

The in-depth presentations by our international speakers, Dr Balbir S Bhogal (Left), Senior Scientist at St.John's Institute of Dermatology, London, UK and Dr Kathy Taghipour (Right), Consultant Dermatologist at Whittington hospital, London, UK, were the key highlights during the "International workshop on Immunobullous disorders" conducted by the department in 2013.

## Dermatopathology CME 2018

The department in association with Karavali Dermatology Society conducted “Dermatopathology CME” inviting speakers from all over the country with live slide discussions which could successfully meet the academic needs of our delegates.

**The department gracefully accepting the “Best Department Award” during state conference CUTICON-KN 2016, under the able leadership of Dr Sathish Pai.**

**Fully equipped "LASER centre" showing fractional CO2/MNRF (Left) and Diode Laser (Right) machines.**

**Phototherapy unit showing hand and foot unit (Left) and whole-body UVA/UVB chamber (Right).**
