institution	Purpose of visit	Date of visit
159	Dr Sandeep Gurbaxani	University of Chicago		Collaboration	12 Sep 2016
160	Dr Melissa Fischer	University of Massachusetts Medical School		Visitor on Campus	29 Nov 2016
161	Professor Nagesh Pai	University of Wollongong, Australia	Graduate School of Medicine, Faculty of Science, Health and Medicine	Visitor on Campus	23 Dec 2016

Others	35	2

Books/chapters authored by faculty members:

Sl no	Name of the Book	Chapter/s name	Faculty members	Publisher
Department of Pharmacology				
1	Pharmacology for Nurses: Second Edition 2016		Tara Shanbhag, Smita Shenoy and Veena Nayak	Elsevier
Department of Microbiology				
2	"Fungal Biology series on Molecular Markers in Mycology – Diagnostics and Marker Developments	Chapter: Taxonomic Updates with Key Focus on Medically Important Aspergilli	Dr Prakash P Y	Springer International Publishing
3	"Fungal Biology series on Molecular Markers in Mycology - Diagnostics and Marker Developments"	Chapter: Current Approaches towards Development of Molecular Markers in Diagnostics of Invasive Aspergillosis	Dr Prakash P Y	Springer International Publishing
4	A global concern for the book titled – Antibiotic Resistance – Epidemiology, mechanisms and new antimicrobial approaches	Trends in antimicrobial resistance among enteric pathogens	Dr Mamatha Ballal	Elsevier publications
Department of Forensic Medicine				
5	Forensic Medicine – Preparatory manual for Undergraduate	Forensic toxicology	Dr Ashwini Kumar, Associate Professor	Elsevier, India
Department of Paediatrics				
6	IAP NNF	Protocols in Neonatology	Dr Leslie E Lewis	Jaypee
7	IAP NNF	Delayed passage of Meconium, delayed Urine in New born	Dr Leslie E Lewis	Jaypee

Sl no	Name of the Book	Chapter/s name	Faculty members	Publisher
Department of Dermatology, Venereology and Leprosy				
8	Complications in Cosmetic Dermatology Crafting cures	Chapter 4: Complications in Erbium Lasers	Dr Sathish B Pai and Dr Sudhir Nayak UK	Jaypee Brothers, New Delhi
9	Autoimmune Bullous Disorder	Chapter 25: Photodermatoses.	Dr Sathish B	Jaypee Brothers, New Delhi
10	Autoimmune Bullous Disorder	Chapter 9: Autoimmune Bullous Disorder	Dr Raghavendra Rao	Jaypee Brothers, New Delhi
Department of Psychiatry				
11	Handbook of psychodermatology	Primary Psychiatric disorders - cutaneous manifestations	Dr Ravindra M and Dr Avinash Kamath	Jaypee Publishers
Department of Orthopaedics				
12	Kulkarni's Textbook of Orthopaedics and Trauma 3rd Edition New Delhi.	Hand Infections	Dr Anil K Bhat	Jaypee
13	Patellofemoral instability (76-81) New Delhi	Complications after MPFL surgery: tips and pearls for prevention of complication and successful MPFL reconstruction	Dr Vivek Pandey	Jaypee
14	Kulkarni's Textbook of Orthopaedics and Trauma 3rd Edition (2108-2125). New Delhi	Rotator cuff tears	Dr Vivek Pandey	Jaypee
15	Kulkarni's Textbook of Orthopaedics and Trauma, Third Edition, New Delhi	Abnormal Gait - 3025	Dr Hitesh Shah	Jaypee
16	Kulkarni's Textbook of Orthopaedics and Trauma, Third Edition, New Delhi	Congenital Talipes equinovarus (Management of club foot - 3042	Dr Hitesh Shah	Jaypee
17	Kulkarni's Textbook of Orthopaedics and Trauma, Third Edition, New Delhi	Neonatal septic arthritis - 3112	Dr Hitesh Shah	Jaypee
18	Kulkarni's Textbook of Orthopaedics and Trauma, Third Edition, New Delhi	Perthes' disease - 3216	Dr Hitesh Shah	Jaypee
19	Kulkarni's Textbook of Orthopaedics and Trauma 3rd Edition New Delhi.	Hand Infections	Dr Anil K Bhat	Jaypee
20	Patellofemoral instability (76-81) New Delhi	Complications after MPFL surgery: tips and pearls for prevention of complication and successful MPFL reconstruction	Dr Vivek Pandey	Jaypee
21	Kulkarni's Textbook of Orthopaedics and Trauma 3rd Edition (2108-2125). New Delhi	Rotator cuff tears	Dr Vivek Pandey	Jaypee
22	Kulkarni's Textbook of Orthopaedics and Trauma, Third Edition, New Delhi	Abnormal Gait - 3025	Dr Hitesh Shah	Jaypee
23	Kulkarni's Textbook of Orthopaedics and Trauma, Third Edition, New Delhi	Congenital Talipes equinovarus (Management of club foot - 3042	Dr Hitesh Shah	Jaypee

Sl no	Name of the Book	Chapter/s name	Faculty members	Publisher
24	Kulkarni's Textbook of Orthopaedics and Trauma, Third Edition, New Delhi	Neonatal septic arthritis - 3112	Dr Hitesh Shah	Jaypee
25	Kulkarni's Textbook of Orthopaedics and Trauma, Third Edition, New Delhi	Perthes' disease - 3216	Dr Hitesh Shah	Jaypee
26	Kulkarni's Textbook of Orthopaedics and Trauma 3rd Edition New Delhi.	Hand Infections	Dr Anil K Bhat	Jaypee
27	Patellofemoral instability (76-81) New Delhi	Complications after MPFL surgery: tips and pearls for prevention of complication and successful MPFL reconstruction	Dr Vivek Pandey	Jaypee
28	Kulkarni's Textbook of Orthopaedics and Trauma 3rd Edition (2108-2125). New Delhi	Rotator cuff tears	Dr Vivek Pandey	Jaypee
29	Kulkarni's Textbook of Orthopaedics and Trauma, Third Edition, New Delhi	Abnormal Gait - 3025	Dr Hitesh Shah	Jaypee
Department of Ophthalmology				
30	Uveitis: An Update Editors: Jyotirmay Biswas, Parthoprattim Dutta Mujumder	Ocular Parasitic Infections Edition: First January 2016 Authors: SR Rathinam FAMS, PhD, Yogish Kamath MS	Dr Yogish S Kamath	Springer
Department of Obstetrics and Gynaecology				
31	Holland and Brew's Manual of Obstetrics	Fourth Edition Text Book	Dr Muralidhar V Pai	Elsevier; Jan 2016
32	"A Practical Guide to Third Trimester of Pregnancy and Puerperium"	Chapter on - Disorders of Foetal growth	Dr Pratap Kumar	Jaypee Brothers Medical Publishers Pvt Ltd
33	"A Practical Guide to Third Trimester of Pregnancy and Puerperium"	Chapter on "Abnormal labour"	Dr Muralidhar V Pai	Jaypee Brothers Medical Publishers Pvt Ltd
34	Text Book on Obstetrics and Gynaecology – Prep manual for undergraduates	First Edition	Dr Muralidhar V Pai and Dr Shripad Hebbar	Publisher Elsevier
Department of Anaesthesiology				
35	Principles of Anaesthesia Equipment	Simulation in Anaesthesia	Dr Ramkumar Venkateswaran	Jaypee Brothers Medical Publishers Pvt Ltd
Department of Neurology				
36	Clinical EEG (in press)	Periodic discharges	Dr Jayakrishnan C and Dr Kurupath Radhakrishnan	Manipal University Press.
Department of Clinical Embryology				
37	Chettinad book	Fertility Preservation in Men and prepubertal boys	Dr Satish Kumar Adiga, Dr Guruprasad Kalthur and Mrs Shubhashree U	Springer publication

Details of research grants:

Sl no	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)
Department of Anatomy				
1	Evaluation of the mechanisms involved in wound healing properties of topical application of few Indian traditional medicinal preparations – Histopathological, biochemical, cellular, molecular and biomechanical analysis	Dr Kumar M R Bhat	SERB/DST	2,00,000
2	Functional, cellular and molecular evaluation of hepatoprotective property of caesalpenia bonduc (Kantakikaranjah) – an in vivo and in vitro study	Dr Kumar M R Bhat	ICMR	2,86,691
Department of Physiology				
3	Electrophysiological and clinical correlates of facial emotion recognition in schizophrenia versus bipolar disorder	Dr Kirtana Reghurama Nayak	Department of Science and Technology	14,59,000
Department of Biochemistry				
4	Comparison of RBC acetylcholinesterase activity with RBC indices.	Dr Krishnananda Prabhu	Manipal STS	10,000
5	Evaluation of serum sialic acid and PSA as tumour markers to distinguish benign from malignant prostatic lesions in a rural population	Dr Shobha U Kamath	ICMR	10,000
6	Does the LDL size predict the risk of cardiovascular or coronary artery disorders? A cross sectional study.	Dr Revathi P Shenoy	Manipal STS	10,000
7	Estimation of serum copper and zinc in diabetic and non-diabetic subjects.	Dr Vijetha Shenoy B	PG Research Grant	10,000
8	Correlation of serum high sensitive C-reactive protein and homocysteine levels with Framingham risk score in hypothyroid females.	Dr Ravindra Maradi	PG Research Grant	10,000
Department of Pharmacology				
9	“Influence of ageless liquid with and without Piperine on gentamicin induced nephrotoxicity in Wistar rats”	Dr K L Bairy	Apex lab Chennai	4,44,546
10	“Influence of ageless liquid with and without Piperine on sodium Iodate-induced retinal Degeneration in Sprague-Dawley rats”	Dr K L Bairy	Apex lab Chennai	4,44,546
11	Acute and long-term safety evaluation of Ageless liquid in Wistar rats	Dr K L Bairy	Apex lab Chennai	1,21,848
12	Influence of Pyridoxamine, Benfotiamine, Resveratrol and Ageless liquid on blood glucose level in streptozocin-nicotinamide induced diabetic Sprague Dawley rats.	Dr K L Bairy	Apex lab Chennai	1,21,848
13	Influence of Pyridoxamine, Benfotiamine, Resveratrol and Ageless liquid on obesity and hyperlipidaemia in high fat diet fed Sprague Dawley rats.	Dr K L Bairy	Apex lab Chennai	1,21,848
14	Evaluation of efficacy, acute and sub-acute toxicity of NW 516 in rats	Dr Smita Shenoy	Ayurwin pharma Pvt ltd, Bangalore	63,250

Sl no	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)
Department of Immunohematology and Blood Transfusion				
15	Attitude towards blood donation – a comparative KAP Survey between MBBS and BDS Students of Manipal University	Shreya Mathur (MBBS) and Dr Manish Raturi (Assistant Professor)	Indian Council of Medical Research New Delhi (STS March-2016)	10,000
16	Optimising Disinfection Protocol for Donor Arm Cleaning prior to Whole Blood Donation	Dr Manish Raturi (Assistant Professor)	Science and Engineering Research Board, New Delhi	45,00,000
Department of Microbiology				
17	A study to compare Restriction Fragment Length Polymorphism, Spoligotyping and VNTR-MIRU typing for complete molecular characterisation of M tuberculosis isolated from pulmonary tuberculosis cases in Udupi District, Karnataka	Dr Kiran Chawla	ICMR	20,36,644
18	Detection of Mycobacterium tuberculosis specific host mi RNA marker for diagnosis of extra	Dr Kiran Chawla and Dr K Satyamoorthy (School of Life Sciences)	MAC ID	1,00,000
19	Tuberculosis Elimination	Dr Kiran Chawla	Dr TMA Pai Endowment Chair	--
20	A Clinico-microbiological, Environmental and Molecular approach to explore the epidemiology of neglected disease Melioidosis	Dr Chiranjay Mukhopadhyay	ICMR	39,98,98200 (Completed on 31 Dec 2016)
21	Assessment of the expression of bacterial proteins and its correlation with the clinical presentations of acute and chronic form of Brucellosis	Dr Chiranjay Mukhopadhyay	DRDE	10,00,000
22	Capacity Building and Strengthening of Hospital Infection Control to Detect and Prevent Antimicrobial Resistance in India	Dr Chiranjay Mukhopadhyay	CDC	52,50,000
23	Anti-Microbial Stewardship	Dr Vandana K E	Dr TMA Pai Endowment Chair	--
24	Understanding the genetic basis of biofilm formation in Candida species with reference to role in pathogenesis and resistance to antifungal drugs.	Dr Mamatha Ballal	ICMR	10,00,000
25	Design synthesis and evaluation of diphenyl based pyridine derivatives as antitubercular agents	Dr Vishnu Prasad S (Co-investigator) (Investigator: Gautham Pai)	DBT	14,08,000
26	Estimate the burden of TB in tribal population and develop an innovate health system model to strengthen TB control in the tribal areas of Gujarat State	Dr Vishnu Prasad S (Co-investigator)	ICMR	Applied and awaiting approval 9,84,88,137
27	Understanding the genetic basis of biofilm formation in Non-Candida Albicans Candida (NCAC) species with special reference to role in pathogenesis and resistance to anti-fungal drugs	Principal Investigator Dr MamathaBallal Co-investigator Dr Mukyaprana Prabhu	ICMR	10,000,00

Sl no	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)
28	Clinico-microbiological observational study of bloodstream infections in the ICUs for the better management of patients and hospital infection control.	Soumayan Mondal, Barnini Banerjee	ICMR STS PROJECT-2016	--
29	"Multicentre observational study on epidemiology, treatment and outcome of Mucormycosis in India – A national collaborative network on mucormycoses"	Peralam Yegneswaran Prakash	Fungal Infection Study Forum (FISF)	10,00,000
30	'Skin microbial ora alterations associated with type 2 diabetes mellitus: a case control study in a tertiary care hospital in South India.'	Peralam Yegneswaran Prakash (Guide)	ICMR Short Term Studentship (STS)	--
31	Microbiological profile of chronic osteomyelitis with special emphasis on anaerobic osteomyelitis in tertiary care hospital	Dr Padmaja A Shenoy, Dr Shyamsunder Bhat, Dr Hithesh, Dr Shashidhar V and Dr Chiranjay Mukhopadyay	Manipal University Seed money	25,000 Not received
32	Comprehensive study on detection of Plasmodium species and drug resistance in malaria	Dr Sukrita Ayer (Dr Kiran Chawla)	ICMR	25,0000 (Received 15,000)
Department of Community Medicine				
33	A community based assessment of visual, hearing and psycho-social morbidities among geriatric population in coastal Karnataka, India	Dr Ranjitha Shetty	ICMR	6,55,942
34	Screening for human papilloma virus and other ICMR DNA view infections of the cervix among tribal women in southern India	Dr Ranjitha Shetty	ICMR	17,62,359
35	Phase III Multicentre, Randomised, double – Blind placebo controlled study to evaluate the efficacy and safety of live attenuated bovine-Human Rota virus Reassortant pentavalent vaccine (BRV-PV) against severe Rota Virus Gastroenteritis in Healthy Indian infants.	Dr Veena G Kamath	SIIL-PATH	1,62,07,676.16
36	A Multicentre prospective community based surveillance to estimate the burden of rotavirus gastroenteritis in children less than 24 months of age in India (BRV07)	Dr Avinash Shetty	Shantha Biotech	7,47,900
37	A phase III Study to evaluate Immune Non-Inferiority and safety of the All in One Liquid formulation of a Live Attenuated Tetravalent (G1-G4) Bovine-Human Reassortant Rotavirus vaccine (BRV-TV) to a licensed vaccine Rotateq when administered concomitantly with other routinely recommended vaccines for the age. (BRV10)	Dr Avinash Shetty	Shantha Biotech	3,63,198
Department of Medicine				
38	Point of car Ultrasound for the Diagnosis of Extra Pulmonary Tuberculosis in Manipal (POCUS ETI)	Dr Kavitha Saravu	DAAD (German Academic Exchange Service)	1,43,746 (Euros 2000)

Sl no	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)
39	ICMR young diabetes registry	Dr Sudha Vidyasagar	ICMR	5,00,000
40	Health device prototype development Phase 1 and 2	Dr Raviraja V Acharya	Intel India	13,00,000
Department of Gastroenterology				
41	"Thiopurine Therapy in Inflammatory Bowel Diseases: Optimising Existing Strategies"	Dr Ganesh Pai C	DST	23,79,528
Department of Nephrology				
42	"Effect on Oxidative stress and inflammation in Chronic Kidney Disease Patients – A comparative study between Iron sucrose and ferric Carboxymaltose"	Dr Shankar Prasad N	Manipal University	25,000
43	"Role of Urine NGAL and NGAL/creatinine ratio in predicting Acute Graft dysfunction in post renal transplant recipients"	Dr Dharshan R	Manipal University	25,000
Department of Paediatrics				
44	"Comparing the efficacy, safety and cost effectiveness of caffeine versus aminophylline for apnoea of prematurity in Indian neonates" Prospective RCT	PI – Dr Leslie Lewis	ICMR	11,71,800 per year × 3Yr
45	Effectiveness of Instrumental Indian Classical Music on Serum Cortisol Concentrations of Pre-Term Infants on Assisted Ventilation Admitted to a tertiary level Neonatal Intensive Care Unit KMCH Prospective RCT	PI – Dr Leslie Lewis	ICMR	2,42,700 Per year × 3Yr
46	Cyber vitals monitoring in neonates	Co PI – Dr Leslie Lewis	Xerox research centre, Webster, New York	10,00,000 Per year × 3Yr
47	Non-invasive spectral monitoring of blood glucose in neonates	PI – Dr Leslie Lewis	Xerox research centre, Webster, New York	15,00,000
48	Determinants of Neonatal Pneumonia and the factors associated with mortality of Neonatal Pneumonia: A Systematic Review combined with Qualitative Research Approach	Co PI – Dr Leslie L	The INCLEN Trust	46,00,000
Department of Dermatology, Venereology and Leprosy				
49	Clinical study protocol of Methotrexate Tablet USP 25mg under fasting conditions	Dr Sathish Pai B	ECRONACUOVA	
50	A multicentric, prospective and retrospective study of SJS, TEN and SJS-TEN overlap in Indian scenario	Dr Shricharith Shetty	GALDERMA	
51	A prospective study on serum antibodies against target antigens of bullous autoimmune diseases and genetic susceptibility	Dr Raghavendra Rao	Collaboration with Department of Dermatology, University of Luebeck, Germany	
Department of Psychiatry				
52	Mood Stabiliser Plus Antidepressant versus Mood Stabiliser Plus Placebo in the Maintenance Treatment of Bipolar Disorder	Dr P S V N Sharma	Canadian Institutes of Health Research (equivalent to ICMR)	4,79,000

Sl no	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)
Department of Surgery				
53	"Diabetic foot infections – developing microchips to recognize bacterial resistance to antibiotics"	Dr K Satyamoorthy Dr L Ramachandra	German University	As per MLSC
Department of Paediatric Surgery				
54	Fertility preservation in cancer affected prepubertal boys: An experimental approach using testicular tissue cryopreservation	Dr Sathish Adiga Dr Vijay Kumar Dr K Guruprasad Dr Krishnaprasad and Dr Srikanth Hebbar	Intramural Funding	25,000 USD
Department of Orthopaedics				
55	Hastha	Dr Anil K Bhat	Manipal University	10,00,000
Department of Ophthalmology				
56	Biodegradable Sustained Drug Delivery via Intraocular Lens for Post Cataract Treatment	Dr Bharath Raja Guru, Associate Professor and Head, Department of Biotechnology, Manipal Institute of Technology, Manipal. Dr Krishna Rao Addoor Professor and HoD Department of Ophthalmology, Kasturba Medical College and Hospital, Manipal	Nil	Nil
57	Clinical Study of Diabetic Retinopathy Screening Algorithm	Dr Ramesh S Ve Associate Professor Department of Optometry, SOAHS. Manipal. Dr Manjunath Hande, Professor and HoD Department of Medicine, Kasturba Medical College and Hospital, Manipal Dr Krishna Rao Addoor Professor and HoD Department of Ophthalmology, Kasturba Medical College and Hospital, Manipal. Dr Sanjay M Pattanshetty Associate Professor Department of Public Health, Manipal University, Manipal	Robert Bosch Engineering India (P) Ltd.	24,08,515 Amount Received First Instalment Rs. 8,96,280 Dated 20 Sep 2016

Sl no	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)
58	Circadian variation of Intraocular pressure and determinants of risk of primary glaucoma among subjects with Obstructive sleep apnea	Aditya Chaitanya PhD Student, Department of Optometry, SOAHS. Manipal Dr Ramesh S Ve Associate Professor Department of Optometry, SOAHS. Manipal Dr Vijaya Pai H Professor and HOU I Department of Ophthalmology, Kasturba Medical College and Hospital, Manipal Dr Ashwini Kumar Mohapatra Professor and HOD, Department of PTCD, KMC, Manipal	Recently applied Science and Engineering Research Board extra mureal research funding	Nil
59	Automated Eye Screening: A Direct Approach for Referral	Dr Rajendra Acharya Dr Sulatha V Bhandary and Dr Krishna Rao A	Funded by Social Innovation Research Fund (SIRF), Singapore.	\$200,000 Since 2016 for two years
Department of Obstetrics and Gynaecology				
60	Screening for Human Papilloma Virus and other DNA virus infections of the cervix among tribal women in Southern India	Dr Deeksha Pandey	ICMR	37,62,118
61	"Regulation of Clustered miRNAs and their Biological Function in Carcinoma of Human Uterine Cervix "	Dr Deeksha Pandey	Science and Engineering Research Board (SERB)	29,00,000
Department of Radiodiagnosis				
62	Cervical study (3D ultrasound visualisation)	Dr Rajagopal K V Dr Vidya Sagar	Philips	2,11,309
63	MR Neurography PhD Program	Dr Rajagopal K V Dr Indrajit Shah Mr Prashanth Nair	Philips	1,46,539
64	Specific research plan for clear Vue derivative Study protocol	Dr Rajagopal K V and Dr Parvathi Bhat	Philips	4,20,000
Department of Radiotherapy				
65	Feasibility Study of 3D Ultrasound Visualisation of Anatomical Structures and Applicator in Brachytherapy for Cervical Cancer Treatment Project	Dr M S Vidyasagar	Philips India Ltd, Bangalore	4,22,618
Department of Cardiology				
66	CSPP 100F 2301	Dr Padmakumar R	NOVARTIS	91,100
67	CACZ 885M2301	Dr Tom Devasia	NOVARTIS	3,42,198
68	EPICOR	Dr Tom Devasia	MAXINEMAN	30,150
69	VIDEIO PLATHYSMOGRAPHY	Dr Ranjan Shetty	XEROX	\$10000
70	PhD Study	Dr Ranjan Shetty	ZYDUS	50,000
71	Stroke Study	Dr Ranjan Shetty	XEROX	\$25000
72	Fellowship	Dr Ranjan Shetty	MEDTRONIC	6,00,000

Sl no	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)
Department of Cardiovascular-Thoracic Surgery				
73	Efficacy of del Nido Cardiopegia solution on surgical outcomes in patients undergoing open heart surgeries	Shivashankar Pai	Manipal University	25000
Department of Neurology				
74	Evaluation of the association between Intracranial Sino-venous thrombosis, arterial young stroke and gut micro biota	Dr (Brig) Sankar Prasad Gorthi	DST-SERB	Submitted
Department of Neurosurgery				
75	Outcome of traumatic brain injury in elderly population – An Indian perspective	Dr Anmol N	Nil	Nil
76	Spontaneous intracerebral haemorrhage – A hospital based study on the etiology and outcome parameters	Dr Ajay Hegde	Nil	Nil
Department of Medical Genetics				
77	Genetic Diagnosis of Heritable Neurodevelopmental Disorders with Exome Sequencing	Dr Girisha K M	National Institute of Health, USA	55,00,497
78	Application of autozygosity mapping and exome sequencing to identify genetic basis of disorders of skeletal development	Dr Girisha K M	Science and Engineering Research Board	12,00,000
79	Clinical and molecular evaluation of inherited arthropathies and multiple vertebral segmentation defects	Dr Girisha K M	Indian Council of Medical Research	17,03,360
80	Multicentric Collaborative study of the Clinical Biochemical and Molecular Characterisation by Lysosomal Storage Disorders in India – The initiative for research in LSD	Dr Girisha K M	Department of Health Research	3,75,147
81	Comprehensive analysis of genetic diversity in Waardenburg syndrome	Dr Anju Shukla	Science and Engineering Research Board	7,50,000
82	Clinical and molecular characterisation of leukodystrophies in Indian children	Dr Anju Shukla	Department of Health Research	7,22,648
83	Molecular analysis of filamin B related disorders	Abdul Mueed Bidchol	Indian Council of Medical Research	2,11,600
84	A Systematic evaluation of foetal syndromes	Shalini S Nayak	Indian Council of Medical Research	2,11,600
85	Molecular and Functional characterisation of novel GLB1 mutations in Indian patients with GM1 gangliosidosis	Dr Anusha U	Science and Engineering Research Board	9,60,000
Department of Clinical Embryology				
International				
86	Innovations to preserve fertility in cancer affected prepubertal boys: From experimental approaches to clinical applications	Dr Satish Kumar Adiga	AvH Foundation, Germany	Euro 54,266
87	Indo-Italian research grant (Student exchange program with University of Naples)	Dr Satish Kumar Adiga	ITALY	Euro 3,500
88	Merck Centre of Excellence support grant	Dr Satish Kumar Adiga	MERCK	11,50,000

Sl no	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)
89	Development of procedures for restoration of fertility in cancer affected boys, post chemotherapy	Dr Satish Kumar Adiga	SERB	40,00,000
90	Role of paternal genome on stress response and polarity of pre-implantation embryo	Dr Guruprasad Kalthur	DHR, ICMR	35,49,000
91	Effect of maternal exposure of metformin on male and female gonadal development and their reproductive potential	Dr Guruprasad Kalthur	SERB	56,00,000
Projects under consideration				
92	Genetic and epigenetic approach to understand the pathophysiology of occupational radiation exposure and reproductive toxicity	Dr Satish Kumar Adiga	BRNS	38,85,000
93	Development of human embryo viability biomarker diagnostics for elective embryo transfer to improve pregnancy outcome potential application in ART clinic (Imprint Grant)	Dr Satish Kumar Adiga	MHRD	Approved (Grant not yet received)
94	Designing liposome based freezing medium for testicular tissue cryopreservation to aid in male fertility preservation	Dr Guruprasad Kalthur	ICMR	26,03,000
95	Male fertility preservation by Moringa oleifera leaf extract- modulatory response on gonads and tumour tissues to chemotherapeutic drugs	Dr Guruprasad Kalthur	ICMR	42,03,600
96	Nutraceutical properties of Morinda citrifolia fruits on male fertility potential	Dr Guruprasad Kalthur	World Noni Research Foundation (WNRF), Chennai	18,43,600
97	Mitigating effects of Indian propolis extract on experimentally induced polycystic ovarian syndrome (PCOS) in mice	Dr Guruprasad Kalthur	AYUSH	34,15,500
98	Application of Zinc oxide nanoparticles in cryopreservation of reproductive cells.	Dr Guruprasad Kalthur	DBT	48,56,100
99	Effect of Cinnamon extract on mitigating the PCOS-induced ovarian dysfunction and fertility potential (Indo- Sri Lankan grant)	Dr Guruprasad Kalthur	DST	54,00,000

Awards/recognitions:**Institution:**

Sl no	Name	Details	Date
Department of Pharmacology			
1	Dr Smita Shenoy	Best Teacher Award	Mar 2016
2	Dr Bharti Chogtu Magazine	Good Teacher Award	Mar 2016
Department of Medicine			
3	Dr Sudha Vidyasagar	Best Teacher Award	19 Mar 2016
4	Dr BA Shastry	Best Teacher Award	19 Mar 2016
Department of Nephrology			
5	Kenneth Warren Award Dr Ravindra Prabhu A	Given by Cochrane for best review from developing country	Oct 2016

Sl no	Name	Details	Date
Department of Dermatology			
6	Dermatology	Best Department award for the year 2016 conferred by State Branch of Dermatology during CUTICON KN conference 2016	11-13 Nov 2016
7	Dr Raghavendra Rao	'The Best Teacher Award' during College day, KMC, Manipal	19 Mar 2016
8	Dr Sudhir Nayak U K	'The Best Teacher Award' during College day, KMC, Manipal	19 Mar 2016
Department of Respiratory Medicine			
9	Dr Rahul Magazine Professor and Unit Head	Award of recognition for Excellence in teaching	19 Mar 2016
Department of Surgery			
10	Dr Prasad S S	Best Teacher Award	19 Mar 2016
11	Dr Sunil Krishna M	Best Teacher Award	19 Mar 2016

Brain Tumour Update 2016 held on 27 Aug 2016

Manipal Cardiology Update - 2016

Manipal Genetics Update III on Genetics Disorders of Bone

SCHOOL OF ALLIED HEALTH SCIENCES

Manipal University, Manipal

Phone Number: 0820 2922704/22705

Email-Office: dean.soahs@manipal.edu Dean: b.raja@manipal.edu

Name of Dean: Dr B Rajashekhar

Established: 1999

Programs:

- Bachelor of Audiology and Speech Language Pathology (BASLP)
- BSc Cardiovascular Technology (BSc CVT)
- BSc Clinical Optometry (BSc OPTM)
- BSc Health Information Management (BSc HIM)
- BSc Medical Imaging Technology (BSc MIT)
- BSc Medical Laboratory Technology (BSc MLT)
- BSc Medical Radiotherapy Technology (BSc MRT)
- BSc Nuclear Medicine Technology (BSc NMT)
- Bachelor of Occupational Therapy (BOT)
- BSc Operation Theatre and Anaesthesia
- Bachelor of Physiotherapy (BPT)
- BSc Respiratory Therapy (BSc RT)
- BSc Renal Replacement Therapy and Dialysis Technology (BSc RRT and DT)
- BPT Bridge program
- BSc RT Bridge program
- BSc Exercise and Sports Sciences
- BSc in Perfusion Technology
- Master of Audiology and Speech Language Pathology (MASLP)
- Master of Clinical Optometry
- MSc Echocardiography
- MSc Health Information Management (MSc HIM)
- MSc Health Informatics
 - MSc Healthcare IT Management
 - MSc Software development and Management
- MSc Medical Imaging Technology (MSc MIT)
- MSc Medical Laboratory Technology
 - MSc MLT Clinical Biochemistry
 - MSc MLT– Microbiology and Immunology
- MSc Medical Radiation Physics (MSc MRP)
- MSc Nuclear Medicine Technology (MSc NMT)
- Master of Occupational Therapy (MOT)
 - MOT - Child health
 - MOT – Musculoskeletal conditions
 - MOT– Neurosciences
- MOT– Mental Health and Psychosocial Rehabilitation
- Master of Physiotherapy (MPT)
 - MPT – Cardio-pulmonary Sciences
 - MPT – Community Physiotherapy
 - MPT - Neuro Sciences
 - MPT- Orthopaedics
 - MPT – Women Health and Paediatrics
- MPT (Dual Degree) Sports and Clinical Biomechanics

- MSc Exercise and Sports Science
- MSc Respiratory Therapy (MSc RT)
 - MSc RT – Adult Respiratory Care
 - MSc RT – Neonatal and Paediatric Respiratory Care
- MSc Renal Replacement Therapy and Dialysis Technology (MSc RRT and DT)
- MPhil Clinical Psychology
- MSc Clinical Psychology
- MSc Perfusion Technology
- PhD programs in various Allied Health Science disciplines
- Anaesthesia/ OT Technician
- Dialysis Therapy Technician
- EEG/Neurophysiology Technician
- ENT Technician
- Medical Laboratory Technician
- Operation Theatre Technician
- Medical Imaging Technology (X-Ray)
- Diploma in Medical Imaging Technology
- ECG technician
- Hand Splinting
- Laboratory safety
- Medical records management
- Optometry technician
- Pulmonary Function test technician
- Transfusion Medicine (Blood Bank)
- Medical Coding and Billing
- Voice Rehabilitation after Laryngectomy
- Certificate course in X ray Technician

About school:

SOAHS is the first full-fledged and currently the largest college for allied health sciences in India and Far East Asia. Offering over 54 courses leading to Diploma, Graduation, Post-graduation and Doctorate, the school also oversees over 26 hospital based allied health programs being offered at the various constituent hospitals of the group. With 100 percent placement and 70 percent of the alumni

placed overseas, it is the destination to those who want a promising career in the allied health profession. The School has been recognized by the MOH, GOI as a model for its envisaged National and Regional Institutes of Allied Health Sciences to be established in the country. SOAHS on roll has more than 1500 students that includes students from all over India and 18 countries.

Institutional activities/curricular activities:

New initiatives:

Sl no	Activity	Particulars
Department of Physiotherapy		
1	Centre for Comprehensive Stroke Rehabilitation and Research (CCSRR)	Newly formed Centre for Comprehensive Stroke Rehabilitation and Research, under Manipal University started from 1 Dec 2016
2	Kadekar RMCW, Physiotherapy Clinics	Department of Physiotherapy started Physiotherapy Clinic at Kadekar RMCW on 27 Feb 2016
Department of Speech and Hearing		
3	New Born Hearing Screening	Universal new-born screening is an initiative taken up by Department of Speech and Hearing from 2014 in Dr T M A Pai Rotary Hospital, Udupi and 2015 in Kasturba Hospital, Manipal. As we observed the increase in incidence of number of individuals with hearing loss in our clinical set up, the early identification was the need of the hour. Hence, we started this program of hearing screening for all babies born in these hospitals.
Department of Optometry		
4	ErasmUS/OCULUS	Department of Optometry, SOAHS is one of the partner institutions of the Erasmus + grant titled "Optometry Curriculum for Lifelong Learning through ErasmUS/OCULUS." OCULUS is a unique program aimed at harmonising optometry curriculum offered in India, Israel and Europe. <ul style="list-style-type: none"> • Accreditation - European Council of Optometry and Optics
5	Online Portal	Connecting it with our Academic and Vision 2020 requirements

Sl no	Activity	Particulars
Department of Exercise and Sports Sciences		
6	Centre for Sports Science, Medicine and Research.	SOAHS's first centre dedicated to offering top class sports medicine services, education and foster research pertaining to health and human performance.
7	BSc Exercise and Sports Sciences	Launched in Jul 2016
8	Twinning Program	Twinning program with Deakin University, Australia (In process)
9	Summer Internship	Summer internship at University of British Colombia (In process)
Department of Respiratory Therapy		
10	UG - Semester Scheme	This academic year the department of respiratory therapy implemented the semester system for the first time.

12	Ms Maya, BScNMT, V Sem	Presented paper in SNMI (SC) Conference Under the guidance of Mrs Vasumathi won the First Prize	13-14 Aug 2016
13	Ms Tanve Chittal PGDNMT	Won the third Prize in Poster Competition organized by ICNM, at Manipal	17-20 Nov 2016

Photo archive of important events:

Continuing Medical Education, an up date on Manipal Cardiology Update-2016, organised by CVT department on 1st November 2016.

A workshop organized by the department of optometry on "The technical aspects of Progressive Addition Lens Dispensing" on 7 Apr 2016 with the support from the Industry Essilor India Private Limited Mr Arun Nagaraj and Mr Krishna from Essilor Academy were the resource persons for the workshop.

Department of Optometry inaugurated "Self-Vision Screening Chart" and State Bank of India (SBI) Manipal sponsored this event on 13 Oct 2016 on the "World Sight Day"

International Stuttering Awareness Day – Street play at Tiger Circle for general public

National Seminar on Speech Audiometry on 22–24 Oct 2016 – The Essentials in its Development and Application

6A Side Cricket (Fund raising event) organised by Student Affairs committee, SOAHS.

Visit of adjunct faculty – Dr Vinaya Manchaiah (Lamar University) Dec 2016 and Dr Naveen (Arkansas University) Dec 2016

The Department of Optometry participated in Global Hand Washing session on 15 Oct 2016 conducted by Kasturba Hospital Manipal

Department of Respiratory Therapy conducted Cultural activity of Respiratory Care week program on 2 Dec 2016

Voice screening program conducted on 23 Sep 2016 at BM. Aided Higher Primary School Parkala and on 2 Dec 2016 at UBMC Aided Higher Primary School, Udupi

Dr Roopalekha Jathanna at ISER International conference at Barcelona, Spain

Alumni awards

Distinguished Alumni Award, School of Allied Health Science – 2016

Dr Sanjivan Gautam, Alumni of Medical Laboratory Technology, SOAHS received distinguished alumnus award 2016 during annual day of SOAHS on 12 Feb 2016. He is the student of BSc Medical Laboratory technology 2007 Batch. He recently received the prestigious Nepal vidyabushan presidential gold medal for outstanding achievement in foreign university. Based on his academic credentials he is awarded with best scholarship by Government of India to perceive Masters in biotechnology in Jawaharlal Nehru University, New Delhi in the year 2007. He completed his PhD at University of Freiburg in the year 2013. Presently, he is researcher in National Cancer Institute (NCI) Bethesda.

Department of PT, Onfield injury and Management service was given to 41st Junior National Badminton Championship organised by Udupi District Badminton Association Udupi held at Udupi.

Workshop on Antenatal Physiotherapy

The Department of Occupational Therapy, School of Allied Health Sciences, Manipal University, has signed an MoU with Medical Committee Netherlands – Vietnam (MCNV

OT - Euphoria 2016 celebration

LECTURE SERIES -III, IV, V & VI

Dr. Gopal Krishna Bhat on emerging trends in Antibiotic resistance, Dr. Muralidhar Varma on Clinical perspective on laboratory testing in infectious diseases. Dr. Ravindra Maradi, on quality control in Clinical Biochemistry laboratory, Dr. Kavitha Saravu on Changing Malaria Landscape- An update, Dr. Chiranjoy Mukhopadhyaya on Antimicrobial

SCHOOL OF LIFE SCIENCES

Planetarium Complex, Manipal – 576 104

Phone Number: 0820 2922058

Email-Office: mlsc@manipal.edu, Dean: ksatyamoorthy@manipal.edu

Name of Dean: Dr K Satyamoorthy

Established: 2006

Programs:

- MSc Medical Biotechnology
- MSc Molecular Biology and Human Genetics
- MSc Bioinformatics
- MSc By Research in Life Sciences
- BSc Biotechnology
- Certificate Course in Bioinformatics
- BT Finishing School (Cellular and Molecular Diagnostics) Diploma Program
- PhD in various specialities

About institution/school:

The School of Life Sciences (SOLS) has TIFAC-CORE (Technology Information, Forecasting and Assessment Council - Centres of Relevance and Excellence), which is a centre of excellence in the area of Pharmacogenomics. SOLS is actively promoting advanced research in India and abroad. The Centre conducts international conferences and workshops for promoting new enthusiasm amongst young scientists. The Centre is thriving on the excellent research faculty members, facility and resources, aiming to become the nation's number one research and learning

centre. SLS is associated with three major activity areas, viz., research, education and diagnostics. The Centre offers specialised diagnostic services in molecular genetics and cytogenetics including molecular cytogenetics. The facility is being used not only by the hospitals attached to Kasturba Medical College at Manipal and Mangalore but also by various other hospitals. The Centre is fully equipped and has sophisticated instruments including flow cytometer, microarray facility, green house, PCR units and automated DNA sequencer among many others.

Institutional activities/curricular activities:

New initiatives:

Sl no	Activity	Particulars
1	New Course MSc by Research in Life Sciences	The scope of the program will be at the conclusion of the program to acquire the following core competencies 1. Information literacy and skills to retrieve and review existing evidence 2. Planning, designing and executing a research project 3. and practical knowledge of managing ethical issues and regulatory approvals of protocols (e.g., Biosafety) 4. Managing research data (include bioinformatics) and implementing statistical analysis 5. Writing of research thesis and presenting the arguments (defence) 6. Communicating research outcome to scientific community – conference presentations, original publications and reviews, outreach programs to the community is also a laudable goal 7. Developing a research proposal in biomedical research 8. Enhancing research visibility by developing trained human resources

All other activities in the department relating to the program/course:

Sl no	Activity	Particulars
1	Science Exhibition for National Science Day (Feb)	Dr Vinod Bhat, Vice Chancellor of Manipal University inaugurated a science exhibition at SOLS Manipal University on 27 Feb 2016, which displayed models and experiments covering the various aspects of science. The exhibition was part of the National Science Day celebrations of the SOLS Manipal University. About 50 exhibits including models of engines, lasers, smart house, kidneys, mitochondrial functions, personalised medicine, bio indicators, magical flowers and also experiments in fields of biology and chemistry were on display. The exhibits were showcased by high school students of the class 10 from schools in Udupi district, and faculty members and research scholars from SOLS. A residential training was also part of the program at the institution during that week.
2	Refresher Course for Teachers (Feb – Mar)	The SOLS Manipal University (Manipal) organized a Refresher Course for Teachers on “Advanced Laboratory Techniques in Cell and Molecular Biology” from 29 Feb to 12 Mar 2016, with the goal to impart training skills and update knowledge about latest developments in the field of Cell and Molecular Biology to teachers. About 25 teachers at the graduate and post-graduate levels from around the country were selected to participate and benefit from the course.
3	Prof J V Bhat Memorial Oration 2016 (Mar)	Prof Umesh Varshney delivered the tenth Annual Prof J V Bhat Memorial Oration (Indian Institute of Science, Bengaluru) at a function held at Manipal University on 3 Mar 2016. Dr Varshney paid homage to his memory by listing out Prof Bhat’s legacy and accomplishments during his tenure at IISc and how Prof Bhat’s research has contributed to the developments that have been happening in the field of microbiology in the country. The annual event is organized by the SOLS Manipal University.
4	INSPIRE 2016 (May)	The seventh Innovation in Science Pursuit for Inspired Research (INSPIRE) internship program conducted by the SOLS, Manipal University, Manipal, was inaugurated on 24 May. Mr Chakravarthy Sulibele (renowned journalist, author and activist) and Dr Vinod H Bhat (Vice Chancellor, Manipal University) inaugurated the program. More than 180 toppers from different schools of Karnataka participated in the event, which is part of a Department of Science and Technology (Govt of India) sponsored initiative to inculcate a scientific spirit to toppers in schools and to promote science research as career option.
5	Hands-on Training on Quantitative Digital PCR (Aug)	SOLS, Manipal and Thermo Fisher Scientific jointly organized a hands-on training program on “Quantitative Digital PCR” on 2 Aug 2016. Around 25 participants from different parts of the country participated in the workshop to be trained on the quantitative digital PCR set up, analysis and applications. Dr Sanjiban Chakrabarty and a team of experts from Thermo Fisher interacted and explained the nuances of the instrument and the method to the participants.

Sl no	Activity	Particulars
6	Indo-Japan International laboratory inauguration and Symposium on Traditional Medicines and Modern Biotechnology (Aug)	The SOLS, Manipal University in collaboration with the Department of Biotechnology (DBT), Government of India and National Institute of Advanced Industrial Science and Technology (AIST), Japan organized a Symposium on "Traditional Medicines and Modern Biotechnology" on 4 Aug 2016 to mark the inauguration of the fourth "DBT-AIST International Laboratory for Advanced Biomedicine" (DAILAB@MU-Manipal), and the first at Manipal. This collaborative arrangement between the two Institutions is aimed at an exchange of research knowledge, expertise, education and training in areas of mutual expertise in the Biomedicine domain. Dr H Vinod Bhat (Vice-Chancellor of Manipal University, Manipal), Dr Yoshi-hiro Ohmiya (Director of BMRI-AIST, Japan), Dr Yoshiaki Onishi (BMRI-AIST, Japan), Dr Ramjee (Director of International Relations, Manipal University, Manipal), Dr Sunil Kaul and Dr Renu Wadhwa (AIST, Japan) graced the occasion in the presence of Dr MS Valiathan (National Research Professor, Manipal University) and Dr K Satyamoorthy (Director, SOLS, Manipal University) and signed a memorandum of understanding.
7	Hosting of expert committee meetings (Aug)	The School was gratefully proud to host the "Ayurvedic Biology Task Force Meeting" on 10 Aug 2016 and the "Group Monitoring Workshop and sixth Meeting of SERB Young Scientist – Life Sciences Expert Committee" from 11 to 13 Aug 2016.
8	Hands on workshop on basic techniques in Cell Culture (Sep)	KMC Mangaluru and SOLS Manipal jointly organized a "Hands on workshop on basic techniques in Cell Culture", on 27 and 28 Sep 2016 at the Kasturba Hospital, Mangaluru. The Pro-Vice Chancellor of Manipal University, Dr V Surendra Shetty in the presence of Dr M Venkatraya Prabhu, Dean of KMC Mangaluru and Dr Anand Venugopal, Medical superintendent of KMC Hospitals, Mangaluru, inaugurated the workshop. The two days hands on workshop in cell culture techniques attracted significant enthusiasm and participation among the research fraternity in the coastal Karnataka region. The workshop provided knowledge and hands on practice to the participants.
9	DAILAB Webinar Series (Sep and Nov)	As part of the Classroom for Advanced and Frontier Education (café) initiative under the Indo-Japan DAILAB program, students and researchers of the School participated in two webinars in September and November this year, with other partner institutions in India, South Korea, Japan, Indonesia, Singapore and Sri Lanka. The first webinar was held on 28 Sep 2016 with an audience of undergraduate and postgraduate students, research scholars and faculty members. The speaker was Dr Akshay Anand, (Department of Neurology, Post Graduate Institute of Medical Education and Research (PGIMER), Chandigarh, India) who spoke on the topic "Age related macular degeneration (AMD) in India: The missing links". The second webinar was held on 16 Nov 2016. The presenter was Dr Yuko Takagi (AIST, Japan), who spoke on "Unique gene expression strategy of Trypanosoma and its implication as drugs target", covering the prevalent neglected tropical diseases such as Human African Trypanosomiasis, Chagas disease caused by protozoans. Both the webinars witnessed active participation and discussion among the students and researchers from different parts of the world.
10	Hands-on workshop on Confocal Microscopy (Oct)	SOLS conducted a two-day workshop on confocal microscopy on 5 to 6 Oct 2016. The event was inaugurated by Dr K Satyamoorthy in the presence of Dr Manoj Mathews (Technical Manager, Central Imaging and Flow Cytometry, National Centre for Biological Sciences, Bengaluru) and a team of experts from Leica Microsystems. Dr Mathews presented two lectures on the basics of microscopy and confocal microscopy. The 30 plus participants of the workshop gained hands-on training on the working of the confocal microscope, sample preparation and interpretation and analysis of the images, through a series of sessions conducted by Dr Shamaprasada and the industry team along with researchers from SOLS. The workshop concluded with a valedictory and certificate distribution.

Sl no	Activity	Particulars
11	Hands on workshop on basic techniques in Cell Culture (Oct)	A hands-on training in cell culture technique was organized at the SOLS Manipal University on 25 Oct 2016 to enhance the skills in cutting edge research. Thirty-one researchers and faculty from different institutions of Udupi, Dakshina Kannada Districts have participated in the day-long workshop. The participants had hands on training sessions in the laboratory, which gave them opportunity to perform basics of cell culture experiments under the supervision of Dr Shamaprasada and Mr Bharath Prasad with the assistance of Ms Rekha Nayak and Ms Shobha.
12	Fifth Annual Meeting of the Society of Biological Chemists India-Coastal Karnataka Chapter (Nov)	The fifth Annual Meeting of the Coastal Karnataka Chapter of the Society of Biological Chemists (India) (SBC (I)) was held at the Interact Building of Manipal University on Saturday, 5 Nov 2016. Organized by the SOLS, Manipal University, Manipal, the event was inaugurated by Dr H Vinod Bhat (Vice-Chancellor, Manipal University). The 160-odd participants from various colleges and universities in the region, listened to more than 10 lectures on a range of topics from opportunistic gut microbes, marine biotoxins and food safety measures, Hepatitis C virus pathogenesis, diabetes and NETs, epigenetics of cervical cancer, to biological imaging, nanocarriers for drug delivery and peopling of Lakshadweep islands
13	Hands-on training workshops in Polymerase Chain Reaction (Dec)	These one-day workshops were conducted at Kasturba Hospital, Kasturba Medical College Mangaluru on 6 Dec 2016 and at SOLS Manipal on 23 Dec 2016. Participants gained hands on experience on precisely how to do these experiments and understood the complexities to enhance their learning and practical skills. Resource persons included Dr Saadi Abdul Vahab, Dr T S Murali, Dr Sanjiban Chakrabarty, Dr Bharath Prasad, Mr Rajesh and Ms Sandhya. A total of 50 participants learned state of the art knowledge and underwent rigorous hands on training.

Extra-curricular activities:

Sl no	Activity	Particulars
1	National Youth Day (Jan)	The values and the philosophy of Swami Vivekananda were analysed and expounded to an attentive audience at the SOLS Manipal University on 12 Jan 2016. On the occasion of National Youth Day celebration and 153rd birth anniversary of Swami Vivekananda, organized a talk by Mr KP Nandhan Prabhu (Assistant Professor, SOM Manipal University), who brilliantly analyzed the reason for celebrations of the national icon. He also pointed out the salient features of the principles as outlined by the Swamiji, whose speeches within the country were galvanising, while more analytical in the West.
2	Matribasha Diwas (Mar)	For the second successive year, the SOLS Manipal University celebrated "Matribhasha Divas" on 3 Mar 2016 with enthusiastic, fun-filled performances by the students, staff and faculty members. The master of ceremony, Chaitra (PG Diploma), started the event, which was followed by a Marathi invocation prayer by Ketki Mulay (BSc). Dr Satish Rao (Professor, SOLS) welcomed the gathering. The events that followed included a presentation by Ritobrata Sengupta (BSc) on the vibrant cultural diversity in India, a Kannada prayer by Poojitha (PG Diploma), a Bengali song by a group of BSc students (Noyontara Bose, Aparajita Mitra, Subarnarekha Chatterji, Sagnik Pal and Samayitree Das), a presentation on one of the oldest Dravidian languages – Tulu – by Mr Harish Rao (administrative staff, SOLS), an Urdu poetry recital by Anirudh Gupta and a Kannada song by Apurva. Harsh Ranawat delivered the vote of thanks.
3	Annual Day 2016 (Apr)	Talks about the scientific potential of natural products, potential for biotechnology and the promising potential of youngsters were the main themes of the Annual Day of the SOLS Manipal University on 28 Apr 2016. Celebrating the 10th Annual Day of the institution, the theme of having experts from academia and industry was continued with the gracious presence of Dr Ram Vishwakarma (Director, CSIR-Indian Institute of Integrative Medicine, Jammu), Dr Narendra Chirmule (Senior Vice-President, Biocon Ltd, Bengaluru),

Sl no	Activity	Particulars
3	Annual Day 2016 (Apr)	Dr Narayana Sabhahit (Registrar, Manipal University), Dr Helmut Brand and Dr Angela Brand (Maastricht University, the Netherlands). Dr B S Satish Rao (Head, Department of Radiation Biology and Toxicology, SOLS) welcomed the gathering. Annual awards and prizes were distributed. This was followed by an eclectic mix of cultural programs by students, faculty members and staff of SOLS.
4	Sports and Athletics 2016	<p>The year 2015–2016 was filled with sports and athletic events at the SOLS, which saw the enthusiastic involvement of all the students, research scholars, faculty members and staff. The summary of all the sports and athletics events participated during this academic year is mentioned below.</p> <ul style="list-style-type: none"> • The inter batch sports event started with basketball tournament, which was held in the month of November. A team lead by Mr Akheel Anees won the tournament by defeating MSc second year students in a comprehensive manner. • Six-a-side cricket held during the month of November between teams from student batches, research scholars and faculty members. Student team emerged as the champions in this tournament by beating research scholars in a tense final match. • Volleyball tournament was held in the month of November. The staff team comprehensively beat the research scholars' team to claim the championship. • Throw ball was held in the month of October. MSc team emerged as the champion by beating the BSc team. • Badminton matches were held on 6 Mar 2016. In the men's singles, Mr Pankaj Semwal (MSc second year student) emerged as the winner by beating Mr Vaibhav Shukla in the single finals. • Ms Alfa Rodriguez (BSc first year student) won the Women's singles event by beating Ms Chaitra (BTFS) in a nail biting final. • Mr Rukmesh and Ms Alfa Rodriguez (BSc first year students) won the mixed double's event. • Mr Sahil Cadiri and Mr Rudranath Ghosh (BSc second year students) won the carrom and chess tournaments respectively. • The students enthusiastically participated in Manipal University Inter collegiate football (28 Mar), Throw ball (30 Mar) and Athletic meet (25 and 26 Feb) held at the MIT athletic ground. <p>The Annual Sports Day was held on 18 Mar 2016 with a series of track and field events combined with sports events. Students, research scholars, faculty members and staff participated in all the events with vim and vigour, albeit in a friendly and sportive manner. Competition was tough, as was the sun. The Chief Guest of the day was Dr Rajashekar (Dean, School of Allied Health Sciences, Manipal University) who distributed the awards and gave a rousing speech.</p>
5	Manipal University Intercollegiate Best Physique competition – 2016	Manipal University for the consecutive third year gave SOLS the responsibility to host the intercollegiate Best Physique competition - 2016. Dr Harishchandra Hebbar of SOIS, Manipal University inaugurated on 21 Mar 2016. The inaugural event was followed by Best Physique demonstration by Mr Anshul Augnivansh, Alumnus of MIT, Manipal University. A total of 12 participants participated under 4 different categories (65 kg, 70 kg, 75 kg and above 75 kg). Mr Angshuman Deka, final year Mechanical engineering student, MIT bagged the crown of "Mr Manipal University 2016"
6	Swachh Bharat Pakhwada (Sep–Nov)	The SOLS, Manipal University has shown active participation in the "Swachh Bharat Abhiyan" campaign of the Government of India through a variety of activities. The college organized a series of activities from 1–15 Sep 2016 under Swachh Pakhwada including sensitisation programs such as essay and painting competitions on the topic "cleanliness". Students of the college voluntarily participated in cleaning activities in and around the premises, and staff members actively worked for weeding out and removal old and unused files and equipment. To conclude the 15 days of Swachh Pakhwada campaign, on 15 Sep SOLS organized a "Swachh Diwas" with Mr Raghavendra BS (Environmental Engineer, Udupi District) as the Chief Guest, who spoke on "Importance of Cleanliness and Sanitation".

Sl no	Activity	Particulars
		The second phase of this campaign was held during November with a culminating event on 9 Nov 2016. Enthusiastic students from MSc first year performed a short mime act, addressing everyday habits of the common man which has to be changed for a cleaner nation. The Chief Guest for the event was Dr Muralidhar V Pai (Professor and Head of Department of Obstetrics and Gynaecology, KMC, Manipal). Everyone in the school took a pledge to devote time and effort in the process of making the country cleaner and to encourage others to do their bit for "Swachh Bharat Abhiyan".
7	National Unity Day Celebrations (Oct)	To pay tribute to Sardar Vallabhbhai Patel on his birthday, the SOLS Manipal organized events dedicated to appreciate his contribution to this nation, on 31 Oct 2016, also celebrated as "Rashtriya Ekta Diwas" or "National Unity Day". The students, researchers and employees in the gathering commemorated the messenger of unity with a song of national importance, a talk on the history of the Republic of India and how Sardar Patel played a role in the unity of India. The event culminated with a pledge for national unity and integrity. The Chief Guest for the day was Dr Aravind Kumar, Professor and Head of the Department of Geo-politics and International Relations at Manipal University, Manipal. The event helped the current generation to appreciate the struggle during the independence movement and be grateful for the "unity in diversity motto practiced by the great leader.
8	Constitution Day Celebrations (Nov)	The SOLS celebrated "Constitution Day" on 26 Nov 2016 by conducting an awareness session on the Fundamental Rights and Duties, which was attended by faculty members, staff, research scholars and students. The speaker of the day was Mr Prakash Kanive (Principal, Vaikunta Baliga College of Law, Udupi). Since 1979, the day has been celebrated as "Law Day" based on the orders of the Supreme Court Bar Association. However, in 2015 the Government of India declared it as "Constitution Day". The talk by Mr Kanive and the interactions helped in gaining further insights into the fundamental rights and duties as citizens of this country

Awards/recognitions:
Institution:

Sl no	Name	Details	Date
1	Dr Babitha K S	Best Teacher Award	28 Apr 2016

Faculty members:

Sl no	Name	Details	Date
1	Dr Mahato K K	Dr TMA Pai Gold Medal in appreciation of his Excellence in Research on "Monitoring breast tumour progression by photoacoustic measurements, a xenograft mice model study"	28 Apr 2016
2	Dr Padmalatha Rai	Dr TMA Pai Endowment Chair in Pharmacogenomics, by Manipal University	
3	Dr Kamalesh Mumbrekar	Young Scientist Award (career-based award for contributions to Radiation Biology) by Society of Radiation Research, India at International Conference on Radiation Research: Impact on Human Health and Environment (ICRR-HHE 2016) held at Bhabha Atomic Research Centre, Mumbai	11-13 Feb 2016
4	Dr T S Murali	Best Oral Presentation award for the talk titled "Secondary metabolites from fungal endophytes: Major challenges or opportunities?" at the National Conference on Emerging Trends in Fungal Biology and Plant Protection (ETFPP-2016), Mycological Society of India at Banaras Hindu University, Varanasi	16-18 Feb 2016
5	Dr K S Babitha	Evaluated the Scientific Session of "PHARMAQUORA 2016" held in Manipal College of Pharmaceutical Sciences, Manipal University	4 and 5 Mar 2016
6	Dr Kamalesh Mumbrekar	Completed training cum certification course on radiation safety aspects in the research applications of ionising radiation by Bhabha Atomic Research Centre, Mumbai	6-14 Jun 2016
7	Dr Kamalesh Mumbrekar	Young Scientist Award for the work on "Cancer risk Profiling with DNA Damage and Repair Parameters" at the International Conference on Radiation Biology (ICRB-2016) on the theme of 'High LET Radiation Biology and Complex Natural Products in Biology and Medicine' held at SRM University, Chennai	9 - 11 Nov 2016

Students:

Sl no	Name	Details	Date
1	Mr Vaibhav Shukla	Best Presentation award at the third AIST International Imaging Workshop and PIKNIK Series VIII "Bio-imaging with Beauty: Teachings, Tools and Technologies", at Higashi, Tsukuba, Japan	18-23 Jan 2016
2	Ms Suma Prabhu	Best Poster Presentation award for the poster titled "Radio Labelled Polymeric Magnetite Nanoparticles Targeted against Human Glioma in Mouse Orthotopic Xenograft Model" at International Conference on Radiation Research: Impact on Human Health and Environment (ICRR-HHE 2016) held at BARC, Mumbai	11-13 Feb 2016
3	Dr Mallika Priya	Young Scientist International Travel Grant by DST, GOI to attend and present paper at SPIE BiOS, Photonics West - 2016 held in San Francisco, USA	13-18 Feb 2016
4	Mr Manjunath S	Awarded Young Scientist International Travel Grant by DBT, GOI to attend and present paper at SPIE BiOS, Photonics West - 2016 held in San Francisco, USA.	13-18 Feb 2016
5	Mr Manik Vohra	Best Oral Presentation award for "Unvoiced BHMT G742A polymorphism and CNV in acute lymphoblastic leukemia and in-silico characterisation of BHMT gene variations", at Manipal Research Colloquium, Manipal University	4-6 Apr 2016
6	Ms Suma Prabhu	Free bursary and Partial Travel Grant award from CLINAM Foundation and Partial Travel Grant award from The Centre for International Co-operation in Science (CICS) to attend and present poster in the International conference on "European and Global Summit for Cutting Edge Medicine" at Basel, Switzerland	26-29 Jun 2016

Sl no	Name	Details	Date
7	Mr Bharath Rathnakar	Student travel grant of US \$600 and International travel support from DST, GOI to attend and present paper at SPIE Biophotonics-Australia at Brisbane, Australia	12-15 Oct 2016
8	Mr Manjunath S	OSA Travel Grant by Optical Society of America for Frontier in Optics-2016 to attend student leadership program and represent Manipal OSA Student Chapter at the hundredth Centenary Celebrations of OSA at Rochester, USA	15-22 Oct 2016
9	Ms Suma Prabhu	Best Oral Presentation Paper for "Polymeric magnetite nanocomposites of geldanamycin against breast cancer by vanquishing normal cell toxicity" at "International Conference on Radiation Research (ICRB 2016): High LET radiation biology and complex natural products in biology and medicine" at CENRDR, SRM University, Chennai	9-11 Nov 2016
10	Ms Kruti Ms Arpitha Prasad Ms Deesha Roy Ms Mahasweta Bordoloi Ms Namrata Iyengar	Five students of MSc program received Indira Gandhi Single Girl Child Scholarship towards their post-graduate degree studies	

PhD awards:

Sl no	Name	Details	Date
1	Dr Ravishankara	Development of Reverse Dot Blot Array for Screening of Single Nucleotide Polymorphisms and Allele Specific Expression Analysis in Folate Metabolism Pathway Genes	2 Feb 2016
2	Dr Neetha John	Detection of Genetic Defects in Children with Idiopathic Intellectual Developmental Disorders	29 Feb 2016
3	Dr Phani M N	Pharmacogenomic Variations of Genes Involved in Type 2 Diabetes and Therapeutic Response to Oral Hypoglycemic Drugs	7 May 2016
4	Dr Divya Padma	Evaluation of the Interactions between Melanocyte and its Microenvironment in Pigmentation Homeostasis	21 May 2016
5	Dr Mallika Priya	Pulsed Laser Induced Photoacoustic Spectroscopy (PLPAS) of the Changes in Breast Tumour Microenvironment and Tumour Growth: An Ex-Vivo Experimental Study	10 Jun 2016
6	Dr Ananthapadmanabha K	Genetic and Epigenetic Analysis of Phynotypic Heterogeneity and Drug Response in Bypolar Disorder	10 Sep 2016

DEPARTMENT OF LIBRARY AND INFORMATION SCIENCE

KMC, Health Sciences Library, Manipal University, Manipal – 576104.

Phone Number: 0820-2922358, 0820-2922609

Email-Office: libraryscience@manipal.edu Coordinator Email: shiva.bhat@manipal.edu

Co-ordinator: Dr Shivananda Bhat K

Established: 2011

Programs:

- Master of Library and Information Sciences (MLibISc)
- Certificate Course in Library and Information Science (CLISc)
- PhD in Library and Information Science

About institution/school:

The DLIS was established on 1 Aug 2011. The department is situated at the Health Sciences Library of the University. Apart from the classroom learning, students are also given

practical exposure. Manipal University libraries will be “working laboratories” through which students are able to apply classroom concepts through hands-on training.

DEPARTMENT OF STATISTICS

Level 6, Health Sciences Library Building, Manipal University, Manipal

Phone Number: 0820-2922407

Email-office: stats.mahe@manipal.edu, HoD: sree.nair@manipal.edu

Name of HoD: Dr N Sreekumaran Nair

Established: 2006

Programs:

- MSc Biostatistics
- Certificate Course in Biostatistics, Epidemiology and Research Methodology
- PhD

About institution/school:

The Department of Statistics was established in 2006 as a teaching and research department with a focus on biostatistics. Biostatistics deals with the application of statistical techniques to scientific research in health-related fields, including medicine, dentistry, biotechnology, nursing and public health and the development of new tools to study these areas.

The department is focused on developing new quantitative methods and making innovative applications to substantiate and demanding scientific problems in the advancement of biomedical, pharmaceutical and public health research.

The department is equipped with state of the art computational facility and in possession of packages namely SAS, STATA, SYSTAT, SPSS, R, N Master, MATLAB, Epi Info, Review Manager and EndNote.

The department has a statistical consultancy center to independently provide consultations for all levels of biomedical researchers of the University.

The department conducts regular training on statistical softwares' like SAS, SPSS, STATA and R for industry ready training.

The department mentored two centres namely Public Health Evidence South Asia (PHESA) which is a satellite centre for Cochrane Public Health Group and Transdisciplinary Centre for Qualitative Methods (TCQM).

The department started PhD program in collaboration with pharmaceutical industries Novartis Health Care Private Limited, Hyderabad.

GSK awards medal with cash prize for the top two MSc Biostatistics students since 2014.

Department activities/curricular activities:

New initiatives:

Sl no	Activity	Particulars
1	Dr TMA Pai Endowment Chair	Dr Ajay Bailey, Faculty of Spatial Sciences at the University of Groningen, has been recently awarded the Dr TMA Pai Endowment Chair in Qualitative Methods by Manipal University Manipal, India for the years 2016 – 2018

Sl no	Activity	Particulars
2	Trans disciplinary Centre for Qualitative Methods	The Trans disciplinary Centre for Qualitative Methods (TCQM) is a joint initiative between Manipal University, Manipal, India and the University of Groningen, The Netherlands, under the support of Public Health Evidence South Asia (PHESA). The Centre was inaugurated by Dr H Vinod Bhat, Vice Chancellor, Manipal University, Manipal on 13 Dec 2016.
3	GSK lecture series for MSc Biostatistics students	Academic training program for MSc Biostatistics students by Glaxo Smith Kine Pharmaceuticals Limited, Bengaluru was initiated in August 2016. This will be an annual program and GSK associates deliver lectures series on specific topics related to clinical trials and epidemiology from Dr Fabian Tibaldi, Mr Naveen G Karkada, Mr Suria Kiran and Mr Raghavendra Devadiga

All other activities in the department relating to the program/course:

Sl no	Activity	Particulars
1	International Biometric Society – Indian Region (IBS – IR) and Public Health Evidence South Asia (PHESA) – Joint conference on “Converging to Better Health with Statistical Methods”	International Biometric Society – Indian Region (IBS-IR) and Public Health Evidence South Asia (PHESA) joint conference was held on 11-12 Jan 2016 at Interact, Manipal university, Manipal, India. This conference was attended by an interdisciplinary group of professionals working in the field of mathematics, statistics and public health. Dr Poornima Baliga, Dean Kasturba Medical College (KMC) Manipal was the chief guest for the conference inaugural function. More than 20 experts in the field shared their expertise and knowledge with over 100 delegates.
2	Intercollegiate fest	On the auspicious occasion of its 10th anniversary, Dept of Statistics, Manipal University, Manipal organized intercollegiate fest “ANVESHA-2016” on the Jul 30, 2016, for the undergraduate Mathematics/Statistics students of this region.
3	Department annual day celebration	Department celebrated Annual Day on 1 Aug 2016. Dr Subbakrishna, Professor of Biostatistics (Former Head, Dept of Biostatistics, NIMHANS, Bengaluru), Ms Ramiya Ravindran, Biostatistics and Programming Manager, GSK, Bengaluru and Dr Chandrashekara S Adiga, Dy Registrar – Academics (technical), Manipal University, Manipal were the chief guests for the event and GSK awarded the top two MSc Biostatistics students Ms Neha and Mr Akash of Batch 2014 – 15 with a medal and cash prize.
4	SAS Training Program	Alumni of the dept conducted SAS training program for MSc Biostatistics students. The program was conducted by following alumni. 1. Ms Ashwini Shenoy (Associate Statistician GSK Pharmaceutical Ltd Bengaluru) – Sep 03-04, 2016 2. Ms Neha Shrikant Pakhle (Biostatistician, Sciformix, Pune) – Sep 03-04, 2016 3. Ms Sheril Thomas – Efficacy, Bengaluru – 1 and 2 Oct 2016 4. Mr Manjunath Halemane – GE India Exports Private Limited, Bengaluru – 1 and 2 Oct 2016
5	Winter school on Qualitative Research for South Asia	Public Health Evidence South Asia, Manipal University in collaboration with The University of Groningen, The Netherlands, conducted winter school on Qualitative Methods in Research from 5-9 Dec 2016 at Manipal University. The participants for the workshop were researchers, Post Graduates and stake holders of South Asia.
6	International Seminar on Gendering Qualitative Methods: People, Power and Place	The International Seminar titled “Gendering Qualitative Methods- People, Power and Place” was conducted at Manipal University on 12 and 13 Dec 2016 by Public Health Evidence South Asia (PHESA), Manipal University, Manipal in collaboration with Dr TMA Pai Endowed Chair in Qualitative Methods, University of Groningen and University of Delhi. The seminar began with the inauguration of the Dr TMA Pai Endowment Chair Trans disciplinary Centre for Qualitative Methods by Dr H Vinod Bhat, Vice Chancellor, Manipal University.

MHA Co-ordinator: Dr Naveen Kumar P

Established: 2009

Programs:

- Master of Public Health (MPH)
- Master of Social Work (MSW)
- Master of Hospital Administration (MHA)

About the Department

The Department of Public Health under Manipal University, offers MPH, MSW and MHA programs. The dept is fully equipped and managed with well qualified and experienced faculty members. The dept has established association

with a number of universities abroad and also built a strong linkage between public, private and governmental institutions.

Focus:

- To develop a cadre of skilled and competent professionals in the field of Public Health, Social Work and Hospital Administration.
- To provide training on conceptual understanding along with practical skills to address the emerging challenges.

Institutional activities/curricular activities:

Mr Teddy Andrews, Assistant Professor - Senior Scale, is pursuing his PhD at Maastricht University, Netherlands for

5 years from 25 Aug 2016.

New Initiatives:

Sl no	Activity	Particulars
1	Certificate Course in Biosecurity	Offered by School of Public Health in collaboration with Department of Virus Research. Minimum duration of the Program is 12 weeks Objective of the course: To Impart hands-on training in Biosecurity for Healthcare Professionals to hone their skills in Surveillance and outbreak investigation
2	Global Health and Health policy	Two new specializations were introduced in the MPH Program

All Other activities in the department relating to the program/course:

Sl no	Activity	Particulars
1	Cultural Program Traditional Day Conference	Held on 19 Feb 2016 organized by MSW Program, Dept of Public Health, MU
2	HELP-2016 International Colloquium	The Colloquium was held on 22 and 23 Feb 2016 at FIVV, Chaithya Hall, inaugurated by Chief guest Ruth Lascano Leano
3	Global Health Symposium 2016	Held between 16 and 30 Apr 2016
4	"Awareness Program on Harmful Effects of Alcohol and Tobacco"	The program was organized by Manipal Health Literacy Unit in collaboration with Manipal Integrated Services (MIS)
5	Research Orientation Workshop	Workshop was held on 27 Jun 2016, inaugurated by Resource person Yogendra Nayak
6	Materials Management in Health Care	The Conference was organized by Dept of Hospital Administration, KMC, Manipal and Dept of Public Health, MU, Manipal
7	Developing Quantitative Analytical Skill in Managers	The Workshop was jointly organized by MHA Program, Dept of Public Health and RASTHA
8	Azadi - 70 topic "Understanding Azadi in present Context"	The talk was given by Dr Ravindranath Shanbagh, President Human Rights Protection Foundation, Udupi
9	Onam Festival	The festival was organized by MHA Students of Dept of Public Health, MU
10	TAHCON - 2016	The Conference was jointly organized by Dept of Public Health and School of Information Sciences, MU, Manipal
11	Fourth AHILA International Health Literacy Conference	MPH Students Jestina Rachel Kurian, Jyotsna Rani Ekka, Dr Harsh Rajvanshi, Dr Ravi Raj Singh Chouhan, Dr Zakariya Chouhan, Dr Ramanpreet Kaur, Dr Vindhya J, Dr Sowmya Sundararajan, Dr Pallavi Prakash Saraswat, Dr Vijay Basappa Dhange and Dr Monica attended the Conference for three days from 7 to 9 Nov 2016 at Haiphong City, Vietnam
12	"Blended Learning in PBL – Opportunities and Challenges"	The Workshop was jointly organized by MCPD and Dept of Public Health
13	"Fight the Fear – Be aware" Workshop	The Workshop was organized by MPH Students of Dept of Public Health, MU
14	A consultation meet on Draft National Education Policy 2016	The consultation meet was organized in association with MSW, Dept of Public Health and MCPD, Manipal University
15	" Application of Geographical Information system in public health"	The National Workshop was organized by Dept of Public Health and Dept of Civil Engineering, MU, Manipal
16	Health Education and Health check-up camp "To be Healthy and Happy"	The camp was organized by MSW Program, Dept of Public Health, MU, Manipal at Model Higher Primary School Hiriadka
17	Smile Dental and Treatment Screening Camp	The camp was organized by MHA, MSW, Dept of Public Health and MCODES, MU, Manipal
18	"Emerging Challenges in infectious diseases and Bio-security"	The Seminar was organized in association with Dept of Public Health, Dept of Virus Research and Dept of Community Medicine, KMC, Manipal
19	Comprehensive free eye camp	The camp was organized by SOAHS and Dept of Public Health, MU at Dr TMA Pai Rotary Hospital, Karkala
20	Shodhana 2016 Interventions in Social Development – Social Work Profession makes a difference	The National Conference was organized by MSW Program, Dept of Public Health, MU
21	"Emerging Challenges in infectious diseases and Bio-security"	The Seminar was organized in association with Dept of Public Health, Dept of Virus Research, MU, Manipal and KMC, Mangalore
22	ICHEOR 2016	The International Conference was organized in association with MCOPS, Dept of Pharmacy Mgt, School of Commerce and Dept of Public Health
23	"One Health and Emerging diseases in Public Health Practice"	The workshop was organized in association with State Institute of health and Family Welfare, Bengaluru, Dept of Virology, and Manipal Health Literacy Unit, School of Public health, MU

DEPARTMENT OF VIRUS RESEARCH

Madhav Nagar, Manipal – 576104

Phone Number: 0820 2922663

Email-Office: virology@manipal.edu, HOD: arun.kumar@manipal.edu

Name of HoD: Dr G Arunkumar

Established: 2010

Programs:

- MSc Clinical Virology and Doctorate in Philosophy (PhD)

About department:

The Department of Virus Research (DVR) was created as a University department on 1 May 2010 by upgrading the virology laboratory of the Department of Microbiology, Kasturba Medical College, Manipal, with Dr G Arunkumar as the Head. DVR houses the regional reference laboratory for influenza virus under Integrated Disease Surveillance Program (IDSP). DVR is the Apex Referral Laboratory for Dengue, Japanese Encephalitis and Chikungunya under National Vector Borne Disease Control Program (NVBDCP) and Department of Health Research(DHR)/Indian Council of Medical Research (ICMR) Grade-I virology network laboratory. Both of these are Ministry of Health and family welfare, Government of India supported programs.

DVR is National reference laboratory for Zika Virus and for EBOLA (MoHFW, Government of India). DVR has the uniqueness of hosting a public service program on private platform, and in the short span of time it has proven as one of the best public private partnership in the development of public health infrastructure in the country.

The Acute Febrile Illness (AFI) Surveillance in India till date has been implemented in 28 Sentinel hospitals distributed across 10 states of India including Karnataka, Kerala, Assam, Goa, Gujarat, Maharashtra, Jharkhand, Tripura, Tamil Nadu and Odisha in close co-ordination and collaboration with the respective state health services.

Apart from supporting state and national health services for viral disease outbreak investigation and disease surveillance activities, Manipal Centre for Virus Research also offers Master of Science in Clinical Virology program. It is a focused unique competency based flexible postgraduate course intended to create a new cadre of virologists and conducts series of training programs in the field of practice oriented virology, biosafety and biosecurity to strengthen the manpower.

DVR conducts Master of Science in Clinical Virology program. It is a focused unique competency based flexible postgraduate course intended to create a new cadre of

virologists who are not only comfortable within the four walls of the laboratory but also equally proficient in public health and industry settings as well as in policy and decision-making groups at National and International levels. With state of the art laboratory, teaching facilities and qualified teachers, DVR is one of the premier institutions of India imparting quality education. Unique features of the course include a competency based curriculum, credit based system as par with international universities, epidemiological and public

health orientated curriculum and a strong research based academic approach. The students also undergo regular clinical and laboratory rotation and periodic institutional and industrial rotation.

The department provides the students the environment and opportunity to build a versatile and dynamic career. On completion of their course, the students would emerge as virologists empowered with knowledge, competence and commitment towards the society at large.

Institutional activities/curricular activities:

All other activities in the department relating to the program/course:

Sl no	Activity	Particulars
1	Molecular Diagnostics Workshop	A training program for 6 students of School of Life Sciences Chairman, Research and Development Program, Dubai Campus 27 Jan to 2 Feb 2016
2	New certificate course in 'Certificate course on Bio security'	Dept of Virus Research and School of public health jointly started New certificate course in "Certificate course on Bio security"

Details of guest visit:

Guest lectures:

Sl no	Visitor	Name of the University	Institution	Purpose of visit	Date of visit
1	Dr Vivek M Rangnekar, Professor and Alfred Cohen Chair in Oncology Research Associate Director, Markey Cancer Center Markey Program Co-Leader, Cancer Biology and Signaling	Kentucky University	Kentucky University	As a part of University visit	8 Feb 2016

1	Dr G Arunkumar	Awarded travel grant by Fast Track Diagnostics, Luxemburg to deliver key note address on Molecular Diagnostics of Emerging Viral Diseases held at Malta	28-29 Sep 2016
2	Ms Anitha J	Awarded €1700 Lars Haaheim scholarship to attend the ISIRV School of Influenza in Siena, Italy	10-15 Apr 2016

Photo archive of important events:

1) Lecture on “ZIKA Virus Disease and the Public Health Emergency of International Concern” (Feb 03, 2016)
DVR hosted a lecture on “ZIKA Virus Disease and the Public Health Emergency of International Concern” on 3 Feb 2016 by Dr G Arunkumar, Professor and Head, Department of Virus Research Manipal at Shiridi Sai Baba Seminar Hall, KMC, Manipal.

2) World Rabies Day Celebration: (28 Sep 2016)
On the occasion of the “World Rabies Day” on 28 Sep 2016, we conducted an awareness rally of 100-150 people (students and faculty of MU, Manipal) on 28 Sep 2016 under the aegis of Manipal Centre for Virus Research, Manipal University.

3) World Hepatitis Day: (28 Jul 2016)
As part of “World Hepatitis Day” program, DVR organized webinar on topic ‘Know hepatitis – act now: An Indian Perspective.’ On this occasion H O D Dr G Arunkumar delivered lecture through online portal to address more than hundred students and faculty of MCVR at various places.

4) Training in Molecular Diagnostics of Anthrax (17-19 Jun 2016)
DVR hosted training workshop on hands on “Training in Molecular Diagnostics of Anthrax” from 17-19 Jun 2016 in collaboration with National Institute of Veterinary Epidemiology and Disease Informatics (NIVEDI), Bengaluru and Centers for Disease Control and Prevention (CDC), Atlanta.

5) Annual Review meeting of Hospital based Surveillance of Acute Febrile Illness (AFI) in India on 2–3 Nov 2016

DVR, Manipal University conducted the “Annual review of Hospital based Surveillance of Acute Febrile Illness (AFI) in India” on 2–3 Nov 2016, Manipal.

6) Rickettsia and Rickettsioses including Scrub Typhus (21 Nov to 2 Dec 2016)
DVR conducted Course on “Rickettsia and Rickettsioses including Scrub Typhus”, 21 Nov to 2 Dec 2016 in collaboration with American Society for Microbiology (ASM). Marina E Eremeeva, Associate Professor, Environmental Health Sciences, Director, Public Health Core Laboratory, Jiann-Ping Hsu College of Public Health, Georgia Southern University have attended the same.

MANIPAL INSTITUTE OF TECHNOLOGY

MIT Campus, Manipal 576104

Phone Number: 08202925522

Email-Office: office.mit@manipal.edu, Director: director.mit@manipal.edu

Name of the Director: Prof (Dr) G K Prabhu

Established: 1957

Programs:

Under Graduate:

BTech

- Bio-Medical Engineering
- Chemical Engineering
- Civil Engineering
- Computer Science and Engineering
- Electrical and Electronics Engineering
- Electronics and Communication Engineering
- Industrial and Production Engineering
- Mechanical Engineering
- Printing Technology
- Information Technology
- Instrumentation and Control Engineering
- Biotechnology
- Mechatronics
- Aeronautical Engineering
- Automobile Engineering
- Computer and Communication Engineering

Post Graduate:

MTech and MCA

- Bio – Medical Engineering
- Computer Science and Engineering
- Construction Engineering and Management
- Digital Electronics and Advanced Communication
- Energy Management, Auditing and Lighting
- Engineering Management
- Structural Engineering
- Computer Aided Mechanical Design and Analysis
- Control Systems
- Manufacturing Engineering and Technology
- Network Engineering
- Software Engineering
- Industrial Automation and Robotics
- Printing and Media Technology
- Microelectronics
- Power Electronic Systems and Control
- Astronomy and Space Engineering
- Industrial Bio–technology
- Computer Science and Information Security
- Chemical Engineering
- Environmental Engineering
- Bioinformatics
- Industrial Pollution Control
- Advanced Thermal Power and Energy System
- Master of Computer Application (MCA)
- Automobile Engineering

About Institution:

Manipal Institute of Technology (MIT), Manipal was established in the year 1957 as one of the first pioneering self-financing engineering colleges in the country. In 2000, it became a constituent institute of the Deemed University – Manipal Academy of Higher Education (MAHE), which is known widely today as Manipal University. With a total student intake of about 2000 in the first year and around 10,000 students, over 622 faculty members, over 1000 support staff, over 26900 alumni, the Institute provides the right ambiance and platform for the students' all-round development. It has the requisite student to teacher ratio of 15:1. MIT has 16 undergraduate programs, 25 Masters Programs and Doctoral programs in all streams of Engineering and Science under 18 different departments. Ten undergraduate programs at MIT are

accredited by the National Board of Accreditation (NBA). To promote innovation, incubation and entrepreneurship, the Innovation Centre at MIT houses Manipal University Technology Business Incubator and Central Instrumentation Facility. The institute undertakes sponsored research programs supported by funding agencies such as DST, CSIR, AICTE and the Ministry of Environmental Sciences. It has collaborative research programs in association with premier research laboratories and institutes in India and abroad. The Institute is proud to have produced several top-notch industry leaders such as Mr Satya Nadella (CEO, Microsoft), Mr Rajeev Suri (CEO, Nokia), Mr Ananth Talualikar (CEO, Cummins), Mr Banmali Agrawala (CEO, GE South Asia), and much more.

Institutional activities/curricular activities:

New initiatives:

Sl no	Activity	Particulars
1	Workshop on fabrication and testing of composite materials	Dept organized hands on experience workshop for students in the field of composite materials. The workshop held for two days with 30 of participants.
2	"Shannon Centenary lecture series" has been initiated	2016 being the Centenary of Claude Shannon, the Dept has initiated a series of lectures in his name, to be given by people who are experts in the field of Information theory. The first in the series has been delivered by Dr Pitchaiah Mandava, Baylor College of Medicine Houston San Diego, California, Florida – "Shannon's Information Theory: Applications in Medicine and other far flung fields", on 24 Oct 2016
3	ICETCS – 2017	Organizing an International Conference on Emerging Trends in Chemical Sciences (ICETCS – 2017), during 14-16 September 2017
4	Salter's Chemistry Camp	Organized Salter's Chemistry camp, from 4-6 Jan 2017
5	Center of Engineering Design Consultancy and Skill Development	The Centre will function under the supervision of the Director of Manipal Institute of Technology, Manipal. And the coordinators of the Centre will report to the Director, MIT Manipal. For functional matters of the Centre. The Centre is undertaking consultancy work in the fields of structural Engineering. Also, the training programs for the students and practicing Engineers will be conducted from time to time.
6	"Computer Networks Lab" – setup as per revised curriculum	The laboratory has been set up for fifth semester students as a part of curriculum. In this, students are working on experiments related to computer networks. The lab also has a mini-project component.
7	Building automation lab in association with Schneider Electric	New elective subjects have been introduced. A lab has also been set up and students are carrying out projects in this lab.
8	Training Program on "ARM CORTEX M3"	A hands-on training program was arranged in association with industry to students and faculty.
9	Power Electronics Lab	Power Electronics lab caters for Undergraduate and Post-Graduate Students of EEE Dept and the Lab has two parallel rows of symmetrical work tables. The tables are wired with 1 Phase AC Supply, DC Supply and Three Phase AC Power Supply. The tables are also provided with switch sockets, some of them with UPS back up to connect computers and other hardware. There are two tables with granite tops to support soldering activity. The lab is equipped with adequate experimental hardware in lines with the latest developments in the field of Power Electronics. The lab is equipped with Power Supplies, Digital Oscilloscopes and Power Analyzers which can be used in testing along with supporting the lab experiments.

Sl no	Activity	Particulars
10	EMC Corporation Centre of Academic Excellence (CoAE)	The objective of creating EMC's Centre of Academic excellence is to provide latest skills and knowledge and to facilitate research, exchange of ideas, solutions to industry problems in areas of Cloud, Big data, security, information storage and more. Guidance to faculty and academics for developing students' knowledge and skills in the areas of third platform. It will help institutes to gain access to unique resources, which will not only help acquire new knowledge and skills but also helps to create a talent pool for upcoming IT opportunities.
11	Centre for Renewable Energy Sources Laboratory	New laboratory initiated by the Dept of Mech and Mfg Engg in the academic year 2016-17. As a central facility, Dept of E and E Engg is involved in the academics' activities.
12	Animal Cell Culture Lab	A fully functional animal cell culture lab has been established, which will be utilized by the UG, PG and also the PhD students. This lab has equipment's like biosafety cabinet, CO2 incubator, centrifuge, deep freezer, liquid nitrogen containers, inverted microscope etc.

All other activities in the department relating to the program/course:

Sl no	Activity	Particulars
1	Open elective for PG – Non – Destructive Testing of Materials	Although this course was being offered by the Dept of Civil Engineering for past few years, an initiative has been taken this time (as a test run) to give a new direction to the course through Tuterra platform. Tuterra is a new model of partnership between global educator networks and accredited higher educational organizations. Tuterra's enables global teams of educators to partner with local faculty at accredited educational organizations to co-create content and co-teach, thereby enabling educational organizations to upgrade and augment their local faculty resources and offer enhanced courses customized to their students' needs in areas where their in-house resources may be limited.
2	Industry based elective	Fourth Sem BTech – Introduction of new open elective (offered to students other than CSE/IT/CCE branches) CSE 3292 – Python Programming (Open Elective) in collaboration with Infosys.
3	Building automation lab in association with Schneider Electric	New elective subjects (Both as program elective and open elective) have been introduced.
4	Training Program on "ARM CORTEX M3"	A hands-on training program was arranged in association with industry to students and faculty.
5	Design for Manufacturing and Assembly (Fourth Semester Mechanical Engineering Program Elective)	Applied in industries for designing the mechanical components that can be manufactured at lower cost with reduced time to manufacture. The concepts and techniques studied will help in industries to design, realize and analyses the assembly structure in an economical way by optimizing the part count.
6	Human Resource Management (Fourth Semester Mechanical Engineering Program Elective)	The subject focuses on managing the industrial/organizational manpower: <ul style="list-style-type: none"> • Recruitment and Selection • Training and Development • Compensation, Rewards and Benefits Management • Organizational Design and Development • Business transformation and change management • Performance, Conduct and Behaviour Management • Industrial and Employer relations • Workforce Analysis and Management of Workforce personal data
7	Machine Tool Technology (Sixth Semester Mechanical Engineering Program Elective)	This course gives the guidelines related to: <ul style="list-style-type: none"> • The optimization of the gear box design and assembly in production machines. • The optimization of the machine tool structure design using various parameters. • The measures to be taken to overcome technical faults (like chatter, vibration of the machine etc.).

Sl no	Activity	Particulars
8	Fatigue and Fracture Mechanics (Sixth Semester Mechanical Engineering Program Elective)	<ul style="list-style-type: none"> To carryout fatigue tests of industrial components To design components based on fatigue and fracture considerations To study failure investigation report of industrial components
9	Financial Management (Sixth Semester Mechanical Engineering Program Elective)	Course outlines about: <ul style="list-style-type: none"> Producing financial reports Role of finance in inventory Role of finance in production and operation management Role of finance in industrial decisions
10	Three New elective added to MSc (Physics)	CBCS curriculum for MSc (Physics) (for the student being admitted in and after 2018) was developed. New electives streams (one in theoretical physics and the other in Electronics) were introduced to the curriculum of MSc (Physics) (four new elective courses). One elective (Astronomy and astrophysics) was set for the MSc in Chemistry, Mathematics and Geology. Research methodology is also introduced to the curriculum of MSc.
11	Digital Medicine	Changes in health care are a fundamental part of social and intellectual evolution. The modern practice of scientific medicine depends on the existence of the written and printed word to store medical information. Computers can transform information, store it, and new digital tools can record clinical data and, generate medical knowledge and develop "digital medicine" that is potentially more precise, more effective, more experimental, more widely distributed, and more egalitarian than current medical practice. Critical steps in the creation of digital medicine are careful analysis of the impact of new technologies and coordinated efforts to direct technological development towards creating a new paradigm of medical care. This elective deal with addressing these issues.
12	Health Economics	The Commission on Investing in Health, Lawrence Summers, reported that around one quarter of economic growth between 2000 and 2011 in low-income and middle-income countries resulted from the value of additional life years gained by improvements to health. This finding enables us to look forward to a grand convergence in health — "We have the financial and ever-improving technical capacity to reduce infectious, child, and maternal mortality rates to low levels universally by 2035." Mortality in low-income and middle-income settings could fall to levels presently seen in the best-performing middle-income nations. Between 1960 and 2000 improvements in life expectancy had a directly positive impact on per capita GDP growth. The elective "Health Economics" deals with aspects such as basic understanding of economics, epidemiology, health care and related policies, the healthcare sector and the pharmaceutical market.

Name of Dean: Prof Nishant H Manapure

Established: 1978

Programs:

Architecture courses:

- Bachelor of Architecture / (BArch.)
- Master of Architecture (Urban Design and Development)/MArch. (UDD)
- Executive Master of Architecture (Advanced Design)/ Exe MArch (AD)
- Doctor of Philosophy (PhD)

Design courses:

- Bachelor of Design (Interior Design)/BDes (ID)
- Bachelor of Design (Fashion Design)/BDes (FD)
- Master of Arts (Interior Design)/MA (ID)
- Certificate of Fashion Design

About institution:

Faculty of Architecture (FOA) provides the best quality design programs in the domains of architecture, interior design and fashion design in the country. Established in 1978, the school has a pioneering legacy of 38 years. FOA fosters a creative innovative and intellectually vibrant learning environment with a global outlook. It strives to establish academic and professional excellence in architecture and design. FOA is an elite institution with state-of-the-art facilities and infrastructure. It includes the

design studios, computer lab with latest design software, various supporting labs and library with latest additions of architecture, technology, interior design, fashion design books and journals. Dedicated and experienced faculty members encourage student centric practices where learning expands beyond the four walls of the classroom. Preparing students for timeless success in the profession of design is the primary goal of the academic systems at FOA.

Institutional activities/curricular activities:

New initiatives:

Sl no	Activity	Particulars
1	Centre for Urban Studies	<p>Centre for urban Studies has been formed at FOA with the following objectives.</p> <ol style="list-style-type: none"> 1 To conduct research works on urban issues such as growth, management governance health, safety, environment, etc. 2 To focus on inclusive development and on issues related to economically weaker sections. 3 To start new interdisciplinary graduate courses. 4 To continually engage government bodies and other stakeholders. <p>Prof Sanghamitra Roy, FOA, Manipal is the Coordinator for the said centre. The centre functions under the supervision of Director, FOA.</p>

All other activities in the department relating to the program/course:**Workshops conducted for FOA Students:**

Sl no	Activity	Particulars
1	Design Charrette Competition at Chennai	Ms Iswarya R (MAHE0012784), Assistant Professor, FOA visited Chennai as a faculty co-ordinator for Design Charrette Competition as a part of Transparence. (Organized by Saint Gobain India). She was accompanied by BArch students of FOA as a part of the academic activity from 10 to 13 Mar 2016.
2	INSIG event	INSIG – unveil the unexpressed, is an event planned by Fashion and Interior Design students of FOA to promote the Autism Awareness Week (2-8 Apr 2016), which received much appreciation from all ends. Visitors, Guests and Sponsors expressed that INSIG was one of the most well-organized and well-executed event. The highlight of the event was the fashion show that sported the residents of ASARE. The Fashion Design students of FOA, enthusiastically custom-designed attires for the residents to model. The residents enjoyed their time on stage and Mr Jai Vittal, Estate Officer and also key person at ASARE shared their joy by supporting them from off-stage. Apart, FOA has announced Rs 100,000 for the betterment of the residents of ASARE.
3	Clay Art Workshop	Shri Chandrasekhar Koteswar, Teaching Assistant, Dept Of Museology, Faculty of Fine Art MS University, Baroda, has conducted the Workshop on 'Clay Modeling' from 30 Sep to 3 Oct 2016 to all Interior Design and III Semester BArch students of FOA. This workshop provides an opportunity to express talents which are different from architecture but related to imagination, visualization and creation and also thoroughly explore the possibilities and limitations of material presents through different modes of making.
4	Glass Etching Workshop	Shri Sukesh B C Gowda, Freelance Sculptor, #255, Vinayaka Layout, Ullala Main Road, Bangalore, has conducted the workshop on "Glass Etching" from Friday, 30 Sep to 3 Oct 2016 to all Interior Design and 3rd Semester BArch students. This workshop provides an opportunity to gain experience in the real world of hospitality industry. Students were allowed to explore in creative field by using glass etching which can act as theme for one of the spaces of Fortune Valley Hotel Manipal.
5	Metal Art Workshop	Y A Steel Furniture, Udyavara Udupi has conducted "Metal Art" workshop on 30 Sep to 2 Oct 2016 to B Arch students of FOA. This workshop provides an opportunity to gain experience in learning of metal as a material for visual expression. To provide opportunity to enhance and enrich imagination and creativity. To provide opportunity to learn through hands on activity with fun.
6	Wood Art Workshop	Mr B Venkataramana Bhatta - Coconut Shell Artist and Karkala Wood workshop have conducted the workshop on Wood Art on 30 Sep, 1 and 2 Oct 2016 to the BArch students of FOA. This workshop offers hands-on experience of unique ingenuity and workmanship. The essence of creative domain can be achieved by exploring different techniques, processes, developing creative products, finishing and presenting the product for the concepts evolved.

Case Study visits/student competitions conducted for FOA students:

Sl no	Activity	Particulars
1	Case/Site Study	As a part of an Academic activity, 4th Semester BArch students visited Auroville and Trivandrum from 1 to 8 Feb 2016.
2	Case/Site Study	As a part of an Academic activity, second, fourth and sixth Semester students of BA (ID)/BDES (ID). Visited Hyderabad from 1 to 7 Feb 2016.
3	Educational Trip to Sirsi, Karnataka	As a part of an Academic activity of Architectural Design studio and academic curriculum, fourth Semester C section BArch students visited Sirsi, Karnataka from 22 to 24 Feb 2016.
4	Study Trip to Coimbatore	Second year Fashion Design students visited Coimbatore for a study trip as a part of an academic activity from 10 to 14 Mar 2016.
5	Study Tour	Students of BArch course visited Manali and Shimla for a study tour as a part of an academic activity of BArch course from 3 to 12 Jun 2016.

6	Study Tour	Students of BArch course along with Faculty Coordinators visited Sikkim and Darjeeling for a study tour as a part of an academic activity of BArch course from 3 to 10 Jun 2016.
7	Study Tour to Pune	5th Semester (D Section) B Arch Students visited Pune for site visit as a part of an academic activity from 6 to 8 Aug 2016.
8	Study Tour to Ahmedabad	Third semester BArch students visited Ahmedabad for study trip as a part of academic activity from 20 to 28 Aug 2016.
9	Study Tour to Kochi and Kannur	Third Semester BArch Students visited Kochi and Kannur and Kerala for study tour as a part of an academic activity from 20 to 26 Aug 2016.
10	Study Tour to Pune and Kolhapur	MArch (UDD) Students visited Pune-Kolhapur for study tour as a part of an academic activity from 10 to 15 Sep 2016.
11	Circuit Tour to Udaipur, Rajasthan	Students of BArch course along with faculty members visited Udaipur Circuit Tour as a part of an academic activity of BArch course from 29 Nov to 9 Dec 2016.

Details of guest visit (lectures, collaboration, visitors on campus)

Guest lectures:

Sl no	Visitor	Designation/Name of the University	Purpose of visit	Date of visit
1	Dr Annesha Choudhury	Doctoral Scholar, Academy for Conservation Science and Sustainability Studies, Ashoka Trust for Research on Ecology and the Environment, Bangalore	Dr Aneesha Choudhury has delivered the Expert Lecture on Landscape Conservation for eighth Semester BArch students of Advanced Landscape Design and Landscape Ecology for eighth Semester BArch students and second Semester MArch (PGE) students.	2 Mar 2016
2	Dr Tathagata Chatterji	Professor and MArch Coordinator at School of Planning and Architecture, Vijayawada, Andra Pradesh	Dr Tathagata Chatterji has delivered the Expert lectures and has reviewed the Thesis and Studio works of Post Graduate Students of Master of Urban Design Development and Executive M Arch	8-9 Apr 2016
3	Prof Raghavendra Holla	Professor, Dept of Civil Engineering, MIT, Manipal	Prof Raghavendra Holla has delivered the expert lecture on "Construction Equipment planning and Management" to fourth sem MArch (Advanced Design Students).	4-11 Mar and 18 Mar 2016
4	Mr Hara Kumar and Mr Kiriti	Research Associates, TERI (The Energy and Resources Institute) - South Regional Centre, Bangalore	Mr Hara Kumar and Mr Kiriti delivered the guest lecture and conducted the design discussions for fourth Semester BArch students	19-20 Apr 2016
5	Ms Nisha Damodar Kundar	Urban Design Consultant at Mumbai and Visiting Faculty at Academy of Architecture, Mumbai	Ms Nisha Damodar Kundar has delivered the guest lecture on Understanding Indian Cities and reviewed the studio work of second Sem MArch (UDD), students.	23 Apr 2016
6	Mr Suhas Hegde	Environmentalist and Herpetologist, Sirsi	Mr Suhas Hegde, External Jury Member for Pre-Final Jury (Architectural Design and Detailing subject) and Interacted with fourth semester BArch students.	3-4 May 2016
7	Mr Vasanth Kamath V P	Assistant Professor, General Management and Entrepreneurship, TAPMI, Manipal	Mr Vasanth Kamath V P has delivered Expert lecture on "Entrepreneurship" to Post Graduate Students of Master of Urban Design Development and Executive MArch.	20 May 2016
8	Ms Minni Sastry	Sustainable Design aspects of "Sensitive eco-systems"	Ms Minni Sastry has delivered Guest Lecture for fourth Semester BArch students.	31 May 2016
9	Mr Hara Kumar	Sustainable Design aspects of 'Social Welfare Buildings'	Mr Hara Kumar has delivered Guest Lecture for fourth Semester BArch students.	
10	Mr Kiriti Sahoo	Sustainable Design aspects of "Urban open Spaces"	Mr Kiriti Sahoo has delivered Guest Lecture for fourth Semester BArch students	

Sl no	Visitor	Designation/Name of the University	Purpose of visit	Date of visit
11	Ms Deepta Sateesh	Dean of the School of New Humanities and Design at SRISHTI, Institute of Art, Design and Technology, Bangalore	Ms Deepta Sateesh has delivered the expert lecture on Sustainable Development in the Western Ghats to First Semester Post Graduate (Advanced Design) and 3rd Semester Masters (Urban Design Development} students.	17 Sep 2016
12	Dr B H Rathi	Chairman of Rathi Associates, Bangalore	Ms Rathi has delivered the Expert lectures on "Services in Interiors" to First Semester MA (Interior Design) Post graduate students, BDes (Interior Design) and seventh semester BArch students.	24 Sep 2016
13	Dr Tathagata Chatterji	Professor at Xavier University, Bhubaneswar	Dr Tathagata Chatterji has delivered the Expert Lectures on Modules of Urban Design and Development theory and Urban Transformation to Post Graduate Students of Master of Urban Design Development.	11-22 Oct 2016
14	Ms Usha Parnikar	Retd Teacher, Nagarpalika Shikshan Samithi, Baroda	Ms Usha Parnikar has delivered the Expert Lecture on "Knitting and Crochet" to the students of Fashion Design course	5 Oct 2016
15	Mr A P Mahesh	Regional Director (South Asia), Meinhardt Facade Technology (India) Pvt Ltd, Chennai	Mr A P Mahesh has delivered the Expert Lectures on Curtain Wall, Façade Engineering, Lighting, Glazing, Infrastructure and Environment for all PG (Executive PG and MUDD) and fifth semester BArch Students.	20-21 Oct 2016
16	Ms Rachita Mishra	Program Manager, Urban Community Lab SELCO Foundation, Bangalore	Ms Rachita Mishra has conducted the Expert Lecture and review on "Guidelines for Sustainable Development of Mudu Kudru Island, Udupi" for the First Semester (Advanced Design) and Third Semester (Masters in Urban Design Development) Post Graduate students.	22 Oct 2016

About institution/school

The School of Management (SOM), under the aegis of Manipal University, aims to enhance the professional and personal skills of Management students through interactive and participative learning process, professional exposure and the supply of updated inputs on industry and environment. The faculty members and staff of SOM are dedicated to providing quality management education to students and also to create conducive environment for their learning and overall personality development. Since inception, the Institute endeavours to equip industry ready students through awareness creation, skill development and dissemination of updated knowledge. Industry interactions enable students to build up their personality and to be ready to take up the challenging tasks of corporate world in global environment. Students of SOM

are given an opportunity to take up socially responsible activities and community based educative programs. The Social Service Forum of the Institute aims to take up socially relevant and environmental friendly activities. The school also encourages students in cultural, sports and extra-curricular activities. The Alumni Centre of the Institute keeps very good rapport with the Alumni of the Institute and obtain necessary support to nurture experiential learning of students and also, to obtain input to update the curriculum of the MBA program. Quality infrastructure, updated technological base counselling support from faculty members and student friendly environment provide excellent opportunity to students to hone up their quality, skills and personality for their bright future.

Institutional activities/curricular activities:

New initiatives:

Sl no	Activity	Particulars
1	Centre for Regional Development (CRD)	Coordinator: Dr KVM Varambally The CRD aims at maintaining working relationship with local communities, Non-Governmental organizations and local government to carryout activities and Programs which have social relevance and also being beneficial impact to society. It also aims to sensitise management students in socially relevant issues and enable them to take part in such activities.
2	Centre for Advanced Research in Financial Inclusion	Coordinator: Dr Savitha Basri The Centre for advanced research in financial inclusion was initiated with an aim to develop and disseminate knowledge by advanced research, extension activities and awareness campaigns through a mutually beneficial approach for promotion of financial inclusion. Dr Savitha Basri coordinated the activities of the Centre. The Centre aims to develop new knowledge and insights within the field of inclusive growth related to financial inclusion, and the challenges for inclusive finance (credit, insurance, savings and pension products); to generate awareness towards financial products and impart financial literacy among the youth, marginalised section of the society and rural as well as semi urban population in the Coastal region; to work towards strengthening of microfinance institutions, business facilitators and business correspondents that can give easy access to banking services especially for rural population.
3	Centre for Marketing Advances	Coordinator: Dr Smitha Nayak The SOM has launched the Centre for Marketing Advances in Oct 2016, under the leadership of Dr Smitha Nayak, Associate Professor of the School. The Centre for Marketing Advances is a Centre of distinction in the sphere of knowledge development and knowledge dissemination, within the domain of marketing. It serves as an interface between industry and academia. The Centre functions around providing experiential learning opportunities to students, offering consultancy services to corporates, organising continuous education programs and engaging in industry centric research. We have already initiated activities in the above focal areas and are very optimistic about the outcomes.
4	Centre for Social Entrepreneurship	Coordinator: Dr H G Joshi The SOM has launched the Centre for Social Entrepreneurship in Apr 2016, under the leadership of Dr H G Joshi, Professor of the School. In line with leading universities of the world, Manipal University proposes to start a Centre for Social Entrepreneurship to provide academic programs and to develop action based research in the field of Social Science. The sole objective of the centre is to be highest order of excellence in social entrepreneurship. This research centre proposes to promote collaboration and coordination among MU institutions and to create culture of interdisciplinary research in Manipal University.

All other activities in the department relating to the program/course:

- Professional
- Banking Technology

Post Graduate Diploma in Logistics and Supply Chain

The vision of the department is to develop into a world class centre of excellence in education, training and research by 2020. We strive to prepare students not only for examination but also for life, without compromising on their areas of specialization and competence.

The DOC has recorded consistent improvement in its academic, research and placement performance. It offers a range of innovatively designed programs whose curricula are constantly updated to meet the changing requirement of the industry and also to meet the needs of major stakeholders.

We are encouraged to see many industries coming to our department to recruit our students, which reinforces our belief in the effectiveness of our curriculum and its suitability to the dynamic corporate world.

Institutional activities/curricular activities:**New initiatives:**

Sl no	Activity	Particulars
1	MCom - Professional	The course is structured to provide competency in accounting, financial reporting, international finance, financial strategies and risk management.
2	MCom - Banking Technology	The course provides insight into management policies and practices of commercial banks in a competitive environment, various operations of the bank, law and practice relating to banking, banking products and credit management in banks. It also covers various types of operational and banking risks and risk management policies in the banking sector.
3	Centre for Business Analytics	The centre was established to help business organizations analyze data for business intelligence and insights through consulting but also help them develop exercise in data analytics for training their human resources. The Centre for Business Analytics would proactively endeavour to stimulate the environment for analytics through training programs for research scholars and students within and outside the Manipal University.
4	Centre for Supply Chain Education and Research	To develop and deliver focused education programs across specific areas of SCM. To bridge the gap between academia and research. To encourage research.
5	Centre for Managing Family Business	To support family owned firms through educational opportunities and consulting services for business leaders and successors.
6	Centre for Advanced Learning in Finance and Accounting	To conduct certificate programs in areas of Finance, Accounting, Insurance and Risk Management in collaboration with reputed universities. Experiential learning and training for students with reputed institutes and faculty. To integrate teaching training and research.`

SCHOOL OF COMMUNICATION

Near Udayavani Building, Press Corner, Manipal 576104

Phone Number: +91 820 2571904, 2571901

Office email: office.mic@manipal.edu, Director: nandini.lk@manipal.edu

Name of Director: Dr Nandini Lakshmikantha

Established: 1997

Programs:

- BA (Media and Communication)
- BSc (Animation)
- MA (Media and Communication)
- PG Diploma (Corporate Communication)
- MA (Film Art and Film Making) Dual Degree program with EICAR, France
- PG Diploma (Film Art)
- PhD

About school:

The School of Communication (SOC, formerly known as Manipal Institute of Communication) was established as a premier media institute in the country in 1997 spread over 30,600 sq ft. It has 12 class rooms, an auditorium, a spacious air-conditioned library, a full-fledged television studio with digital lighting controls, a professional sound laboratory, two computer laboratories, a multi-media

laboratory and a common room for the students. The vision of SOC is rooted in social philosophy and it tries to embody the spirit of democratic egalitarianism in education. SOC was ranked No 1 in the factual ranking and No 4 in the overall ranking among the communications colleges in India according to the India Today Survey 2013. In the Outlook Survey of 2016 it ranked No 6 in India.

Institutional activities/curricular activities :

New initiatives:

Sl no	Activity	Particulars
1	Media Research Centre	Media Research Centre, one of its kinds within the University system of India was inaugurated on 12 Oct 2016 at the SOC Manipal University, Manipal. In the presence of Dr H Vinod Bhat, Vice-Chancellor, Manipal University and Dr Binod C Agrawal, a renowned communication researcher of the SITE programme. It has a vision to establish itself as a centre for excellence for research in communication and media. It carries a mission to examine the trends of the media and entertainment industry; to understand the various communication processes/strategies and to promote collaborations and inter-disciplinary research in areas like medicine, agriculture and other basic sciences.
2	Addition to existing student exchange program (International Collaborations)	Initiated student exchange with Aarhus University Denmark and Sciencescom France.
3	Field Visit	DreamWorks Animation Studio Visit on 23 Mar 2016

All other activities in the department relating to the program/course:

Sl no	Activity	Particulars
1	Namma Angadi, 2016	The annual exhibition cum sale of handmade products from Namma Bhoomi was held from 11–13 Mar 2016. Ms Lena Ashok, Coordinator of MSW program, Manipal University inaugurated the exhibition. This student led event saw sales worth over Rs 18,00,000 lac.
2	Blood Drive - 2016	A flagship social cause event managed by the II MA students (Event Management) was the annual Blood Drive. SOC collaborated with Department of Immunohematology, KMC for the event. Manipal College of Dental Sciences (MCO DS) also offered free dental check and London Optic, Manipal, offered free eye check up to the participants. A total of 171 pints of blood was collected.
3	Article-19, 2016: SOC's Media Fest	With new challenges and new fervour, SOC hosted Article 19, the core communication fest from 18–20 Feb 2016. The commencement of the fest was marked by the inauguration by the Manipal University Registrar, Dr Narayana Sabhahit. Also present on the occasion were, the Director of SOC, Nandini Lakshmikantha as well as the Article 19 faculty coordinator Ms Shruthi Shetty. In addition to this, there was a story telling workshop by Terribly Tiny Tales and a creative thinking workshop by Graffiti Collaborative. The pinnacle of the fest was the panel discussion involving eminent speakers, on a very current, yet sensitive topic that presses the Indian Society, "AFSPA." The panellist were Dr Patricia Mukhim, Rao V B J Chehlkani, Dr Ronald Anil Fernandes and Dr Monish Tourangbam.
4	SOC celebrates Alumni Meet-2016	SOC hosted its annual alumni meet on the 19 Nov 2016. The event marked a beginning to the twentieth year celebration of the college to be held in 2017. The program brought together around 90 fresh graduates from the 2016 batch, in addition to alumni from older batches, for a day filled with nostalgia and reminiscence. The chief guest for the event was Ms Snehapriya Nayak, an illustrious alumnus, who did her masters at SOC and is currently the assistant Vice President at Axis Bank, Bangalore. Dr Nandini Lakshmikantha, Director SOC, addressed the gathering to give her best wishes to the graduating batch of 2016. The program ended with giving away of souvenirs to all alumni and lunch. Ms Shruti V Shetty, Alumni Coordinator of SOC, coordinated the event. This year various chapters of alumni meet were organized in Bangalore, Mumbai and Pune to strengthen the alumni network of SOC.
5	SOC Sports activities	The inter batch tournaments were held from 2–22 Mar 2016. Dr Alex Chandy inaugurated the sports event. Good number of people participated in the event. BAJC III year won the overall championship. BAJC first year grabbed the second position. We conducted Inter Manipal University Swimming competition 2015-16 on 6–7 Feb 2016. Dr Ullas Kamath, Dean MMMC, Manipal inaugurated the event. In the Manipal University athletic meet for staff, SOC got the runner up in above 40-category championship.
6	Manipal Film Festival	SOC's Faculty member Vinyasa Hegde took charge of the centre for this year. Screenings were kept open-for-all. A total of eight screenings were held during the year 2016. Discussions post-screening were made informative and interactive by the presence of intellectuals who analysed films on thematic and aesthetic values. The films shown by MFSC included "Mirch Masala", "Spring, Summer, Winter, Autumn . . . and Spring", "Kurmavataara", "Supermen of Malegaon", "Jimmmy's Hall", "Sairat", "Peepli Live" and "Home."
7	Cultural Programs	In the month of January, auditions for Utsav were conducted; followed by Matrubhasha Diwas in February. Later all the staff and students participated in Utsav 2016 and students won different prizes in as many as nine events. Various other events held were Oxygen, Ethnic day, Onam Celebrations and Dandiya Night.

DEPARTMENT OF GEOPOLITICS AND INTERNATIONAL RELATIONS

First Floor, Old TAPMI Building, Near Post Office, Manipal University, Manipal

Phone Number: 0820 2922996

Email-Office: geopolitics.mu@manipal.edu

HoD: arvind.kumar@manipal.edu

Name of HoD: Prof Arvind Kumar

Established: 2010

Programs:

- MA in Geopolitics and International Relations and PhD in Geopolitics and International Relations

About department:

The Department of Geopolitics and International Relations (GIR) offers a Masters and PhD program in Geopolitics and International Relations. The department, in addition to teaching, conducts policy and academic research on pertinent important themes impacting international security environment. The research also focuses on Science and Technology aspects of International Relations. The dept has made modest attempt in identifying the best possible subjects in its curriculum for its Master's program.

The Master's course focuses on understanding the emerging geopolitics and international relations from a strong theoretical perspective and combines this knowledge and information with the experience from the practitioners. The area of academic and policy research mostly includes the regions which impacts India's national security negatively and the regions which are in transition as well as the regions which are converging with India. The research focuses on multifaceted dimensions of understanding the region from political, economic, strategic and diplomatic prism.

About department:

The Department of European Studies (DES), established in December 2009 with the funding from the Delegation of the European Union to India, is a further step of Manipal University's commitment and belief in sans-borders education. The objective of the department is to develop and broaden Indo-Europe relations by sharing each other's strengths through educational enterprise and the fostering of institutional partnerships between universities, leading to mutually beneficial exchanges of best academic practices and enhancement of common human knowledge.

We are proud to be the recipients of grants worth of (€600,000+) from the Erasmus+, Erasmus Mundus and Jean Monnet worldwide programs.

Thrust areas: Europe-Asia (India) interactions, multiculturalism and multilingualism, identity studies, immigration, history, socio-politics, higher education,

- Certificate Courses in Bhagavadgita and Indian Ethics and Epics
- Summer/winter Schools

Projects:

- Jean Monnet Module on Cultural Analysis and European Identity
- Jean Monnet Activity on Bologna-IN
- Erasmus Plus KA1 Credit mobility with several European partner universities
- Erasmus Plus KA2 Capacity building – CLIL@India
- Grammatical Analysis and Contextual Tagging of Mahabharata and Tatparyaniraya

CLIL (Content and Language Integrated Learning), Indian philosophy and ethics and allied areas.

We are proud that in the last five years, we have emerged as the "Centre of Excellence" among European study centres in India and are termed as a "jewel" among such initiatives in the words of Dr Silvia Costantini, the former First Counsellor, the Delegation of EU to India.

DES now stands as a major hub for the European studies, particularly in south India, coordinating with other European study centres in India. DES is the only centre in India that offers master's program in European studies, hosting European students and staff, and facilitating study and research for Indian students in European universities with scholarships. In last five years, several memoranda of understanding (MoU) were signed with more than a dozen universities in Europe, also developing knowledge sharing, mobility programs with them.

Institutional activities/curricular activities:
New Initiatives:

Sl no	Activity	Particulars
1	Centres	<ul style="list-style-type: none"> Centre for Foreign Languages (CFL) is housed in the Dept offers courses in foreign languages like German, Spanish, Italian, Japanese and Polish. Centre for Intercultural Studies and Dialogue (CISD) focuses on intercultural studies and dialogue in a multicultural environment. It aims at understanding the intricacies and nuances of plurilingual and multicultural societies concentrating on the cultural interactions and negotiations at various levels. Dvaita Philosophy Resource Centre (DPRC) was established to preserve the philosophical and spiritual heritage of this region that conducts research projects, courses, workshops and brings out scholarly publications.
2	Courses	<ul style="list-style-type: none"> Certificate Course in Italian, under CFL Certificate Course in Japanese, under CFL Certificate Course in Bhagavadgita and Indian Ethics and Epics, under DPRC
3	Projects	<ul style="list-style-type: none"> CLIL@India – The Dept received a major shot in the arm this year with the grant of over half a million euros (i.e., €564178) through Erasmus Plus Capacity Building project in Content and Language Integrated Learning (CLIL). The project is of immense importance as it has the potential to impact the pedagogical method practised in the schools across the nation. This project is planned in partnership with several European and Indian universities. It is for the first time India has got the funding from EU as a lead applicant of a consortium. Bologna-IN – we are selected for the funding of €57600 for the Jean Monnet projects – policy debate with the academic world as well. This will focus on internationalization and harmonization in higher education with focus on bologna process. Mahabharata – Dvaita Philosophy Resource Centre selected for the funding from Dr Ranjan Pai Endowment Fund for the Grammatical Analysis and XML Tagging of Mahabharata e-text with computational linguistic tools. This project will be held at the University involving six traditional scholars for the next 40 months.

All other activities in the department relating to the program/course:

Sl no	Activity	Particulars
1	Immersion Program	A three-week Immersion Program that orients students to different facets of Europe through several workshops and seminars
2	Spanish Language	Introduced Spanish language to the students as an elective subjective of their MA Program
3	Sports	DES Master's program organized and played a cricket match in December
4	Cultural Analysis and European Identity	A course module of second semester of MA European Studies is selected for the funding of €16128 from the European Union (EU) for the Jean Monnet program. The Dept has been inviting Jean Monnet Professors/Chairs from European universities to conduct part of the module. Prof Ulrike Liebert, Head of Jean Monnet Centre for European Studies, University of Bremen had conducted a session on the Jean Monnet module from 28-31 March 2016
5	Explore India – A Cultural Encounter	A ten-day Summer School for students of Lancaster University, UK 29 Aug-7 Sep 2016

DEPARTMENT OF ATOMIC AND MOLECULAR PHYSICS

LG-01, Academic Block-5, MIT Campus, Manipal University

Phone Number: 0820 2925072/73

Email-Office: camp.mu@manipal.edu, HoD: santhosh.cls@manipal.edu

Name of HoD: Dr Santhosh Chidangil

Established: 2007

Programs:

- MSc Photonics
- MSc Nanoscience and Technology

About department:

The Department of Atomic and Molecular Physics (DAMP) is a point of convergence of multidisciplinary research and learning in the field of Atomic and Molecular Physics. In the year 2007, the DAMP was established as an independent centre for research in laser spectroscopy after functioning as a Centre for Laser Spectroscopy as part of Kasturba Medical College since 1997. Research and development program in the area of Laser and Spectroscopy has been gaining momentum in the department ever since the day of its inception. Then called as the Centre for Atomic and Molecular Physics, it got renamed to DAMP in 2013. Today, DAMP has established itself as a leading centre for research in a vast area of atomic and molecular physics consisting of ultra-fast phenomena in atoms and molecules, light matter interactions, optics and quantum electronics, photocatalysis, nanomaterial synthesis and characterization, nanobiophotonics, protein crystallization, biophotonics, structural biology and biophysics. The thrust area of interest is to probe the dynamics at the atomic and molecular levels of different species by gauging the light-matter interactions. Among the avant-garde spectroscopy labs at DAMP are the Raman Spectroscopy Lab, Laser

Induced Fluorescence (LIF) Spectroscopy Lab and Laser Induced Breakdown Spectroscopy (LIBS) Lab.

The faculty members and PhD scholars of the department participate in numerous research related activities and conferences, and have several publications in leading journals to their credit. The department also offers two post graduate courses, MSc Photonics and MSc Nanoscience and Technology. In addition, two certificate courses - On Applications of Lasers in Biology and Medicine and Nanoscience and Technology – are regularly conducted by the department. The department maintains active collaborations with different institutes within the campus. This is in addition to the collaborations with premiere research labs in and out of the country. There is a Federation agreement between the Department and the International Centre for Theoretical Physics (ICTP), Trieste which facilitates the faculty members of the department to visit the centre for attending workshops and winter colleges.

One-day Symposium on Recent Trends in Photonics is organized by the department annually in addition to several other scientific programs like workshops, lecture series, lab

visits for students and teachers of neighbouring colleges, and outreach programs. The Manipal University Student chapter of SPIE actively functions in the department under

the auspices of which several programs like BSc interaction program, conferences and outreach programs are held regularly.

Institutional activities/curricular activities :

New initiatives:

Sl no	Activity	Particulars
1	Centre for Biophotonics has been established in the department.	
2	Centre for Applied Nanoscience and technology has been established in the department.	
3	International Symposium on Spectroscopy and its Applications on 15 Feb 16	This Symposium was held on 15 Feb 2016 and had three international speakers and more than 100 participants in addition to eminent speakers from the country.
4	Lecture Series on "Microwave Radiation and Molecular Structure" from 23 to 25 Feb 16	The lecture series was handled by Dr K P Rajappan Nair from Leibniz University, Hannover.
5	Lecture series on "Time of Flight Mass Spectroscopy" from 3 to 4 Jun 16	A lecture series on Time of Flight Mass Spectroscopy was held in the department on 3 and 4 Jun 2016. The resource person was Dr R K Vatsa from BARC Mumbai.
6	Workshop on "Nano and Soft Materials" from 16 to 17 Aug 16	This two-day workshop focused on the synergy between the front-line areas of research in the two fields of nano and soft matter sciences, highlighting latest approaches to achieve novel materials that facilitate realization of next generation. It was organized in collaboration with the Centre for Nano and Soft Matter Sciences and included talks and presentations by faculty members, scientists and students from both institutions.
7	Lecture Series on "Know your Environment with a Researcher's Eye" from 14 to 15 Oct 16	This workshop was an interactive educational resource to understand the science and dynamics of our environment and to create an awareness regarding the need and means to conserve the environment. The resource person was Dr Sathish Kumar (former Kannur University).
8	Sky-Watching session in connection with Super moon organized by the SPIE Manipal University Students Chapter on 15 Nov 16	Conducted from 7 pm to 9 pm on the occasion of super moon, more than 90 students and faculty members made use of this opportunity to see the super moon closer.
9	Asia Students Photonics Conference – 2016, (ASPC 2016) A SPIE event from 12 to 14 Dec 2016	A three-day SPIE event which saw the participation of 80 students from in and outside India. There were five international speakers and four speakers from India. In addition, two workshops were conducted. A poster presentation contest and an oral presentation competition were also held.
10	Invited guest talk on "Applications of ultrafast laser writing, Photonic nanojets, and THz "	Radiation by Dr K L N Deepak, University of Ottawa, Canada, on 29 Nov 2016.

All other activities in the department relating to the program/course:

Sl no	Activity	Particulars
1	Annual one-day symposium on Recent Advances in Photonics on 23 Jul 16	Every year the department organizes a symposium on the latest trends in Photonics. This year it was held on 23 Jul 2016. Over 180 BSc students from different neighbouring colleges attended the event which had the talks by five eminent speakers.
2	Science Quiz Competition in Connection with the National Science Day on 8 Mar 16	The annual event held in connection with the National Science Day which saw the participation of post graduate students and research scholars.

Sl no	Activity	Particulars
3	KIRAN 3 – Workshop on Optics and Photonics on 22 Oct 16	Workshop on Optics and Photonics for students of classes X, XI and XII in which over 100 students from different schools and colleges participated. The demonstrations were handled exclusively by the MSc students. This was the third event of the same kind organized by the students of the department.
4	BSc Outreach Program on 16 Jan 2016	Every year SPIE – Manipal University Students Chapter organized an Interactive program for the BSc students in the neighbouring colleges wherein they are briefed about the fields of photonics, Nanoscience and technology and Biophysics. The event was held on 15 Jan 2016 and was attended by around 65 students from different colleges.

Details of guest visit (lectures, collaboration, visitors on campus):
Guest lectures:

MANIPAL COLLEGE OF PHARMACEUTICAL SCIENCES

Manipal University, Manipal
Phone Number: 0820 2922482

Email-Office: office.mcops@manipal.edu, Principal: mallik.rao@manipal.edu

Name of Principal: Dr C Mallikarjuna Rao

Established: 1963

Programs:

- DPharm
- BPharm
- PharmD
- MPharm
- PharmD Post Baccalaureate

About school:

MCOPS has come a long way since 1963. The college has DPharm, BPharm, MPharm (11 specializations), PharmD, PharmD Post-Baccalaureate and PhD programs running successfully. All the program conducted at MCOPS have received the sanction from AICTE and PCI. The institution, a constituent college of Manipal University, has got "A" accreditation from NAAC and certification from ISO 9001:14 000. MCOPS has received significant financial assistance from AICTE, DST, DBT, UGC and other funding agencies helping it to modernize its laboratories and remove obsolescence. New buildings and extensions have been made to keep pace with the newer initiatives and courses that were launched in the last few years. With modern well-equipped laboratories and air-conditioned lecture halls, there is the right ambiance for learning in the college. A significant number of post-graduate students

are recipients of GATE or GPAT scholarship from AICTE. MCOPS has a Quality Improvement Centre, recognized by AICTE. This has enabled teachers from other institutions to choose MCOPS for pursuing their doctoral work. Most of the faculty members at MCOPS have acquired PhD or are working for it. Up until now, MCOPS has produced 156 PhD holders, 1,876 research publications in National/International journals of repute, 1,793 conference presentations, 19 books and 8 patents. Besides, it has received more than 21.81 crores grant in aid from various funding sources. The college, therefore, is verily a research hub. Faculty, research scholars and postgraduates publish their work in reputed journals with impact factor besides making presentations at national and international conferences.

Institutional activities/curricular activities:

New initiatives:

Sl no	Activity	Particulars
1	Pharma Conclave	Pharmaceutical industry is an ever-growing field with a lot of flux. The advances in science and technology make huge impact on pharmaceutical industry. Generally, the academia is a bit sluggish in incorporating the latest developments. This creates a sort of gulf between the requirements of industry and the quality of products emanating from academia. Recognizing this gap, we at MCOPS had constituted an Industry Institute Partnership Cell (IIPC) more than a decade ago. This cell is used to provide a forum for useful interaction between experts from industry and faculty and pharmacy students. The interactions help us in the college to know what the industry expects from our students after they complete their academic programs and qualify.
2	Centres of Excellence	The Pharma Majors Conclave appreciated the centres concept. As per the outcome of the conclave, it was decided to establish the centres in phase manner. In the first phase, the proposals for four centres namely – <ul style="list-style-type: none"> • Centre for Drug Delivery Technologies, • Centre for Toxicovigilance and Drug Safety, • Centre for Drug Testing, • Centre for Drug Regulatory Affairs were submitted to Manipal University for approval. The University granted approval for the commencement of the above mentioned centres.
3	Paperless Digital Exam	The problems that are faced by the educational institution in connection with the examination are procurement of white papers, storage and preservation of written answer books, compilation of marks, etc. The E-Pad is the solution to overcome all these problems in one go. MCOPS implemented “E-Pad: Paperless Digital Exam Device” for writing the sessional and University Examinations from the academic year 2016–17. This technology obviates the usage of paper and hence an eco-friendly way to save millions of trees. Besides, the e-pad helps storing the answer scripts in electronic format (Pdf) for life long with bare minimum space requirement.

All other activities in the department relating to the program/course:

Sl no	Activity	Particulars
1	Annual Sports Meet “ATHLOS”	A month-long sports activity of MCOPS ATHLOS 2015–16 began on 25 Jan 2016. Various indoor and outdoor games were special modalities which came to an end on 1 Mar 2016 with athletics event. Dr G K Prabhu, Director, MIT, Manipal was the Chief Guest of the day. The day began with a grand march past from students of various batches. Dr C Mallikarjuna Rao gave the welcome address which was followed by the chief guest’s speech who also declared the meet open. Students of MCOPS who represented Manipal University in various sports events were felicitated by the dignitaries. Mr Venkatesh Kamath, Sports secretary proposed the vote of thanks. Dr Srinivasa Reddy, Dr C S Shreedhara, Dr Satish Mallya, Physical Director and Dr N Udupa were also present on the dais. Various awards and prizes for different games were given away in the function.
2	Curriculum Development Committee Meeting	Curriculum Development Committee meeting was held on 12 Feb 2016 in MCOPS in the presence of a representative from pharma industry, Dr Tadiparthi Ravikumar. The committee this time looked at modifying the syllabi of Pharmaceutical Chemistry and Quality Assurance subjects to meet with the requirements of the industry. The Head of Pharmaceutical Chemistry, Dr Gautham Shenoy and the Head of Pharmaceutical Quality Assurance Dr Krishnamurthy Bhat made presentations. The meeting decided, after protracted discussion, to bring in effective changes in the curriculum so as to make it in tune with industry requirements.
3	MCOPS Alumni Meet	The first annual alumni meet was held on 12 Feb 2016. The Chief Guest of this program was our alumnus Dr T Ravikumar, Associate Director of Wockhardt, Aurangabad.

Sl no	Activity	Particulars
4	Manipal IPCs Funded Golden Jubilee Commemoration Lecture	An important annual event usually held around the Annual and Awards Day at MCOPS is the Golden Jubilee Commemorative Lecture. MCOPS has the unique distinction of conducting three Indian Pharmaceutical Congress here in Manipal. Money saved from these conferences is kept as a corpus fund to sponsor the Golden Jubilee Commemorative Lecture. An eminent academic or a person from pharmaceutical industry is invited to deliver this lecture. This time Prof Bhushan Patwardhan, from Interdisciplinary School of Health Sciences, Savitribai Phule Pune University delivered the lecture on 13 Feb 2016. The title of the lecture was, "Moving away from drugs to formulation discovery."
5	Awards and Annual Day of MCOPS	The 54th Awards and Annual Day of MCOPS was celebrated at KMC Greens in Manipal on 13 Feb 2016. Prof Bhushan Patwardhan, Eminent Scientist, Interdisciplinary School of Health Sciences, Savitribai Phule, Pune University, was the Chief Guest. Mr Raghurama Bhandary, Drugs Controller of Karnataka was the Guest of Honor. Dr H Vinod Bhat, Vice Chancellor and Dr P Laxminaryana Rao, Registrar Evaluation graced the occasion by their presence. Three alumni of MCOPS were conferred with the Distinguished Alumni Award. They are Dr Tadiparthi Ravikumar, Associate Director, Wockhardt, Aurangabad, Dr Rekha Shenoy, Associate Professor, Pharmacology, MCOPS and Dr Manthan D Janodia, Associate Professor, Pharmacy Management, MCOPS. Mr Swapnil Denge, Assistant Professor, Quality Assurance secured the coveted Dr TMA Pai Gold Medal for research while Dr N Gopalan Kutty, Professor of Pharmacology was given Lifetime Achievement Award for his contributions to teaching and the profession of pharmacy. Mr P V R Chowdhary, Dr Angel Treasa Alex and Dr Vijaya Bhaskar received the Good Teacher awards. Dr Josyula Venkata Rao bagged the Teacher of the Year award, instituted by Dr N Udupa, former Principal of MCOPS
6	CME by Dept of Pharmacy Practice	Dept of Pharmacy Practice has organized CME on "Role of Pharmacist in Improving Patient Treatment Outcomes" in association with Pfizer Ltd, Mumbai on 28 Feb 2016 in Manipal.
7	Manipal Chapter of Society for Ethnopharmacology	The Manipal Chapter of Society for Ethnopharmacology was inaugurated in a formal function held at MCOPS on 12 Feb 2016. The local chapter was flagged off by Prof Bhushan Patwardhan, Director, Interdisciplinary School of Health Sciences, Savitribai Phule Pune University, Pune and Editor in Chief, Journal of Ayurveda and Integrative Medicine by lighting a lamp. Dr K L Bairy, Professor, Dept of Pharmacology, KMC Manipal and the President Manipal Chapter of SFE and Dr C Mallikarjuna Rao, Principal, MCOPS Manipal were present on the occasion. In his inaugural speech Prof Bhushan Patwardhan underlined the importance of Ethnopharmacological research and associated benefits for the mankind as a whole. Prior to the inauguration Dr K L Bairy, highlighted the aims and objectives of the SFE. He also explained the benefits for members of the society.
8	PHARMAQUORA - 2016	The Academic Committee of MAPS organized the Annual Pharma Fest of Manipal College of Pharmaceutical Sciences "PHARMAQUORA-2016" a festival to unearth the literary and scientific talents of students, on 4 and 5 Mar 2016. Not only students from Manipal, but out-station candidates too actively participated in this two-day event. Dr R S Jeyaprakash, Faculty Advisor and Ms Anila, Vice President, MAPS coordinated the entire program.
9	Annual Pharmacy Practice Meet - 2016	The staff and students of Department of Pharmacy Practice have organized their fourth annual social get together- Pharmacy Practice Meet on 12 Mar 2016 in Dr TMA Pai Amphitheatre, Manipal. This event is an annual recreational meet for unwinding themselves and prepare for new dawn of challenges and opportunities.
10	Innovative Communication Club (I2C)	Manipal College of Pharmaceutical Sciences inaugurated I2C Council – 2016 on 4 May 2016. Dr N Udupa, Director – Research (Health Sciences), Manipal University was the chief guest for the program.
11	Release of College Magazine "INCESSANT"	The college magazine of MCOPS "INCESSANT" (continuing without a pause) was released at a simple function held in MCOPS on May 27, 2016. The Chief Guest of the function Lt Col P S Shetti, Vice President, Projects and Services, MEMG Int India Pvt Ltd officially released the magazine in the presence of a large audience, comprising faculty members, research scholars and students of MCOPS. Dr C Mallikarjuna Rao, Principal, MCOPS in his welcome address conveyed best wishes to the outgoing students and asked them to take the good memories of their tenure at Manipal

Sl no	Activity	Particulars
12	Orientation program for undergraduate students	Orientation for the undergraduate programs BPharm and PharmD on 1 and 2 Aug 2016. The prodigious crowd was addressed by Honourable Vice Chancellor of Manipal University, Dr H Vinod Bhat, the chief guest of inauguration program. Dr Vinod Bhat exalted MCOPS for standing first in the NIRF ranking of MHRD, India, and also, for upholding quality education and research.
13	Orientation program for postgraduate students	Dr H S Ballal, Pro Chancellor of Manipal University congratulated the new MPharm, PharmD Post Baccalaureate students and parents for choosing Manipal as their destination, during the orientation on 4 Aug 2016. Such was his message that the students were inspired not to be book worms; rather strike the perfect balance between curricular and co-curricular activities, essential for an overall development.
14	Research Orientation	One day program "Research Orientation" was organized by Innovative Communication Club (I2C), Manipal College of Pharmaceutical Sciences on 24 Aug 2016. Chief Guest, Dr N Udupa, Director – Research (Health Sciences) and Guest of Honor, Dr C Mallikarjuna Rao, Principal inaugurated the program. Dr C Mallikarjuna Rao explained and stressed on the need of igniting the spark of conducting quality research in the post-graduate students (I and II Year M Pharm). These words were also echoed by Dr N Udupa when he addressed the gathering on the current aspects and challenges in the field of research. The support, facilities and guidance available at the Manipal University for conducting the research activity was rightly passed on into the budding researchers gathered there.
15	Technology Transfer Office Activity at MCOPS	Technology Transfer Office, Directorate of Research, Manipal University organized one day awareness program on Intellectual Property Rights in collaboration with Ministry of Small and Medium Enterprises (MSME) and District Industry Association on 2 Sep 2016. The one day awareness program highlighted the importance of Patents, Trademarks, protecting innovations, industrial designs and other aspects of intellectual property
16	Reunion of Alumni batch of 1987-1991	About 20 proud alumni of batch 1987-1991 gathered at MCOPS on 2 and 3 Dec 2016 to celebrate the reunion. The annual alumni meet was held in MCOPS on 3 Dec 2016. This meet was witnessed by the alumni of batch 1987-1991, students and faculty of MCOPS
17	Alumni meet during the 68th IPC	Manipal College of Pharmaceutical Sciences organized another alumni meet during the 68th Indian Pharmaceutical Congress (IPC) held at Visakhapatnam, AP, on Dec 16, 2016. About 20 alumni attended this meet and, senior professionals shared their Manipal life with fellow young alumni and encouraged them. The alumni meet was witnessed by the presence of eminent alumni like Dr Kaushik Desai, Dr T K Ravi, Dr Sreedhara R K Pai, Dr Ramkumar, Dr Nagaraju and Dr KVSRRG Prasad. Dr N Udupa, Research Director (Health Sciences) Manipal University coordinated the meet.
18	THE GAIETY GENESIS (2016)	Initium Motivum, to initiate the motive, being their motto for the day, the MAPS launched the day, meant only for them, THE GENESIS'16. On this exotic day, happened the inauguration of Student Council 2016–17, The MAPS.
19	Sanskriti 2016	Webster defines "festival" as a special time or event when people gather to celebrate something, and is rightly so. Sanskriti 2016, the college cultural fest of MCOPS, is not only seen as an inter-class competition, but also a way to celebrate talent in a grand manner. The seven-day fest started on 21 Oct 2016, which was considered as day 0, wherein prelims were held for events like antakshari, potpourri, general quiz and TV show quiz. Competitions were held for various events such as classical dance, eastern and western singing, instrumental, collage, rangoli, street play, etc., and witnessed a large participation by students, who were enthusiastic in taking part in activities that are otherwise a mere hobby, after the exams. A Facebook Sanskriti page was created to update the competitions that occurred as well as to showcase the amount of hard work put up by the cultural council. The week-long cheer and high-spirited competitions came to its culmination on the grand finale held on 27 Oct 2016.
20	Drug Safety – Patients Counselling Drive	MAPS in collaboration with ISPOR-MUSC on 24 Sep 2016 "Pharmacists: Caring for You" patients counselling drive in the out-patient pharmacy of Kasturba Hospital and also at Manipal Drug House. Out-patients were counselled regarding their medication. Students of all classes BPharm, PharmD (around 48 students) helped in conducting the counselling session.

Sl no	Activity	Particulars
21	World Pharmacists Day	MAPS in collaboration with ISPOR-MUSC celebrated FIP World Pharmacists Day on 24 and 25 Sep 2016. On World Pharmacists Day, 30 students along with Dr Kanav Khera and Dr Girish Thunga visited the Bijapur slum to spread awareness regarding alcohol abuse and smoking among the inhabitants of the slum. Information leaflets which contained information on the topic was distributed to the inhabitants. A small skit depicting the ill-effects of alcohol and smoking was performed by the students. The skit was well appreciated by the audience. With the efforts of the volunteers, the events were successfully conducted and World Pharmacists Day 2016 became a memorable day.
22	Daan Utsav	Manipal College of Pharmaceutical Sciences celebrated Daan Utsav by interacting with 50 kids from Sri Krishna Balaniketan, Kukkikatte, Udupi on 8 Oct 2016. The children were given a bird's eye view of the Pharmacy Museum and were given a brief demonstration about tablet punching, capsule filling and ampule sealing process. Cultural programs and creative games were organized for the kids. The kids seemed to be having a gala time along with the students. At the end of the function snacks and gifts were distributed to the kids
23	Diabetes Camp in Karkala	On occasion of World Diabetes Day, a diabetes camp was organized by Dr Karthik Rao N in the TMA Pai Rotary Hospital at Karkala. The staff and the students of Dept of Pharmacy Practice actively participated in this camp and helped the people with diabetes. The camp was aimed at providing awareness to diabetic patients in Karkala. A multidisciplinary team consisting of doctors, dieticians, clinical pharmacists, physiotherapists, occupational therapists, dentists and optometrists provided comprehensive care for the patients to help them control their condition in a better manner. Our students helped in organizing the camp along with providing clinical pharmacy services which involved diabetic counselling on medications and the disease. The students expressed "It was indeed an enriching experience working with healthcare workers from different departments for betterment of patient care."
24	Blood Donation Camp	In view of National Pharmacy Week, CDC, MAPS called for a Blood Donation Camp in association with Blood Bank of Kasturba Hospital in the college on 22 Nov 2016. 145 students and three Professors turned up for this noble cause, out of which 120 were found eligible to donate blood. This response greatly pleased the representatives of the blood bank.
25	Walkathon on Awareness of Diabetes	MCOPS conducted a Walkathon to spread awareness on antimicrobial resistance as well as awareness on diabetes on 23 Nov 2016.
26	Literature and Arts Club	Research Scholars and PG students of Department of Pharmacology have started "Literature and Arts Club" for the benefits of student community of MCOPS.
27	MCOPS Cycling Club	Students of MCOPS have formed a cycling club, which started its activities in 2016. The events are organized by the undergraduate students of MCOPS and supported by the research scholars and faculty members. The club organizes regular weekend rides to various locales in Udupi district. So far, more than 30 rides spanning over 1000 km have been completed. The club brings together, people with a common interest under a single platform; both amateur as well as seasoned cyclists. MCOPS cycling club aims to promote recreational stress relief with a dose of fun.

Details of guest visit:
Guest lectures:

Sl no	Visitor	Name of the University	Institution	Purpose of visit	Date of visit
1	Dr K G Revikumar	--	Director and Principal, KIDS, Trivandrum	Interacted with students, research scholars and faculty members	20 Jan 2016
2	Sri Raghurama Bhandary	--	Drugs Controller, Government of Karnataka	Talk- "Pharmaceutical Regulatory Issues in Indian context"	13 Feb 2016

Sl no	Visitor	Name of the University	Institution	Purpose of visit	Date of visit
3	Mr Anirban Roy Chowdhury	--	Senior Director – Global Clinical Trial Operations, MSD Pharma Pvt Ltd	Guest Lecture: “Role of Industry-Academia integration for Pharmaceutical innovation”.	9 Jun 2016
4	Prof Dr R S Ramaswamy	--	Director General, Central Council for Research in Siddha (Ministry of AYUSH, Government of India) Chennai	Interacted faculty members and research scholars of Manipal University regarding the opportunities in Research in Siddha	4 Jul 2016
5	Dr Purushottamachar Puranik	University of Maryland	Research Associate (Medicinal Chemistry), Centre for Biomolecular Therapeutics, School of Medicine, Baltimore, USA	Talk – “Development of androgen receptor down-regulating agents for the treatment of all forms of prostate cancer”	15 Jul 2016
6	Dr Rajesh Nayak	St John’s University, Jamaica, USA	Director of Graduate Studies in Pharmacy Administration	Guest Lecture – “Newer and evolving models of pharmacy practice in America”	13 Aug 2016
7	Mr Umakant Ashok Bahirat	--	Research Scientist, Dept of Pharmacology, Novel Drug Discovery and Development, Lupin Ltd, Pune	Guest Lecture – “Drug Discovery: A Challenge”	13 Aug 2016
8	Dr Ashutosh Nayak	--	Principal Scientist, Research Development, Biocon Research Ltd, Bengaluru	Guest Lecture – “Challenges in Protein Formulations – Current Trends and Future Perspectives”	27 Aug 2016
9	Mr Parikshit Khokale	--	Associate Scientific Manager (FDL), Biocon Research Centre, Bengaluru	Guest Lecture – “Parenteral Bio-pharmaceutical Drug Product Development: Industrial perspective”	27 Aug 2016
10	Dr Amit Agarwal	--	Research Scientist and Head, Dept of Molecular Biology, Chest Research Foundation, Pune	Two Guest Lectures – 1) Research as a career option 2) Academic culture in United States of America	24 Sep 2016
11	Dr G Jagadeesh	--	Advisor and Scientist, Division of Cardiovascular and Renal Products, Center for Drug Evaluation and Research, US food and Drug Administration, Silver Spring Maryland, USA	Talk – “The never-ending story of Angiotensin II Drugs targeting the renin-angiotensin-aldosterone system in the treatment of hypertension and other cardiovascular diseases”	8 Nov 2016
12	Dr Harendra Parekh	University of Queensland	Senior Lecturer, School of Pharmacy, Australia	Lecture – “New age medicines for age old diseases”	8 Dec 2016
13	Dr Vandana B Patravale		Professor of Pharmaceutics, Dept of Pharmaceutical Science and Technology, Institute of Chemical Technology, Mumbai	Interacted with students, research scholars and faculty members	24 Dec 2016

2	MAPS is the only body in India to get IPSF MiA recognition	MAPS of MCOPS is the First organization in the country to be granted Membership in Association (MiA) recognition by the International Pharmaceutical Students' Federation (IPSF). MAPS was accorded membership during the 62nd IPSF General Assembly session held at Harare, Zimbabwe in August 2016. IPSF is one of world's oldest international student organization of pharmacy students and pharmacists and it represents more than 320000 pharmacy and pharmaceutical sciences students and recent graduates in 80 countries. Headquartered in The Hague in Netherlands, IPSF is associated with World Health Organization and United Nations Educational, Scientific and Cultural Organization and works closely with the International Pharmaceutical Federation (FIP).	

Faculty members:

Sl no	Name	Details	Date
1	Dr Girish Pai K, Assistant Professor- Selection Grade, Department of Pharmaceutics	First prize for scientific poster presentation in National Health Care Management Conference on "HEALTHCARE – Challenges and Potential Breakthroughs" held in SIESCOMS, Nerul, Navi Mumbai. The title of the presented paper was "Development and evaluation of ocular inserts of sodium cromoglycate using combination of few biodegradable safe polymers."	13 Feb 2016
2	Ms Ruchi Verma, Assistant Professor – Senior Scale, Department of Pharmaceutical Chemistry	Won Hat-trick of awards in the cooking competition during UTSAV (Annual fest of MU). She received the First prize for "make your own veggie dish" and 'Sweets and Desserts' and second prize for non-vegetarian cooking.	06 Apr 2016

Sl no	Name	Details	Date
3	Dr M Surulivel Rajan, Associate Professor, Department of Pharmacy Practice	Selected as a Postdoctoral Research Associate at University of North Texas System College of Pharmacy. Dr Rajan is working in Pharmacometrics to develop models for drug pharmacokinetics and pharmacodynamics to develop medication compliance model. The duration of the research assignment is for two years.	
4	Dr Rajesh V, Dr Sonal Sekhar M and Dr Suhaj A, faculty members, Department of Pharmacy Practice	Received ISPE Scholarship to attend the 32nd International Conference on Pharmaco-epidemiology and Therapeutic Risk Management (ICPE), Dublin, Ireland	25-28 Aug 2016
5	Dr Girish Pai K, Assistant Professor – Selection Grade, Department of Pharmaceutics and Dr Girish Thunga Assistant Professor - Senior Scale, Department of Pharmacy Practice	Nerve24, a Mumbai based integrated digital healthcare company confirmed the association of Dr Girish Pai K and Dr Girish, as Honorary Advisors. Dr Girish Pai K, facilitated the collaboration with Nerve24 and subsequently, Nerve24 entered into a strategic MoU with Manipal University in September 2016.	12 Dec 2016
6	Dr Vamshi Krishna T, Assistant Professor – Senior Scale, Department of Pharmaceutics	Successfully completed his post-doctoral research fellowship at Laboratory of Biomedical Vibrational Spectroscopy (LEVB), Instituto de Pesquisa e Desenvolvimento (IPandD), Universidade do Vale do Paraiba (UNIVAP), Brazil.	01 Aug 2015 – 20 Jul 2016
7	Dr Usha Y Nayak, Associate Professor, Department of Pharmaceutics	Received Prof V Subba Rao third prize for Excellence in National Level Power Point Presentation Competition 2016 organized by POWER-India on the occasion of 68th Indian Pharmaceutical Congress held at Andhra University, Visakhapatnam	16-18 Dec 2016
8	Ms Ruchi Verma, Assistant Professor- Senior Scale, Department of Pharmaceutical Chemistry	First prize in poster presentation in the International day of Yoga competition conducted by Division of Yoga, ICMR, Manipal	21 Jun 2016
9	Dr Usha Y Nayak, Associate Professor, Department of Pharmaceutics	Successfully completed all course requirements for Design of Experiments Training conducted and received Certificate of Excellence awarded 2-4 IACET Continuing Education Units for 24 hours of organized instruction	Feb 2016
10	Dr K Nandakumar, Associate Professor, Department of Pharmacology	Second prize in poster presentation for the paper, "Rutin Alleviates Doxorubicin-Induced Chemobrain in Mammary Cancer Rats" at APTICON at Manipal University, Manipal	14-16 Oct 2016
11	Dr Nitesh Kumar, Assistant Professor – Senior Scale, Department of Pharmacology	First prize in poster presentation for the paper, "Liposomes of Silymarin Increases in Vitro and In Vivo Hepatoprotection against Alcohol Induced Hepatotoxicity" at APTICON, at Manipal University, Manipal	14-16 Oct 2016
12	Dr Richard Lobo, Associate Professor, Department of Pharmacognosy, Mr Nilesh Gupta, Ms Nimmy Gupta, Mr Jay Kumar Bhagat and Ms Jessy Elizabeth Mathew, M Pharm students	Certificate of Merit to the Research paper in Dr P D Sethi Memorial Annual Award – 2015 for the paper entitled "Identity – based High-performance Thin Layer Chromatography Fingerprinting Profile and Tumor Inhibitory Potential of Anisochilus carnosus (L f) wall Against Ehrlich Ascites Carcinoma	
13	Dr Lalith Kumar, Dr Girish Pai K, Mrs Ruchi Verma, faculty members of MCOPS	First prize in Poster presentation in Pharmaceutical Technology category for the poster entitled "Polymeric Nanosuspension of Gefitinib: in vitro and in vivo characterizations" during the 68th Indian Pharmaceutical Congress (IPC) held at Visakhapatnam, A P	16 Dec 2016
14	Dr Virendra S Ligade, Assistant Professor – Selection Grade, Department of Pharmacy Management	Received Certified Sentinel of Science Award (Top 10 percent of reviewers) by Publons	

Sl no	Name	Details	Date
15	Dr Pradeep Muragundi, Assistant Professor – Selection Grade, Department of Pharmacy Management	Received “Sentinels of Science Awards” from Publons for being the top overall contributor to peer review in the field of Health Professions for the year 2015-16. This award includes a certificate and \$60 gift card	
16	Dr Suvarna G Kini, Associate Professor, Department of Pharmaceutical Chemistry	Received second prize in poster competition in Medicinal Chemistry section for the poster titled “Synthesis and Biological Evaluation of Novel Quinoline Carboxamide Analogues for Antimicrobial Activity” in APTICON–2016 held at Manipal University, Manipal	14-16 Oct 2016
17	Mr Swapnil J Dengale, Assistant Professor – Senior Scale, Department of Pharmaceutical Quality Assurance	Second prize for the Best Poster Presentation “Preparation, Solid State Characterization and In-vivo In-vitro Efficacy Assessment of Ritonavir: Lopinavir Co-Amorphous Systems” in APTICON–2016 held at Manipal University, Manipal	14-16 Oct 2016
18	Dr D Sreedhar, Head, Department of Pharmacy Management	Had been included as member of PhD Registration Committee member and attended a meeting on in Rajiv Gandhi University of Health Sciences (RGUHS)	25 Jul 2016
19	Dr Krishnamurthy Bhat, Professor and Head, Department of Pharmaceutical Quality Assurance	Co-investigator in a grant of research project “Thiopurine Therapy in inflammatory bowel disease-optimizing existing strategies”. The project is funded by Science and Engineering Research Board (SERB), Govt of India and the amount sanctioned is Rs 49,92,862.00. This study addresses certain key issues of thiopurine therapy in inflammatory bowel disease from a Pharmacokinetic and molecular perspective which translate directly to patient care. It seeks to evaluate the usefulness of measuring the concentrations of an extended profile of the thiopurine metabolites at defined time points and activity of the enzymes TPMT and IT Pase involved in thiopurine metabolism in order to correlate these with the efficacy and adverse events so as to bring out either to unexplained association, thus personalizing the therapy.	
20	Mr P V R Chowdary, Reader, Department of Pharmaceutical Chemistry	Good Teacher Award for the academic year 2015-16 among the teachers of III and IV year B Pharm Programs.	12 Feb 2016
21	Dr Angel Treasa Alex, Assistant Professor – Senior Scale, Department of Pharmaceutical Biotechnology	Good Teacher Award for the academic year 2015-16 among the teachers of I and II year B Pharm Programs	12 Feb 2016
22	Dr Vijaya Bhasker K, Assistant Professor – Selection Grade, Department of Pharmaceutical Chemistry	Good Teacher Award for the academic year 2015-16 among the teachers of Pharm D Program	12 Feb 2016
23	Dr J Venkata Rao, Professor and HOD, Department of Pharmaceutical Biotechnology	Teacher of the Year Award for the academic year 2014-15	12 Feb 2016
24	Dr Rekha R Shenoy, Associate Professor, Department of pharmacology and Dr Manthan D Janodia, Associate Professor, Department of Pharmacy Management	Distinguished Alumni Awardees 2015	12 Feb 2016
25	Dr Yogendra Nayak, Associate Professor, Department of Pharmacology	Best Audio-Visual teaching material for the academic year 2014-15	12 Feb 2016

Sl no	Name	Details	Date
26	Dr Swapnil J Dengale, Assistant Professor, Department of Pharmaceutical Quality Assurance	Dr TMA Pai Gold Medal for outstanding research	12 Feb 2016
27	Dr N Gopalan Kutty, Professor, Department of Pharmacology	Life Time Achievement Award	12 Feb 2016

2	Ms Srilekha, Fourth year BPharm	Participated in the "International Youth Summit" conducted in Trivandrum	27-29 Jan 2016
3	Ms Aswathi R Hegde, Research Scholar, Department of Pharmaceutics	First prize for a poster entitled "Development and Evaluation of Dendrimeric Prodrugs of Ketoprofen: Effect of Passive Diffusion, Sonophoresis and Iontophoresis" at the ICMR sponsored National Seminar on "Advanced Pharmaceutical Technologies and Dosage Forms: Where does India stand in the current global context?" held at MCOPS, Manipal	18-19 Mar 2016
4	Ms Jyothsna M, Research Scholar, Department of Pharmaceutics	Second prize for a poster entitled "Combination of PAMAM Dendrimers and Ultrasound: Synergism in Transdermal Delivery of a Bioactive Molecule" at the ICMR sponsored National Seminar on "Advanced Pharmaceutical Technologies and Dosage Forms: Where does India stand in the current global context?" held at MCOPS, Manipal	18-19 Mar 2016
5	Mr Vivek Ghate Research Scholar, Department of Pharmaceutics	Second prize for a poster entitled "Investigation and Optimization of Formulation Parameters on Preparation of Tretinoin Loaded Nanostructured Lipid Carriers" in the ICMR sponsored National Seminar on the theme "Advanced Pharmaceutical Technologies and Dosage Forms: Where does India Stand in the Current Global Context?" held at Manipal College of Pharmaceutical Sciences, Manipal University, Manipal	18-19 Mar 2016
6	Ms Sangeetha Iyer and Mr Munawar Peringadi Vayalil, Fifth year PharmD	Attended Euro Heart Care – 2016, Annual Congress organized by Council on Cardiovascular Nursing and Allied Professions (CCNAP) of European Society of Cardiology (ESC) and Hellenic Society of Cardiovascular Nursing which was held at Athens, Greece	15-16 Apr 2016
7	Ms Jyothsna Manikkath, Mr Subhankar Biswas and Mr Mradul Tiwari, Research Scholars	Selected to participate in Novartis India BioCamp- 2016 held in Hyderabad. Over fifty students across the country, from disciplines of Pharmacy, Life Sciences, Medicine, Human Resources, Marketing and Statistics were selected by Novartis Biotechnology Leadership Camp 2016. Subhankar Biswas emerged as team winner in case study presentations	17-20 Jul 2016
8	Ms Srujitha Marupuru, PharmD Intern	Won the first prize for the poster titled "Development and Evaluation of Onconurse Practice-A Smartphone Application for Oncology Nurses" in the Conference on Technological Applications in Healthcare (TAHCON-2016) held at Manipal University, Manipal	17-18 Sep 2016

Sl no	Name	Details	Date
9	Mr Ashtosh Sinha and Ms Shivani Karnik of second year BPharm	Received Certificate of Appreciation in the M V Kamath Memorial National Parliamentary Debate Tournament, Pro Verb 16 and has been awarded the position of Semi Finalist. The tournament was organized by School of Communication, Manipal University	16-18 Sep 2016
10	Mr Koteswara Ananthamurthy, Research Scholar, Department of Pharmaceutical Biotechnology	Second prize in poster presentation in APTICON at Manipal University, Manipal coauthored by Dr V M Subrahmanyam and Dr H Raghu Chandrashekhar	14-16 Oct 2016
11	Ms Sanchari Basu Mallik, Research Scholar, Department of Pharmacology	First Prize for the oral presentation entitled "Study of In-Vivo Protective Effect of Sodium Valproate against Chemotherapy Induced Cognitive Dysfunction" at APTICON at Manipal University, Manipal	14-16 Oct 2016
12	Ms Navya Sree K S, Research Scholar,	First prize for the poster titled "Polymeric nanosuspension of grefitinib: In vitro and In vivo characterization" (A-262, Section: Pharmaceutical Technology) in 68th Indian Pharmaceutical Congress at Visakhapatnam, Andhra Pradesh.	16-18 Dec 2016
13	Mr Saketh Reddy R, Second year MPharm, Department of Pharmaceutics	First prize for the poster titled "Formulation and optimization of fast dissolving films of Atenolol using maltodextrin" (A-659, Section: Pharmaceutical Technology) in 68th Indian Pharmaceutical Congress at Visakhapatnam, Andhra Pradesh	16-18 Dec 2016
14	Ms Sindhuja, Fourth PharmD	Won the first prize for the poster entitled "Assessment of quality of life in non-metastatic breast cancer patients in tertiary hospitals before and after chemotherapy" (H-186, Section: Hospital Pharmacy) in 68th Indian Pharmaceutical Congress at Visakhapatnam, Andhra Pradesh	16-18 Dec 2016
15	Ms Lonita Lobo, Second year MPharm, Department of Quality Assurance	Won the second prize for the poster titled "Bioanalytical method development and validation of Naproxen" (F-140, Section: Pharmaceutical Analysis and Quality Assurance) in 68th Indian Pharmaceutical Congress at Visakhapatnam, Andhra Pradesh	16-18 Dec 2016
16	Mrs Bhavana B Bhat, Research Scholar, Department of Pharmacy Management	Presented a research abstract on "ECONOMIC IMPACT OF ADRs: A PUBMED BASED STUDY" in 68th Indian Pharmaceutical Congress, Vishakapatnam	16-18 Dec 2016
17	Ms Navya Sree K S, Research Scholar, Department of Pharmaceutical Quality Assurance	First prize for the poster presentation "Preparation and characterization of Valsartan nanoparticles" in 68th Indian Pharmaceutical Congress at Visakhapatnam, Andhra Pradesh	16-18 Dec 2016
18	Mr Grandhi V Ramalingayya, Mr Pawan G Nayak, Ms Shilpee, Mr Devkar Raviraj Anand, Mr Subhankar Biswas, Research Scholars, and Mr Mopidevi Venkata Srikanth of M Pharm and Ms Swastika Maity, Mr Sachin Kumar V K, Ms Desaraju Sushmita, Ms Tanya Sinha and Mr Arbind Kumar Mandal of B Pharm	Incentive Award

MANIPAL COLLEGE OF DENTAL SCIENCES

Madhav Nagar, Manipal – 576 104

Phone Number: 0820-2922340

Email- Office: office.cods@manipal.edu Dean: nirmala.rao@manipal.edu

Dean: Dr Nirmala N Rao

Established: 1965

Programs/Courses offered:

- BDS
- MDS in
 - Prosthodontics and Crown and Bridge
 - Periodontology
 - Oral and Maxillofacial Surgery
 - Conservative Dentistry and Endodontics
 - Orthodontics and Dentofacial Orthopaedics
 - Oral Pathology and Microbiology
 - Public Health Dentistry
- Paedodontics and Preventive Dentistry
- Oral Medicine and Radiology
- Post Graduate Diploma in Dental Materials
- Advanced certificate course in Oral Implantology
- Advanced certificate course in Aesthetic Dentistry
- Advanced certificate course in Lasers Dentistry
- Dental Mechanic course
- Dental Hygienist course

About institution:

Manipal College of Dental Sciences (MCOADS), Manipal, was originally founded as College of Dental Surgery in 1965. Today MCOADS, Manipal, is one of the best-equipped dental colleges in the country, engaged in oral healthcare education, research, patient care and community services.

- Ranked as No 1 Dental College in India (Source: The Week Ranking: 2014, 2015, 2016).
- Ranked as No 1 Dental College in India (Source: Outlook Ranking: 2009, 2010, 2011).
- Ranked No 2 (Source: Outlook ranking 2012, 2013, 2014, 2015, 2016).
- The college has state-of-the-art clinical facilities with advanced training in Aesthetic Dentistry, Implant Dentistry, Laser application and integrated photography in dentistry.
- The preclinical simulation laboratories offer cutting edge facility to develop practical dental skills.
- The clinical facilities offer full range of dental services for both generalized and specialized dental treatment needs.
- State-of-the-art Phantom Heads Lab and Ceramic Lab.
- Recognized by the Malaysian Dental Council since 2004.

Institutional activities/curricular activities:

New initiatives:

Sl no	Activity	Particulars
1	MoU with Boston University	MCODS signed a Memorandum of Understanding on 6 Feb 2016 with Boston University through Henry M Goldman Schools of Dental Medicine (BUGSDM) to promote mutual understanding, and to contribute to the advancement and progress of dental education and science through educational and academic collaboration and exchanges of mutual interest and benefit. The universities have agreed to send four students and a faculty member as team leader for two-week rotations. The BUGSDM rotation is expected to begin in September of each academic year and that of MCODES will begin between 1 Jun and 15 Aug of each academic year.
2	International Conference facilities for undergraduate students	MCODES, Manipal, sponsored the winners of SRF-RISE to attend an International Conference, "Impaction-III" at MMMC, Melaka, Malaysia and present posters at e-poster competition.
3	Full Mouth Implant Rehabilitation Centre	Caters to provide Full mouth rehabilitation using Implants
4	Inauguration of "Kinder Care"	The aim of this initiative is to provide counselling and anticipatory guidance to expectant mothers and new parents about oral developmental milestones and sound oral health related behaviours to safeguard oral health of the child. An educative booklet "smiling mums and laughing babies" was also released on this occasion. This initiative is in line with the theme of Indian Society of Paedodontics and Preventive Dentistry for the year 2016 "Healthy mother, smiling child."
5	MIDST 2016	A 10 day summer training program aimed at providing international dental students a glimpse into dentistry as practiced in India.
6	Tobacco Cessation Clinic	The established Tobacco Cessation Clinic has started functioning biweekly on Thursday and Saturday, from August 2016.
7	Meet the Expert -Seminar series	Aimed to bring alumni back to alma mater and enhance student alumni interaction. This concept resulted in the genesis of an innovative program "Meet the Experts", consisting of six continuing professional development programs in the form of seminars over six consecutive months
8	Inauguration of the OPD Annexe	Mr Pramod Madwaraj, Minister for Youth Affairs, Sports and Fisheries, and District in-charge Minister – Udupi, inaugurated the OPD Annex of Manipal College of Dental Sciences. The 29,562 square feet facility is housed on two floors with provision of hi-tech dental chairs, mini-libraries, computer terminals, seminar halls with modern audio-visual aids and faculty chambers. A comprehensive range of modern dental equipment such as the Piezosurgery unit, Surgical Operating microscope, Iontophoresis kit, Vista scan, Soft tissue and hard tissue lasers [Erbium], Ultrasonic Endodontics amongst others, have been instituted to provide exceptional dental care.

All other activities in the department relating to the program/course:

Sl no	Activity	Particulars
1	Oral hygiene day celebrations – 1 Aug 2016	The Department of Periodontology celebrated "Oral Hygiene Day" to commemorate the birth anniversary of Dr G B Shankwalkar, the pioneer of Periodontology in India. On this day Dr Ashok Shetty, a consultant dermatologist and deputy director at the Bhakti Vedantha hospital and research institute delivered a lecture on "Medical Ethics – Welfare not Warfare"
2	Periodontology Postgraduate Alumni meet on 24 Mar 2016	The presence renowned alumni such as Dr BRR Varma, Dr T R Gururaja Rao, Dr Dilip Nayak and Senior Professor Dr S R Prabhu glorified the Alumni meet of department of Periodontology. Dr Sukhchain Bagga and Dr Neeraj Deshpande, delivered lectures on "Periodontal Plastic Surgery" and "Non-surgical Periodontal Therapy" respectively, on this occasion.

Sl no	Activity	Particulars
3	Pharmacotherapeutics in Plaque Control on 17 Feb 2016	The Department of Periodontology organized this program in association with the Himalaya Drug Company Ltd. Dr D Sreedhar, Associate Professor and Head of the Department of Pharmacy Management, delivered lecture on "Clinical trials and Clinical Trial registry-India, Role of Phytopharmaceuticals in dentistry." Dr Vaheed, Manager of scientific services, Himalaya Drug Company, and Dr Arun Kumar M S, Professor in the Department of Periodontology, Yenepoya College of Dental Sciences, Mangalore spoke on the topic "Chemical Plaque Control – Is it an Absolute Necessity?"
4	Tobacco Cessation Clinic - Tobacco Free Grama panchayat.	Initiative started to make a village named Varambally, in Udupi Taluk, a role model tobacco free grama panchayat over the next 24 months in alliance with related support groups and organizations. Model: Weekly visit
5	KH-OPD Health Awareness Program	Patient referral program from Kasturba Hospital for free treatment at the comprehensive clinic of MCOCS.
6	Research methodology workshop for PGs	A lecture series for first year PG's about research methodology and protocol writing.
7	Lectures in Behavioural Sciences for first year BDS students	Orientation lectures in the field of Behavioural Sciences, including Psychology, Sociology and culture has been started to enable a better understanding.
8	Lectures in Research methodology for second year BDS students	Topics and Planning to start Research methodology for Second year BDS students to enable a better understanding of how to conduct the research.
9	Science day celebrations held on 28 Feb 2016	Free oral health check for students on National Science Day by department of Paedodontics and Preventive Dentistry, MCOCS, Manipal celebrated National Science Day on 28 Feb 2016 by providing oral health check up to students and giving them free health cards for treatment. Dr Deepika Pai, Associate Professor, and Dr Mariam Sophia, Lecturer, supervised the event in which 174 children and 24 teachers from 11 schools in and around Udupi and Manipal took part.
10	Children's Day celebration	Quiz and drawing competition for school children.

Details of Research grants:

Sl no	Project Name	Principal Investigator	Funding Agencies	Total Grants Received
1	Salivary Biomarker and Cytomorphometry in detection of oral Squamous Cell carcinoma	Dr Deepika Rathna M and Dr Monica C Solomon	Clementia Biotech	ELISA Kit – Rs 50,000
2	Salivary DNA methylation markers for early detection of Oral cancer	Dr Adarsh Kudva	Royal College of Surgeon Edinburgh	10000 POUNDS
3	Effect of Cissus Quadrangularis in Healing of facial trauma	Dr Chithra	Aksigen hospital care	Rs 13,000
4	Evaluation of cortisol concentration in saliva and its correlation with haemodynamic parameters as a measure of stress during minor oral surgical procedures	Dr G Srikanth	Udupi Pharmaceuticals	Rs 19,000
5	Comparative evaluation of erosive potential of fortified and non-fortified fruit juices: an in-vitro study	Dr Priyanka Dedhia/ Dr Deepika Pai	Institutional Grant	Rs 10,000

Sl no	Project Name	Principal Investigator	Funding Agencies	Total Grants Received
6	Effects of laser assisted fluoride therapy with diode laser and Er,Cr:YSGG Laser on enamel of primary teeth - An invitro study	Dr Praveenkanth Reddy/Dr Rashmi Nayak	Institutional Grant	Rs 10,000
7	An invitro comparison of shear bond strength of light cure mineral trioxide aggregate and light cure calcium hydroxide with nano filled composite	Dr Anu/Dr Deepika/Dr Sumit	Institutional Grant	Rs 10,000
8	A comparative evaluation of the effect of chewing gums containing probiotic bacteria CPP-ACP and Xylitol on salivary streptococcus mutans counts in children – a randomised control trial	Dr Kanwardeep, Dr Sridhar/Dr Mridula	Biogaia, Sweden Institutional Grant	Rs 89,000 Rs 10,000
9	Prevalence of early childhood caries and associated risk factors among two to five-year-old anganwadi children of Udupi District – A case control study	Dr Soundariya K Dr Rashmi Nayak/Dr Saurabh Kumar	Institutional Grant	Rs 10,000
10	Fracture resistance of teeth obturated with two different types of mineral trioxide aggregate cements.	Dr Vasudev Ballal	Bio MTA Korea	Rs 1,58,120
11	Study on molecular pulp diagnostics in dental caries	Dr Vasudev Ballal	University of Zurich	Rs 3,37,781
12	Effect of two finishing file in smear layer removal	Dr Vasudev Ballal	Engineered Endodontics, USA	Rs 2,010
13	Evaluation of two different types of Mineral trioxide aggregate cements as direct pulp capping agents in human teeth.	Dr Vasudev Ballal	Bio MTA Korea	Rs 25,000

Awards/recognitions

Established: 2011

Programs:

- MSc Dietetics and Applied Nutrition (MSc DAN)
- MSc Hospitality and Tourism Management (MSc HTM)

About department:

The DAHS is established to provide globally benchmarked education in Culinary Arts, Hospitality and Tourism and Dietetics and Applied Nutrition. The postgraduate master's program, Dietetics and Applied Nutrition is designed to enhance knowledge and skills of those who wish to expand their understanding of human and clinical nutrition, and develop critical evaluation skills through an integration of nutrition, dietetics (therapeutic nutrition) and research.

The postgraduate course in Hospitality and Tourism aims to further students' knowledge and understanding of the hospitality industry, and to develop critical awareness of current issues and new insights in the areas of professional and industry specific practice. The DAHS encourages student research in core and allied fields in clinical nutrition, hospitality and tourism.

Institutional activities/curricular activities:

New initiatives:

Sl no	Activity	Particulars

Sl no	Activity	Particulars
5	National Nutrition Week 2016	The National Nutrition week is an annual nutrition event of great importance and is celebrated from 1–7 Sep every year. The Theme for National Nutrition Week 2016 was “Life Cycle Approach for Better Nutrition”, which reflects improvements in young child survival, nutrition and development. During the nutrition week poster competition was held and the theme was “First 1000 days, golden window of opportunity.”
6	Asare Visit	On 17 Sep 2016 students of MSc DAN spent an emotionally satisfying day with the inmates of Asare by conducting games and activities. Literally meaning “A Ray Of Hope For The Specially Abled.”
7	World Diabetes Day 2016	World Diabetes Day is the primary global awareness campaign of the diabetes world and is held on 14 Nov each year. Each year, World Diabetes Day is centred on a theme related to diabetes. This year the theme for the day was “Eye on Diabetes.” We had organized awareness program on management of diabetes were in students of MSc DAN displayed posters on “Control and management of Diabetes: prevention of Micro and Macro vascular complications.” Target audience were Type 2 Diabetics, Individual at risk of diabetes.
8	Community Health and Adopted Family’s Nutritional Status	MSc DAN students along with the faculty members made regular weekly community visits to the Anganwadis and RMCW homes in Kadekar, Kalmadi and Alevoor. During these visits, the students assessed the basic nutrition and health facilities being provided under the ICDS scheme and aimed at prevention of nutritional deficiencies in the risk groups. They undertook the growth monitoring of children in the AWCs and counselling of their mothers as well as other pregnant and lactating mothers visiting the RMCW homes. Students in groups were allotted 11 families with at least two vulnerable groups for holistic family health and nutrition status assessment. They visited the families every week and observed and interviewed families to assess their level of awareness, beliefs and attitudes towards health and disease and diet patterns, along with reasons or factors affecting the same. They assessed their nutritional status based on anthropometry, biochemical records and diet intake. Based on the interactions and analysis, students imparted individualised Nutrition and Health Education to families with the use of innovative and creative education material regarding importance of environmental and domestic hygiene, basic dietary habits, special nutritional requirements for risk groups, immunisation, growth monitoring, family planning, low cost nutritious recipes, home economics, etc. They even helped the families to start kitchen gardens and showed them how to keep the house and its surrounding clean to prevent infections. The education material prepared was given to the families.
9	Swachh Bharath Mission	As a part of Swachh Bharath Mission students of MSc DAN Performed cleanliness awareness in Anganwadi .

 - Food Service and Waiting in Restaurants
 - Cookery for Commercial Cooks
 - Bakery for Homemakers
 - Bakery for Commercial Bakers

About Department:

Manipal University pushes the boundaries beyond the quality education and superior value as it offers professional courses of highest standard with value for money. More and more people can now follow the culinary education dream by partnering with Manipal University. Manipal University has Launched BA in Culinary Arts, a three-year degree program and 1 year Post Graduate Diploma in Culinary Arts program with a mission to provide aspiring culinary professionals, a globally benchmarked educational experience and qualification. The program is designed by top chefs from India and focuses heavily on hands-on-training. The classes are handled by proficient chefs and guest chefs from around the world. The state-of-the-art facilities offer a realized environment similar to those in first-class hotels and restaurant. The Academy is erected in a total of 12500 sq ft area; the Bachelor of Culinary Arts encompasses innovative teaching, the cutting-edge facility providing students with an in-depth understanding of today's most advanced culinary techniques and technologies providing opportunities for

best practice excellence. The DOCA—possesses training kitchens and classrooms, including dedicated hot and cold kitchens, pastry and confectionary kitchens, meat-cutting and fabrication labs' dining room, and academic classroom spaces for interaction embedded with its unique Studio Kitchen.

The three-year degree covers the subject like Culinary Skill Foundation, Baking and Patisserie, Indian Cuisine and Culture, Food and Wine Harmony, Food and Sociology and Anthropology, Food Entrepreneurships and Small Business Projects, Global Cuisine and Gastronomy, Food Styling and Presentation and Research Methodology. The field of culinary arts is a robust one, offering a variety of working conditions and career opportunities, from personal chefs, Chefs, Food Photography and Journalism, and other allied food preparation industry held nearly 5.3 million jobs in 2011; nearly two-thirds of whom were employed in hotels, restaurants and other food services and other food service industry. The industry has experienced increased growth over the last decade, as many people eat more meals

outside of the home than ever before. While the growth of the industry will remain stable over the next decades, Job openings for chefs, cooks and food preparation workers are expected to be plentiful through 2016. However, competition should be keen for jobs in the top kitchens of higher end restaurants. While job growth will create new positions, primarily due to the expansion of family-casual dining, the overwhelming majority of job openings will stem from the need to replace workers who leave this large occupational group. Employment growth will be spurred by increase in population, household income and leisure time that will allow people to more often dine out

and take vacations. In addition, the large number of two-income households will lead more families to opt for the convenience of dining out.

DOCA is committed to support, mentor and provide lifelong inspiration to the graduates. It believes in preparing the students for their career as it is about excellence in culinary arts, its technical know-how and hands-on experience more than learning theory. Ensuring to be a leading force for the personal development and career, DOCA, is dedicated one feel proud to be enrolled in one of the most dynamic place to study culinary arts in the country and in the world in future.

MANIPAL COLLEGE OF NURSING MANIPAL

Madhav Nagar, Manipal

Phone Number: 0820 2922443

Email-Office: office.con@manipal.edu, Dean: anice.george@manipal.edu

Name of Dean: Dr Anice George

Established: 1990

Programs:

- Basic BSc Nursing
- Post Basic BSc Nursing
- Post Basic Diploma in Nursing
- MSc Nursing
- MPhil Nursing (Part-time)
- PhD Nursing

About institution:

Established in 1990, Manipal College of Nursing (MCON), Manipal, is one of the leading institutions in India for Nursing Education and Research. The mission statement of Manipal College of Nursing Manipal is consistent with that of its parent organization, Manipal University.

The vision and mission statements of Manipal College of Nursing Manipal respectively are:

“To be a world class nursing institution with international standards and a hallmark of excellence in Nursing Education, Practice and Research” and “Excellence in nursing education, healthcare services, research and commitment to human development.” There are a set of standards, values and goals that the institution upholds. The college is certified by ISO 9001:2008 and 14001:2004. Manipal College of Nursing, Manipal, has been ranked as the fourth best nursing college in India (web survey) and third in the most preferred Nursing College in recruiters’ choice (The Week Survey). MCON, Manipal, is one of the four Nursing Institutions in India whose degree is approved by Singapore Nursing Board.

Core objectives:

To offer professional education of high pedagogic excellence, optimal learning environment and opportunity for personal and professional growth.

To encourage community participation and interaction with National and International healthcare organizations.

To develop professional competency and research skills in students and faculty.

Speciality areas:

The college houses six clinical nursing departments to cater to the academic needs of the students.

The Clinical Nursing departments are:

- Fundamentals of Nursing
- Community Health Nursing
- Obstetrics and Gynaecology Nursing
- Child Health Nursing
- Medical Surgical Nursing
- Mental Health Nursing

New initiatives:

Sl no	Activity	Particulars
1	Conducted Continuing Nursing Education (CNE) at Al Salam International	A total of six groups of faculty members of the college went to Al Salam International Hospital, Kuwait and conducted CNE for their staff nurses on their topics of interest.
2	Initiated Bioethics training programs for UG and PG students	These sessions are conducted both for undergraduate and postgraduate students to equip them with the legal and ethical aspects in relation to the patient care. This will enable them to safeguard both the patients and themselves in their practice arena. The topics are planned in the beginning of the academic year and faculty who are trained in bioethics course as well as the faculty from KMC are taking the sessions.
3	Initiated a Student Counselling Unit	Department of Psychiatric Nursing of the college has constituted a Student Counselling Cell to assist those students who may experience academic challenges caused by personal, physical, family or emotional difficulties and to assist them to cope with dilemmas in their personal development or with painful life events. The services are preventive and educational in nature and come from a developmental perspective.
4	Formulated an Institutional Student Research Forum (SRF-MCON)	Under Research Core Committee, each college should have student body for representing research activities amongst the student groups. Faculty representative is Dr Sonia and student is Mr Anil Raj. There will be one selected member from each batch and the activities of the students' forum is to motivate the students to do research and publish them in scopus indexed journals.
5	Constituted a Research Core Committee to enhance the research visibility	One member from each department is selected to this committee. The main aim of this committee is to explore on grants, apply for grants and obtain the grants.
6	Nurse Practitioner in Critical Care post graduate residency program	Nurse practitioner in critical care post graduate residency program has got approval from Manipal University to begin from 2017 academic year onward. Program is also approved by Indian Nursing Council subject to their inspection.
7	Add on Courses – Advanced Critical Care Nursing, Emergency Nursing, Infertility Nursing and Neonatal Nursing	These courses will equip the graduates and post graduates with extra clinical expertise. The program provides competency based assessment on completion with 30 hours of instruction and 90 hours of clinical exposure to ICUs and Emergency units.
8	Open electives on Medical Emergency and First Aid for MIT 6th semester students	Thirty hours of classes and demonstrations on Medical emergencies and first aid is offered for MIT students.
9	Awareness on Adolescent Health for School Children	Initiated awareness regarding Adolescent Health for Schools of Udupi district.

MANIPAL SCHOOL OF NURSING

MCON, Manipal University, Manipal

Phone Number: 0820 2922158

Email-Office: office.son@manipal.edu, Principal: kasutir.adiga@manipal.edu

Name of Dean: Dr Anice George

Established – ANM training School – 1959

GNM/DNM training – 1962

Programs:

- Diploma in Nursing and Midwifery

About institution:

Manipal School of Nursing made a humble beginning in the year 1959 because of the insight and wisdom of our founder Dr TMA Pai, who relentlessly worked with the conviction that “education helps to remove the ills of society.” The government aid was very little if any. The School took its first steps as the Auxiliary Nurse Midwives training center and was later upgraded as the General Nursing and Midwifery training center in the year 1962. The professional educational program is geared to prepare nurses to meet the health needs of individual, family, community and the country at large. The scope of diploma nursing is very vast and includes practice in hospitals, community, industry, air force, navy, army, hospitality

sector, education, administration and many others in the country and abroad. It also forms a strong foundation for advanced courses in nursing. The MSON is recognized as a Centre for KSDNEB examinations. Nearly 1500 students from 10 institutions of Udupi district attend the theory examination in this centre. The School is also certified by ISO 9001-2000 and Integrated Management System and accredited by Karnataka Nursing Council and Indian Nursing Council. Annual sanctioned intake of the School is 60 with 10 percent seats reserved for Govt sponsored candidates. Currently DNM program is of three years duration. Final year result in the last academic year was 100 percent.

Dean – Dr Ullas Kamath

Established – 1997

Programs

- MBBS, BDS

About institution:

The MBBS program offered by MMMC is the outcome of a Memorandum of Understanding (MoU) between JVMC Corporation Sdn Bhd, Malaysia and Manipal Education and Medical Group (MEMG). The students undergo two years of basic sciences and six months of clinical training in Manipal followed by two and a half years of clinical training in Malaysia. The twinning program and the establishment of the Melaka-Manipal Medical College was approved by the Ministry of Education, Malaysia and the MBBS degree is recognized by the Malaysian Medical Council and Government of Malaysia. The student intake for the year 2016 was 278. MMMC started offering the BDS program

from 2009 and the intake in 2016 was 77. The Malaysian accreditation agency granted a five-year accreditation for the MBBS program of MMMC in 2015, a first for a private university in Malaysia. The curriculum follows a hybrid mode of delivery incorporating active learning strategies along with traditional methods including lectures, problem-based learning (PBL) and clinical attachments. Other curricular innovations implemented are Personal and Professional Development (PPD) training, Mentored Student Projects (MSP), Basic Life Support (BLS) course and conducting of examination using digital platform like “e-pad.”

Institutional activities/curricular activities:

New initiatives:

Sl no	Activity	Particulars
1	Digital Practical in Biochemistry	Biochemistry dept pioneered the use of digital laboratory for conducting practical's in November 2016
2	Anatomy Pre-Dissection Activities	Dept of Anatomy organized pre-dissection activities such as a rangoli competition of neuroanatomical structures. These activities also include query videos and certain Game Based Learning strategies like dumb charades, crosswords and word search in December 2016

Sl no	Activity	Particulars
3	Digital examination for internal and university examinations	In the year 2016 students appeared internal block exams using the “e-pad”, which is a completely digital platform used for objective and subjective answering as well as evaluation, thereby reducing massive consumption of paper and time.
4	Use of Clickers	Department of Pathology initiated the use of clickers for summative assessment and review sessions.

All other activities in the department relating to the program/course:

Sl no	Activity	Particulars
1	MCQ workshop	MMMC Faculty Initiative for Recreation and Empowerment was inaugurated last year and has various sub groups working towards enriching skills and overall work experience. Dr Ramnarayan conducted an MCQ workshop in Jan 2016.
2	a) Fundamentals of student assessment (FoSA) workshop b) Digital laboratory workshop c) Workshop on blueprinting	M-FIRE club regularly conducted sessions for faculty including, Fundamentals of Student Assessment (FoSA), Digital laboratory workshop and workshop on blueprinting
3	Coagulation workshop	Department of Pathology, MMMC and Haemophilia Society Manipal, organized a “Hands on workshop on Coagulation for post graduates” in Jan, 2016

Email-Office: office.icas@manipal.edu, Director: rs.aithal@manipal.edu

Name of Director: Dr Radhakrishna S Aithal

Established: 1994

Programs:

- BS Engg

About institution:

International Centre for Applied Sciences (ICAS), Manipal, affiliated to Manipal University started International Engineering Twinning Program (full time, four years duration) in the year 1994 with the objective of providing international education and exposure to Indian students. This program [BS (Engineering)] has been designed as a perfect launch pad for those who aspire to study and graduate from one of the top universities of the world. This is a unique program where the students spend the first two

years in ICAS, Manipal University and the following two years in a university abroad, of their choice (the Engineering Degree awarded by the foreign university only). This is made possible by adopting the high quality curriculum, teaching and evaluation methodologies that are followed by top universities abroad. In the last 23 years, about 1500 students have entered more than 100 foreign universities through acceptable credit transfer from ICAS, pursuing their Bachelors/Masters Degree in Engineering.

Institutional activities/curricular activities :

New initiatives:

Sl no	Activity	Particulars
1	Mechatronics branch started from Aug 2016	--

All other activities in the department relating to the program/course:

Sl no	Activity	Particulars
1	Annual Sports Day held on 5 Mar 2016	Dr Suma Nair, Director Of Student Affairs, MU, was the Chief Guest for the inaugural function and Dr Vinod C Nayak, Secretary of Sports Council, MU, was the Chief Guest for the valedictory function.
2	Annual Day and Awards Ceremony held on 22 Mar 2017	Mr Anshul Mittal, Executive Director, Mittal Appliances Limited, Indore, was the chief guest of the program. Mr Anshul Mittal is an alumnus of ICAS (1997, Mech)

Sl no	Activity	Particulars
3	Paperless Digital Examination was adopted with the help of Littlemore Innovations, Chennai	For 2016 Batch
4	23rd Batch Inaugural program (Orientation) was held on 24-25 Aug 2016 in Chaitya Hall, FIVV	Dr Lyn Bartlett, Associate Dean (Off Campus Program) Andrews University, USA, was the Chief Guest. Twenty five representatives from our partner university in Australia, UK, USA, Canada, France and Malaysia have actively taken part in this event. Mr Saurabh Sangla, Executive Director, Signet Industries Ltd, Indore, an alumnus of ICAS (1998-2000) addressed and motivated the students.
5	Syllabus Revision meeting held on 25 Aug 2016 from 3-5 pm in Senate hall, manipal.edu building	Discussion was held with professors of various branches of partner university. This is with regard to improve the standard/acceptability of ICAS curriculum at par with our partner universities, anticipating better credit transfer for the students.
6	Workshop from ESIGELEC, France "The Written Word" held on 21 Sep 2016.	To know how to write a compelling CV and statement of purpose and also a short presentation on French as a foreign language for the benefit of all students of ICAS
7	Painting Competition was held on 14 Oct 2016 on account of Swacch Bharat Abhiyan "Swachh Pakhwada"	Many students of ICAS have actively taken part in it.
8	Workshop on "Cracking your Dream University Abroad" held on 18 Oct 2016	An awareness workshop on Foreign University Admissions, "Cracking Your Dream University Abroad", is arranged for the benefit of all ICAS students in the Library Auditorium, 4th floor, Central Library, MIT. Mr Syed Pasha, National Head of Admission Counselling at Admission Table, India and Major Deepak Iyer, Co-Founder of Admission Table, India, were the resource persons.
9	Talents Day "REVERB" was held on 22-23 Oct 2016 in Sir M V Seminar Hall and Library Auditorium	The following competitions were held in which our students have actively taken part in most of the competitions. They are as follows; Antakshari, Mad Ads, Street Play, Debate, Quiz, JAM, Singing, Solo/ Duet dance, Group dance.

Mangalore Campus

KASTURBA MEDICAL COLLEGE

Light House Hill Road, Hampankatta, Mangaluru – 575 001

Phone Number: 1 824 2422271

Email-Office: kmcmng@manipal.edu Dean: kmcmng@manipal.edu

Name of Dean: Dr M Venkataraya Prabhu

Established: 1955

Programs:

Besides undergraduate teaching in Medicine, Physiotherapy and BASLP, the College offers postgraduate training facilities leading to the following degrees and diplomas in Medical Sciences, Master of Physical Therapy (MPT), MASLP, PhD, MSc (Medical) and M Phil:

- MD (General Medicine)
- MD (Paediatrics)
- MS (General Surgery)
- MS (Obstetrics and Gynaecology)
- MS (Orthopaedics)
- MD (Anaesthesiology)
- MS (Oto-rhino-laryngology)
- MS (Ophthalmology)
- MD (Dermatology, Venerology and Leprosy)
- MD (Anatomy)
- MD (Physiology)
- MD (Biochemistry)
- MD (Pharmacology)
- MD (Pathology)
- MD (Microbiology)
- MD (Radio-Diagnosis)
- DGO (Obstetrics and Gynaecology)
- DCH (Paediatrics)
- DA (Anaesthesiology)
- DLO (Oto-rhino-laryngology)
- DO (Ophthalmology)
- DOrtho (Orthopaedics)
- DCP (Clinical Pathology)
- DDVL (Dermatology, Venerology and Leprosy)
- PhD (Anatomy)
- PhD (Physiology)
- PhD (Biochemistry)
- PhD (Microbiology)
- PhD (Pharmacology)
- PhD (Community Medicine)
- MSc (Medical) Physiology
- MSc (Medical) Microbiology
- MSc (Medical) Anatomy
- MSc (Medical) Biochemistry
- MSc (Medical) Pharmacology
- MSc (Clinical Psychology)
- MPT (Master of Physical Therapy)
- MASLP (Master of Audiology and Speech Language Pathology)
- BSc (MRT)

About institution:

Kasturba Medical College, Mangalore, was started in 1955, utilizing the clinical facilities of the Government Wenlock Hospital and Government Lady Goschen Hospital. The pre-clinical section was started in Mangaluru in the year 1961.

The Kasturba Medical College, Mangalore, became an independent College in 1977. Apart from the two Government hospitals, there are other teaching hospitals attached to the College, viz. the KMC Hospital, Attavar,

established in 1992 with a bed strength of 500. The infrastructural facilities are comparable to international standards, with six big air-conditioned lecture halls with seating capacity for 250 people, fitted with modern audio-visual teaching aids including multi-media projectors and a modern, fully air-conditioned library with a seating capacity of about 500 and with internet facility. The library has over 10,000 books and subscribes to more than 350 journals annually.

In the year 2001, the Centre for Basic Sciences was started at Bejai for the first-year students. Apart from the departments of Anatomy, Physiology and Biochemistry, there are two lecture halls with a seating capacity for 250 people and both girls' and boys' hostels within the Basic Sciences Complex for the first-year students. The Kasturba Medical College, Mangalore, provides hostel accommodation for its students in eight hostels. Out of these, five are the girls' hostels.

There is also a Medical Education Unit which conducts Orientation Programs for students, interns and Post-graduates and provides resource material for the teaching faculty members.

The Medical Council of India granted recognition to KMC, Mangalore in 1958 with the first graduating class of KMC. Recognition by the General Medical Council of Great Britain and the Malaysian Medical Council soon followed. New courses, faculty research and student amenities steadily developed over the years. The first College to be developed as a private partnership model in medical education and health care delivery, KMC, Mangalore ranks among the top 25 medical colleges in the country today. It is also the medical college with the highest ICMR STS awards in the country. The Educational Commission recognizes KMC, Mangalore, as one among 20 International Medical Schools for Foreign Graduates (ECFMG) for electronic credentials verification program. The students from 45 countries have graduated from KMC and the degrees have been recognized worldwide.

Institutional activities/curricular activities:

New initiatives:

Sl no	Activity	Particulars
1	MoU	1 Mekelle University, Ethiopia. Ayder Comprehensive Specialty Hospital, Ethiopia 2 University Calude Bernard Lyon, France

About institution:

Manipal College of Dental Sciences, Mangalore, was established in the year 1987. It has had the unique distinction of being the first dental institute in the country to be permitted to admit 100 students from the very first year of inception, along with the simultaneous commencement of post-graduate degree programs. As an ISO certified institution (ISO 9001:2008 and 14001:2004), MCODES, Mangalore, has endeavoured to meet the challenges of

global recognition and is recognized by the Malaysian Dental Council.

It provides an environment that is conducive to optimal patient care, learning and research with its infrastructure that includes 311 dental chairs, state-of-the-art dental equipment and laboratories, centrally air-conditioned library, lecture halls and CDE rooms with audio-visual aids, and access to the newer generation of dental materials that

ensure optimal training in undergraduate and postgraduate training programs.

- The institute also has a mobile dental clinic with two automated dental units that help render treatment in areas with limited access to dental care. It also has five rural satellite dental clinics.
- Cone Beam Computed Tomography (CBCT) Machine with the latest software applications like 3D Face photo, 3D Model Scan, 3D Ortho Studios, Ceph analysis and ENT applications is the first of its kind in the country.

- MCOADS, Mangalore, has been ranked 6th among private dental colleges in India and 13th among 305 Dental colleges of India according to the survey by Outlook "Best Professional Colleges-2016".
- MCOADS, Mangalore, has been recognized as the Most Proactive Dental College of the Year 2015-16 for the outstanding performance in the clinics and research contributions by Guident Dental Academic Excellence Awards and Oral Medicine and Radiology department as the best department.

Institutional activities/curricular activities:

Department of Oral Pathology and Microbiology			
13	Dr Shakthi Dorai	Won 2nd prize in e-poster competition at 6 th UiTM Dental Students Symposium, hosted by Faculty of Dentistry, Universiti Teknologi MARA, Malaysia	20 Apr 2016
14	Dr Nunna Sai Chitra	Won best Scientific paper award under student category at the XXIV National Conference of Indian Association of Forensic Odontology.	23-25 Sep 2016
Department of Orthodontics and Orofacial Orthopaedics			
15	Dr Paulomi Roy	Won first prize for the table clinic presentation at 20th IOS Post Graduate Convention at Amritsar	3-6 Mar 2016
16	Dr Khyati Narula	Won second prize for the poster presentation at 20th IOS Post Graduate Convention at Amritsar	
17	Dr Utkarsh Mangal	Won third prize for the clinical innovation paper presentation category at 20th IOS Post Graduate Convention at Amritsar	

SI No	Name	Details	Date
Department of Paedodontics and Preventive Dentistry			
18	Dr Vignesh P Dr Avani Jain and Dr Tinsy Mary Titty	Won the First Place in the Scientific poster competition at the 13th National PG Convention of the Indian Society of Paedodontics and Preventive Dentistry, held at Hyderabad, Telangana	26-27 Feb 2016
19	Dr Sowmya Sridhar	Won the Best Poster award for scientific poster at the 38th Annual National Conference of Indian Society of Paedodontics and Preventive Dentistry, held at Kochi, Kerala	20-22 Oct 2016
20	Dr Vignesh P	Awarded Best PG from the Dept Paedodontics and Preventive Dentistry by Dental Academic Excellence Awards-2015-16	1 Dec 2016
21	Dr Ellana Jermiah Josph	Won third prize at Wet Canvas competition - 2016 by 3M ESPE at MCODES, Mangalore	14 Dec 2016
Department of Prosthodontics and Crown and Bridge			
22	Dr Nupur H Vaidya and Dr Anand S Kulkarni	Won the Best Paper award for a paper presentation at the 44rd Indian Prosthodontic Society Conference, Mumbai	2-4 Dec 2016

Students (UG):

SI no	Name	Details	Date
1	Ms Sunayana Bhatnagar	Bagged Bronze medal in 99 m butterfly stroke in MU Inter Collegiate Swimming tournament	6 Feb 2016
2	Ms Natasha Raura, Ms Aashna Roy, Ms Alisha Ono Idris bagged First position	As a part of International Women's Day, Indian Dental Association-DK Branch along with Public Health Dept, AJ Institute of Dental Sciences, held a Collage Making Competition at City Centre Mall on the topic "Gender Equality".	8 Mar 2016
3	Ms Aswani Juhi, Mr Saahil Khandelwal, Mr Pratish Aggarwal- Second position		
4	Ms Fong Chia Ying	Silver Jubilee Alumni Gold Medal for the Student who scored highest marks in final BDS 2015. Dr TMA Pai Gold medal for the Best Outgoing Student of the year 2015.	11 Mar 2016
5	Mr Sparsh Kapoor, Dr Subhajit Routh, Mr Yash Singh and Ms Vaishnavi	Won third position in an Inter College Chess Tournament organized by the Dept of Physical Education and Sports of NITK, Surathkal	25-26 Mar 2016
6	Ms Ansu Ann Abraham	1st prize in paper presentation 6th UiTM Dental Students Symposium, hosted by Faculty of Dentistry, Universiti Teknologi Mara, Malaysia	20 Apr 2016
7	Ms Pooja Netalakar Ms Maithreye S R Ms Mahima S K Babu Ms Preeti Prabhu Ms Aarthi Chand	Won the Consolation prize in district level Physiology competition on "HOMEOSTASIS-2016" held at Yenopoya Medical College- Deralakatte	5 May 2016
8	Ms Devyani Bahl	Has been selected as the Elsevier Student Ambassador - 2015-16 from South East Asia.	2016
9	Ms Devyani Bahl Ms Gayatri Rajeev, and Ms Abhipsa Roy	Awarded "The Best Editing" for their short film titled The Silent Assassin which was shown in the laomr National UG Conference 2016 at JDT Campus, Vellimadukunnu. Around 50 colleges from all over India participated in this event. The theme of the short film was "Oral Cancer."	16 Oct 2016
11	Ms Pooja P Netalkar	Awarded best UG-First year by Dental Academic Excellence Awards-2015-16	1 Dec 2016
12	Ms Nikita Rungta	Awarded best UG-III year by Dental Academic Excellence Awards-2015-16	

Sl no	Name	Details	Date
13	Mr Ajith Kamath	Awarded "Best Paper-UG Category" for a paper at 44th KSDC Conference, Hubli-Dharwad	8-11 Dec 2016

SCHOOL OF REGENERATIVE MEDICINE

GKVK Post, Allalasdandra, Yelahanka, Bengaluru – 560065

Phone Number: 080-28460671/81

Email-Office: office.mirm@manipal.edu Dean: gopal.pande@manipal.edu

Name of Dean: Dr Gopal Pande

Established: 2007

Programs:

- MSc Regenerative Medicine
- MPhil Regenerative Medicine
- Advanced PG Diploma in Stem Cells and Regenerative Medicine
- PhD Regenerative Medicine

About school:

School of Regenerative Medicine (SORM) was established in 2007 with an aim to generate trained manpower to cater to the emerging field of Stem Cell Technology. Over the years, SORM has emerged as an organization amalgamating strong academics with committed research program in Stem Cell Biology and Regenerative Medicine. Over the years SORM has developed a good infrastructure for advanced research in the field using funds from Manipal University, and research funding from national agencies like DBT, DST, CSIR, ICMR, DRDO, international collaborations and industry sponsored research. This year SORM has revised the syllabus for post-graduate students and the new

course is based upon the research activities of the SORM faculty members and it merges cutting edge research with the teaching program. The Faculty members in SORM have broad interdisciplinary expertise in Developmental Biology, Human Disease Modeling, Neurobiology, Cancer Biology, Immunology and Tissue Engineering. Post graduate students are mentored by the faculty members to either take up a challenging job in the healthcare sector or pursue further research interests within SORM (Dr TMA Pai Fellowship PhD Program) or other institutes of national and international repute. Most reputed universities recognize the curriculum and grading system of SORM across the globe.

Institutional activities/curricular activities:

All other activities in the department relating to the program/course:

Sl no	Activity	Particulars
1	A New Syllabus for MSc in Stem Cell Biology and Regenerative Medicine has been proposed and it is awaiting clearance by the Senate.	The new syllabus contains more emphasis on lab work and rationalization of lecture timings and contents. The course also contains elective topics where students would select topics and work on them for 9–12 months under intensive mentoring by the faculty members. (With Faculty and students of ratio 1:3)

Centre of Excellence

MANIPAL CENTRE FOR PHILOSOPHY AND HUMANITIES

Dr TMA Pai Planetarium Complex, Manipal University, Manipal - 576104

Phone Number: +91 820 2923561

Email-Office: office.mcph@manipal.edu Hol: nikhil.govind@manipal.edu

Name of HoD: Dr Nikhil Govind

Established: 2010

Programs:

- MA English
- MA Philosophy
- MA Sociology
- Integrated MA/PhD Program
- PhD Program

About department:

Manipal Centre for Philosophy and Humanities (MCPH) began functioning in Feb 2010. The centre was established to not only promote humanities and liberal arts education at Manipal University, but also function as a Centre of Excellence for teaching, research and social sensitivity. With increased awareness all over the world about the importance of humanities education, the objective of this Centre is to foster innovation in research and pedagogy in the humanities and to retain its reputation as one of the top programs in India. Masters and PhD programs in the

fields of English, Sociology and Philosophy are conducted for students that match the best international institutions. The task of the Centre is to encourage critical and creative thinking across a wide variety of disciplines. One of its core aims is to foster original writing from India in the fields of social sciences and humanities. The programs incorporate concepts from both Western and non-Western intellectual traditions to give the students a strong theoretical foundation, as well as research and writing skills.

Institutional activities/curricular activities:

a) New initiatives:

Sl no	Activity	Particulars
1	K K Hebbur Art Centre (HGAC)	The portraits of K K Hebbur represent his visual language. Hebbur is one of the most prominent modernist artists in India who was contemporary to the Bombay Progressive Artist's Group and belonged to a secular landscape of the post-independence Nehruvian era. An art gallery of his was opened in this period for public viewing and is open 10-5 pm on working days. Various events are organized related to art by the HGAC.

Sl no	Activity	Particulars
2	Centre for Women's Studies (CWS)	The CWS at Manipal Centre for Philosophy and Humanities was set up to bring forth a more nuanced social discourse on issues of equity and dignity of women, and initiate dynamic conversations on issues of social, political and economic importance related to gender issues. Its mission is to institute an interdisciplinary centre of international calibre that focuses on equality and ethical issues relating to gender and sexuality. The CWS aims to document, study and advocate women's issues in different spheres such as education, employment, health, legal system and policy. To sensitize, educate and encourage different target groups and stakeholders to address the complex changing demands of women's issues in a developing country like India. Through these activities, the CWS seeks to build Manipal University's reputation as a gender-sensitive organization and collaborate with different MU institutions working on gender related issues. The Centre conducts research and programs related to Gender and women's issues.
3	Centre for Religious Studies	The Centre for Religious Studies proposes to develop a comparative, multidisciplinary perspective to study the constant changes in the expressions and significance of religious practices in the past and in the present. We want to bring together expertise in specific religions with a comparative approach that draws on a variety of humanistic and social scientific disciplines. The Centre promotes interdisciplinary research, interchange and collaboration focused on religious studies among faculty members in Manipal and in the wider community through seminars, conferences and papers.
4	Centre for Cultural History	The Centre for Cultural History seeks to bring to Manipal many of the most important scholars in the field of aesthetics, literature and history to discuss the latest developments and trajectories of their research. The aim is to address both the scholars and the public on some of the most arresting and pertinent questions of our time.

Other activities in the department relating to the program/course:

Sl no	Activity	Particulars
1	Inauguration of K K Hebbar Art Gallery	Inaugurated the portraits of K K Hebbar representing his visual language.
2	A talk by Professor Deepak Sharma on Athato "Hinduism" Jijnasa for inauguration of Centre for Religious Studies on 11 Aug 2016	Deepak Sharma addressed ongoing controversies concerning voice and authority in Hinduism and Hindu studies through the lens of 13th Century Scholar Madvacharya.
3	A lecture on Garuda Sastra at the boundaries by Michael Slouber on 29 Aug 2016 was conducted by Centre for Religious Studies	Garuda Sastra is a religiously oriented medical tradition for snakebite that flourished in India over 1000 years ago. The presentation introduced features of the classical stage of this system in which knowledge and faith are harnessed in intricate visualization, accompanied by secret mantras to god and goddesses who take on avian forms.
4	Inaugural lecture on Why Have More Women's Study Centres Today? by Dr Ravinder Kaur on 26 Aug 2016 on the inauguration of Centre for Women's Study	As a part of the inaugural event a public talk was organized by the eminent women's Studies Scholar.
5	"Akshayambara" held on 17 Sep 2016 under Centre for Women's Study	A play to bring awareness on gender issues based on yakshagana style.
6	Conference on Literature and the Making of the Vernacular Nation held on 12 Nov 2016 conducted by the Centre for Cultural Studies	The conference brought together some of the foremost scholars working on modern Indian literature. The many scholars assembled discussed issues such as the question of genre, of differential time lines of evolution, of different types of political pressure, of differentiated groupings within the larger umbrella of India languages, of different affective registers of questions of sexuality, subjectivity and minority-consciousness.

Nov 2016: Manipal Centre for Philosophy and Humanities hosted the “Literature and the Making of a Vernacular Nation” - a conference on modern Indian literature. Vasudha Dalmia (University of California at Berkeley), Udaya Kumar (Jawaharlal Nehru University), Rimli Bhattacharya (University of Delhi), Simona Sawhney (IIT Delhi), Kiran Keshavamurthy (CSSS, Calcutta) made up the panel of speakers for the day.

The “Injustice and Self in Dalit Writing” conference witnessed the participation of eminent writers and scholars from the field of Dalit literature at the Manipal Centre for Philosophy and Humanities. The panel of speakers included, Gopal Guru (Jawaharlal Nehru University) and Sundar Sarukkai (Former Director, MCPH), Siddalingaiah (Kannada poet and author), Bama (Tamil author), Sathish Chandra (Journalist and author) and Ajay Navaria (Jamia Milia Islamia, New Delhi).

The inaugural of the new Religious Studies Centre at MCPH saw well known scholars like Dr Gary Tubb (Sanskrit Scholar) and Dr Micahel Slouber (Western Washington University)

The inaugural of The Centre for Women Studies at MCPH, welcome address by Dr Nikhil Govind. Dr Meera Baidur coordinator CWS in conversation with Dr Ravinder Kaur.

Lawn Mushaira, poetry reading by MCPH community.

MANIPAL CENTRE FOR NATURAL SCIENCES

Dr TMA Pai Planetarium Building, Manipal University Manipal-576104

Phone Number: 0820 2923571

Email-Office: Office.mcns@manipal.edu Director's Email: director.mcns@manipal.edu

Name of Director: Dr Mohini Gupta

Established: 2012

Programs:

- PhD
- Masters Project

About institution:

The Manipal Centre for Natural Sciences (MCNS) was started in 2011 under the Manipal Research Group (MARG). The primary aim was to nurture fundamental research in the Natural Sciences and grow into a hub of excellence within Manipal University. In 2012, the fledgling MCNS came into its own as a Centre of Excellence under Manipal University, mentored by the Vice Chancellor. It

is one of the first dedicated "all-research" centres started within a university.

From its inception, a unique and vibrant academic program has been initiated and integrated with existing research at partner institutions in India and abroad. Building on its core strength in physics, MCNS has been expanding to other disciplines as part of an ambitious mandate.

Institutional activities/curricular activities:

New initiatives:

Sl no	Activity	Particulars
1	General Radiation Awareness and Safety Program (GRASP)	A certificate course mandatory for all MCNS staff and researchers was conducted on 26 Feb 2016.
2	Theoretical Neutrino Physics and Computational Cosmology	Expertise in theoretical Neutrino Physics and Computational Cosmology was added to the theory Group during the year.

Other activities in the department relating to the program/course:

Sl no	Activity	Particulars
1	MCNS Retreat 2016	First retreat of MCNS was conducted on Saturday_5 Mar 2016.
2	PG lab	Unique experimental facilities to train students at the Masters' level in innovative Natural Sciences.

Activities at the Dr TMA Pai Planetarium, Manipal:

Dr TMA Pai Planetarium	<ul style="list-style-type: none"> • The old Apple Macintosh computer used to screen the shows was retired and replaced by a new one presently in use. • The Dr TMA Pai Planetarium auditorium at Manipal Centre for Natural Sciences is renovated and in use. • The Planetarium made available 300 copies of the MUP books entitled "Comets - Nomads of the Solar System" (sale price Rs 290 per book) and 300 copies of the second edition of "A Birders handbook to Manipal" (sale price Rs 450 per book) for sale in Feb and Mar 2016, respectively.
Dr TMA Pai birth anniversary was celebrated on 30 Apr 2016 at 10.30 am.	

Dr TMA Pai Planetarium	Postdoctoral Research Fellows and faculty members conducted a sky-watching event on the 5 Feb 2016. The event marked the occasion of the rare alignment of five planets (Jupiter, Mars, Saturn, Venus and Mercury) and the Moon. The sky-watch started early in the morning at 5.00 and ended at dawn. About 50 participants attended.
	National Science Day 2016: Five special shows of "Dawn of Space Age" were conducted on 28 Feb 2016 for the students of Manipal academy schools to mark the National Science Day and 261 students participated.
	Celebrated "Azadi 70 – Yaad Karo Kurbanii" (Freedom Fortnight) during 9–23 Aug 2016. It was not just a function held to comply with the official directive, but also an emotional event wherein the members celebrated our freedom, paid homage to the freedom-fighters and martyrs and exchanged views in strengthening our great country in Arts, Science, Technology, Culture, Economics and others spheres of activity. The program included expression of thoughts by individuals through brief talks and poems.
	Student participants of INSPIRE 2016 (Organized by MU), visited Dr TMA Pai Planetarium during the last week of May 2016; 206 members participated. All three batches were received at the front lawns by Dr Sreejith and Dr Athiray, and were given a short introduction about the research activities at MCNS and Planetarium. After walking through the lobby and watching different models, they were shown the "Dawn of the space age." Later, Dr Sreejith and Dr Athiray interacted with the students and answered the questions. The students were also inspired to take up small term research projects in science subjects at the school level itself.
	From 1 Jan to 27 Feb 2016 and 20 Nov to 15 Dec 2016, two extra shows bringing the total to six, were added on rush days, all Saturdays and as required on Sundays. Also from 15 Dec 2016 to 31 Jan 2017 two more shows were added daily on the rush basis.

Melaka-Manipal Medical College - Melaka Campus, Malaysia

Name of Director: Prof Datuk Dr Abdul Razzak Bin Mohd Said

Pro Vice Chancellor (Manipal University) and Chief Executive (Melaka-Manipal Medical College)

Name of Dean: Prof Dr Jaspal Singh Sahota (Faculty of Medicine)

Prof Dr Abdul Rashid bin Haji Ismail (Faculty of Dentistry)

Established: 1997

Programs:

- Bachelor of Medicine and Bachelor of Surgery (MBBS)
- Bachelor of Dental Surgery (BDS)
- Foundation in Science (FIS)

About institution:

Melaka-Manipal Medical College (MMMC) was established in 1997 in a joint venture with Manipal University, India, an icon of education that is well known for the last six decades. MMMC was set up through the vision of Datuk Dr Ramdas Pai, Chancellor of Manipal University and the instrumental efforts of the late Datuk K Pathmanaban, former Deputy Minister of Health, Malaysia. We are guided by our vision to be a "World class educational centre in a multicultural environment." MMMC is a premier medical

school in Malaysia and has been recognised for its high quality medical education when it was awarded a Six-Star by the Ministry of Education in its MyQuest rating of private institutions in the last two assessments till 2015. MMMC was also acclaimed as a Superbrand in Medical Education in The BrandLaureate-SMEs Best Brands Awards 2011-2012. MMMC offers three outstanding programs; Bachelor of Medicine and Bachelor of Surgery (MBBS), Bachelor of Dental Surgery (BDS) and Foundation in Science (FIS).

Institutional activities/curricular activities :**All other activities in the department relating to the program/course:**

Sl no	Activity	Particulars
1	Meetings with respective Preceptors (Specialists, Medical Officers, Nurses from the Ministry of Health, Malaysia)	Conducted twice a year – 12 May 2016 and 23 Nov 2016
2	Assisted and facilitated workshops for Ministry of Health Malaysia (Pharmacy Department) of Hospital Melaka and Hospital Muar	<ol style="list-style-type: none"> 1) Research Methodology and Proposal Development Workshop Pharmacists Muar. Date of Conference: 17 and 18 Jan 2016 2) Workshop on Effective Research Presentation Pharmacy 2016. Date of Workshop: 29 Jun 2016 3) Workshop on Statistics for Research. Date of Conference: 17 and 18 Jul 2016 4) Scientific Writing, Poster and Oral Presentation Workshop. Date of Conference: 7 and 8 Sep 2016 5) Validation of Questionnaire Workshop. Date of Conference: 8 and 9 Nov 2016
3	Career Progression Talk	Deputy Dean, a faculty member of Medicine conducted a talk on career progression for Foundation in Science students on 11 May 2016.
4	HIV Awareness Talk	Special Talk by MMMC Alumni on 12 Apr 2016
5	Outreach Medical Service by Department of Ophthalmology	Medical Camp organized by MMMC and MMA on 19 Nov 2016. Two faculty members participated along with final year medical students of MMMC at Kampung Orang Asli, Melaka. Thirty-two patients were examined for various eye conditions. Some were prescribed medicines and others were provided with medical advice.
6	Fellowship in Oral Implantology	The program is specifically designed for dental practitioners who are well motivated to undergo a structured implant training program but are unable to undertake a full-time post graduate study. The program is delivered in the form of oral presentations, interactive discussions, practical and clinical hands-on training sessions in state-of-the-art clinical and laboratory settings.
7	CBCT Course	This tailor-made course in 3D imaging for post graduates and specialists in dentistry program is aiming at training them to understand the basics of CBCT and have a hands-on experience which can help them to face any future imaging demands.

P O Box 345050, G04, Dubai International Academic City, Dubai, UAE

Tel: +971 4 429 0777 Fax: +971 4 369 4541

Established: Sep 2003

Academic President: Dr S V Kota Reddy

Programs:

I) Foundation Program

II) Certificate Courses

- Interior Design
- Graphics and Multimedia

III) Bachelor Degree Programs (3 years)

- Bachelor of Business Administration
- Bachelor of Business Administration (Hospitality and Tourism)
- Bachelor of Business Administration (Family Business Management)
- Bachelor of Commerce (Professional)
- Bachelor of Science in Biotechnology
- Bachelor of Science in Information Systems and Management
- Bachelor of Arts in Media and Communication
- Bachelor of Science in Applied Science
- Bachelor of Science in Food and Nutrition Science
- Bachelor of Science in Forensic Science

IV) Engineering Programs (4 years)

- Bachelor of Technology in Mechatronics Engineering
- Bachelor of Technology in Civil Engineering
- Bachelor of Technology in Mechanical Engineering
- Bachelor of Technology in Electronics and Communication Engineering
- Bachelor of Technology in Computer Science and Engineering
- Bachelor of Technology in Chemical Engineering
- Bachelor of Technology in Electrical and Electronics Engineering

V) Bachelor of Design (Interior Design) (4 years)

VI) Bachelor of Architecture (BArch) (5 years)

VII) Master degree programs (2 years)

- Master of Business Administration
- Master of Business Administration (Global Business)
- Master of Science in Information Sciences
- Master of Science in Medical Biotechnology
- Master of Science in Molecular Biology and Human Genetics
- Master of Arts in Media and Communication
- Master of Arts in Interior Design
- Master of Technology in Manufacturing Engineering and Technology
- Master of Technology in Digital Electronics and Advanced Communication
- Master of Technology in Construction Engineering and Management
- Master of Commerce (Professional)
- Master of Commerce (Logistics and Supply Chain)

VIII) PG Diploma programs

- Post Graduate Diploma in Cellular and Molecular Diagnostics
- Post Graduate Diploma in Logistics and Supply Chain
- Post Graduate Diploma in Corporate Communication

IX) Doctorate programs

- PhD in Biotechnology

About institution:

With just a handful of students, Manipal University, Dubai - a branch campus of Manipal University, India started in the year 2000. Later on, as its name began to flood the academic arena far and wide, Manipal University, Dubai soon moved to Dubai Knowledge Village in 2003 and within a short span of 3 years, shifted to the Dubai International Academic City. Being a multi-disciplinary university and attracting students from all over the globe, Manipal University, Dubai, in the year 2011, soon moved into a brilliant iconic building, situated in its own sprawling state of the art campus spread over a built up area of 7,50,000 sq ft. Adorned with excellent class rooms,

University events:**Orientation program:**

Manipal University, Dubai Campus, welcomed their freshmen batch of 2016-17 to their campus during an aureate freshmen orientation event held on 27-28 Aug 2016. Both the programs met with unprecedented success as a huge audience of 1,650 students, parents and special invitees attended them. Dr Narayana Sabhahit, Registrar of Manipal University, Dr G K Prabhu, Director of MIT, Manipal, attended the freshmen orientation program. The freshmen were addressed by Dr Narayana Sabhahit, Dr Raveendranath Nayak, Director - School of Business, Manipal, Dr G K Prabhu, Mr Ravi Panchanadan, CEO - Manipal Education (Middle East and Africa) and CEO - MeritTrac and Dr S V Kota Reddy, Academic President of Manipal University, Dubai Campus. This was followed by

IT facilities, regions best studios, 1,00,000 sq ft of lab infrastructure, library cum reading hall area exceeding 6,000 sq ft, modern indoor-outdoor sports complex and a vibrant cafeteria, it has become the proud home to nearly 2100 students from over 40 nations across the globe. The university has attained the reputation of offering various programs in Bachelors, Masters, PhD, Certificate and Foundation Programs across seven different disciplines. It possesses highly experienced faculty members, a strong alumni network and excellent interaction with the industry experts and takes pride in collaborating with many universities across the globe.

release of the yearbook – m@d chronicles. The orientation program witnessed the launch of EduNXT, the revolutionary Learning Management System (LMS) that provides exemplary learning experience to the students, suitably aided by cutting edge technology. EduNXT, the award winning Unified Learning Solutions Framework serves as the backbone for the entire student lifecycle, facilitating collaborative learning, a high level of engagement and overall, a great academic experience. The ceremony gave the freshmen a brief idea of the university, its rules, regulations and examination system and ended with a session of queries wherein all doubts and queries of parents and students were answered by a panel of members headed by the Academic President himself.

Dr Narayana Sabhahit, Registrar of Manipal University addresses the freshmen

Graduation ceremony:

The tenth Annual Convocation of Manipal University, Dubai Campus was held on 15 Oct 2016 at the Atlantis Ballroom in The Atlantis, Palm in Dubai. It had a cast of more than 1,700 graduates and guests and more than 1,000 viewers watching the live stream of the graduation ceremony. The Consul General of India to Dubai, HE Mr Anurag Bhushan graced the occasion and also delivered his message to the students. Dr H Vinod Bhat, Vice Chancellor of Manipal University also attended the graduation ceremony and led the Academic Procession. Dr V Surendra Shetty, Pro Vice Chancellor, Manipal University, Mangalore Campus, Dr Narayana Sabhahit, Registrar, Manipal University and Mr Ravi Panchanadan, Director and CEO, Manipal Education (Middle East and Africa) and CEO – MeritTrac Services Pvt Ltd, also graced the occasion. Dr Ranjan Pai, MD and CEO – MEMG, his beautiful and accomplished wife Mrs Shruti Pai, Director – MEMG and Mr Vaitheeswaran S, MD and CEO, Manipal Global Education, attended the convocation and gave away the degrees to the graduating

students. Mr Mohammad Abdullah, Managing Director, DKP and DIAC shared his views with the students and gave away three awards to the highest-ranking students, both at the graduate and undergraduate levels. 501 graduate and undergraduate students of Manipal University, Dubai Campus were conferred degrees by the Vice Chancellor of Manipal University. Mrs Shruti Pai and Dr Ranjan Pai honoured 20 students for their academic excellence and 8 students for their outstanding contribution to their respective schools. The 100 percent higher education scholarship scheme for eligible girl students in the UAE, which was launched by Manipal University, Dubai Campus in 2015 in collaboration with the Embassy of India, Abu Dhabi, was awarded to Ms Shibna Sheena Iqbal at the tenth Annual Convocation. She was awarded admission to the Bachelor of Arts in Interior Design Degree Program. The scholarship scheme aims to support meritorious girl students facing financial constraints and wishing to seek admission in undergraduate degree programs at MUDC.

(Left to right in the front) Dr S V Kota Reddy, Academic President - Manipal University, Dubai Campus, Dr V Surendra Shetty, Pro Vice Chancellor – Manipal University, Mangalore Campus, Mr Mohammad Abdullah, Managing Director – DKP and DIAC, Dr H Vinod Bhat, Vice Chancellor – Manipal University, HE Mr Anurag Bhushan, the Consul General of India to Dubai, Mr Ravi Panchanadan, CEO – Manipal Education (Middle East and Africa) and CEO – MeritTrac, Dr Narayana Sabhahit, Registrar – Manipal University

Mrs Shruti Pai, Director – MEMG, presenting the Excellence Award

New initiatives:

Sl no	Activity	Particulars
1	Establishment of the AICHE	American Institute of Chemical Engineers (AIChE) Students' Chapter; It was inaugurated on 4 Oct 2016 at Manipal University Dubai Campus by chief guest Dr Srinivasa Kannan, Professor, Petroleum Institute, Abu Dhabi and addressed the audience.
2	Establishment of the MUD-ASME student section	American Society of Mechanical Engineers (ASME); Prof Dr Tariq Shamim, Professor Mechanical Engineering and ASME Fellow Member, Masdar Institute of Science and Technology, Masdar Institute, Abu Dhabi inaugurated it on 28 Sep 2016.
3	Establishment of the MUD-IMechE Student Chapter	The new student chapter Institution of Mechanical Engineers was launched on 27 Nov 2016 in the presence of IMechE International Business Development Manager, Mr Tom Owen – UAE Representative.
4	Establishment of ICE Chapter	Institute of Civil Engineers student chapter for Civil Engineering was inaugurated on the 27 Oct 2016.
5	Establishment of ARM Embedded and DSP LAB Sponsored by ARM UK	SOEIT signed an Agreement with ARM University Program. This Agreement enables SOEIT to set up the world class Embedded System Lab, Signal Processing Lab for doing active research projects, hands on experience with latest processors in our campus through ARM Embedded Lab in Box (LiB) and DSP LiB donations.
6	Establishment of International Student centre	International Student centre is an initiative for international students of SOEIT where the programs and services are designed to help international students succeed academically in a multi-national university environment.
7	Establishing new Labs for Chemical Engineering	Established Momentum Transfer and Heat Transfer lab in chemical engineering.
8	BSc Food and Nutrition Science	New 3 year undergraduate program launched in Jul 2017
9	BSc Forensic Science	New 3 year undergraduate program launched in Jul 2017
10	AVID Academic Learning Partner (ALP)	Manipal University Dubai is the only active ALP with AVID in the UAE, as of Dec 2016. The University has been listed in the AVID website.

All other activities in the department relating to the program/course:

Sl no	Activity	Particulars
School of Business		
1	Tie up with CIM, UK	The School of Business officially signed up collaboration with Chartered Institute of Marketing, UK, for Diploma in Professional Marketing for students Specialising in BBA Marketing. Ian Marshall, Head of International Relations, CIM, UK addressed the students about the opportunities and modalities of CIM.
2	Global Youth Forum	45 BBA students attended the Global Youth Forum organized by the CSR Al Ahli Division in Dec 2016.
3	Visit of the students from the University of Cincinnati to Manipal University, Dubai	School of Business hosted a delegation of 22 students led by two faculty members from University of Cincinnati, for Cultural and Educational Immersion Program.
4	LSPR, Jakarta Delegation to MUD	A delegation headed by Ms Prita Kamal Gandhi, Founder and Director, LSPR visited the School of Business (SOB) for collaboration opportunities in Oct 2016.
5	International Study Tours	Two groups of SOB students visited Malaysia (Apr 2016) and Georgia (Dec 2016) as a part of the International Study Tour Initiative undertaken by the School of Business.
6	Arabic Cultural Club	The SOB has taken initiative to launch Arabic Cultural Club on 24 Nov 2016 to get acquainted with cultural heritage of the middle-east. UAE National Day was celebrated under this banner.

Sl no	Activity	Particulars
School of Design and Architecture		
7	Manipal Symposium of Design (MISD 2016)	The MISD was organized on 3–4 May 2016. The Keynote speakers were Hazelle Page, Collections Manager, Sharjah Museums Department, UAE and Dr Ulrike Al-Khamis, Senior Strategic Planning Advisor, Sharjah Museums Department and Co-Director, Sharjah Museum of Islamic Civilisations. Panel discussions on Research by Master’s students and presentations by students on academic projects were held. There were workshops by MAS Paints, ANID, Artistic Engineering Models, WLP.
8	Study Tour to Berlin, Germany	A Study Tour to Berlin, Bremen and Germany with 55 students and 6 faculty members. The Group visited Hochschule Bremen University, The Museum Island, The Jewish Museum, The Brandenburg Gate, Reichstag and Holocaust Memorial.
School of Engineering and Information Technology		
9	Workshop on Introduction to MATLAB for Chemical Engineers	School of Engineering and IT organized a one-day workshop on 6 Apr 2016. Dr Simi Santhosh, Professor, IIT Madras and a member of American Institute of Chemical Engineers chaired the event.
10	Students Research Colloquium – Advances in Engineering and Information Technology (AEIT-2016)	Dr Fatma Taher Professor, Khalifa University Abu Dhabi, inaugurated the Student Research Colloquium on 19 May 2016.
11	Workshops on Robotics	School of Engineering and IT in association with Innovians Technology, India organized a two-day workshop on “Robotics” in Mar 2016 and was delivered by Mr Prateek Gupta, CEO – Innovation Technologies.
12	Workshop on IEEE Referencing	On 8 Sep 2016, Manipal University IEEE student branch organized a half-day workshop and hands on training session on IEEE referencing.
13	Workshop On LABVIEW	ECE Students attended a workshop on LABVIEW Software organized by Ms Christelle, Application Engineer, from National Instruments on 16 Nov 2016.
14	Technovanza 2016	Mr Ghassan Afiouni scientist and CEO, Steel Wood Industries Dubai, UAE inaugurated Technovanza, an annual technical event held on 24–25 Apr 2016. More than 3,000 students from various schools and universities participated and gained more technical information through this event.
15	IEEE Day – Seventh anniversary	Manipal university IEEE student branch celebrated the IEEE Day on 4 Oct 2016. Experts like Dr Manar Abu Talib, Co-Founder of Open UAE, VP Chapters of Arab WIC, University of Sharjah and various industries and local universities shared their knowledge on “Open Source”.
16	Vision 2050 – Presentation using Infographics	A competition for the third and fourth year civil students was held to showcase the future concepts that might be used in the field of Civil Engineering in the year 2050. This was organized by ASCE Student Chapter of MUD on 3 Nov 2016
17	INTERSOLAR 2016	Students of fourth year Mechanical Engineering attended the Intersolar Middle East leading exhibition of solar energy products and technologies in the Middle East at Dubai World Trade Centre on 21 Sep 2016.
18	Conference visit – Big5 and Middle East Concrete, Dubai	A field trip was organized for the second and fourth year Civil students of Manipal University Dubai to the BIG5 Construction Exhibition and Middle East Concrete conference at the Dubai World Trade Centre on 21–22 Nov 2016.
19	Visit to Herriot Watt University, Dubai	The faculty members and students of School of Engineering and IT attended a talk hosted and organized by Herriot Watt University Dubai on 27 Oct 2016.
20	Workshop on Electronics Made Easy – Do It Yourself	Faculty members of Electronics and Communication Engineering organized a technical workshop for students of grade 11 and 12 of Dubai, UAE on 12 Dec 2016.

Sl no	Activity	Particulars
21	IEEE Xtreme 2016	SOEIT successfully hosted IEEE Xtreme global challenge 24 hours programming contest on campus on 24 Oct 2016.
22	Civil Engineering Technical Day – Perspective 2016	Organized on 18 May 2016 which consisted of SSS; Hands-on workshop on Structural Gymnastics, seminar on Entrepreneurship in Civil Engineering, Durability and Chemical Attacks on Concrete and 21st Century Construction etc.
23	Workshop on Database Design and Implementation using ORACLE	The workshop was conducted by SOEIT on 3 Oct 2016 for grade 11 and 12 school students.
24	Workshop on Building Robots	The workshop was conducted by SOEIT on 12 Jul 2016 for grade 11 and 12 school students to work on Arduino.
25	Manipal Executive Education course	Certificate course in “SCADA programming” for mechatronics engineering students was organized from 9 Nov–1 Dec 2016.
26	Visit to Intel Ignition Lab, Silicon Oasis	Third year ECE students visited the Intel Ignition Lab on 3 Nov 2016 for “Internet of Things and the different products of Intel”.
27	Visit to CISCO Corporate Office	The first year students of BSc Information Systems and Management visited the CISCO Corporate Office, Dubai, on 6 Oct 2016 for Networking Infrastructures and Conferencing Facility to support the learning of CISCO Networking Academy.
28	Visit to Jebel Ali Sewage Treatment Plant	Students of Chemical Engineering visited the Jebel Ali Sewage Treatment Plant – Dubai Municipality on 7 Apr 2016. The plant is one of the largest in the world.
29	Visit to Dubai Precast LLC	Students of third year Civil Engineering went for an Industrial visit to Dubai Precast LLC, Jebel Ali Dubai on the 12 Oct 2016.
30	Visit to Emirates Transformers and Switchgears	Students of first semester BTech ECE and EEE had an opportunity to visit Emirates Transformers and Switchgears on 14 Nov 2016 for students to understand the working of Transformers and Switchgears.
31	Visit to Ashok Leyland, Ras Al Khaimah	On 15 May 2016, students went on an industrial trip to Ashok Leyland.
32	Visit to Thuraya Telecommunication	First and Second Year Electronics and Communication students visited Thuraya Telecommunication, Dubai, on 17 Feb 2016.
33	Visit to 3M Innovation Centre, Dubai	Students of Chemical Engineering visited the Centre (Igniting the Spark of Ignition) Dubai on 19 Oct 2016.
34	Visit to Masdar City, Abu Dhabi	Students of ASME members of Mechanical Engineering visited Masdar City in Abu Dhabi on 19 Oct 2016.
35	Visit to Phoenix Contact, DIAC, Dubai	Students of Electronics and Communication Engineering visited Phoenix Contact on 13 Oct 2016.
36	Visit to Aala Metal Products Factory LLC	The third semester mechanical engineering students visited the factory in Ras Al khaimah on 20 Oct 2016.
37	Visit to 3M Innovation Centre	School of Engineering and IT organized a field trip for students from Computer Science, Electronics and Communication, Mechanical, Mechatronics, and Civil Engineering to 3M Innovation Centre, Dubai, on 21 Feb 2016.
38	Visit to Barakat Quality Plus LLC	First year students of Chemical Engineering visited the Barakat Quality Plus LLC on 21 Apr 2016.
39	Visit to WETEX – 2016	Visit to WETEX was very informative and enlightening for students. It served as an opportunity to learn about the latest advancements in the engineering field.
School of Life Sciences (SOLS)		
40	Inauguration of American Society of Microbiology – International Student Chapter	SOLS, Manipal University, Dubai inaugurated its American Society for Microbiology (ASM) International Student Chapter, the first International Student chapter within the entire gulf region. Dr Vinod Bhatt, Vice Chancellor – Manipal University, India inaugurated it on 11 Jan 2016.
41	Nobel events exhibition tour	Students of BSc second year and MSc first year visited the Nobel Events Exhibition on 2 Mar 2016 in Dubai Creek Park.

Sl no	Activity	Particulars
42	Visit to Himalaya Global R and D centre	SOLS arranged an industrial visit to Himalaya Global R and D at Dubai Science Park, for the students of the Master program of Medical Biotechnology and Molecular Biology and Human Genetics on 22 Mar 2016.
43	20th Blood Donation Drive	The School of Life Sciences in collaboration with Latifa Hospital, Dubai organizes the twentieth Blood Donation Drive on 5–6 Apr 2016.
44	“Current Trends in Biotechnology – 2016” (CTBT 2016)	School of Life sciences, Manipal University Dubai successfully organized the second international conference on 2–3 May 2016.
45	Sixth Brain O’Bee Championship	The School of Life Sciences, organized the inter school neuroscience quiz competition, for students of grades 9–12 on 23 May 2016.
46	Visit to WETEX – 2016 at Dubai Convention Centre – Dubai	Final year students of BSc Biotechnology, currently studying the course Sustainability science, visited Water, Energy, Technology and Environment Exhibition – WETEX 2016 on 4 Oct 2016.
47	Visit to MASDAR Institute, Abu Dhabi	Final year students of BSc and MSc visited MASDAR Institute of Science and Technology on 29 Nov 2017.
48	Manipal Young Innovators 2016	Manipal Young Innovators 2016 was jointly organized by School of Life Sciences and School of Engineering and IT on 16 Nov 2016. Total of 160 students (from Grades 11 and 12) across various schools of UAE exhibited their scientific talents. The team Gulf Indian High School, Dubai won the first prize under Life Science category.
School of Media and Communication		
50	Study Tour to Ramoji Film City	Students of School of Media and Communication visited Ramoji Film City, Hyderabad and undertook an intensive weeklong workshop on “Digital Filmmaking” with Ramoji Academy of Film and Television (RAFT) from 29 Jan–5 Feb 2016.
51	MCRAW 2017	The Second Annual International Conference organized under the aegis of the Media and Communication Research and Analysis Wing (MCRAW). The theme of the conference was “Media and Cultural Resistance: Beyond Gender Stereotyping”.

Details of guest visit:

Guest lectures:

Sl no	Visitor	Name of the University	Institution	Purpose of visit	Date of visit
School of Business					
1	Dr Kavita Tiwari	-	Birla Institute of Technology, Offshore Campus, RAK, UAE.	Guest Lecture for BBA (VI) Students	7 Mar 2016
2	Dr William Jones	-	Swiss Business School, UAE Campus	Guest Lecture for BBA (II) Students	14 Mar 2016
3	Omar Sheriff	-	Greeky Lizards	Guest Lecture for BBA students	20 Mar 2016
4	Dr Geeta Kukunuru	-	-	Guest Lecture for BCom Students	6 Oct 2016
5	Ally Arossi Bakkoli, Senior Business Strategist and Consultant	-	AJSM Investment	Guest Lecture for BCom, BBA and MBA Students	7 Nov 2016
6	Dr Tariq Qandeel	The University of Modern Sciences, Dubai, UAE	-	Guest Lecture for BBA (V) Students	22 Nov 2016

Sl no	Visitor	Name of the University	Institution	Purpose of visit	Date of visit
School of Design and Architecture					
7	Dr Carmen Mendoza Arroyo	Universitat Internacional de Catalunya, Barcelona, Spain	School of Architecture	Urban Design Studio	27 Aug 2016 – 08 Sept 2016
8	Mr Baharash Bagherian (Award winning Architect)	-	Baharash Architecture, London, UK	Lecture	5 Dec 2016
9	Mr Jagdeep Desai, Senior Academician	Mumbai University	-	Review of Design Dissertation	5–8 Dec 2016
School of Engineering and Information Technology					
10	Prof S V Satyanarayana PhD (IITK) Chemical Engineering	Director, R and D, Jawaharlal Nehru Technological University Ananthapur, Ananthapuramu	Jawaharlal Nehru Technological University Ananthapur	Interaction with Chemical Engineering students on Lab Processing	3 Mar 2016
11	Dr Gajanan M Sabnis, Emeritus Professor, Howard University, US	Howard University, US	Howard University, US	Guest lecture	13 Mar 2016
12	Ms Sameera Abdulrahman Almulla	Research Graduate Associate	Khalifa University, Sharjah	Guest Lecture	28 Mar 2016
13	Mr Anoop Sreekumar	Specification Manager	Vetrotech Saint Gobain.	Guest Lecture	17 May 2016
14	Dr C S Kannan, Professor	Department of Chemical Engineering, The Petroleum Institute, Abu Dhabi	The Petroleum Institute	Seminar	4 Oct 2016
15	Ms Marwa Zaghow	Regional Manager	DELL EMC	Guest Lecture	20 Oct 2016
16	Mr Tamim Youssef	Application manager of J K Cement,	J K Cement	Guest lecture	25 Oct 2016
17	Chandana N Dalugoda, CEng, MIE, MCIBSE, MASHRAE, GCGI, MConsE (SL)	ASHRAE	-	Seminar	26 Oct 2016
18	Dr Theo Theodoridis	Lecturer in Robotics and Embedded system	University of Salford, UK	Guest Lecture	16 Nov 2016
19	Mr Amit Bhingurde, COO-Robotics of TAL Manufacturing solutions (TATA ENTERPRISE)	TAL Manufacturing solutions (TATA ENTERPRISE)	TATA Enterprise	A talk	24 Nov 2016
School of Life Sciences					
20	Dr Laurent Rieux	-	Antec Inc, Fremont, California, USA	Guest Lecture	18 Feb 2016
21	Ms Judy Sebastian	-	Apex Food Safety Consultancy, Dubai	Career Counselling	21 Feb 2016
22	Dr Mohammad Naveed	-	H H Sheikh Sultan Bin Khalifa Al Nahyan Humanitarian and Scientific Foundation, Abu Dhabi	Guest Lecture	3 Mar 2016

Sl no	Visitor	Name of the University	Institution	Purpose of visit	Date of visit
23	Mr R Raghu	-	Schrodinger Inc India	Tech talk	8 Mar 2016
24	Dr A M Deshmukh	-	Microbiologist Society of India.	Guest Lecture	8 May 2016
25	Dr John Hayball and Dr Krasimir Vasilev	University of South Australia	-	Guest Lecture	3 Oct 2016
26	Dr Simona Maciotta	-	Alliance Global Group, Dubai	Career Talk	26 Oct 2016
School of Media and Communication					
27	Andrew O Connor	Napier University, Edinburgh	-	Workshop	20–28 Nov 2016
28	Azam Ahmed	-	The New York Times	Journalism as a Career	2 Nov 2016

7	Gene Sequencer- SOLS Laboratory Facility	-	Dubaiomics	135,00,000**
8	Shifting Patterns of News Consumption in the UAE due to School Media	Prof Sabir Haque	Research and Development Program, Manipal University, Dubai	1,82,208.01

* Worth of Lab consumables have been transferred to SOLS to conduct research on human genetics

** Gene Sequencer ABI 310 Sequencing System and Millipore Elix 5 Water Purification System in the form of donation

Awards/Recognitions:

Institution:

Sl no	Name	Details	Date
1	Dr Sunitha Prabhuram, School of Business	Best Faculty Member - Runner up award on Teacher's Day celebration at Manipal University	5 Sep 2016
2	Dr Raghavendra	Best Teacher award at MUD	5 Sep 2016
3	Manipal University was awarded the "Rolling Trophy"	Microsoft office Specialist Championship 2016	18 Jun 2016

Faculty members:

Sl no	Name	Details	Date
1	Dr S V Kota Reddy	MaGEX 2016 Award for Best Academic Administration for 2015-16	23 Jun 2016
2	Dr S V Kota Reddy	Award for outstanding contribution at the Middle East Education Leadership Awards hosted by Asian Confederation of Businesses	5 Oct 2016
3	Taramol K G	Best Paper Presentation Award in an International Conference. Title of the Paper: A study on psycho-social problems of adolescent girls in Kerala	13-14 May 2016
4	Taramol K G	Called for Keynote Speaker, International Conference on Social Science, Literature, Economic and Education, Dubai	13-14 May 2016
5	Taramol K G	Invited as Guest Speaker in the Economic Association Inauguration, on "Be an Opportunity Maker" organized by Sree Sankara College, Kalady, Kerala.	8 Aug 2016
6	Dr Ganga Bhavani	Honoured to chair a session in international conference on the future of global accounting and financial Reporting	10 Dec 2016
7	Dr Shaji Panicker	Exhibition of Watercolour paintings at the India House, Indian Embassy, Abu Dhabi	17-19 Jun 2016
8	Prof Ashok Iyer	Certificate of Annual Excellence from MaGEX (Manipal Global); for Academics - Annual, Manipal University - Dubai 2015-16	23 Jun 2016
9	Prof Ashok Iyer	Best Professor in Design and Architecture awarded by The Middle East Education Leadership Awards	5 Oct 2016
10	Mr Murtaza Aliasgar and Ms Tasneem Shikari	Dubai Municipality, Best out of Waste Award	24 Nov 2016
11	Prof Ashok Iyer Kairmein Deboo	Certificate of Appreciation from Sharjah Museums Department, Government of Sharjah, UAE, for Architectural Documentation of Al Mahatta Museum,	15 Dec 2016
12	Prof Sachidananda	Best Poster Presentation at Manipal Colloquium – 2016 at Manipal	6 Apr 2016
13	Prof Jawid	Expert level Instructor Excellence Award 2015 by CISCO for UAE region	17 Apr 2016

Sl no	Name	Details	Date
14	Prof Anil Antony	"Young Innovators Award" in the third World Recycling Congress for his research work "Experimental investigation of waste PET in Natural Sand Brinks"	Dec 2016
15	Hussaina Banu, Senior Lecturer – SOLS	Awarded PhD in Biomedical Science from Bharathidasan University, India	14 Oct 2016

Students:

Sl no	Name	Details	Date
1	Abdul Ghani Ansari	Marina Star Winner for Marina Project Remake Competition	29 Sep 2016
2	Shibly Abubaker	Selected for one-month Internship at National Pavilion UAE, La Biennale Di Venezia Venice, Italy for a period of a month	1 Oct 2016
3	Yuan Periera, Zainab Tarmal Nihan Junaid	Dubai Municipality, Best out of Waste Award	24 Nov 2016
4	Sahla Palath, Adil Aly and Amina Afra	First Prize at the "Design the Void" student competition organized by Herriot Watt University, Dubai.	24 Nov 2016
5	Mrmalini Rithika	Design Week Competition, Canadian University, Dubai	26 Nov 2016
6	Safa Saleem Mazzin Razack	Winners of the Light Middle East Award organized by Light function	15 Dec 2016
7	Ramiz Umar Sattar	RTA Best Student Project Award for Sustainable Transport (DAST) under the guidance of Mr Ganesan S	16 Feb 2016
8	Students team from the Civil Engineering program	Winners in Wooden Bridge Competition held at American University of Dubai; <ul style="list-style-type: none"> • First prize in Target Load Capacity Category • Third prize in Bridge Load Efficiency category 	19 Mar 2016
9	Students from BTech CSE and BSc ISM	CISCO NetRiders competition was held in May 2016 where students from BTech, CSE and BSc ISM secured Second Rank (Qualified for World Wide NetRider CCENT Competition) and Fourth Rank (Winner in IT Essentials) in the entire TMENA Region. Manipal Dubai CISCO Networking Academy has won this event for the third consecutive year.	May 2016
10	Aishwarya Kumar	First Place in Microsoft Office Specialist Word category	27 Jun 2016
11	Ms Shaida Siddique Final year Mechanical Engineering	Best paper award in International Conference on Latest Trends in Engineering and Technology ICLTET 2016 held in Abu Dhabi.	13-14 Oct 2016
12	Students team from the Civil Engineering program	Winners in Civil Engineering Day competition organized by American Society of Civil Engineers (ASCE) at American University of Sharjah (AUS). <ul style="list-style-type: none"> • First prize in Tower Crane Competition. • First prize in Rocket Launch Competition. • Second prize in Concrete Cube Crushing Competition. 	19 Nov 2016
13	Teams of Students from BTech Chemical Engineering; Pragathi Gopinath, Varun Vinod, Nidhya Rajagopal,	Second position at Inter-Collegiate Chem-E Debate competition held at BITS-Dubai Campus	27-29 Nov 2016
14	Varun Vinod Menon	Best Debator Award at Chem-E Debate competition held at BITS – Dubai Campus	29 Nov 2016

Sl no	Name	Details	Date
15	Noorunnisa Ashar Rabeeha Abbas and Fakhra Habeeb	Winners of Microbiology Quiz Competition organized by the International student's chapter under the egis of American Society of Microbiology	3 May 2016
16	Abdul Qader Obriwala and Sarah Sajid Ali	Won second Prize in the Natural and Health Sciences – Biology category in the fourth UAE Undergraduate Student Research Competition (UGSRC) at Abu Dhabi under the mentorship of Dr Zeeshan Ansari	9 May 2016
17	Allan Johnathan David	Winner, First Place – Best Film in Sennheiser AVX video contest in conjunction with CABSAT.	10 Mar 2016
18	Viraj Asher	Winner – Young Journalist Award, Dubai International Film Festival	14 Dec 2016

Library Resources

SEARCH – THE KMC HEALTH SCIENCES LIBRARY

Manipal University, Manipal, Phone Number: 0820 2922358

E-mail: lib.kmc@manipal.edu

Senior librarian: Dr Shivananda Bhat K

Manipal University has an excellent Health Sciences Library, perhaps the best among all Health Sciences Libraries in India. The state of the art library stretching over 1.5 lac square feet, on five levels is a domain for information seekers; be it students, faculty members or researchers. It has the capacity to accommodate 1300 students at a time. Besides the comfortable seating and reading environment, the library is well equipped with modern facilities such as e-learning, access to Internet and web resources, including online journals and e-books. Library provides a growing range of databases on the campus network. Access to e-resources subscribed by the library has also been provided for off-campus users. All the library services have been automated on modern line. The library has fully computerised its collection, which could be accessible through OPAC. The library is enabled with Wi-Fi technology

and security systems with Closed Circuit Television System (CCTV). There is a separate audio-visual room, computer lab, group study area and private study area in the library. The library has all the facilities for the students to learn. The Health Sciences Library is committed to provide a world-class information support to its users.

The main thrust of the library continues to be the improvement of the quality of services and facilities, achieving higher degree of users' satisfaction and modernisation of its activities and operations. Health Science Library offers a package of high quality user focused services to support the research, teaching and learning endeavours of faculty members and students. It aims to provide easy access to the right information in a service-rich environment to all its users. The library during the year 2016 has made significant progress in several areas.

Library resources:

The total collection of library resources as on 31 Dec 2016 stands as follows:

Collection	Added (During the year 2016)	Total (As on 31 Dec 2016)
Books	1872	63063
E-Books	2078	11152
Journals	-	488
Online journals	1022	5860
Back volumes of journals	2353	38630
CDs	61	851
WHO publications	10	2080
Dissertations	413	7617

Library e-resources:

The Library provides access to a wide variety of e-resources including electronic books (e-books), electronic journals (e-journals), online databases and educational websites. All library e-resources can be accessed on campus network. The library subscribes to the following e-resources/online databases

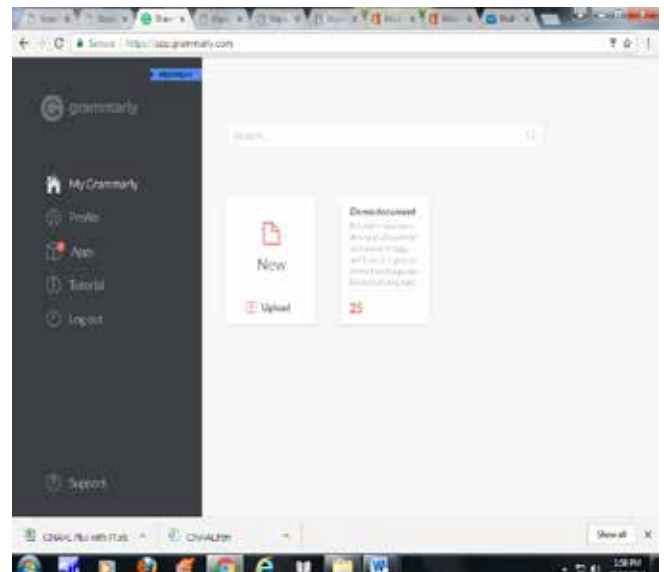

- Access Medicine
- BMJ Best Practice
- BMJ Case Reports
- CINAHL Plus with Full Text
- J-Gate
- Journal Citation Reports (JCR)
- OvidSP
- ProQuest Health and Medical Complete
- SciFinder
- Scopus
- SciVal
- SpringerLink
- Up-To-Date – Clinical Information Resource
- Web of Science
- Wiley Online
- Online journal of various publishers (BMJ Online, Cambridge University Press, Karger Online, Nature Publishing, Oxford University Press, Quintessence, Sage Online, Taylor and Francis, Theime Connect, etc.)
- E-Books of various publishers

New database added:**ClinicalKey:**

ClinicalKey is a clinical reference solution that supports clinical education and clinical decisions by making it easier to access and apply relevant knowledge. ClinicalKey provides unparalleled access to concise, trusted answers, as well as deep evidence-based content for more complex issues. Covering over 30 medical and surgical specialties, ClinicalKey is able to provide the answers to students and faculty members need with its quality, rich content. It provides access to 674 journals and 1142 books.

Research support tool – Grammarly:

Grammarly is the world's leading automated proofreader. It checks for more than 250 types of spelling, grammar and punctuation errors, enhances vocabulary usage and suggests citations.

Grammarly is an online grammar and spelling checker that improves communication by helping users find and correct writing mistakes. It is easy to use.

- Copy and paste any English text into Grammarly's online text editor or install Grammarly's free browser extension for Chrome and Safari.
- Grammarly's algorithms flag potential issues in the text and suggest context-specific corrections for grammar, spelling and vocabulary. Grammarly explains the reasoning behind each correction, so you can make an informed decision about whether and how to correct an issue.

Web Site/ERMSS/OPAC:

The web page (Intranet) of the library acts as a single window providing information and links to all its resources and services. Library web site could be accessed through Manipal University intranet portal <http://muportal/> or directly through <http://172.16.19.80/lib/index.asp>

ERMSS (e-Resources Management and Search Solutions) is a customised e-resources management and search solution to manage and provide search on subscribed titles of e-resources of the Health Sciences Library.

Users can search all the print resources (books, journals, back volumes of journals, WHO publications, etc.) of the Health Sciences Library and other libraries of Manipal University through Library's online catalogue – the EPAC (Electronic Public Access Catalogue).

Computing infrastructure:

The library has excellent computing infrastructure including 106 PCs, 16 printers, two colour laser printers and eight scanners. All PCs are connected to the campus-wide network. Wireless Internet access has been provided in the library.

National Level Conference Organized:

The Library has organized National Level Conference on Management of Modern Libraries on the theme “Role of New Information Professional in Digital Age” on 19 Feb 2016 and 20 Feb 2016. About 125 delegates from various parts of the country have participated in the conference.

Information literacy programs conducted:

To raise awareness on the subscribed electronic resources among the library users and to empower them with literature search skills, the following Information Literacy Programs have been conducted in the library under resource support services series:

Sl no	Topic	Date
1	Session on CINHAL Plus with Full Text	2 Mar 2016
2	Session on BMJ Journals, BMJ Case Reports and BMJ and BMJ Best Practice	17 Mar 2016
3	Session on SciVal	30 Mar 2016
4	Session on Access Medicine	5 Apr 2016
5	Session on Up-To-Date	5 Apr 2016
6	Session on SciFinder	28 Apr 2016
7	Awareness Program on SpringerLink and AdisInsight	6 May 2016
8	Mini workshop on Scopus, Mendeley and ClinicalKey	20 May 2016
9	Literature Search Using Ovid Medline and Ovid Journals and Books	4 Aug 2016
10	Demonstration on “Turnitin”	16 Aug 2016
11	Session on Scopus and SciVal	19 Aug 2016
12	Session on CINHAL Plus with Full Text	15 Sep 2016
13	Session on JAMA Network and Resources	21 Sep 2016
14	Demo on Grammarly	29 Sep 2016
15	Interactive Session on J-Gate	21 Dec 2016

Author workshops and author publisher meet organized:

Library has conducted following three Author Workshops and S Karger Author Publisher Meet to support the publishing activities of the faculty members and research scholars.

Sl no	Topic	Date
1	Mini Workshop on “Scopus, Mendeley and ClinicalKey”	20 May 2016
2	Half-Day Workshop on “How to Plan and Write Manuscripts and Get Published in Scientific Journals”	28 Jun 2016
3	Half-Day Author Workshop on “Writing to Get Published: How to Avoid Pitfalls, Enhance Value”	14 Oct 2016
4	S Karger Author-Publisher Meet	9 Nov 2016

Librarian’s day was celebrated on 12 Aug 2016. Dr Narayana Sabhahit, Registrar, Manipal University, Manipal, delivered the message to library professionals on the occasion. Dr G Robert Clive, Associate Professor, Department of Social Science, Crossland College, Brahmavar, Udupi delivered a talk on Communication skills for library professionals.

National Library Week Celebrations:

National Library Week Celebration has been organized during 14–20 Nov 2016 in the library and M/s Higginbotham Pvt Ltd, Chennai has conducted General Book Exhibition to commemorate the National Library Week Celebration.

Details of journal publications and training attended:

The library has a good team of three Senior Librarians, one Librarian, five Assistant Librarians, 30 semi-professionals and 19 support staff members who are committed to their work. In order to sustain and enhance their motivation and to upgrade their knowledge and skills, professional staff members were deputed to various training courses and conferences organized in different parts of the country during the year. A brief description of the conference presentations and journal publications is given below.

Conference presentation:

- Information Literacy and Embedded Librarianship: Changing Role of College Libraries in Digital Era. Karnataka State Women's University, Bijapur on 18 and 19 Nov 2016.

Journal publications:

- Jessy, A and Rao, Mahabaleshwara and Bhat, Shivananda K. Web Portal: An E-content knowledge management tool. PEARL – A Journal of Library and Information Science (2016) 10(4). Pp. 224-233, ISSN 0973-7081.

- Jessy, A and Rao, Mahabaleshwara and Bhat, Shivananda K. Citation analysis of academic publications to identify subscribed journals usage: a case study. DESIDOC Journal of Library and Information Technology (2016) 36(4) pp. 194-198, ISSN 0974-0643.
- Jessy, A and Rao, Mahabaleshwara and Bhat, Shivananda K. Assessing the effectiveness of information literacy instruction program: Pre- and post-evaluation case study. Library Philosophy and Practice (e-journal) (2016) ISSN 1522-0222.
- Jessy, A and Rao, Mahabaleshwara. Marketing of Resources and Services with Emerging Technologies in Modern Libraries: An Overview. International Journal of Information Dissemination and Technology (2016). 6(1). pp. 15-20. ISSN 2229-5984 (p) 2249-5576 (e).

Important visitors:

Many national and international dignitaries have visited the library in the year 2016. A few among them are:

- Sri ARD Prasad, Indian Statistical Institute, Bangalore
- Dr Jeffrey W Hutter, Dean, Henry M Goldman School of Dental Medicine, Boston University, Boston, USA
- Dr P Visakhi, Librarian, IISER, Mohali, Chandigarh
- Prof Morgan Chetty, South Africa
- Dr Debasis Bagchi, University of Houston College of Pharmacy, USA
- Mr Justine Thomas, Librarian, St Joseph's College of Engineering, Kerala
- Laura Barfield, Librarian, McMaster University, Canada
- Ganesh Sunvase, Bhabha Atomic Research Centre, Mumbai
- Dr Avineni Kishore, Assistant Professor, Department of Central Library and DLISc, Dravidian University, Kuppam, AP

CENTRAL LIBRARY

Manipal Institute Technology

Manipal Institute Technology, Manipal University, Manipal
E-mail: lib.mit@manipal.edu Tel: +91 0820 2924451

Senior librarian and in-charge: Dr Rekha D Pai

Central Library, MIT, Manipal, is located at the heart of the institution and easily accessible to the students, faculty members and researchers of the institute. The building occupies a total area of about 70,000 sq ft and has three floors comprising the individual and group study halls with a seating capacity for 950 people. The central library provides services not only to MIT but also to FOA (Faculty of Architecture), SOIS (School of Information Science), ICAS (International Centre for Applied Science) and DAMP (Department of Atomic and Molecular Physics) having more than 10,000 active users. The library subscribes

many electronic resources as a component of digital library and hosts more than 1 lac documents. It subscribes many e-journals, e-databases, e-books and CDROMs. MIT has become an information rich educational institute by subscribing all these e-resources. These information resources promote and advance teaching and learning and facilitate an improved productivity and qualitative research. The entire library is Wi-Fi enabled and a security system with CCTV is present in all the floors.

The library is centrally air conditioned with a beautiful ambience and the new furniture attracts the users.

E-Prints (MU Digital Repository): MIT library has uploaded nearly 3803 faculty publications in MU Digital Repository. In the year 2016, the library has uploaded 298 articles, 290 conference proceeding and other materials of MIT faculty.

EZProxy/Off Campus Remote Access to e-Resources: The total number of users of EZProxy is 590. More than 290 users have registered for off campus remote access to e-resources subscribed by the central library.

Turnitin (Anti-plagiarism software): Manipal University has purchased Turnitin software and one license is maintained in the library. In the year 2016, central library has enabled plagiarism test for about 650 articles/thesis belonging to MIT faculty/student members.

NPTEL video lectures: MIT has subscribed NPTEL video lectures (National Program on Technology Enhanced Learning) prepared by IITs of India. It covers all engineering lecture series developed by IIT professors. One can access these lecture series through the intranet or through LAN.

Question paper archive: Central library has digitalized and uploaded university exam question papers from 2006 onwards. It may be accessible through intranet in the campus.

Webpage in the intranet: A link to access all the e-resources is given in MU portal <http://libportal.mahe.manipal.net/MIT/MIT.aspx>. By clicking the respective links available all the e-resources subscribed may be accessed.

Information literacy programs: The library arranged six information literacy programs and workshops for the benefit and effective use of library resources by the user.

- Central library in association with McGraw Hill Access Engineering, New Delhi, arranged a user training and awareness session of their product on 5 Apr 2016. Mr Sivamay Bhattacharya, training consultant, briefed about the product.
- A user-training program on SciFinder database was arranged on 28 Apr 2016 for the benefit of faculty, students and research scholars of the institution. Mr Sherin Mary Samji from ACI International India Pvt Ltd, Pune, explained about the SciFinder.
- Central Library in association with Springer group arranged a user session about the springer online, on 6 May 2016 for the benefit of library users. Mr Rajneesh from Springer, training consultant, briefed about the product.
- A demonstration on Turnitin - Originality Checking / Plagiarism Detection Tool arranged in library Individual study hall on 18 Aug 2016. Mr Arjun from iGroup Infotech India Pvt Ltd, Bengaluru, gave the product details.
- Effective Literature Search in Digital Age – A talk was arranged in Sir M V Seminar hall organized by central library on 15-09-2016. Mr D T Edwin, training specialist EBSCO India Pvt Ltd, explained search strategy of literature for research works.
- A workshop on Grammarly was arranged on 15 Nov 2016 in Sir M V Seminar hall. Mr Karthik from Bridge People Technology Solutions Pvt Ltd, Bengaluru, was the resource person.

Orientation programs:

Presentations on the facilities and resources of the library are made for the benefit of new students in the orientation programs arranged by MIT, ICAS and FOA every year.

Workshops/conferences attended:

A team of professionals/semiprofessionals and supporting staff are working in the library to give quality library services. In order to upgrade themselves with the latest technologies the staff members have been deputed to attend the conferences/workshops:

Dr Rekha D Pai, Senior Librarian made the following conference presentations/coauthored the conference papers in 2016:

Pai, Rekha D (2016) **Information technology in modern libraries**. In: State Level Conference on Information Technology and Library Services, 29 Jan 2016, Mulki Sunder Ram Shetty College Shirva, Udupi.

Nayana,* and Pai, Rekha D (2016) **Publishing in digital repository: A study**. In: National conference on management of modern libraries (NACML-2016), Feb 2016, Department of Library and Information Science, Manipal University, Manipal.

Shetty, Sunil and Hedge, Ranjith and Pai, Rekha D (2016) **Search techniques in electronic databases: Skill for**

information professionals. In: National conference on management of modern libraries (NACML-2016), Feb 2016, Department of Library and Information Science, Manipal University, Manipal.

Anusha, R and Pai, Rekha D (2016) **Skills for LIS professionals: Development of library blogs**. In: National conference on management of modern libraries (NACML-2016), Feb 2016, Department of Library and Information Science, Manipal University, Manipal.

Dr Rekha D Pai, Senior Librarian gave a talk on "Importance of libraries" in JCBM College, Sringeri on Librarians' day celebration on 27 Aug 2016.

Mr Abraham P V, Senior Librarian participated in the National workshop on information management using Koha and Word press held on 28-31 Jan 2016 in Mysore.

Nagesha Prabhu, Senior Librarian, attended an awareness program on Bibliometric and Scientmetric study at MIT, organized by Directorate of Research, MU, Manipal on 20 Sep 2016.

SCHOOL OF COMMUNICATION LIBRARY

MIC Library is well stocked with books, journals, magazines and audiovisual materials to meet the information needs of students and faculty members of MIC. New books have been added in order to keep the library abreast of development in media and communication studies. The 3000 and odd books donated by the Honorary Director Dr M V Kamath is an invaluable addition. The Library has a unique collection of Gandhi's works. OPAC is available through the Intranet. Therefore, users can search not only MIC library catalogue, but also the catalogue of other

libraries of MU institutions in the campus. Apart from peer-reviewed journals in communication and media, the Library also subscribes to online databases. Popular magazines and national and regional newspapers are available for library members.

Library's e-resources can be browsed through the intranet portal <http://muportal.mahe.manipal.net/>

The Library has a separate audiovisual facility for film screening and recording the TV programs for academic

work. This section holds about 800 classic films in Indian as well as foreign languages. A good collection of documentaries by renowned Indian documentary makers on different topics is a specialty to the audiovisual collection.

The new addition to the library is a corner dedicated in the memory of Dr M V Kamath, who was the Founder-Director, a great visionary and a writer and voracious reader. Anyone who wishes to read can comfortably spend time reading his personal collections that are on various topics.

The Library has an institutional association with AMIC (Asian media information and communication center), Philippines and has access to their resources.

The fully air conditioned library stretches to an area of 5000 sq ft with a seating capacity of 100 and is Wi-Fi enabled.

Photocopying and Internet browsing facilities are available in the library for students and faculty members.

Working hours:

The working hours of the library are:

On all working days	9.00 am to 7.00 pm
Sunday	Holiday
During vacation	9.00 am to 5.00 pm

Library collection:

Total collection of library resources as on Jan 2017 is:

Collection	Total
Books	12281
Journals and other periodicals	55
Online database	3
Online books	25
Films, documentaries, data CDs and Music collections	744
Post graduate theses	778
Back volume of journals	642
Newspapers	13

Library services:

MIC Library provides the following services to its users:

Reference service:

The library staff members assist the users to locate the needed information from the various resources of the library and from outside sources.

Circulation:

Members can borrow books for a specific period.

Photocopy:

Users can take photocopies of the relevant material by paying a nominal fee.

Internet browsing:

Internet browsing facility is provided in the library for the students.

Inter-library loan:

Library helps to get the information that is not available in our library from other libraries like AMIC CENTRE and from other constituent college libraries.

Audio video viewing facility:

Library has a separate audiovisual room with all required equipment like TV, Video player Cum Recorder, Cable connection etc., for audio-visual screening facility.

Online databases and books:

The Library is subscribing to the online database JSTOR & EBSCOHOST'S (Media and Communication Complete) for the benefit of members. Some important online journals and books are also available for the members' use.

About 25 digital books on media and communication are also available for the users.

Workshop/conference attended:

Mrs Ratheebhai, a Librarian was one of the resource persons for the pre-conference workshop during the conference: South Asian Evidence Summit-SES 2017, Public Health Development in South Asia (PHESA), Manipal University from 5-7 Jan 2017.

Mrs Ratheebhai presented a paper titled "How to build an effective search strategy for systematic reviews" in the conference, South Asian Evidence Summit - SES 2017, Public Health Development in South Asia (PHESA), Manipal University on 5-7 January 2017.

Ms Shobha, Assistant Librarian and Mr Ashok, Library Assistant participated in the EBSCO training conducted on 2nd Mar 2016.

General Library:

University General Library (GL) has been functioning from MIC Library and it is open to all MU Staff members and their family.

The GL collection has some very interesting books. The Library has a good collection of fiction and biographies. Some academic and other books donated by our staff members are also some of the valuable additions. The Library's small and carefully selected children's collection is also a separate attraction. Membership is free to all MU staff members. Catalogue is online and can be searched through the intranet portal <http://muportal.mahe.manipal.net/>

Total collection of books and number of users:

Books	2450
Library members	431
Working hours	9:00 am-7:00pm

SCHOOL OF MANAGEMENT LIBRARY

School of Management (SOM) Library and information centre has a vast collection of management books and journals. Apart from printed resources, the library subscribes to online database. The centre is fully automated (Easylib Software) and the resources are made available as electronic public access system (EPAC). The user can search for a book by title, author, call number and keyword. The status of the book and journal they need is displayed on the screen. The students have access to internet, CD-ROM information retrieval and photocopying facilities. The library is fully air-conditioned and Wi-Fi enabled. The e-resources can be browsed through the intranet portal <http://muportal>. The library is open from 9:00 am to 8:00 pm on all working days.

Working hours:

On all working days	9:00 am to 8:00 pm
Sunday	Holiday
During vacation	9:00 am to 5:00 pm

Library area and seating capacity:

Seating capacity	58
Area of Library	286 Sq Mts
Area of reading room	203 Sq Mts
Carpet area of stack room	83 Sq Mts

Staff members:

Librarian	01
Library Assistant	01
GDW	02

Number of registered members:

Students (SOM+DOC)	1222
Faculty members	55
Guest Faculty members	15

Library services:

- Circulation of Books
- Reference Services
- Book Bank Facility
- Interlibrary Loan
- Photocopy
- Plagiarism Check
- MU Digital Repository (E-print service)

Automation in SOM library:

Library provides automated services to its users using EASYLIB software. The users can use online public access catalogue from their departments/hostels. The users can search all the print resources (books, journals, project reports) of the SOM Library and other libraries of Manipal University through the Library's online catalogue – EPAC (Electronic Public Access Catalogue).

Question paper archive: The SOM library has digitalized and uploaded university exam question papers from 2006 onwards.

Library collection

SOM Library, digital subscriptions:

All library e-resources can be accessed on campus - online databases

- EBSCO- Business source complete
- Emerald Management Xtra 175
- Capitaline
- J-Gate
- Economic Outlook (CMIE)
- Industry Outlook
- Prowess

EBSCOhost – Business source complete: Business Source Complete online database from EBSCO provides access to full text coverage of scholarly business management and economics journals such as management, accounting, banking, finance, international business, marketing, sales healthcare etc. **Business Source Complete** is the world's definitive scholarly business database, providing the leading collection of bibliographic and full text content. As a part of the comprehensive coverage offered by this database, indexing and abstracts for the most important scholarly business journals back as far as 1886 are included. In addition, searchable cited references are provided for more than 1,300 journals.

Emerald Management Xtra 175: Emerald Management Xtra 175 is world's leading and the largest publisher of management journals and books, publishing high quality, peer reviewed journals on every subject of management, and every article is endorsed by EFMD, AACSB, BMD etc. It has a full text access to 90,000 articles from 175 journals and 90,000 structured review abstracts from a further 300

of world's top management journals with their 14-year full text archival issues along with case studies, Guru interviews collection, literature reviews, specialized resources for authors, researchers, faculty, students and others.

Capitaline: The database CAPITALINE 2000 is an offline corporate data base on more than 1500 companies with their financial and non-financial information kept updated every fortnight.

J-Gate: It provides seamless access to millions of journal articles available online offered by more than 8,750 publishers. Presently it has a massive database of journal literature, indexed from more than 26,830 e-journals with links to full text at publisher's sites. It also offers bibliographic information services to scholarly and technical electronic journal literature. J-Gate social and Management sciences is a subset of J-Gate and indexes e-journals in the fields of Electronics, Electrical, Civil, Information Technology, Computer Science etc. Journal coverage: 6700 indexed 2000 free full text.

Economic Outlook (CMIE): The Economic Outlook provides CMIE's view on the Indian economy. It interprets new data releases continuously; provides insights by unravelling details and weaves an updated and integrated picture of the economy. Economic Outlook provides forecasts on growth, inflation, fiscal balance, balance of payments, corporate earnings, and a host of sectoral indicators. It provides its analytical view explaining these forecasts. The service provides thousands of tabulations

and charts. It also provides images of hundreds of original documents.

Orientation programs:

Library actively participates in the orientation program arranged by SOM. Presentation on library facilities and resources is made for the benefit of fresh students.

Information literacy programs conducted:

Sl no	Topic	Date
1	"Session on CMIE: Industry Outlook and Prowess - Subscribed Online Database"	3 Aug 2016
2	"Session on EBSCO- Business Source Complete – Subscribed Online Database"	13 and 14 Oct 2016

Workshops attended:

Ushalatha, Librarian, attended

- a) User training on Turnitin - Originality check/Plagiarism detection tool Software to be held on 16 Aug 2016 at Health Sciences Library, MU, Manipal.
- b) User training on Scopus and Scival to be held on 19 Aug 2016 at Health Sciences Library, MU, Manipal.
- c) A workshop on "Client Service Improvement" on 24 Dec 2016 at MCPD, Health Science Library Building, MU, Manipal.

MANIPAL HUMANITIES LIBRARY

Manipal University, Manipal, Phone Number: 820 2923562

E-mail: lib.mhl@manipal.edu

The Library of Manipal Humanities, Manipal, established on Dec 2009, is situated at the Planetarium Complex, Manipal. The library works in two floors and utilized by the information seekers. The library aims to acquire and disseminate the information on philosophy, language, literature, religion, social sciences, history, arts, political

science and economics. The library can accommodate 40 users at a time. The library is open from 9:00 am to 8:00 pm (Monday to Saturday). Besides traditional carriers of information such as books and journals, the library is well equipped with print and online journals and journal database. The library is automated with EASYLIB software.

Library resources:

WGSHA LIBRARY

The library is well equipped with nearly 11,222 books on hotel management and allied subjects. In addition, we subscribe to nearly 60 journals/magazines from all over the world. The library has devoted a large section towards general reading including sports, history, culture and fine arts. The library also has a collection of over 677 CDs on a variety of topics and 12 internet terminals.

Book bank:

Course books prescribed by the college are available in the Library and are issued to students at the beginning of the academic year. Students are required to deposit the textbook at the Library at the end of the course in a good condition.

There is a separate library for the BA in Culinary Arts course, which currently has around 830 books.

The library is fully automated and the resources are made available through both online and offline. The library is fully air conditioned and Wi-Fi enabled.

Library services:

- 1) Circulation of books
- 2) Reference services
- 3) Inter-library loan
- 4) Document delivery service

Automation in WGSHA library:

Library provides automated services to its users EASYLIB software.

Working hours:

The working hours for the Library are as follows:

Monday to Saturday 8:00 am – 7:00 pm

During sessional and exams 8:00 am – 9:00 pm

The Library is open on Sundays only during the sessional and end-term examinations days.

E-resources:

1) Library subscribes to online database called “EBSCO hospitality and tourism”, which covers scholarly research

and industry news relating to all areas of Hospitality and Tourism. This collection contains more than 749,000 records, with coverage dating as far back as 1965. There is full text for 440 publications, including periodicals, company and country reports and books. Library has also access to online database called “Emerald Management” which covers full text of management journals. These can be accessed through following link via intranet.

Link to access: <http://search.ebscohost.com/>

2) Library also subscribes to online database “Hospitality Tourism and leisure collection + culinary arts collection,” which includes 550 industry journals and 150 major cooking and nutrition magazines.

Link to access: <http://infotrac.galegroup.com/itweb/>

3) Scopus

Scopus is the largest abstract and citation database of peer-reviewed literature, scientific journals, books and conference proceedings. Delivering a comprehensive overview of the world’s research output in the fields of science, technology, medicine, social sciences and arts and humanities, Scopus features smart tools to track, analyze and visualize research. As research becomes increasingly global, interdisciplinary and collaborative, you can make sure that critical research from around the world is not missed when you choose Scopus.

Link to access Scopus: <http://www.scopus.com/home.url?zone=header&origin=SearchAffiliationLookup>

3) Web of Science

Web of Science provides a single destination to access the most reliable, integrated, multidisciplinary research. Quality, curated content delivered alongside information on emerging trends, subject specific content and analysis tools make it easy for students, faculty, researchers, analysts, and program managers to pinpoint the most relevant research to inform their work.

Link to access web of science: <https://apps.webofknowledge.com>

DEPARTMENT OF GEOPOLITICS AND IR LIBRARY

Manipal University, Manipal, Phone Number: 0820-2922701

The Library, established in 2010, is situated at the old TAPMI building behind Manipal Post Office. The library extends over 1056 sq ft area. The aim of the library is to acquire and disseminate information on geopolitics, international relations (study abroad program), Polish and North-East Studies, along with political sciences, economics, languages, history, military science, social sciences, Gandhian and Peace Studies. The users can

utilize this library from 9.00 am to 8.00 pm (Mon to Saturday). Besides traditional carriers of information such as books, theses and journals, the library is well equipped with print and online journals, journal database, computer lab etc. The Library is automated EPAC, EASYLIB Software and is Wi-Fi enabled. Online databases such as Springer e-journals, Scival, Scifinders and Web of Sciences are also subscribed by the Library.

Library resources:

CENTRAL LIBRARY – DUBAI CAMPUS

The Library aims in supporting Manipal University's Dubai Campus as an internationally top ranked university and a knowledge hub. Besides enabling access to information resources, the library also provides innovative, responsive and effective services to meet the ever-changing needs of the academic community.

The Library is equipped with all necessary amenities, making it a pleasant environment for study. It holds literature predominantly related to business and management, finance, economics, computer science and information technology, biotechnology, interior design, architecture, engineering and its allied subjects. It aims to develop a

comprehensive collection of information resources, which are useful for academic and research purposes. The Library plays a proactive role to ensure that the information resources are acquired and organized to meet the present and future needs of its users.

The Library has utilised information technology extensively to ensure that resources are accessible at all times. Library catalogue is available online and the availability of the resources could be checked using the same. The Library holds a hybrid collection of printed as well as electronic resources which include books, journals, databases, audio-visuals, CDs/DVDs, e-books, e-journals, etc.

Services/facilities being offered:

- Library website, a gateway to the information sources available within the library and beyond.
- OPAC Services in place.
- Access to
 - Over 16,622 books.
 - 53 print magazines/journals.
 - Over 30,000 electronic journals.
 - Classic collection of books on various subjects through Digital Library.
 - Archives of last 13 years question papers of our university examinations through the library site.
 - Various online Databases

- Thirty-two computers are dedicated to the user groups for internet browsing and access to the online databases.
- Photocopying/printing facilities.
- Dedicated group discussion rooms and an audio/visual room.
- Collection of over 2000 audio visual materials.
- LCD TV monitor with DVD player dedicated for the audio/visual viewing purpose.
- Orientation and library workshop to small groups/individual classes.
- The university library offers a free shuttle service during the evening study hours for the patrons.
- iPad lending service is provided to patrons for accessing subscribed online databases and institutional repository.
- Library Media Monitoring Service is updated with happenings of global and Indigenous.
- The library Facebook account connects with the patrons in updating the latest happenings about the library.
- Books of importance are promoted through End of Shelf Display.

Library portal:

<http://library.manipaldubai.com>

The Library portal acts as a gateway to all the electronic information services to the patrons of Manipal University, Dubai Campus.

E-resources:

Academic search complete:

Academic Search Complete is the world’s most valuable and comprehensive scholarly, multi-disciplinary full-text database, with more than 8500 full-text periodicals, including more than 7,300 peer-reviewed journals. In addition to full text, this database offers indexing and abstracts for more than 12,500 journals and a total of more than 13,200 publications including monographs, reports, conference proceedings etc. The database features PDF content going back as far as 1887, with the majority of full text titles in native (searchable) PDF format. Searchable cited references are provided for more than 1,400 journals.

Business source complete:

Business Source Complete is the world’s definitive scholarly business database, providing the leading collection of bibliographic and full text content. As part of the comprehensive coverage offered by this database, indexing and abstracts for the most important scholarly business journals back as far as 1886 are included. In addition, searchable cited references are provided for more than 1300 journals.

Engineering source:

Engineering Source offers more than 3000 full text titles in engineering, computer science and related areas. It is designed for corporate reference customers, and will be offered as a standalone database or in conjunction with EDS.

E-book academic collection:

There are more than 150,400 eBooks in this package, including titles from leading university presses such as Oxford University Press, State University of New York Press, Cambridge University Press, University of California Press, MIT Press, Harvard University Press and many others. Additional academic publishers include Elsevier Ltd, Brill Academic Publishers, Taylor and Francis Ltd, Sage Publications Ltd and John Wiley and Sons, Inc.

MEED online:

- Gives accurate and adequate timely information
- Covers exclusive information on all the major business sectors of Middle East
- Provides information on tenders and contracts awarded
- Provides focused information which is sector based
- Provides Expert’s opinion through exclusive interviews
- Has 20 year online archives of articles published in MEED Magazine

Library workshop and information literacy program:

- The Library also conducts information literacy programs to individual classes on various resources and services.
- Library staffs are actively involved in assisting the user groups on their research work.
- The Library conducts workshop for the freshmen and presents information about the library facilities, resources and services.

Turnitin database workshop for MUDC faculty members

MELAKA-MANIPAL MEDICAL COLLEGE LIBRARY

Melaka-Manipal Medical College Library is located at the first and ground floor of the Library building at the main campus, while for Muar Campus it is located on the first floor of the administrative building.

The main campus library is divided into two areas viz., the reading area located at ground floor and the main library located on the first floor. The main library comprises various

sections: circulation counter, discussion rooms, scanning room, leisure reading area, individual study corner, and computer laboratory with printer and LCD facility.

As for Muar Campus Library, the following section is available; general reading area, leisure reading area and computer laboratory along with five discussion rooms.

Our library manpower is as follows:

Position	Total
Librarian	1
Melaka campus	
Library assistants	2
Muar campus	
Library assistant	1
	4

MMMC library space dimension for Melaka campus:

Location	Dimension [meter square]
Main Library	1148
Computer Laboratory	142
Reading Area	354
Ground Floor lobby	188

MMMC library operation hours:

Melaka campus:

Main library:

Monday – Thursday: 9 am – 12 midnight
 Friday: 9 am – 11.30 pm
 Saturday, Sunday and public holiday
 Closed

Reading area:

Monday – Sunday (including Public holiday): 9 am – 12 midnight

Muar campus

Monday – Thursday: 12 noon – 9 pm
 Friday: 12 noon – 8.30 pm
 Saturday, Sunday and Public Holiday Closed

Loan privilege offers by MMMC library are:

Member Type	Type of material	Item	Loan Period	Renewal
Students	Open Shelves	2	15 days	1
	Red Spot	10	2 hours	--
	Media (CD / VCD)	2	3 days	1
Lecturers	Open Shelves	15	30 days	Unlimited
	Red Spot	Unlimited	2 hours	
	Media (CD / VCD)	2	3 days	

Facilities for users:

- 1 Discussion rooms
- 2 Individual study carrels
- 3 Leisure reading area
- 4 Printer and photocopy machine
- 5 Scanner
- 6 Wi-Fi connection
- 7 Laptop area

Services available in MMMC are:

- 1 Circulation service for lending and returning of library materials
- 2 Reference service
- 3 Interlibrary Loan
- 4 Audiovisual materials
- 5 WebOPAC
- 6 Online reservation
- 7 Online renewal
- 8 Compilation of lecturers publication (Printed)
- 9 E-Learning room

MMMC library seating capacity are:

Location	Seating Capacity	
	Melaka Campus	Muar Campus
Main Library	111 persons	100 persons
Discussion Rooms	52 persons	30 persons
E-Learning Room	40 persons	-
Computer Lab	50 persons	46 persons
Reading Area	88 persons	-

Our collections for Faculty of Medicine consist of hardcopy books, eBooks, journals, audiovisual materials and databases. The details are as follows:

Faculty	Title	Copies
Faculty of Medicine - Melaka	3433	6918
Faculty of Medicine – Muar	862	1459
Faculty of Dentistry	215	375
Foundation in science	285	542
TOTAL	4795	9294

Therefore, our total collection at Melaka Manipal Medical College library as of 31 Dec 2016 is 4795 titles (9294 copies).

Audio-Visual resources:

	Audio-visual	Titles	Copies
Melaka Campus	CD/VCD with books	193	347
	CD-ROM	55	96
Muar Campus	CD/VCD with books	3	7
	CD-ROM	5	28
TOTAL		256	478

Our current subscriptions of journals for 2016 are in the online version, which can be accessed from both Melaka and Muar campuses:

Faculty of Medicine:

- 1) Medicine
- 2) Surgical Clinics of North America
- 3) Surgery (Oxford)
- 4) Psychiatric Clinics of North America
- 5) Paediatric Clinics of North America
- 6) Obstetrics and Gynaecology Clinics of North America
- 7) Asia-Pacific Journal of Ophthalmology
- 8) Current Opinion in Paediatrics
- 9) Obstetrics and Gynaecology Survey
- 10) Journal of the American Academy of Orthopaedic Surgeons
- 11) Bone and Joint Journal
- 12) British Journal of Surgery
- 13) Medical Education
- 14) Clinical Teacher
- 15) Asia Pacific Journal of Public Health
- 16) Orthopaedic Proceedings
- 17) International Journal of Obstetrics and Gynaecology (BJOG)

Faculty of Dentistry:

- 1) British Journal of Oral and Maxillofacial Surgery
- 2) Dental Clinics of North America
- 3) Journal of Endodontics
- 4) Journal of Prosthetic Dentistry
- 5) Community Dentistry and Oral Epidemiology
- 6) Journal of Periodontology
- 7) Clinical Advances in Periodontics
- 8) Journal of Clinical Pediatric Dentistry
- 9) British Dental Journal
- 10) Journal of Dental Education
- 11) Journal of Clinical Orthodontics

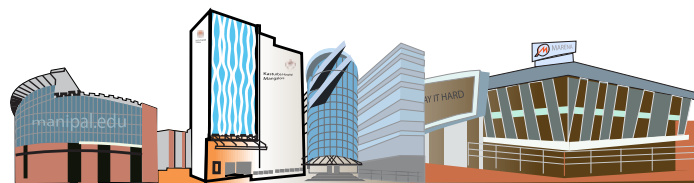

Currently, we have annual subscription for the following databases which provide access to various medical science journals and research articles:

- 1) BMJ Learning
- 2) BMJ Case Report
- 3) BMJ Best Practice
- 4) BMJ Journals
- 5) The Cochrane Library
- 6) ProQuest
- 7) MMMC In-house database

They are accessible at the campus and remotely in the following web link: <http://library.manipal.edu.my/>

ASPIRATION

The story of a fishing village in Kerala is that of grit and hunger for professional degrees, making it a metaphor for a great desire to achieve what their forefathers never dreamt of. Plus, the Outlook-Drishi annual rankings of professional colleges, and more.
